## **ARTICLE 1 - PREAMBLE**

### **1.1 Purpose of Common Agreement**

**1.1.1** The purpose of this Agreement is to establish and maintain orderly collective bargaining procedures between the Parties.

**1.1.2** In order to promote the efficient and effective operation of the institution through the establishment and continuance of harmonious relations and working conditions established under the collective agreement, and to assist in the development and expansion of the public post-secondary system, the Parties therefore agree to the following terms of contract.

### **1.2 Future Legislation**

In the event that any future legislation renders null and void or materially alters any provision of this Agreement, the Parties hereto will negotiate a mutually agreeable provision to be substituted for the provision so rendered null and void or materially altered. All other provisions of the Common Agreement shall remain in full force and effect.

### **1.3 Conflict with Policies**

Every reasonable effort will be made to harmonize employer policies with the provisions of this Agreement. In the event of a conflict between the contents of this Agreement and any policies made by the employer, the terms of this Agreement will prevail.

### **1.4 Singular and Plural**

Wherever the singular is used in the Common Agreement, the same shall be construed as meaning the plural if the context requires unless otherwise specifically stated.

## **ARTICLE 2 - HARASSMENT**

### **2.1 Statement of Commitment**

The Institutions promote teaching, scholarship and research and the free and critical discussion of ideas.

Unions and employers are committed to providing a working and learning environment that allows for full and free participation of all members of the institutional community. Harassment undermines these objectives and violates the fundamental rights, personal dignity and integrity of individuals or groups of individuals. Harassment is a serious offence that may be cause for disciplinary sanctions including, where appropriate, dismissal or expulsion.

The Institutions have a responsibility under the *BC's Human Rights Code* to prevent harassment and to provide procedures to handle complaints, to resolve problems and to remedy situations where harassment occurs.

The employer will offer educational and training programs designed to prevent harassment and to support the administration of the institutional policies and to ensure that all members of the institutional community are aware of their responsibility with respect to the policy. The Unions and Employers agree that attendance is required and will take place during compensated work time.

### **2.2 Definitions**

**2.2.1** Harassment is a form of discrimination that adversely affects the recipient on one or more of the prohibited grounds under the *BC Human Rights Code* [R.S.B.C. 1996 c.210].

Harassment as defined above is behaviour or the effect of behaviour, whether direct or indirect, which meets one of the following conditions:

- (a) is abusive or demeaning;
- (b) would be viewed by a reasonable person experiencing the behaviour or effect of the behaviour, as an interference with their participation in an institutional related activity;
- (c) creates a poisoned environment.

As of this date, the grounds protected against discrimination by *BC's Human Rights Code* [R.S.B.C. 1996 c.210] are race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identity or expression, or age of that person or because that person has been convicted of a criminal or summary conviction offence that is unrelated to the employment or to the intended employment of that person.

**2.2.2** Sexual Harassment is behaviour of a sexual nature by a person who knows or ought reasonably to know that the behaviour is unwanted or unwelcome; and

- (a) which interferes with another person's participation in an institution-related activity; or
- (b) leads to or implies employment, or academically-related consequences for the person harassed; or
- (c) which creates a poisoned environment.

## **2.3 Procedures**

### **2.3.1 Local Informal Processes**

The Parties agree that the local parties where mutually agreeable, may first attempt to use local policies or processes to resolve complaints of harassment and sexual harassment prior to accessing the following procedures in Article 2.3.3 Mediation and 2.3.4 Investigation.

### **2.3.2 Right to Legal Counsel**

The union is the exclusive bargaining agent for the bargaining unit employee and as such has the exclusive right to represent the employee in all matters pertaining to their terms and conditions of employment, including matters that may lead to discipline by the employer. An individual bargaining unit employee has no right to be represented by legal counsel during an Article 2 investigation involving an allegation of harassment.

### **2.3.3 Mediation**

When a complaint is received by the employer involving an individual covered by this collective agreement, whether as a complainant or respondent, the local parties will initiate a mediation procedure at the bargaining unit level. The mediation process is the recommended avenue of resolution.

