# 1. APPOINTMENTS TO FACULTY

## 1.01 Initial Appointments

Initial appointments shall be either probationary for a two (2) year period or term as outlined in Clause 1.02.

Subsequent appointments shall be either probationary, continuing, or term as outlined below.

## 1.02 Term Appointments

- (a) A term appointment is one with a pre-established end date. Term appointments may be made only in circumstances which fit one or more of the following conditions (assuming that no probationary or continuing faculty are available):
- (i) To replace:
    - faculty on leave or secondment;
    - faculty assigned to professional, curriculum, or program development activities;
    - faculty assuming probationary assignments under paragraph 3, Clause 1.03.
  - (ii) To create positions with less than a fifty percent (50%) annual workload, provided there is no opportunity to combine two or more such assignments into a workload sufficient for a continuing or probationary assignment.
  - (iii) To fill positions when emergencies or other unforeseen circumstances do not allow for normal selection procedures.
  - (iv) To hire an individual with the specialized knowledge or skills required for a particular course or assignment when the College can demonstrate that no faculty member with the required knowledge or skill is available to accept the assignment as part of a probationary or continuing appointment.
  - (v) To staff instructional programs or projects which are funded by agencies external to the College on an irregular basis.
  - (vi) To staff new and experimental instructional programs or projects, or to hire faculty to replace continuing faculty who accept an assignment to an experimental program or project. Experimental programs or projects are those that expand programming to new clientele groups, new locations, or new programs or courses. Term positions created under this clause are limited to two years and must be with the agreement of the union.

Notwithstanding the above, effective September 1, 1993, no school may fill more than twenty percent (20%) of its full-time equivalent positions with term employees, excluding those hired under provision (i) above.

In all instances, the appointee and the Union shall be informed in writing of the grounds for a term rather than a continuing or probationary appointment.

## Appointments to Faculty, Continued.

- (b) When seniority is calculated, accumulated service on term appointments shall include earned vacation, whether taken as time off or as payment in lieu. In instances when vacation pay is received, not vacation time, the seniority earned shall be the same as if the employee had been credited with vacation time. In other words, earned seniority shall not be diminished as a result of a faculty member earning payment in lieu rather than vacation time. In these instances, seniority will be calculated by multiplying the employment period by 1.2.
- (c) Instructional term appointments will cover one (1) week of preparation time, the instruction period, and exam period or wrap-up period, to equate to sixteen (16) weeks for a standard full semester and thirteen (13) weeks for a standard full quarter.

Appointments for periods other than a standard full semester or quarter shall reflect the actual instruction period together with one (1) week's preparation time and one (1) week for the exam period or wrap-up period.

Any individual whose percentage of full-time employment is consistently 50% or higher for two successive semesters or quarters shall have a single appointment which extends through both semesters or quarters. For the purpose of this clause, May-June and July-August shall each be considered semesters.

Payment for term appointments shall be calculated on a daily rate based on the individual faculty member's placement on the faculty salary scale.

- (d) All employees on term appointments shall be evaluated according to the procedures established for the school, within the first twelve (12) months of aggregated appointment periods (independent of percentage of full-time employment); and an additional evaluation shall occur before completion of two (2) "full-time equivalent" years of service.
- (e) Indefinite term appointments - to replace a continuing or probationary faculty member on disability leave, the Employer may offer an indefinite term appointment, giving the new employee access to benefits and other provisions for probationary employees, providing there has been appropriate opportunity for recruitment and selection.

If the disabled faculty member is declared able and returns to work, the replacement appointee shall receive one (1) month's notice or payment in lieu of notice.

If the disabled faculty member is unable to return to work within the period of time allowed, the indefinite term appointment will be converted to a regular probationary or continuing appointment.

- (f) Internships - The Employer may create a limited number of faculty internship positions, each of which requires the approval of the Union.

Each internship position shall be for a one (1) or a two (2) year period, with a workload from fifty percent (50%) to one hundred percent (100%). The employee hired for each position will have no more than one (1) year of college-related experience in his/her field

## **Appointments to Faculty, Continued.**

of expertise. The approved staffing profile will not be increased by the addition of interns.

An employer/employee relations committee shall recommend guidelines for the application of this clause. The recommendations shall be forwarded to the president of the College and the president of the CCFA within six (6) months of the signing of this agreement, unless a later date is agreed to by the two presidents, and shall form the basis for the application of this clause, subject to approval by the CCFA and the administration.

- (g) Subject to Clauses 3.02 and 3.03, service accumulated during term appointments shall be credited toward seniority and all other benefits for which the employee is eligible. In those instances in which the length of the appointment has permitted adequate time for regular faculty evaluation procedures to be applied, and where such evaluation has been fully satisfactory, all service accumulated will be credited toward the probationary appointment, provided that the conditions of the term assignment do not differ significantly from the position being offered. Service credited towards probation under this clause will be counted in terms of percentage of full-time employment, with two (2) full-time equivalent years required for completion of the equivalent of probation.

Should a faculty member accept a probationary appointment prior to completing two (2) full-time equivalent years of service on term appointments, the length of probation will consist of two (2) years minus the f.t.e. time on term contracts. The remaining probation will be counted in aggregate, not f.t.e. time.

### **1.03 Probationary Appointments**

- (a) A probationary appointment precedes a continuing appointment, except in the case of any former term employee who completed the equivalent of a probationary period while on term assignments.
- (b) Probationary appointments shall be made for positions with fifty percent (50%) or more of an annual workload. The duration of the probationary period shall be two (2) academic years, irrespective of percentage of full-time equivalent employment, minus the length of accumulated service in term positions which do not differ significantly from the position being offered.
- (c) The probationary period for continuing faculty who assume assignments in another department shall be one (1) academic years. No probationary period is required when the department to which the faculty member transfers is deemed by the appropriate vice-president to be similar in nature to the faculty member's original department. If continuing faculty have an unsuccessful probation in another department, they shall be re-instated in their previous position or in a similar position.
- (d) A faculty member with a new probationary or continuing appointment shall receive at least one week of paid preparation time at the start of the appointment.

## **Appointments to Faculty, Continued.**

- (e) As a minimum requirement, all employees on probationary appointments shall be evaluated within the first semester or quarter of their appointment and when eight (8) to ten (10) months remain in the probationary period, according to procedures established in writing for each school. The employee shall be informed of the School's evaluation procedures and standards with the letter of appointment. The methods, standards, and procedures of evaluation shall be fair and reasonable.

After any evaluation, should improvements be deemed necessary, the employee, in consultation with the dean, will develop a plan, with appropriate timelines, for attaining the additional skills and/or knowledge required. The employee may apply to the Professional Development Fund for assistance in this regard.

Should the evaluation which occurs with eight (8) to ten (10) months remaining in the probationary period indicate that the employee does not yet qualify for a continuing appointment, a final evaluation will be carried out within two (2) to three (3) months of the end of the probationary period.

On the basis of the employee's most recent evaluation, the dean will recommend to the appropriate Vice-president whether to convert the probationary contract to continuing or to sever the employee's connection to the College at the end of his/her probationary appointment, or in accordance with Clause 2.03.

Should the employee disagree with the conclusions or recommendations resulting from an evaluation procedure, he/she may contest the recommendations or conclusions on the basis of the procedures not being carried out as prescribed by the school, or on the grounds that the conclusions and recommendations did not fit the information gathered through the evaluation process.

### **1.04 Continuing Appointments**

- (a) A faculty member who has successfully completed a probationary appointment shall automatically receive a continuing appointment at the same or higher percentage of employment as on the probationary contract.
- (b) A full-time faculty member may be assigned to a continuing part-time contract without loss of accumulated seniority and shall continue to accumulate seniority on a prorated basis.

Except where a reduction in staff is applicable, a full-time faculty member shall not be converted to part-time without mutual agreement among that member, the Union and the Employer.

In the event that a previously full-time faculty member who has converted to continuing part-time wishes to revert to a full-time appointment, he/she can only do so if there is a vacancy for which he/she is qualified subject to the provisions of Clause 1.04(e) or if there was an agreement specifying the duration of part-time employment prior to that member becoming part-time.

## Appointments to Faculty, Continued.

- (c) A faculty member with a continuing part-time appointment shall be granted first refusal for increased employment in the same department, when, in the judgment of the dean, in consultation with faculty and the chair, he/she is fully qualified to perform the duties comprising the additional workload. Should more than one (1) continuing part-time faculty member be qualified for the increased employment, the work will be assigned to the faculty member judged to be best qualified for the duties involved in the additional workload.
- (d) Transition from Term Appointments to Probationary or Continuing Appointments.

