2.1.4.1 Any Employee who was a member of the Union on June 20, 1975, and any Employee who became a member of the Union after that date shall, as a condition of employment with the B.C. Institute of Technology, remain a member of the Union in good standing during the term of this Agreement.

2.1.4.2 Any person appointed to a position in the Bargaining Unit after June 20, 1975 shall, as a condition of employment with BCIT, apply for membership in the Union no later than the 31st day following the date of appointment, and shall, as a condition of employment, remain a member of the Union in good standing during the term of this Agreement.

2.1.5.1 The Employer shall deduct from the monthly wages or salary of each Employee in the Bargaining Unit, whether or not the Employee is a member of the Union, the amount of the regular monthly dues payable to the Union by a member of the Union, and shall require as a condition of employment that each Employee make and maintain whatever authorization is required for this deduction.

2.1.5.2 The Employer shall deduct from any Employee who is a member of the Union any assessments levied in accordance with the Union Constitution and/or By-Laws owing by the Employee to the Union each month and membership dues or payments in lieu thereof shall be considered as owing in the month for which they are deducted.

2.1.5.3 All deductions shall be remitted to the agent appointed by the Union not later than 10 days after the date of deduction. The Employer shall also provide a list of names and classifications of those Employees from whose salaries such deductions have been made together with the amounts deducted from each Employee.

2.1.5.4 Before the Employer is obliged to deduct any amount under Articles 2.1.5.1 and 2.1.5.2, the Union must advise the Employer in writing of the amount of its regular monthly dues. The amount so advised shall continue to be the amount of its regular monthly dues and shall continue to be the amount to be deducted until changed by further written notice to the Employer signed by the President or Executive Director of the Union. Upon receipt of such notice, such changed amount shall be the amount deducted.

2.1.5.5 From the date of signing of this Agreement and for its duration, no Employee organization other than the Union shall be permitted to have membership dues or other monies deducted by the Employer from the pay of the Employees in the Bargaining Unit.

2.1.5.6 The Employer shall supply each Employee, without charge, a receipt for income tax purposes in the amount of the deductions paid to the Union by the Employee in the previous year. Such receipts shall be provided to the Employee prior to March 1 of the succeeding year.

Requests for such release time shall nevertheless be given precedence over any other applications for leave being processed at the same time, and shall be granted. The Union and the Employer shall cooperate to ensure that suitable arrangements are made to have the Employee's regular duties covered during any transition period and during all periods of release time for Union activity.

2.1.6.6 With respect to any release time granted under Articles 2.1.6.2, 2.1.6.3, and 2.1.6.4 above, the Employer shall continue to pay each Employee's regular wage or salary in full, but shall render an account to the Union for the amount of release time, including the Employer's contributions on behalf of such Employee for all benefits and a pro-rated share of vacation earned while on release time for Union activities covered by this clause. The Union shall then reimburse the Employer to the amount of the account rendered within 60 days or as mutually agreed.

2.1.6.7 When release time is obtained under Article 2.1.6, suitable and reasonable arrangements will be made to have the Employee's regular duties covered. If such arrangements cannot be made with existing staff, then the Employer shall backfill the Employee on release time. No Employee shall be prevented from accepting release time for Union activity because that Employee's regular duties are not adequately covered.

2.5.2.4.3 Where the recommendation from the Expedited Arbitration is not accepted, the matter may be referred to arbitration by either party within 10 working days of receipt of the recommendation.

2.5.2.5 Reduction in Number of Regular Employees as a Result of Technological Change

In the event of a reduction in the number of Regular Employees as a result of technological change, the procedures specified in Article 18 shall be followed.

4.6.2.1 the Employee shall be made regular, however that Employee shall be considered to have received individual layoff notice.

4.6.2.2 In this event the individual shall be paid severance pay in accordance with the entitlements in Article 18 and be eligible for rehire as a Regular Employee but shall not fall under the layoff avoidance options and rights provisions.