Consensual mediation will require the agreement of the complainant and the respondent to use the following process:

- (a) the local parties will discuss the nature of the complaint and agree upon who will conduct the mediation;

- (b) the mediation process and resolution will be kept strictly confidential by all participants;
- (c) where a resolution is reached, the complainant and the respondent must agree in writing to the resolution and the matter will then be considered concluded;
- (d) no record of the mediation except the written agreed resolution will be placed on an employee's file. The written resolution will be removed from the employee's file after twelve (12) months unless there has been a subsequent complaint of harassment against the employee within the twelve (12) month period.

#### **2.3.4 Investigation**

Where either the complainant or respondent does not agree to mediation, or no resolution is reached during the mediation, the complaint will be referred to an investigator selected from a list of investigators agreed upon by the local parties. The parties will consider, among other things, the ability of the selected investigator to begin their investigation in a timely manner.

An investigator will be appointed within ten (10) working days of referral.

Where the local parties are unable to agree on a list of investigators, JADRC will determine the list. (See Appendix B.)

The referral should, where possible, include a written statement from the complainant and the respondent which succinctly outlines the issue(s) in dispute. The referral should be assembled by the Institution and forwarded to the Investigator with a copy sent to the union(s).

The appointment of an investigator does not preclude an investigator from mediating the dispute where possible up to the time of submission of the Investigator's report to the local parties pursuant to Article 2.3.5(a) below.

Any complaint of harassment will be kept confidential except as is necessary to investigate and resolve the issue. Investigators will stress the confidentiality of the investigation with the person(s) interviewed.

#### **2.3.5 Terms of Reference of the Investigator**

- (a) The purpose of the investigator will be to ascertain facts.
- (b) All persons quoted in the investigation will be named by code determined by the Investigator to preserve confidentiality.
- (c) The complete report of the Investigator will be given, in confidence, to the union(s) and the employer. It is the responsibility of the employer to forward a copy of the report to the complainant and the respondent. The employer will state, in a covering letter, that the report is confidential. The report should refer to individuals involved by code only. However, a reference key will be provided to the employer and the union(s) for internal use. This practice should be repeated at any subsequent arbitral proceeding. Upon consultation with the union, the employer may redact information from the forwarded report if the release of that information would violate the personal privacy of the individuals.

- (d) The report will not be introduced as evidence or have standing in any arbitration, or other legal procedure. This does not preclude the parties from reaching an Agreed Statement of Fact based upon facts in the report in preparation for an arbitral proceeding.
- (e) **Reliance on Report of Third Party Investigator**  
 Despite 2.3.3 (d), an institution is entitled to rely on the fact of mediation or the report of a third party investigator as evidence that may mitigate liability in a proceeding that follows receipt of the third party investigator's report.  
  
 The employer is entitled to rely on the investigator's report as evidence that it acted in good faith in any disciplinary action that it undertook following receipt of the third party investigator's report where the issue of good faith is raised by a grievor or the union.
- (f) The investigator will not be compellable as a witness in any arbitration or other legal procedure which may result from the investigation.
- (g) The investigator will conclude their work within twenty (20) days of appointment and will render a report within a further ten (10) days. These timelines may be extended if deemed appropriate by the local parties. If a dispute arises with respect to the extension, the matter will be referred to JADRC. If requested by the investigator, the employer will provide meeting space and contact information about persons to be interviewed.
- (h) The investigator may, as part of their report, make recommendations for resolution of the complaint.
- (i) The investigator's report will not be placed on an employee's file.

## **2.4 Findings**

**2.4.1** The employer will make a written determination based upon the facts and recommendation, if any, within ten (10) working days of the receipt of the Investigator's report. If necessary, this timeline may be extended by mutual agreement between the local parties.

**2.4.2** The determination will:

- (a) state the action(s), if any, to be taken or required by the employer;
- (b) include, where appropriate, a statement of exoneration.

## **2.5 Rights of the Parties**

Should a complainant file a complaint under the provisions of the *Human Rights Code*, it is understood that the *Human Rights Code* complaint will be set aside until such time as the procedures under this Article have been completed.

Where an allegation includes both complaints under the *Human Rights Code* and a personal harassment complaint, the local parties may agree to have the Investigator investigate all of the complaints, in order to relieve against expense and duality of process.