Any faculty member on a term appointment, other than indefinite term, shall upon application be granted probationary or continuing employment, subject to the following conditions:

- (i) He/she must have been appointed to a term position through the normal school selection procedures in effect at the time of his/her appointment.
- (ii) He/she must have worked at an average minimum of forty percent (40%) of full-time employment over at least twelve (12) weeks in each of two (2) semesters or at least nine (9) weeks in each of three (3) quarters (or the equivalent in a combination of semesters and quarters) in each of two (2) consecutive years, with a resulting full-time equivalent employment total of at least thirty (30) weeks, i.e. an average workload of at least fifty percent (50%) in each year.
- (iii) The faculty member normally must have worked in one department during the qualifying period, except in the case of faculty members who have done similar work in more than one department. Should there be disagreement concerning whether or not an individual who has worked in more than one department during the qualifying period is entitled to continuing status, the matter shall be resolved according to the provisions of Clauses 21.01 and 21.02.
- (iv) He/she must have been successfully evaluated according to established school evaluation procedures.
- (v) An assignment averaging at least fifty percent (50%) of full-time employment, with a minimum of forty percent (40%) at any given time, based on the normal workload of a full-time instructor in the relevant department, shall be available over two (2) semesters or three (3) quarters in the next year. The Employer is obligated to offer continuing employment when the annual budget and operating plan indicate that an assignment to the level stipulated above will be available. When the Employer concludes that sufficient work is not available to offer an individual a continuing contract, the Employer shall inform the individual and the Union in writing of the reasons for the decision.

All benefit calculations, including long term disability, will be based on the average annual percentage of full-time employment.

## **Appointments to Faculty, Continued.**

Conversion to a continuing appointment shall occur only at the beginning of the next term or semester following qualification and application.

For the purposes of this clause, the period from May through August shall be considered a semester.

The Employer shall not deny a faculty member the rights stipulated in this clause as a result of having neglected to evaluate the faculty member.

When more than one candidate is eligible for a single continuing appointment under this clause, the appointment shall be offered to the employee deemed most qualified through normal school selection procedures.

- (e) When a continuing position in a department becomes available, the position shall be offered to a suitable candidate from the following categories, in the following order. Suitable is defined here as meeting the minimum requirements for the position as determined in advance, by the department in consultation with the dean.
  - (i) Laid off with reappointment rights, according to the provisions of clause 3.04 (b)
  - (ii) Employees with part-time continuing appointments, in the same department, according to the provisions of Clause 1.04(c).
  - (iii)
    - (a) Term employees in the same department who have met the conditions necessary to convert to a continuing contract as described in 1.04 (d)
    - (b) Employees on indefinite term appointments who have successfully completed the equivalent of a probationary appointment.

Note: If two people are equally eligible under iii) (a) and iii) (b), the employee with more service accumulated will convert.
  - (iv) Candidate selected through competition for the position.

### **(f) JOB SHARING**

The Union and the Employer agree in principle to allow opportunities for job sharing. Arrangements and terms of employment shall be determined by a Joint Faculty/Administration Committee.

## **1.05 Letter of Acceptance of Appointment**

The Union shall receive copies of each letter of acceptance of appointment.

## **1.06 Selection of New Faculty**

Faculty members of the respective department shall be consulted in the selection of all new faculty. Procedures for faculty consultation will be specified in writing by the appropriate dean.

## **Appointments to Faculty, Continued.**

### **1.07 Seniority**

For employees on continuing or probationary contract, seniority shall be based on all service on term, probationary, or continuing contracts where no break in service exceeds two years. Seniority for part-time contracts shall be pro-rated. A seniority period will be established and reported for each continuing or probationary employee. An updated seniority list will be supplied to the Union at least annually.

Service seniority shall include all continuous service with the Public Service of British Columbia prior to the meld that took place on October 1, 1975. Seniority continues to accrue during all leaves of absence.

### **1.08 Teaching Rights of College Administrators and Exempt Staff**

- (a) "College Administrators" for the purpose of Clauses 1.08 and 1.09 means Associate Deans, Deans, Associate Directors, Directors, Vice Presidents, and the President.
- (i) College Administrators may teach at any time if the need exists, but shall not displace a continuing faculty member from employment and shall not teach more than one (1) section in any term or semester without the consent of the Union.
  - (ii) No additional payment for instruction will be made to College Administrators.
  - (iii) College Administrators are not required to become members of the Union or to pay Union dues.
  - (iv) The appropriateness of the qualifications of College Administrators to teach will be determined by the responsible dean in consultation with the responsible chair.
- (b) Other Exempt Employees

Other exempt employees may accept faculty assignments if they are deemed qualified by the usual faculty selection procedures. They will accept assignments on the same basis as other faculty - receiving payment for duties above and beyond their management responsibilities, and paying prorated union dues to the Union. In no case will an exempt employee, by accepting a faculty position, displace a continuing faculty member.

### **1.09 Faculty status for College Administrators and Other Exempt Employees**

- (a) The rights stipulated in this clause apply to College Administrators who opt to pay the Union an annual fee in lieu of dues. The amount of the fee will be determined by the Union and will not exceed the percentage of gross salary charged to faculty members.

The administrators stipulated above have the following rights:

## Appointments to Faculty, Continued.

- (i) The right, at their own or the Employer's request, to transfer to a continuing faculty position for which they are qualified if a vacancy exists, with the agreement of the appropriate dean in consultation with the appropriate vice-president and the department. These transfers shall take priority over applications from persons outside the College and will not interfere with rights for a continuing appointment as specified in Clauses 1.04(e)(i)—(iii).
  - (ii) The right to have all service to the College in a professional capacity counted in placement on the salary scale.
- (b) In addition to the right specified in 1.09(a), faculty members who leave the bargaining unit to occupy an exempt position at the College, and who opt to pay the Union an annual fee in lieu of dues have the following rights:
- (i) The right to exercise bumping privileges as described in Clause 3.02 should the member be laid off from his or her exempt position.
  - (ii) The right to have all service to the College in a professional capacity counted in calculation of faculty seniority and placement on the salary scale.
- (c) In order to obtain these rights, College Administrators and other exempt employees must begin to pay the annual fee to the union no later than three (3) months after assuming the exempt position. All rights will be extinguished if the exempt employee later opts to discontinue paying the fee.

## **2. TERMINATION OF APPOINTMENT**

### **2.01 Right of First Refusal for Term Contracts**

- (a) Term faculty members employed for two (2) semesters or three (3) quarters for the equivalent of two (2) consecutive academic years shall have the right of first refusal for the same or an equivalent term assignment in the next employment period, subject to successful evaluations.
- (b) In the case of assignments which occur annually for one (1) semester or quarter only, a term faculty member shall have the right of first refusal for that assignment when he/she has been employed on that assignment three (3) consecutive times and has been successfully evaluated.
- (c) A faculty member, following successful evaluation and completion of the required number of semesters or quarters as defined above, shall obtain this right of first refusal by filing an application with his/her school office.
- (d) The Employer may not deny an individual first refusal rights under this clause as a result of having neglected to carry out evaluations of the employee.
- (e) First refusal rights remain in effect for one (1) year from the date of termination of the most recent term appointment and are renewed with each subsequent term appointment unless there is a break of more than one (1) year between appointments.
- (f) Without relinquishing the rights stipulated in this clause, a faculty member may refuse employment for one (1) quarter or semester after each two (2) semesters or three (3) quarters of employment in order to provide the employee with the equivalent of a regular vacation period.

Any additional refusal of employment shall result in the relinquishing of the rights stipulated in this clause.

- (g) If two or more individuals qualify for an appointment under this clause, the appointment shall be granted to the individual deemed most qualified by the dean in consultation with the chair and other faculty within the department.

### **2.02 Resignation**

Employees will give the Employer as much notice of resignation as possible, and will, where possible, arrange for the effective date to coincide with the end of a class instructional period. Where notice of less than one (1) month is given, only those separation payments provided by statute will be paid.

### **2.03 Probationary Appointments**

An employee while on a probationary appointment may be terminated as a consequence of evaluation, as set out in clause 1.03, or under the provisions of clause 2.04. In lieu of notice, severance pay equivalent to two (2) weeks' salary will be provided.

## Termination of Appointment, continued.

### 2.04 Disciplinary Process

#### (a) Right to Union Representation

The Employer shall inform an employee of his or her right to Union representation prior to any meeting with the Employer that might reasonably be foreseen to form the basis for disciplinary action. If during a meeting, it becomes reasonably foreseeable that discipline may be ensue, then the Employer shall inform the employee of his or her right to Union representation and provide the employee a reasonable opportunity to obtain representation.

#### (b) Suspensions

The President may suspend an employee for cause. The Board shall be informed of the suspension within twenty-four (24) hours and shall, within two (2) weeks of the suspension, either dismiss the employee or reinstate him/her with or without penalty. At the same time, the President shall notify the president of the Union, by confidential memo that the suspension has occurred. Whenever an employee is reinstated without penalty, all documentation related to the matter will be removed from the employee's personal file.

Cause shall be defined to mean:

- (i) Gross misconduct; or
- (ii) Persistent neglect of faculty responsibilities (where neglect shall be taken to mean failure to correct deficiencies which have been indicated to the employee in writing); or
- (iii) Professional incompetence related to faculty responsibilities; or
- (iv) Demonstrated unsuitability for the position

#### (c) Termination for Cause

If there exists sufficient evidence to justify the termination of a probationary appointment, term contract, or continuing appointment of an employee, the President shall advise the individual concerned in writing, by registered mail, stating his/her intention to recommend such termination to the Board, and setting forth his/her reasons for the recommendation and the effective date for the termination. Cause, as defined in (a), shall be deemed appropriate grounds for termination.