4.6.3 Where it is shown that an Employee has been appointed to an inappropriate category relative to the terms of this Article and to the duties performed, that appointment shall be changed to regular, with an option of retroactivity to the start day of the current appointment. In these cases the Employee will be given the option of regular status either on the start date of the disputed appointment or the effective date of the resolution of the matter.

4.6.4 The prospect of an applicant becoming classified as a Regular Employee shall in no way militate against that applicant being selected and appointed.

4.6.5 When two or more suitably qualified candidates are deemed equal by the Selection Committee, then the candidate with the greatest length of service time with the Bargaining Unit shall be awarded the position.

4.6.6 The time periods in Articles 4.6.1, 4.6.1.1 and 4.6.1.2 will be held in abeyance for the duration of an employee's leave under Part 6 of the Employment Standards Act.

4.7 General

Other appointments not covered by the categories named in this Article 4 shall be made after prior mutual agreement only. Such an agreement shall not be unreasonably withheld.

ARTICLE 5 – SELECTION/EMPLOYMENT/APPOINTMENT
PROCEDURES FOR THE BARGAINING UNIT

5.1 Time Limits

The time limits specified in Article 5 may be altered in any specific case by mutual agreement.

5.2 Selection Procedures in Bargaining Unit

5.2.1 Competition

5.2.1.1 Subject to Articles 5.2.1.7, 18.2, 18.4, and 18.6, all vacancies and all additions to staff within the Bargaining Unit as a whole shall be open to competition except by mutual agreement of the Parties in (a) emergency or (b) compassionate situations or (c) other special circumstances.

5.2.1.2 If a position is not to be filled or is not to be continued, the reason(s) shall be forwarded in writing to the Union within one (1) calendar month of the vacancy occurring.

5.2.1.3 Notice of positions to be filled non-competitively shall be posted internally by the Employer and clearly labelled non-competitive.

5.2.1.4 Regular Employees may be employed to fill temporary vacancies for which they apply if they are selected by the appropriate Selection Committee.

5.2.1.5 If so appointed, a replacement Employee shall not lose Regular status, and shall be entitled to return to the former position held by that Employee.

5.2.1.6 The Manager shall notify the Union by electronic mail, at the time the Department is notified, that a Selection Committee will need to meet with respect to a vacancy.

5.2.1.7 Subject to Articles 18.2, 18.4, and 18.6, a Selection Committee may recommend that a temporary appointment be filled with a preferred candidate without the agreement of the Union and without competition notwithstanding Article 5.2.3.3.1.

5.2.2 Vacancies, Advertisements, Appointments

In order to encourage the expeditious processing of all selection activities while affording the Union the opportunity to review the categories/classifications of Employees, the Institute will provide to the Union office:

5.2.2.1 a copy of all personnel requisitions ("green sheets") for vacant and for new positions concerning the Bargaining Unit;

5.2.2.2 copies of all job postings at the Institute at the time that such posting occurs;

5.2.2.3 copies of advertisements and information on the placing of advertisements for all vacancies within the Bargaining Unit, at the same time that such advertisements are placed;

5.2.2.4 a copy of the appropriate Selection Committee Report;

5.2.2.5 a copy of the appointment letter, sent at the same time it is sent to the Employee, or relevant information including the name, Department and placement of each new Employee within one (1) calendar month of the initial date of employment, whichever is the earlier.

5.2.3 Selection Committee

5.2.3.1 Time Limit

A Selection Committee shall be struck within 10 working days of notice or information that a vacancy will occur.

5.2.3.2 Composition

5.2.3.2.1 The Selection Committee shall be formed as follows: 50% representation by and from the Employees within a Program/Program Grouping, by a method to be determined by the grouping unit, and 50% representation from Management; in addition, the Union may sit as an observer on the Selection Committee as full participant except with no vote. (The 50% representation means 50% of voting weight.)

5.2.3.2.2 The Selection Committee shall be weighted according to the position to be filled (e.g. Faculty, Assistant Instructors or Technical Staff) except that:

5.2.3.2.2.1 in case of a deadlock, the Committee may appoint an additional member by mutual agreement; and

5.2.3.2.2.2 the Selection Committee may add non-voting members where there is unanimous agreement by the Committee on the need for additional expertise or where such additional members are required by law.