**2.5.1** The above noted procedure does not restrict:

- (a) The employer's right to take disciplinary action;
- (b) The union's right to grieve such disciplinary action or to grieve an alleged violation of this Article.

**2.5.2** The report of the investigator may be used in the development of an Agreed Statement of Fact for an arbitral proceeding.

## **2.6 False Complaints, Breaches of Confidentiality and Retaliatory Action**

Frivolous, vexatious or malicious complaints of harassment or breaches of the confidentiality provisions of this clause or retaliation in respect of a complaint may result in discipline.

Should retaliation be alleged following the filing of a complaint, an Investigator may deal with that allegation and make a finding.

## **2.7 Local Discussion**

The local parties will meet as necessary to facilitate the administration and other aspects of the application of this Article including issues arising under Article 2.8 below. The local parties may refer any differences over the administration or application of this Article to JADRC for resolution.

## **2.8 Relation to Other Agreements**

Where a complaint under Article 2 involves individuals who are covered by another collective agreement the local parties will meet to clarify and agree upon a procedure.

# **ARTICLE 3 - EMPLOYER/UNION RELATIONS**

## **3.1 Human Resources Database**

The Parties believe that their on-going and collective bargaining relationships are enhanced through useful, timely, and accessible data on relevant human resources matters, including those listed below.

The Parties agree to provide and support the accumulation and dissemination of available data to the PSEA, which will be responsible for the management of the HRDB project including the gathering, analysis, and maintenance of such data. The Parties may undertake joint projects for the comparative analysis of such data.

The Parties agree that a Steering Committee will oversee this program. The Committee will include representatives designated by each Party.

The Parties recommend that the Ministry of Advanced Education, Skills and Training continue to provide funding to assist in the gathering, analysis, and maintenance of such data through the agreed-upon organization.

### **3.1.1 Relevant Matters include:**

- (a) Health and Welfare
  - (i) Benefit Plan Designs
  - (ii) Participation rates

- (iii) Premiums
  - (iv) Cost sharing
  - (v) Commission costs
  - (vi) Carrier contracts
- (b) Collective Bargaining
    - (i) Salary information by classification
    - (ii) FTE, headcount, placement on scale, appointment status
    - (iii) Demographics: age and gender
  - (c) Contract Administration
    - (i) Arbitration, Labour Relations Board, JADRC, Harassment, Jurisdictional and other third-party decisions and costs thereof for the system
    - (ii) Local Letters of Understanding

## **3.2 Joint Administration and Dispute Resolution Committee**

### **3.2.1 Formation and Composition**

The Parties to this agreement will maintain a Joint Administration and Dispute Resolution Committee (JADRC) consisting of three (3) representatives of each party. Where appropriate, additional individuals may be called as resources, by mutual agreement.

### **3.2.2 Operation**

Meetings of JADRC shall be held as needed. A meeting shall be held within twenty (20) days of the written request of either party unless mutually agreed otherwise. A minimum of four (4) representatives with equal representation from the Common Parties will constitute a quorum. JADRC will set its own procedures and protocols. All decisions of JADRC will be mutual decisions between the Parties and will be recorded or confirmed in writing.

### **3.2.3 Purpose**

The purpose of JADRC is to:

- (a) Assist in the administration of the Common Agreement.
- (b) Provide a forum for dialogue between the Parties respecting issues impacting labour relations.
- (c) Provide a means for resolving issues pertaining to the implementation, interpretation and resolution of matters arising from the Common Agreement.
- (d) Appoint arbitrator(s) as applicable for Common Agreement Dispute Resolution.
- (e) Develop strategies to reduce arbitration and related costs.

### **3.2.4 Common Agreement Dispute Resolution**

Where a dispute arises concerning the interpretation, application, operation or alleged violation of this Agreement, the local parties will refer the dispute to JADRC using the Dispute Referral Form at Appendix C to this Agreement. Such referral would occur after the local grievance procedure is exhausted or deemed completed by agreement of the local parties.

JADRC will act as the registrar for referred disputes and will forward the matter to an arbitrator, within thirty (30) calendar days of the receipt of the dispute by JADRC's designated registrar. (See Appendix D for the list of arbitrators.)