A copy of this letter shall be sent to the chairperson of the College Board, and to the president of the Union.

**Termination of Appointment, continued.**

(d) Burden of Proof

In all cases of termination or disciplinary action, the burden of proof of just cause shall rest with the employer

### 3. LAYOFFS

#### 3.01 Notification

- (a) When a layoff is necessary due to changes of enrollment, the deletion of a program, technological changes or insufficient operating funds, an employee shall be entitled to at least four (4) months notice, excluding annual holidays, except in the following circumstances:

Term employees and employees with less than three (3) years of service, irrespective of percentage of full-time equivalent employment, on a probationary and/or continuing appointment shall be entitled to two (2) months notice.

In the event that the President plans to recommend termination of appointments for reasons of layoff, he/she shall inform the individual at least one (1) week prior to the time the recommendation shall be made to the Board. The notice period shall be calculated from the date that the Board approves the recommendation from the President.

- (b) In the event that the availability of additional employment is known before the designated termination date, such that the employee is able to continue without an interruption of greater than two (2) weeks, exclusive of vacations, the effective termination date will be delayed to the end of the additional assignment. All benefits in effect at the original layoff date will continue during this extension, but no subsequent notice period will be given, nor will the period for exercising 'bumping' privileges be extended.

When a layoff is necessary in a particular department, it shall occur in reverse order of service seniority. In each case, the remaining employees in the department must have the essential skills or expertise needed to meet the departmental objectives and activities. However, the faculty member can transfer to any other department where he/she is fully qualified, if necessary displacing a less senior faculty member.

The Employer will inform an employee of his or her right to have a Union representative present at any meeting which layoff or the potential for lay off is being discussed with an employee.

Whenever possible, an employee shall be given an opportunity to serve the College in some other capacity for which he/she is qualified. This clause applies to all employees, including those on leave at the time of layoff.

A written request for transfer to another department must be received within ten (10) working days of receipt of notification of termination as a result of layoff. Where an employee is qualified in more than one (1) department, he/she must always displace the least senior person.

## **Layoffs, continued.**

### **3.02 Process**

If a transfer or bumping process occurs, the adequacy of the transferee's qualifications shall be determined by a committee composed of:

- (a) One (1) faculty member from the department which the transferee proposes joining, and one (1) from the department from which he/she is being laid off. These faculty members will be selected by the respective departments. These members will be resource persons and will not vote.
- (b) One (1) faculty member and one (1) administrator appointed by the Joint Labour Adjustment Committee from its membership.
- (c) One (1) dean from a school not affected by the transfer (appointed by the Vice President Education).
- (d) Two (2) faculty members from schools not affected by the transfer (appointed by the Union executive).

### **3.03 Retraining**

- (a) An employee who is terminated for reason of layoff, who is not judged to be qualified to transfer to another position occupied by an employee having less seniority as provided in Clause 3.02, and who has served the College for at least five (5) years, shall receive paid leave of up to eight (8) months, if required, in order to qualify for an available position at the College. The salary will be the monthly salary at time of termination.
- (c) Where courses are altered or changed to the extent where new or greater skills are required than are already possessed by the affected employee such that the employee's continuing employment is threatened, such employee shall be given up to two (2) months in addition to annual vacation and to faculty development time provided in Clause 10 for approved professional development, with no loss of income, benefits or seniority.

In all cases, individuals eligible for reappointment have priority for available positions up to the individual's percentage of full-time employment at the time of lay-off.
- (iv) When the qualifications are in question concerning an assignment in the individual's previous department, the adequacy of the qualifications shall be determined according to a process established by the Joint Faculty Administration Committee.

## **Placement on Scale, continued.**

### **4.04 Initial Placement Procedure**

Employees' initial salary placement shall normally be according to the terms of Clauses 4.01 through 4.03. The initial placement procedure, including maximum placement on the scale, applies to all faculty members new to the College, and to all faculty members who have had a break in employment with the College of 36 months or longer.

At the request of the employee, placement on the salary scale may be reviewed at any time. Increases to an employee's placement on scale resulting from the review of qualifications shall be retroactive to the time of appointment if the review is initiated within six (6) months of the acceptance of the offer of appointment. Otherwise, increases shall be retroactive to the date on which the faculty member requested the review.

A request for review of placement received more than six (6) months after the acceptance of the offer of employment must be based on a specific identified area of concern. Changes in placement procedures which were agreed to by the two parties since a faculty member's most recent placement shall not be grounds for review unless the changes were agreed to be retroactive.

The administration shall include along with the letter of appointment an information packet including an explanation of the calculations leading to the employee's initial placement on scale referenced to Clauses 4.01 through 4.04.

To attract specialized personnel, or to facilitate transfer of continuing faculty members from other B.C. colleges and institutes, the administration may, with the agreement of the Union, offer placement on the salary scale above the step which would result from the calculations of an individual's work and educational background, or above the maximum initial placement.

### **4.05 Payment of Salaries**

All employees shall be paid bi-weekly (every second Friday).

## 5. INCREMENTS

### 5.01 Advanced Placement Upon Change of Qualifications

This clause applies only to faculty members already employed on term, probationary or continuing appointments.

Work experience and/or education (beyond that normally required for the initial category placement) will be recognized by changing the employee's maximum salary to Step One and advancing their current placement by one (1) Step for each of the following, upon presentation of transcripts and/or verified documentation:

- (a) The completion of an additional degree at the Bachelor's, Master's, or Doctoral level, at a recognized university or college.
- (b) Completion of one (1) academic year of advanced study, or the equivalent in part-time studies, relevant to the College role of the faculty member, beyond the study leading to the degree(s) and/or certification credited to meet the minimum requirements for the faculty member's salary category.
- (c) Completion of professional certification equivalent to one (1) year of advanced study relevant to the College role of the faculty member.
- (d) Completion of a teaching certificate or instructor's diploma.
- (e) Completion of a period of research, work experience, or private study, or a combination, equivalent to 1 academic year of advanced study, or the equivalent in part-time study, relevant to the College role of the faculty member.
- (f) Completion of a second Journeyman Certificate, following a formal approved program of study with a duration equivalent to at least 1 academic year, in a trade relevant to the College role of the faculty member.

An increment will not be awarded under this clause for activities previously recognized for category and/or step placement.

No more than one increment shall be awarded under this clause for a single program of study leading to a degree, and an increment shall not be awarded for the same period of study under (a), (b), and/or (c).

To qualify for increments under this clause, an employee must submit to Human Resources Department documentation satisfactory to the Employer in support of his/her claim. The increase will be retroactive to the date of successful completion, upon receipt of appropriate documentation, provided that the retroactivity does not exceed three (3) months and is within the same fiscal year. The Employer shall inform the employee in writing of his/her new classification for salary purposes, stating the new step and maximum placement.

## **Increments, continued.**

All activities related to item (e) under this clause must be **PLANNED IN ADVANCE** by the faculty member and **APPROVED IN ADVANCE** by the Advanced Placement Review Committee.

The Advanced Placement Review Committee, as outlined in a Letter of Agreement between the Employer and the Union, shall process and review all applications related to item (e), and shall forward its placement recommendations to the appropriate vice-president.

### **5.02 Increments for Service**

For each full-time equivalent year of service to the College an employee is entitled to one (1) increment on the salary scale until he/she reaches the maximum for his/her category. Employees shall receive the increment pay increase on the first pay period following attainment of each full-time equivalent year of service.

### **5.03 Professional Development Leave**

An employee on long-term professional development leave, as defined in Clause 10.01 may, with prior approval, be regarded as a full-time employee for up to twelve (12) months, for purposes of salary increment. An employee receiving an increment for this period may not also claim an increment for any credential earned during this period under Clause 5.01. However, the credential earned shall be used to extend the maximum placement by one (1) Step.

## **6. CHAIR**

### **6.01 Stipend**

- (a) Chairs shall be entitled to an administrative stipend. When it is deemed necessary to appoint an acting chair because of an extended absence of a chair, the acting chair will also receive an amount equal to the amount of stipend that the chair receives.
- (b) In departments in which more than one individual is required for administration, the faculty member(s) designated to assist shall receive up to one-half (1/2) of the chair's stipend. At the discretion of the dean, the employee's workload may also include designated time for these additional duties.
- (c) In those instances where the College creates a separate department comprising fewer than three (3) faculty FTE, one of the faculty members in that department shall be selected to provide the required administrative services, and shall receive a prorated stipend up to one-half (1/2) the chair's stipend. At the discretion of the dean, the employee's workload may also include designated time for these additional duties.

### **6.02 Change of Stipend**

The amount of the stipend shall be subject to the same percent change as is the basic salary scale on April 1 of each year.

### **6.03 Duties of Chairs**

The duties and responsibilities of the position shall be established by the President or his/her designate, following consultation with the faculty members of the department. Such information shall be made available to all prospective applicants and shall be subject to review by the Joint Faculty/Administration Committee.

### **6.04 Complement of Chairs**

For each department (career program or subject cluster defined by the College) which consists of three (3) or more faculty, a chair shall be appointed. Every faculty member shall belong to a department. Each chair will have a reduced teaching load established from time to time by the dean or director and vice-president in consultation with the chair.