Notwithstanding the referral of a dispute to an arbitrator, the local parties may mutually agree to request that JADRC attempt to resolve the matter through a pre-hearing discussion at the JADRC level. Where JADRC reaches a mutual decision on a matter referred, the decision will be final and binding upon the local parties.

Prior to an arbitral hearing, and in the absence of any JADRC decision, the local parties may resolve a dispute which relates to the interpretation, application, operation or alleged violation of this Agreement. The resolution is without prejudice or precedent.

### **3.2.5 Process and Costs**

A matter referred to an arbitrator will be scheduled and heard within sixty (60) calendar days of referral unless otherwise mutually agreed by the local parties. Decisions will be final and binding except as provided by Section 99 of the *Labour Relations Code*.

Arbitral decisions shall be rendered within fifteen (15) calendar days of the conclusion of the hearing. Time limits may be altered by mutual agreement between the parties.

An arbitrator has the authority to order pre-hearing disclosure and to act as a mediator provided such action does not unduly delay a decision.

Each local party will be responsible for its own costs. The costs of the arbitrator will be shared by the local parties.

## **3.3 Leave of Absence for College Committees and Union Leave**

### **3.3.1 Leave of Absence for College Committees**

An employee whose assigned work schedule would prevent them from attending meetings of a college committee to which they have been elected or appointed, will be granted a leave of absence from their regular duties without loss of pay or other entitlements to attend such meeting(s).

Where such leave is granted, the employer will replace the employee as necessary. Costs arising from this provision will not be charged against the program area of the participating employee.

### **3.3.2 Union Leave**

Meetings between representatives of the union and the employer will be scheduled at times mutually agreeable to the Parties. Reasonable effort shall be made to hold such meetings at times that do not conflict with assigned duties.

Where such meetings cannot be scheduled at times that do not conflict with assigned duties, the employer will grant a leave of absence without loss of pay or other entitlements for the purpose of attending such meetings to the total equivalent of one-quarter full-time equivalent per annum.

Where such leave is granted, the employer will replace the employee as necessary.

This clause may be utilized by the union to ensure adequate representation by the union with respect to issues that affect the institution or the post-secondary system. To facilitate the administration of this provision, the union will ensure that the employer is advised of the eligible leaves to be taken.

The union may designate a person(s) who will be entitled to union leave under this Article and will advise the employer of the amount of the leave to be taken. The amount of the entitlement is one quarter of a full time equivalent per annum, without loss of pay or other entitlement.

Costs arising from this provision will not be charged against the program area of the participating union representative.

This provision will not be utilized where existing employer-paid release time arrangements exceed this one-quarter full-time equivalent entitlement.

### **3.3.3 Additional Union Leave Without Pay**

A bargaining unit may purchase additional release time above that currently paid for by the employer at replacement costs. Replacement cost is that for the individual who is carrying out the duties of the individual released. Such leaves will not be unreasonably withheld.

## **ARTICLE 4 - PRIOR LEARNING ASSESSMENT**

### **4.1 Definition**

Prior Learning Assessment (PLA) is the assessment by some valid and reliable means, of what has been learned through formal and non-formal education/training or experience, that is worthy of credit in a course or program offered by the institution providing credit.

The assessment and evaluation of prior learning and the determination of competency and credit awarded, will be done by instructional or faculty staff who have the appropriate subject matter expertise but other staff in an institution may have a supporting role in the process.

The work required for prior learning assessment includes but is not limited to: classroom-based and individual advising; classroom-based and individual assessment, training and upgrading; development of assessment tools; and training in the use of flexible assessment.

### **4.2 Prior Learning Assessment as Workload**

Prior learning assessment work undertaken by an employee covered by this Agreement will be integrated into and form part of the employee's workload as workload is defined in the employee's collective agreement.

#### **4.3 Training in Prior Learning Assessment**

An employee required to perform prior learning assessment responsibilities as part of their workload, has a right to employer-paid training time and expenses, in the methodology and application of prior learning assessment as necessary for the assigned task.

#### **4.4 Prior Learning Assessment Coordinators**

Prior Learning Assessment coordinators will be faculty or instructional bargaining unit members.