### **6.05 Appointment of Chairs**

Each position shall be advertised internally and filled without external advertising if a suitable candidate is found. The President, or his/her designate, shall appoint chairs on the recommendation of the dean, who specify in writing procedures for adequate faculty consultation in the selection process.

### **6.06 Term of Office of Chairs**

The term of office shall be three (3) years with the position being declared vacant and posted for one (1) month, at least 2 months prior to the end of the three (3) year term. The

## **Chair, continued.**

appointment of the incumbent will be automatically renewed if no applications for the position besides the incumbent's are received. An evaluation will be conducted at least once in each chair's term. An evaluation may be conducted at any time during the term of the appointment and may result in an early termination of the chair's assignment. In addition, an evaluation will be conducted upon a request of other employees within the department. When a chair position is vacated during the term, the position shall be posted for two (2) weeks, and a replacement appointed as soon thereafter as is practical.

### **6.07 Qualifications of Chairs**

Each chair position will be filled by a member of the given department unless there are no suitable applicants from the department. In any event, the successful candidate will be qualified in at least one (1) area of the department's expertise.

### **6.08 Allocation of Chair Positions**

The Employer does not plan to redefine departments for the purpose of making significant adjustments in chair positions. As the College grows and changes, past practice will be a major consideration in the allocation of chair positions and release time.

## **7. WORKING CONDITIONS**

### **7.01 Workload**

An annual workload for each employee shall be determined by the employee, his/her chair and his/her dean, working together to consider each of the following factors:

- (a) class size;
- (b) nature of course;
- (c) number of different courses and preparation time;
- (d) support staff;
- (e) marking;
- (f) office hours;
- (g) committee involvement;
- (h) non-teaching duty days;
- (i) variation in class size during a term;
- (j) administrative responsibilities and/or other non-instructional professional duties;
- (k) spread of daily teaching hours beyond eight (8) hours;
- (l) variation or changes in curriculum;
- (m) nature of student intake;
- (n) number of campuses or other work sites on which the employee is required to teach;
- (o) education technology, distributed learning and on-line education duties;
- (p) prior learning assessment duties.

A minimum of 12 hours must elapse between the conclusion of a faculty member's scheduled work on one (1) day and the beginning of his/her scheduled work on the next day.

In establishing workload, the Employer and the Union shall be guided by the following principles:

#### **PRINCIPLES**

All full-time faculty covered by this agreement shall be expected to work within the same range of hours, although some may work more or less in response to specific circumstances.

This range shall be thirty-five (35) to forty (40) hours per week averaged over the 205 day year. The resulting annual total of working hours for full-time faculty shall be in the range of 1435 to 1640 hours. Working hours for part-time faculty shall be prorated at the same percentage as their percentage of a full-time assignment.

Faculty workloads should span the expected range. Thus the average annual workload within a department should be in the order of 37.5 hours per week.

It is recognized that the majority of faculty members experience substantial variations in daily and weekly hours of work. This variation could range from six (6) to nine (9) hours of work per day. The average load over a specific quarter or semester may rise to a maximum of 8.5 hours per day, or 42.5 hours per week, subject to the following conditions:

## **Working Conditions, continued.**

1. the annual load, when averaged over the 205 day year, falls within the ranges specified above, and
2. the average load in the adjacent term (quarter or semester) does not exceed forty (40) hours.

In the event that exceptional circumstances result in the guideline being exceeded, the faculty member, chair, and dean must agree to the assignment. Compensation for the period of excessive workload shall be agreed to in advance and stated in writing above the signature of the faculty member and the appropriate dean or vice-president.

Faculty members who do not experience substantial variation on work assignments should expect to work an average of between seven (7) and eight (8) hours per day.

Faculty workloads will reflect departmental, rather than school-wide or College-wide conditions.

The workloads of faculty members within each department must fit the department's normal workload pattern.

When the employee, chair, and dean cannot reach agreement on a faculty member's workload, the matter will be resolved in accordance with Clause 21 of this Collective Agreement. Should the grievance be resolved in favor of an individual faculty member who filed a complaint, his/her workload must be reduced by the beginning of the next term and appropriate compensation arranged for the period of excessive workload.

The Joint Faculty/Administration may refine and revise methods for collecting and interpreting information relating to the establishment of workload patterns which are in accord with the principles stated above.

Should the Committee find that workloads in a department require revision, the department shall revise the workload to fit with the above principles in time for the next budget year.

In fostering appropriate norms in each department the Joint Faculty/Administration Committee shall adhere to the principles stated above and shall seek to bring into alignment the workloads of departments with similar ranges and types of responsibility.

### **Chairs**

The combined instructional and administrative duties of a chair shall not result in a workload which is significantly in excess of the total duties performed in an equivalent instructional workload.

#### **7.02 Weekly Contact Hours**

- (a) The number of contact hours per week for an employee carrying a full instructional load shall vary between sixteen (16) and twenty-four (24). It shall be based on the following guidelines prorated for each situation.

## Working Conditions, continued.

Normal maximum contact hours:

(i)	Lecture (substantial preparation or marking generally large group)	16 hrs/wk
(ii)	Laboratory	24 hrs/wk
(iii)	Tutorial or seminar (20 or fewer students engaged in individualized or small group study)	24 hrs/wk
(iv)	Shop, clinical or classroom	24 hrs/wk

Weekly contact hours may vary to a maximum of thirty (30) hours in any one (1) week, and these guidelines may refer to annual averages in instructional assignments.

In departments in which a lower number of weekly contact hours has been established, either through past practice or through modifications resulting from the workload assessments carried out as part of the 1989-1991 workload review, the lower number shall be considered the maximum.

The percentage workload of part-time faculty members shall be calculated by using their weekly contact hours as the numerator and the established weekly contact hours in effect for full-time faculty in their department as the denominator. For faculty in departments with thirty-five (35) hour weekly work assignments the denominator shall be thirty-five (35) and the numerator shall be the faculty member's number of assigned weekly hours.

### (b) Non-Teaching Duty Days

A teaching employee will be expected to be on campus and engaged in College work including department meetings, on week days other than 'paid holidays', and his/her annual vacation, unless he/she has obtained specific approval to be off campus for professional development under Clause 10 or to perform clearly specified college work.

## 7.03 Non-Teaching Employees and Non-Teaching Duties

- (a) Non-teaching employees shall have a scheduled work week of thirty-five (35) hours per week averaged over a two (2) week period.
- (b) Chairs in non-teaching areas will receive release time proportional to those in instructional areas.
- (c) Continuing Education & Contract Training and Camosun International Coordinators shall have a scheduled work week of thirty-five (35) hours per week averaged over a two (2) week period, plus unscheduled programming time up to an average of seven (7) hours per week. An annual programming assignment will be established by the Coordinator and the dean's designate, and approved by the dean. When a Coordinator and the dean cannot reach an agreement on the workload, the matter will be resolved in accordance with Clause 21 Resolution of Disputes.

Qualified employees may be assigned teaching and/or non-teaching duties to meet the varying needs of the college.

## Working Conditions, continued.

### 7.04 Substitute Instructors

(a) Selection:

Whenever possible, the Employer will provide substitute instructors to relieve instructors who are absent as a result of illness or emergency. The procedure for recruiting, determining suitability and assigning substitutes shall be developed by the appropriate dean, in consultation with his/her chairs.

(b) Conditions of Employment for Substitutes and Reporting Responsibilities:

Effective September 1, 1995, substitute instructors shall be paid an hourly rate of \$35 per hour and shall receive only statutory benefits, for a period of up to 4 weeks for any single assignment. This hourly rate shall be increased by average percentage increases reflected in the salary scale.

Substitute instructors shall not become union members.

Faculty members with part-time appointments who accept substitute work will be compensated for their work as substitutes under the provisions of this clause.

Whenever a faculty member is unable to meet a scheduled class because of illness or other reason, he/she shall inform the school's administrative office with as much advance notice as possible. Only the dean, or his/her designate, will cancel a class, and will inform students of any cancellations.

Instructors will provide as much notice as possible of their absence, and will inform the Employer, if possible, before 16:30 hours if the absence is to continue into the next working day.

When possible, classes will be taught by a substitute instructor. In the event that a substitute instructor cannot be provided, the dean may request a full-time instructor, whom he/she judges to be qualified, to provide instruction for the class(es) affected by the absence of the regular instructor. When a full-time instructor has taught five (5) hours 'in relief', he/she shall be granted one (1) additional day of vacation at a time mutually agreed upon by the faculty member and his/her dean or receive payment at his/her current salary rate, at the discretion of the dean.

(c) Overload:

In the event that a position is vacated during the course of a term or course and a satisfactory replacement cannot be found, a fully employed employee(s) may be requested to carry an overload for the remainder of the term of the course.

An employee who accepts such an overload will either be given time off at a time acceptable to the faculty member, chair, and dean or will receive prorated remuneration and vacation credits.

## **Working Conditions, continued.**

### **7.05 Continuing Education (CE)**

- (a) Faculty members covered by this Agreement shall be given the first opportunity to teach CE courses for which they are qualified.
- (b) Instructors of courses generated by CE will be covered by this Agreement and thus paid on the Union scale when the courses are for credit or duplicate courses taught by Union faculty.
- (c) When instruction in CE is considered part of an instructor's annual workload, no additional salary will be paid.
- (d) When an employee is carrying a full instructional load as defined by this Agreement, additional instruction for CE courses shall be reimbursed according to the current relevant CE scale, except as limited by 7.05 (b). Each full-time equivalent year of teaching at Camosun or a similar institution shall result in a CE increment but shall not result in a salary exceeding the maximum salary on that scale.

### **7.06 Preparation Time for New Employees**

Whenever possible, the employer shall provide for new employees to be employed at least two (2) weeks in advance of assuming a full teaching load. This includes probationary or term appointments of four (4) months duration or longer. A new employee is defined as one having no previous teaching experience or as one required to teach a specific course for which no course material is available.

## 8. ANNUAL VACATION

### 8.01 Entitlement

- (a) Probationary and continuing full-time and part-time employees and term employees with appointments of 12 months or longer shall have an annual vacation entitlement of forty-four (44) working days. For part-time continuing or probationary faculty, salary during vacation shall be prorated in the same manner as during the period of work. The three (3) non-teaching days between Christmas and New Year's shall be part of the annual vacation entitlement unless the College directs the employee to work during those days.

The scheduling of annual vacations, including vacation days carried over, shall be carried out by the faculty member, the chair and the dean working together to consider the needs of the College and the interests of the employee. Vacation shall normally be taken in one block, exclusive of the days at Christmas. In any case, each faculty member, with the exception of coordinators, shall have the right to a minimum of six (6) uninterrupted weeks of vacation (30 days). Vacation is not normally approved during peak work periods, instructional or otherwise.

When no agreement can be reached on vacation scheduling or entitlement, the matter will be resolved in accordance with the Resolution of Disputes procedures in this Agreement (Clause 21).

Vacation credit will be based on anniversary of employment. Vacation adjustments occur on September 1st of each year.

With the dean's approval, a faculty member may carry over up to twenty (20) days' vacation for one (1) year only. If a faculty member agrees to waive any portion of his/her vacation time in a situation in which the vacation will not be taken at another time, he/she will be paid for this time in addition to his/her regular salary at the employee's usual rate of pay. In such instances the waiver shall be signed by the faculty member and the dean.

- (b) Term faculty with appointments of less than twelve (12) months are entitled to vacation pay equal to sixteen and eight-tenths percent (16.8%) of the gross salary earned, and paid bi-weekly, during the time of appointment.

Term faculty members with appointments of less than 12 months whose appointments span the week between Christmas and New Year's are not entitled to be paid for the three (3) non statutory days in that week, unless these three (3) days form a part of the faculty member's preparation time or other assigned work time, as stipulated in Clause 1.02, paragraphs 1 and 2. If the 3 days do not form a part of preparation time or other assigned work, the 3 days will be unpaid. These unpaid days will be included in whatever benefits or seniority the college is providing for the term employee.

- (c) Vacation, once approved by the employer, shall not be changed except by mutual agreement between employee and employer.

## **Annual Vacation, continued.**

### **8.02 Sickness**

In the event that an employee requires hospitalization or is seriously ill during his/her annual vacation period, the employee shall upon request and upon presentation of a physician's statement, apply the period of illness or hospitalization to sick leave rather than vacation, provided the sick bank is not used. The employee must inform the dean of the claim within two (2) months of returning to work.

### **8.03 Unused and Overused Vacation**

Continuing employees and any employee appointed to a contract of one (1) year or more shall earn vacation, as specified under Clause 8.01. Normally two (2) months, but at least one (1) month of vacation shall be taken during the first twelve (12) months of employment. Upon termination, adjustments for unused or over-used vacation entitlement will be made to final salary settlement.

## **9. PAID HOLIDAYS**

The following have been designated as paid holidays:

New Year's Day  
Good Friday  
Easter Monday  
Victoria Day  
Canada Day  
British Columbia Day  
Labour Day  
Thanksgiving Day  
Remembrance Day  
Christmas Day  
Boxing Day

Any other holiday proclaimed as a holiday by the Federal, Provincial or Municipal Governments for the locality in which the employee is working shall also be a paid holiday.

## 10. FACULTY DEVELOPMENT PROGRAM

### 10.01 Scheduled Development Time for Faculty

Scheduled development time for faculty is based on the recognition of the need for continuous development of faculty members, of educational practice, and of the organization. Scheduled development time and activities support faculty members in the development of their own learning related to their current or potential role(s) at the College and in the application of their knowledge, skills and awareness to the ongoing development of the College as a learning - centered institution. Scheduled development time and activities support faculty members in responding to identified learning and development needs of students, departments, community groups, the College, and the individual faculty members themselves.

#### (a) Entitlement to Scheduled Development Time

Every continuing and probationary faculty member, with the exception of Continuing Education and International Education, and Cooperative Education Coordinators and Senior Analysts, shall be granted annually two (2) months' time, or the equivalent, free of regular duties, for approved scheduled development activities (except when reductions apply as per 10.01 (c)). For faculty members who work on the quarter system, the standard development time pattern shall be one (1) quarter every second year. Part time faculty members are entitled to two (2) months or one (1) quarter time at their normal rate of pay.

Except for activities which are approved by the dean or director for deferral as in clause 10(h), scheduled development activities are conducted within a 12 month period commencing April 1<sup>st</sup> for faculty members on the quarter system and May 1<sup>st</sup> for all other faculty members. This 12-month period is referred to in this agreement as "the development year".

New faculty members, excluding faculty members converting from term appointments, must be employed by the September preceding each development year in order to be eligible for scheduled development time in that development year, per clause 10 (g)

Term top-up assignments to part-time continuing appointments do not lead to increased scheduled development time.

Continuing Education and Cooperative Education Coordinators and Senior Analysts are each entitled to one (1) month of scheduled development time annually, normally to be taken as a two (2) months' scheduled development activity every second year.

Chairs are entitled to scheduled development time on the basis of their entire assignment, which includes their chair duties and their instructional or student development duties.

#### (b) Combining Scheduled Development Activities and Professional Development

(i) With the approval of the dean or director, faculty members shall be entitled to take their scheduled development time as part of an extended development

**Faculty Development, continued.**

project which includes a period of paid or unpaid professional development leave. The criteria for approval of such proposals shall be consistent with the criteria normally used in relation to applications for scheduled development time. Such proposals shall not be unreasonably denied. The provisions for the reduction of scheduled development time in clause 10 (c ) do not apply to approved scheduled development activities taken in combination with paid or unpaid professional development leaves.

- (ii) If such a leave is greater than one (1) year, a faculty member is eligible for scheduled development time in connection with that leave one time only.
- (iii) Time taken on brief professional development activities, approved and funded by the professional development committee, and taken outside the scheduled development period, is not considered part of the faculty member's scheduled development time.
- (iv) Faculty members on scheduled development projects may apply for Professional Development Committee funds or other College funding for expenses incurred in their projects.
- (v) Scheduled development time may be used in combination with regular assigned duties.

(c) Reductions in Scheduled Development Time

Scheduled development time for faculty members, including faculty members in their year of retirement, is based on their employment in the previous development year. The following provisions apply, except as noted in 10(b) above:

<b>FACULTY ON SEMESTER SYSTEM</b>		<b>FACULTY ON THE QUARTER SYSTEM</b>	
<i>Length of unassisted leave of absence based on continuing workload equivalent</i>	<i>Reduction in scheduled development time in faculty members' next scheduled development period</i>	<i>Length of unassisted leave of absence based on continuing workload equivalent</i>	<i>Reduction in scheduled development in faculty members' next scheduled development period</i>
Two (2) months or less	No reduction	Four (4) months or less	No reduction
		More than four (4) months and up to eight (8) months	One fourth (¼) of a quarter reduction
More than two (2) and up to six (6) months	One (1) month reduction	More than eight (8) months and up to twelve (12) months	One half (½) of a quarter reduction
More than six (6) months	No entitlement to Scheduled Development	More than twelve (12) months	No entitlement to Scheduled Development

## Faculty Development, continued.

Faculty members who incur a reduction in scheduled development time will carry out their regular duties or other assigned duties per clause 7.01 during the remainder of their normal development period.

When a faculty member takes a partial leave of absence for a full year, the scheduled development time will be at the percentage of salary that applies during the rest of the leave of absence.

Faculty members returning from LTD leaves will have no reduction in their entitlement to scheduled development time. When possible and appropriate, the scheduled development activities for such faculty members may be incorporated with their overall return to work plan.

### (d) Planning of Scheduled Development Activity

Faculty members applying for scheduled development time submit proposals using application forms and guidelines established by the Joint Committee on Faculty Development. Prior to each development year, forms shall be submitted to the appropriate chair by January fifteenth (15th), and to the dean or director by February first (1st). A formal response by the dean or director to all applications will be made by March first (1<sup>st</sup>). Proposals which do not receive a response by March first (1st) will be deemed to have been approved. If a faculty member does not submit a formal application by the deadline, he/she is deemed to have forfeited his/her scheduled development time for the coming development year.