### **ARTICLE 5 - COPYRIGHT AND INTELLECTUAL PROPERTY**

#### **5.1 Copyright Ownership**

The copyright or patent for any work product, including creative work, instructional strategies or curriculum/instructional material, software or any other material or technology that may be copyrighted or patented:

**5.1.1** belongs to the employee(s) where the work product has been prepared or created as part of assigned duties, other than the duties listed in Article 5.1.2 below, and the copyright to all copyrightable material shall be the sole property of the employee(s) and shall be retained throughout their lifetime and upon their death by their heirs or assigns; and

**5.1.2** belongs to the institution where one or more employees:

- (a) have been hired or agrees to create and produce copyrightable work product for the institution, or
- (b) are given release time from usual duties to create and produce copyrightable work product, or
- (c) are paid, in addition to their regular rate of pay, for their time in an appointment to produce copyrightable work product.

#### **5.2 Employer Rights to Materials Copyrighted by Employee(s)**

Where the employee holds the copyright pursuant to Article 5.1.1, the institution shall have a right to use their copyrighted material in perpetuity for institutional purposes. The institution may amend and update the copyrighted material with the approval of the employee(s) holding the copyright to the material. Such approval will not be unreasonably withheld.

#### **5.3 Employee Rights to Materials Copyrighted by the Employer**

Where the institution holds the copyright pursuant to Article 5.1.2, the employee(s) shall have the right to use in perpetuity, free of charge, such copyrighted material. The employee may amend and update the copyrighted material with the approval of the institution holding the copyright to the material. Such approval will not be unreasonably withheld.

#### **5.4 Joint Review**

JADRC may, at the request of either party, review issues arising from the application of this Article.

## ARTICLE 6 - JOB SECURITY

### 6.1 Employee Security and Regularization

#### 6.1.1 Intent

The purpose of this Article is to ensure that, by April 1, 2000, provisions relating to employee security and regularization of employees are established within each collective agreement affecting employees covered by this Agreement and to ensure that current and future employees who qualify for regularization under the provisions of this Article will be regularized.

The nine (9) month limitation applies to 1) polishing, 2) the application of fluoride, and 3) the recall itself. The nine (9) month limitation does not apply to scaling; any current scaling limits in dental contracts apply.

The process for an individual faculty employee to have their teeth cleaned more frequently than every nine (9) months as provided by Article 9.2.1 (d) is as follows:

- Faculty employee visits dentist as usual
- Dentist advises that the faculty employee has gum disease or other dental problem which requires cleaning more frequently than every nine (9) months
- Dentist fills in the usual claim form, but in addition notes that the faculty employee has gum disease or specifies the other dental problem that requires more frequent cleaning
- Faculty employee or dentist submits the form to the Insurance Carrier as normal

- PSEA and FPSE will encourage the Employers, and with support from the local faculty association/union, to make application to the Human Rights Tribunal under section 42 of the Human Rights Code to obtain approval for a special program that would serve to attract and retain Aboriginal employees.

### EXPEDITED ARBITRATION

#### **Re: Expedited Arbitration**

Effective the date of ratification, the parties agree that the following expedited arbitration process will be used for the resolution of grievances:

#### **1. Expedited Arbitrations**

Where a difference arises at an institution relating to the interpretation, application or administration of a local agreement, including where an allegation is made that a term or condition of a local agreement has been violated, either of the local parties may, after exhausting the steps of the grievance procedure under the local agreement, notify the other local party within ten (10) calendar days of receipt of the last grievance step reply, of its desire to arbitrate and to submit the difference or allegation to expedited arbitration before a single arbitrator.

## LETTER OF UNDERSTANDING 4

### WORKING COMMITTEE ON SECONDARY SCALES

#### 1. Committee Mandate

The Employer and the Union agree to participate in a joint committee (the “Committee”), with a mandate to:

- Quantify the costs that would be required in order to transition the base pay for employees included in this letter of understanding for each local from the applicable secondary salary scales to the Provincial Salary Scale as appropriate subject to the parameters described below.