The rejection of a proposal by a dean or director does not result in the forfeit of the scheduled development time, but results in discussions amongst the faculty member, chair, and dean or director about an alternative development activity. Should the faculty member and the dean or director be unable to agree on a mutually acceptable development activity the matter shall be referred to the Dispute Resolution process (clause 21.01 and 21.02)

### (e) Categories of Scheduled Development Activities

While scheduled development activities vary broadly, projects should be classified among the following three general categories:

**Professional Development** focuses on the faculty member's development of knowledge, skills, and awareness related to his/her educational practice, area(s) of professional expertise, and college role(s).

**Instructional Development** focuses on the development of instruction, courses, and programs, with the purpose of enhancing student learning.

**Organizational Development** focuses on the development of a department, school, or College operations or procedures as a means of providing an effective learning and teaching environment.

## Faculty Development, continued.

While scheduled development projects may include any or all of these categories, over time approximately half (1/2) of a faculty member's activity shall focus on professional development. With approval from their dean or director, faculty members may increase their proportion of professional development.

### (f) Scheduled Development Activities

Scheduled development activities respond to a range of individual and institutional needs related to the faculty member's current or potential College role(s). These activities may include but are not restricted to formal or private study, either for credit or not for credit; research; industrial or community liaison; work experience; relevant travel; course, curriculum, and/or program development, review, and revision; exploration and development of new course materials; development of instructional innovation; and participation in the planning or governance procedures of the department, school, or College.

### (g) Scheduling of Development Activities

Scheduled development activities shall take place in one (1) uninterrupted block of time, free of regular duties, unless the faculty member agrees to another pattern. The scheduling of the block of development time and arrangements for other patterns will be established by the agreement of the faculty member, the department chair, and the dean or director.

### (h) Deferral of Scheduled Development Time

When the dean or director and the faculty member agree that the faculty member's College assignment prevents the faculty member from utilizing all or part of his/her scheduled development time, the faculty member shall defer all or part of the scheduled development time for future use. In other instances, deferrals of scheduled development time are limited to 2 (two) months or one (1) quarter, except in the case of specific projects which require a longer period and meet the approval of the dean. Such projects could include, but are not restricted to university programs, and work or other experience, relevant to the faculty member's role.

Proposals for the use and/or deferral of development time shall not be unreasonably denied, but shall be planned to cause the least possible disruption to students, and, where possible and applicable, to occur in periods of reduced student activity. In cases where programs have limited or no periods of reduced student activity, the College's operating plan will contain a commitment, within the limits of available resources, to provide replacement faculty for faculty members taking scheduled development time.

### (i) Accountability for Scheduled Development Activities

Approved scheduled development activities constitute legitimate work assignments that are subject to the same standards and expectations of any normal professional activity undertaken by faculty members. Albeit the nature of these activities reflects development needs and goals of individual faculty members, scheduled development

## **Faculty Development, continued.**

activity constitutes College work that is supported by College resources for the ultimate benefit of the students served. Accountability for scheduled development is shared by deans/directors and individual faculty members who are responsible for ensuring that scheduled development activities are conducted in accordance with approved plans and standards, and that reports and copies of resulting products are reviewed and shared within the College community, in accordance with JCSD guidelines.

Days of illness during development projects must be reported as sick days in the normal fashion. There is no carry forward of development time lost as a result of illness. When illness interferes with the completion of a scheduled development project, the faculty member, with the agreement of the dean or director, is freed in whole or in part for responsibility for completion of his/her project. In cases of disagreement on the impact of the illness on the faculty member's ability to carry out scheduled development activity, the matter will be resolved through the Dispute Resolution process (Clause 21.01 and 21.02)

Although some minor variations are to be expected, each faculty member is obligated to carry out the general plan described in his/her approved proposal. The developmental and exploratory nature of some projects may result in not all of the stated goals being achieved. However, major changes must be reviewed and approved by the dean or director in advance of the change. Approval of the next scheduled development project is subject to submission of a report, in accordance with JCSD guidelines, on the previous activities.

### **10.02 Professional Development Fund**

A budgetary item equal to one and one-half percent (1 1/2%) of employees' salaries shall be set aside annually to be used to:

- (a) pay employees granted leave at part or full salary under Clause 10.01.
- (b) supplement outside funds and/or cover a portion of the non-salary costs associated with approved programs, including exchanges.

The Professional Development Committee shall receive and assess the merits of all requests for use of professional development funds and shall direct the Bursar in the allocation of the funds. The Committee shall encourage and promote in-house professional development activities and establish guidelines for administration of the professional development program.

### **10.03 Faculty Exchanges**

- (a) A faculty member may, for up to one (1) year, exchange duties with a person with appropriate qualifications from another institution. The Camosun faculty member will receive full pay and benefits, will receive an increment if applicable, and will in all respects continue as an employee of Camosun College.

## **Faculty Development, continued.**

- (b) Faculty from two different departments may take part in an interdepartmental exchange program whereby their duties are exchanged for a specified period of time in accordance with College policies and guidelines.

### **10.04 Professional Fees**

The College will reimburse continuing and probationary employees for annual dues they expend for membership in a professional association if the membership in the professional association is required as a condition of employment by the College.

## **11. PUBLIC OR UNION OFFICE**

### **11.01 Seek Election**

Employees may seek election to municipal and school board offices, provided there is no conflict of interest and the duties of the office do not adversely affect the performance of the employee at the College.

### **11.02 Campaign**

There are no restrictions on employees engaging in political activities on their own time as campaign workers.

### **11.03 Leave**

If nominated as a candidate for election, an employee shall be granted leave without pay to engage in the election campaign. If not elected, the employee shall be allowed to return to his/her position at the College. If elected, the employee shall be granted, upon written request, leave of absence without pay as follows:

- (a) For an employee elected, or appointed, to a full-time position in the Union, or any body with which the Union is affiliated, a period of one (1) year.
- (b) For an employee elected to public office, a maximum of five (5) years.

## **12. COURT APPEARANCES**

An employee shall be granted leave with pay when summoned as a witness or juror provided that such action is not occasioned by the employee's private affairs and provided that all pay in excess of travel and meal allowance is remitted to the Employer.

## **13. LEAVE**

### **13.01 Unpaid Leave**

- (a) Unless the request creates serious problems for the Employer, the Employer will grant an employee unpaid leave for up to one (1) year.
- (b) Under special circumstances a leave may be approved or extended to a total of three (3) years. A leave will be for any purpose deemed justifiable by the employee.
- (c) If the leave involves experience of value to the College, as approved in writing by the appropriate vice-president, the faculty member will accumulate seniority and, if applicable, increment credit during the leave. Such approval will be conditional on the leave being used essentially as planned. Advanced placement for activities carried out during the leave is subject to the terms and conditions of Clause 5.01. A faculty member cannot earn both increment credit and advanced placement credit for the same activity.
- (d) Arrangements for the leave must take into account that an employee's annual vacation entitlement will be reduced in proportion to the leave period. This reduction in vacation entitlement will result in an additional period of leave without pay unless there is a mutually acceptable work assignment available during the period which otherwise would have been vacation. During this additional period of leave, employees' benefits will not be affected, and they shall not have their vacation or Scheduled Development entitlement diminished further.
- (e) No term faculty member shall have the right to convert to a continuing appointment under Clause 1.04(d)(v) based on a vacancy created by the third year of the continuing faculty member's leave. The term faculty members replacing the faculty member on leave would retain all other rights under Clause 1.04(d), including the right to count the third year of the continuing faculty member's leave as part of the time required to qualify for conversion to a continuing contract according to Clause 1.04(d)(ii).

Should there be a term faculty member who under the terms of Clause 1.04(d) would qualify for conversion to continuing status were it not for the provisions of the preceding clause, that faculty member's rights vis-a-vis Clause 1.04(d)(v) would be carried forward for one (1) year.

### **13.02 Bereavement Leave**

In the case of bereavement in the immediate family, an employee not on leave of absence without pay shall be entitled to special leave, at his/her regular rate of pay, from the date of death with, if necessary, an allowance for immediate return travelling time. Faculty who are on approved professional development leave (paid or unpaid) and retain employee status with the College, may continue their contributions to the Pension Plan subject to the approval of the appropriate pension authority of B.C. Where the faculty member continues to contribute, the Employer will also contribute the employer's share.

The Employer shall maintain its contribution to existing benefits as requested by the employee for the adoption leave period.

On return from adoption leave, the employee shall be placed in his/her former position or in a position of equal rank and salary.

An employee on adoption leave may not also apply for paternal leave under Clause 14.02..

## 15. SICK LEAVE

In addition to the provisions below, please refer to Article 9.3 Disability Benefits in the 2004-2007 Common Agreement.