#### 2. Application

This LOU will apply to non-regular faculty employees whose pay:

- a. Is determined according to a local salary scale other than the Provincial Salary Scale, or
- b. is differentiated from regular faculty employees due to limits on progression up the salary scale that do not apply to regular faculty employees, or
- c. is differentiated from regular faculty employees due to limits on initial placement on the salary scale that do not apply to regular faculty employees, or
- d. is differentiated from that paid to regular faculty employees through reduction formulas applied to the Provincial Salary Scale that do not apply to regular employees.

#### 3. Exceptions and Additions

This letter of understanding shall not apply to classifications of non-regular faculty employees in the bargaining unit who do not perform work normally done by regular faculty bargaining unit members, as defined by the collective agreement. (For example, substitutes, continuing education instructors, and instructional/faculty assistants). Additionally, qualification-based differences in pay are excluded from the scope of this committee work.

In addition to non-regular employees, this letter of understanding shall apply to the following regular employee groups only:

- i. Selkirk College: Regular faculty being paid according to on-line courses (LOU #7).
- ii. Any other regular faculty groups that the parties mutually agree.

#### 4. Definition and Formula – Base Pay

This formula calculates base pay for non-regular employees included in this LOU.

This formula sets a standard to be used by the committee for calculating base pay for non-regular faculty employees who perform work normally done by regular faculty bargaining unit members, as defined by the collective agreement during the same time period of their work assignment. For those institutions that have a different pay structure in their local collective agreement for non-regular employees, the pay calculated using the following formula will be converted on the same/equivalent basis to their local pay structure for non-regular employees. (i.e. hourly, per course, weighted hourly, etc.).

### Base Pay Formula and Conditions:

- a) The standard for base pay is calculated by the following formula:

$$\frac{S \cdot D \cdot P}{Y} \quad \text{where:}$$

- S** is the full-time annual salary on the appropriate step of the grid, as per local collective agreement placement provisions.
- D** is the number of days in the appointment period.
- P** is the percentage of full-time work during the appointment period.
- Y** is two hundred and sixty-one (261) days, which is the number of working days in one year. This is calculated based on three hundred and sixty-five (365) days per year divided by seven (7) days per week and multiplied by five (5) working days per week.

#### Examples:

##### Standard Appointment:

A 16-week appointment at 25% of full-time work at step 6 salary would be  $\$72,340 \times 80 \text{ days} \times 0.25$  divided by 261 = \$5,543.30

##### Compressed Appointment:

The same work performed in a compressed format over an 8 week appointment would result in 50% of full-time work for 40 days:  $\$72,340 \times 40 \text{ days} \times 0.50$  divided by 261 = \$5,543.30

- b) For clarity, base pay does not include lieu payments, such as vacation and/or benefits. These additional lieu payments, if applicable to non-regular employees in the local collective agreement, would be added to the base pay to formulate the non-regular employee's total compensation related to the term of the work assignment.
- c) The cost to transition an employee from the applicable secondary salary scales to the Provincial Salary Scale will be defined as the difference between the base pay the employee is paid using the secondary scale for the term of their work assignment and the amount the employee would be paid according to the above formula.

### 5. Costing Criteria:

- a) The Parties will use an average of the most recent 3 years of HRDB data (April 1, 2016 – March 31, 2019) for costing purposes. Where the data is not available in the HRDB data, the parties will use data from the institution's historic records using the same 3 year period. Where the institution does not use an April 1 – March 31 year, the records used will be those that most closely fit that time period.
- b) Normal rounding principles will apply. If rounding to the nearest dollar, less than .5 dollars will be rounded down to the nearest lower whole dollar and .5 dollars or more will be rounded to the nearest higher whole dollar. If rounding to the nearest cent, less than .5 cents will be rounded down to the nearest lower whole cent and .5 cents or more will be rounded to the nearest higher whole cent.

### 6. Committee Composition

The Committee shall be equally represented and shall consist of:

- Four (4) Employer Representatives, two (2) of which will be from PSEA; and

- Four (4) Union Representatives.

Costs for leaves and expenses to be borne by each party.

## **7. Timelines**

The work of the Committee will conclude no later than March 31, 2022. This information shall be provided by the Committee to each party's respective principals and may be brought forward by either party in the next round of collective bargaining.