### 15.01 Sick Leave

- (a) All employees are entitled to sick leave at 100% of their salary for the first thirty (30) calendar days of absence due to illness or injury. ### 15.02 Accumulated Sick Leave

#### Pre-1988 Accumulation

- (a) All faculty members on continuing appointment who were under age fifty-five (55) on March 31, 1988, will have their sick leave accumulation payout credits frozen at the March 31, 1988 level.
- (b) The accumulated sick leave referred to in 15.02(a) shall be payable upon retirement, as defined in the Pension (College) Act. On retirement, the employee may either:
  - (i) convert his/her accumulated sick leave to cash on the basis of fifty percent (50%) of one two hundred fiftieth (1/250) of his/her annual salary per day, to a maximum of two hundred fifty (250) days of accumulated sick leave; or
  - (ii) use the sick leave to retire early on the basis of fifty percent (50%) of one (1) working day for each day's accumulation to a maximum of two hundred fifty (250) days of accumulated sick leave; or
  - (iii) a combination of (i) and (ii).

Where an employee retires on less than full pension, the number of days which may be converted under (i), (ii) and (iii) above shall be actuarially reduced in the same proportion as is his/her Pension (College) Act.

- (c) Faculty members may also use the accumulated sick leave referred to in 15.02(a), to exchange for approved faculty development time above the level of faculty development assured by Clause 10.01 of the Agreement.

## **Sick Leave, continued.**

- (i) The rate of exchange will be one (1) additional approved faculty development day for the payout credits of two (2) accumulated sick days.
- (ii) The additional faculty development time, obtained through this exchange process, shall not accrue faculty development time and holiday entitlements when taken within the year immediately prior to retirement. The calculation shall be made from the end date of the development time. The number of sick days accumulated for use during illness shall not be reduced by the application of this clause.

### **Post-1988 Accumulation**

- (d) Any sick leave accumulated after April 1, 1988 shall not be converted to payout on retirement.

The number of days drawn from an employee's sick leave account for family illness cannot cause the employee's own sick leave balance for personal use to fall below twelve (12) days.

Where an employee requires additional days for family illness, up to the maximum number of days allowed within this clause, such extra days may be obtained through application to the Sick Leave Bank.

## **15.04 Sick Leave Bank**

- (a) Each full-time employee who holds an appointment of one (1) year or longer or a continuing part-time employee having a workload of fifty percent (50%) or more, shall, on April 1 of each year, donate one (1) day's sick leave from his/her sick leave entitlement to a sick leave bank until such time as there is in the bank a number of days equal to six (6) times the number of such full-time employees, as determined on that date.

The Committee may not recommend that an employee receive more days from the bank than are necessary to qualify for Disability Insurance benefits, unless the employee is unsuccessful at receiving LTD benefits and can present medical confirmation of illness.
- (f) In the event that the bank is exhausted, the Union may levy each employee additional days of sick leave and shall be entitled to deposit such days in the bank.

The Employer shall provide parking near the place of employment at no cost to the employee. Such parking shall be subject to Canada Customs and Revenue Agency regulations with respect to taxable benefits.

## **20. INDEMNITY**

Except where a joint Union-Employer Committee considers that there has been flagrant or willful negligence on the part of an employee, the employer agrees not to seek indemnity against an employee whose actions result in a judgment against the employer. The employer agrees to pay any judgment against an employee arising out of the performance of his/her duties. The employer also agrees to pay any legal costs incurred in the proceedings.

## **21. GRIEVANCE PROCEDURE**

### **21.01 Resolution of Disputes or Complaints**

Under the terms of this clause, individual faculty members, the Employer and/or the Union as a whole may raise complaints or attempt to resolve disputes concerning the administration, application, interpretation or alleged violation of this Agreement; or any question as to whether the matter is arbitratable; or other matters relating to employment at the College.

The Union and the Employer agree to attempt to resolve disputes and complaints at the earliest possible stage through procedures which bring together the concerned faculty member(s) and the appropriate excluded administration for frank and open discussion. A faculty member registering a complaint is entitled to have a representative of the Union present for such discussions.

Any resolution of a dispute or complaint shall be consistent with this Agreement. If the Union is of the opinion that a complaint has been resolved in a manner inconsistent with the terms of this Agreement, then the Union may initiate a grievance on the resolution.

Discussions shall proceed according to the following sequence:

#### **(a) Informal Dispute Resolution**

##### Step one

The complainant first discusses the complaint or dispute with the appropriate administrator in an effort to resolve the matter promptly and informally.

##### Step two

Failing resolution at step one, either party may refer the matter to a mediator assigned on a rotational basis from a list of mediators agreed to by the Union and the Employer. The parties may, by mutual consent, appoint a mediator that does not appear on the list of mediators agreed to by the Union and the Employer. If the mediator is not able to mediate a resolution to the dispute or complaint consistent with the Collective Agreement within twenty (20) working days, the dispute or complaint may be referred to formal grievance.

The costs of mediation shall be shared equally by the Union and the Employer.

#### **(b) Formal Grievance Procedure**

All formal grievances shall be initiated by the Union.

##### Step Three—President

Failing a resolution at step one or two, the President shall receive written submissions from both parties. The respondent shall submit its response within fifteen (15) working days from the date on which the President received the complainant's submissions. The President retains the option of calling the parties together to seek or recommend a resolution. Should no resolution acceptable to the parties be achieved, the President will ~~and~~ provide a written decision within 10 (ten) working days of receiving the respondent's submissions. If the Union

## **Grievance Procedure, continued.**

determines within 10 (ten) working days of receipt of the President's written response that the decision is not acceptable, the Union has the option of taking the grievance to Arbitration.

### Step Four—Arbitration

When a party has requested that a grievance be submitted to arbitration, it shall indicate to the other party of the Agreement the name of its appointee on an arbitration board. Within seven (7) days thereafter, the other party shall indicate the name of its appointee to the Arbitration Board. The two (2) arbitrators shall then meet to select an impartial chairperson.

If the recipient of the notice fails to appoint an arbitrator, or the two (2) appointees fail to agree upon a chairperson within seven (7) days of their appointment, the appointment shall be according to the laws of British Columbia.

Notwithstanding the foregoing, the Union and the Employer may agree to use a single arbitrator. The parties will share the cost of the single arbitrator equally.

The Arbitration Board shall give full opportunity to all parties to present evidence and make representations. It shall hear and determine the difference or allegation and shall make every effort to render a decision within thirty (30) days of its first meeting.

The decision of the majority shall be the decision of the Arbitration Board. Where there is no majority decision, the decision of the chairperson shall be the decision of the Arbitration Board. The decision of the Arbitration Board shall be final, binding, and enforceable on the parties.

The Arbitration Board shall have the power to dispose of a discharge or discipline grievance by any arrangement which it deems just and equitable. However, the Arbitration Board shall not have the power to change this Agreement or alter or amend any of its provisions.

Should the parties disagree as to the meaning of the Arbitration Board's decision, either party may apply to the chairperson of the Arbitration Board to reconvene the Arbitration Board to clarify the decision, which it shall make every effort to do within seven (7) days.

Each party shall pay:

- (i) the fees and expenses of the arbitrator it appoints;
- (ii) one-half (1/2) of the fees and expenses of the chairperson.

## **21.02 Variation of Procedure**

The parties may, by mutual consent, waive any step or time limit specified within the procedure for resolution of disputes.

## **22. UNION MEMBERSHIP AND DUES**

### **22.01 Bargaining Unit Definition**

The bargaining unit shall include all faculty members (as described in the certification statement of the Union) and part-time faculty members, whose salary is determined by the salary scale.

### **22.02 Membership**

All employees covered by this Agreement shall as a condition of employment, hold and maintain membership in the Union except where exempted and as outlined according to the laws of British Columbia.

### **22.03 Dues**

The Employer agrees to deduct each month from the monthly salary of each employee, one-twelfth (1/12) of the total annual union dues as determined by the Union, and any special levies which the Union may determine as authorized by its Constitution. This sum will be transmitted to the Union without delay, and this sum will be shown on the T4 slip, after the Union has confirmed receipt of these dues.

## **23. UNION RIGHTS**

### **23.01 Individual Agreements**

No employee covered by this Agreement shall be required, or permitted, to make a written or oral agreement with the Employer, or its representatives, which may conflict with this Agreement.

The Union shall give adequate notice to the administration regarding the persons to be released and the release time required so as to minimize any disruption to staffing at the College. Release time, holidays, and benefits shall be purchased at the rates of the person released.

A CCFA member elected to office in the Federation of Post Secondary Educators shall be granted leave from the College, upon request, with adequate notice given to the College. Release time, holidays, and benefits shall be charged to the Union at the rates of the person on leave.

Individuals on leave to work for the Union or F.P.S.E. shall accrue seniority, be eligible for service increments, and be accorded all benefits under this contract in accordance with his/her employment status at the commencement of leave.

- (b) Professional Meetings
  - (i) An employee shall be granted, upon request, up to two (2) days per annum leave with pay to attend the Society of Vocational Instructors' Conventions or upon consultation with his/her dean up to two (2) days per annum leave with pay to attend the annual meeting of the Camosun College Faculty Association and meetings of the Federation of Post Secondary Educators (F.P.S.E.) of British Columbia or registered professional associations.

## **Union Rights, continued.**

- (ii) Up to four (4) times a year during the 3:30 - 5:30 p.m. period, faculty members covered by this agreement will be released at their request from their classes or from other assigned duties in order to attend meetings of the Union. The dean may cancel the classes or make other arrangements at her/his discretion.

### **23.05 Picket Lines**

All employees covered by the Agreement have the right to refuse to cross a picket line arising out of a labour dispute. Any employee failing to report for duty shall be considered absent without pay.

### **23.06 Struck Work**

No employee shall be required to add to his/her normal duties or functions so as to do or assist anyone doing any duty or function of any job of any employee on strike or lockout by any employer.

## **24. SAFEGUARD AGAINST SALARY REDUCTIONS**

No person covered by this Agreement shall have his/her current rate of salary or allowance reduced by the application of this Agreement.

## **25. USE OF TERMS**

Whenever a singular or gender-specific term is used in the Agreement, it shall be considered to refer to the plural and to all genders where the context requires.

The term “Coordinator” refers to faculty positions within the following areas: Continuing Education, Cooperative Education, Contract Training, and Camosun International.

The clauses in this Agreement which refer to CE (Continuing Education) courses are understood to apply to community education courses, portfolio-managed courses in all schools, and courses developed by or contracted by the Continuing Education & Contract Training and Camosun International Departments.

## **26. TERM OF AGREEMENT**

This Agreement shall be binding and remain in full force and effect from the 1st day of April, 2004 through the 31st day of March, 2007 and shall continue in force until the renewal of this Agreement.

## **27. COLLECTIVE BARGAINING**

- (a) No later than three (3) months prior to the expiry of the Collective Agreement, the two parties shall agree to a period of time for negotiations which shall extend to at least one (1) month after the expiration date of the Agreement. The negotiating period can be extended with the agreement of the two parties.
- (b) If thirty (30) days after the expiry of this Agreement, or of the award of an arbitration board, or at the conclusion of a period of negotiation agreed to by the parties, whichever is longer, no agreement has been reached between the parties as to the terms of a new agreement, either party may refer the matters in dispute to a Board of Arbitration, as determined in (c) of this section. The decision of the Board of Arbitration shall be binding on the parties to this Agreement until the next anniversary date of the Agreement.

- (d) Either party or both parties may refer unresolved matters to the mediation services of the Labour Relations Board, prior to referring the dispute to binding arbitration, with the costs of the mediation to be shared equally by the two parties.

## 28. EMPLOYEE APPRAISAL

### 28.01 Process

- (a)
  - (i) An evaluation of each continuing employee shall be completed at least once every three (3) years. After two (2) evaluations confirming the faculty member's competence, a simple statement by the dean added to the faculty member's file, attesting to continuing satisfactory performance shall normally meet the requirements of this clause. The methods of evaluation and the criteria to be used shall be developed by the dean or Vice- President as appropriate in consultation with the chairs in the School. The methods of evaluation and the criteria used shall be fair and reasonable. The dean or vice-president as appropriate will ensure that all employees are aware of the methods of evaluation and criteria to be used.
  - (ii) All faculty members on term appointments shall be evaluated according to the procedures established for their school within the first 8 (eight) months of aggregate appointment periods (independent of percentage of full-time employment). A second evaluation shall be completed prior to the completion of four (4) semesters or six (6) quarters of employment, also irrespective of the percentage of full-time employment.
- (b) When a formal performance review of an employee is completed, that employee will be given the opportunity to read and review the appraisal. Provision shall be made on the evaluation form for the employee's signature to indicate that he/she has read the report and either accepts or rejects the appraisal. No employee shall initiate a grievance regarding the contents of an evaluation report unless the signature indicates disagreement with the appraisal. The employee shall receive a copy of the report. Changes in the methods of formal evaluation will be discussed with the appropriate Union representative before being implemented. An appraisal shall not be changed after an employee has signed it without the knowledge of the employee, and any such changes shall be subject to the grievance procedures of this Agreement.
- (c) The completed appraisal shall be available only to the employee, his/her chair, his/her dean, the appropriate vice-president, and the President. In the event of a dispute or legal action, the appraisal shall be available to a joint Union/Employer Committee, an arbitrator board and the legal counsels of the Employer and the Union.

## 29. TECHNOLOGICAL CHANGE

- (a) Technological change shall mean any change in the method of operation or equipment which results in an employee's services no longer being required in the same capacity.
- (b) Prior to introducing technological change, the employer shall notify the Union and the employee(s) affected in writing of the intended change, with a statement of foreseeable effects and repercussions on employees. Such notice shall be given as far in advance as possible but no less than four (4) months prior to the change being introduced.

If, within thirty (30) days of giving notice of technological change, the Employer or the Union identify potential problems, either party may request a meeting of the Joint/Faculty Administration Committee to discuss and to endeavor to reach an agreement on the area of concern.

Any agreements reached during discussions shall be appended to this contract as Letters of Agreement. Where agreement is not reached within sixty (60) days of the beginning of discussions, either party may file a formal grievance.

- (c) The employer agrees to take all reasonable steps so that an employee shall not lose employment because of technological change. Every reasonable effort will be made by the employer to utilize normal turn-over of employees, to the extent that it arises during the period in which changes occur, to absorb employees displaced because of such change or changes. However, when necessary to reduce staff, it will be done as outlined in Clause 3 of the Agreement.

### **30. VACANCIES**

The current College policy on selection of new faculty shall not be changed without the agreement of the Union.

All external advertising of vacant positions at the College will be posted on designated College bulletin boards in each College centre and will be forwarded to any employee laid off within the previous two (2) years.

### **31. ENTREPRENEURIAL ACTIVITY**

Any employee under this Agreement who plans to undertake income producing employment outside the College will consult with his/her dean prior to making any such commitments.

The Employer encourages community involvement and entrepreneurial activities that complement College activities, provided that these activities do not conflict with College duties and responsibilities.

## **32. PERSONNEL FILES**

A faculty member shall have access to any personnel file pertaining to him/her that is held by an individual or office in the College with the exception of confidential letters of reference and pre-employment interview reports.

Except for routine administrative access by the Human Resources Department and appropriate administrators, personnel files shall not be open to other individuals without the written permission of the faculty member concerned.

The Human Resources Department will maintain the original documents of any information contained in a personnel file. Faculty members will be notified of all information placed in that file and may respond in writing to any document. This response shall become part of the file.

### **33. ACADEMIC FREEDOM**

There shall be no infringement or abridgment of the academic freedom of any faculty member. Society benefits from the search for knowledge and its free exposition. Academic freedom is essential to both these purposes in the teaching function of the College as well as in scholarship and research.

Academic freedom is the freedom to examine, question, teach, and learn and it involves the right to investigate, speculate, and comment without regard to prescribed doctrine. Academic freedom ensures the following:

- (a) freedom in the conduct of teaching;
- (b) freedom in undertaking research and publishing or making public the results thereof, without infringing upon the College's copyright privileges;
- (c) freedom from institutional censorship.

Academic freedom carries with it the duty to use that freedom in a responsible way and in a manner consistent with the scholarly obligation to base teaching and research on an honest search for knowledge and the obligation to follow the curriculum requirements of the instructional assignment.

### **34. NO DISCRIMINATION**

The Employer shall not discriminate with respect to any employee, in hiring or in any matter related to College employment, on the basis of age, race, creed, colour, ancestry, place of origin, nationality, political or religious beliefs or affiliations, gender, sexual orientation, family status, marital status, disability, or summary or criminal conviction unrelated to employment responsibilities.

### **18.03 Phased Retirement**

Faculty 55 years of age or older and with 10 years or more employment in the College who have retired are eligible to apply for phased retirement positions in their department or work area.

The establishment of each such position requires the agreement of the appropriate vice-president. Information concerning whether or not the vice-president will agree to the creation of a phased retirement position in a given department or work area will be made available to those faculty members applying for such a position.

A phased retirement position is a 50% appointment which will extend until the employee reaches the provincial mandatory retirement age.

In no instance shall the elimination of a phased retirement position take place prior to twenty-four (24) months after commencement of the initial assignment, and any notice of layoff shall not be issued until after this initial twenty-four (24) month period. In the College's annual budget process the positions temporarily designated as phased retirement positions will be considered regular continuing positions.

The search to fill phased retirement positions will be restricted to faculty who have worked in the department or work area in which the position is being offered. To be eligible, candidates must meet the age and service requirements and must terminate their employment with the College. The College will fill the phased retirement position within one (1) month of the creation of the vacancy. If the remaining 50% position is to be filled, it will be filled in accordance with the College's normal selection procedures.

Following the termination of their employment with the College, faculty in this plan may commence their receipt of pension benefits subject to the terms of and their eligibility under the College Pension Plan. While the employee is on phased retirement, the employer's former pension contribution will be pro rated and placed into an employee nominated RRSP plan.

There is no other cash or bonus incentive to this plan.

Phased retirement faculty covered under this article will have the same rights and benefits as 50% continuing faculty except for those limitations established by the B.C. Pension Corporation and are not subject to the probationary provisions of Article 1.03. Phased retirement faculty will have the same performance review obligations as 50% continuing faculty members.

Work patterns will be for a twelve (12) month period at a fifty percent (50%) workload unless the employer and the employee agree otherwise.

Employees who moved into phased retirement prior to July 31, 2003 shall not be adversely affected by changes to the program.