5.2.3.3 Responsibilities

5.2.3.3.1 If either party has a preferred candidate the Selection Committee shall be so notified. If the Selection Committee, after considering the preferred candidate's qualifications and experience and the needs of the Department, wishes to recommend that person for appointment without calling for other applications, it shall so advise the Parties, and the position may, by mutual agreement of the Parties, be filled without advertising or competition, subject to Article 5.2.1.3.

5.2.3.3.2 Otherwise, the Selection Committee shall:

5.2.3.3.2.1 Formulate the agreed advertisement, authorize the advertisement and decide within a budget supplied by the Employer where it shall be placed. In emergency situations the Manager and a Union representative may carry out the duties of the Selection Committee in regard to the advertisement.

5.2.3.3.2.1.1 Subject to Articles 5.2.1.2 and 5.2.1.3, the advertisement shall be placed within 10 working days of the formation of the Selection Committee, except where notice of the vacancy is received more than three (3) months before the date of the vacancy.

In the latter case advertising shall be done within a period of time specified by the Selection Committee, but commencing not later than two (2) months before the date of the vacancy.

- 5.2.3.3.2.1.2 If continuation of the position requires authorization by the Employer, the advertising shall be carried out within 10 working days after the authorization has been obtained. This authorization shall not be unduly withheld, and in any case shall be subject to the provisions of Article 8, Workload.
- 5.2.3.3.3 Prepare a report which shall include a written statement of criteria used in preparing the shortlist. Criteria shall be based on: Faculty, Assistant Instructors, or Technical Staff responsibilities as outlined in Article 1, relevant Appendices and Memoranda of Agreement, specific job duties, and a job description if one exists for the position.
- 5.2.3.3.4 Forward its recommendations in a prioritized short list through the Manager or equivalent to the Employer.
- 5.2.3.3.5 Recommend placement of the prospective Employee on the salary scale according to the placement criteria specified in Article 11.
- 5.2.3.4 The prospect of an applicant becoming classified as a Regular Employee shall in no way militate against that applicant being selected and appointed.
- 5.2.3.5 If all candidates on the short list become unavailable, or if in the opinion of the Employer none of the short-listed candidates is acceptable, the matter shall be referred back to the Selection Committee for review. The Committee shall then:
- 5.2.3.5.1 reconfirm their original shortlist, or
- 5.2.3.5.2 recommend other candidates, or
- 5.2.3.5.3 recommend starting the selection process again.
- 5.2.3.6 An unsuccessful internal applicant shall, upon written request filed within six (6) weeks of the date of the successful applicant's letter of appointment, be advised in writing of the reasons they were unsuccessful. An internal applicant is an individual who was:
- 5.2.3.6.1 an Employee at the time they submitted their application for the position, or,
- 5.2.3.6.2 an individual who was an Employee for a minimum of three (3) calendar months and whose last day of employment occurred within the five month period immediately prior to the posted starting date of the position for which the application was filed.
- 5.2.3.6.3 An individual eligible as an internal applicant under Article 5.2.3.6.2 above may not file a grievance pursuant to this clause.

5.2.4 Departmental/Program Administrative Positions (Program Head, Coordinators and Other Supervisory Personnel Within the Bargaining Unit.)

5.2.4.1 Recommendations for appointment to the position of Program Head, Coordinator, other supervisory personnel, or any other position carrying special remuneration or title within the Bargaining Unit shall be made by the Department through the Manager or equivalent to the Employer.

5.2.4.2 The Department may, if it wishes, make recommendations for terms of reference, including the term of appointment and provisions for recall, for positions referred to in Article 5.2.4.1 to the Employer, but in any case the new appointment shall be for a period not exceeding three (3) years and shall be renewable. A Program Head does not normally represent more than one Technology Program, except in the formative period of the Program or in special circumstances as mutually agreed.

5.2.4.3 The foregoing provisions notwithstanding, the Union Employees in the Program, with the participation of the Associate Dean or equivalent having one vote, shall determine in accordance with the Collective Agreement Release Time for the Program Head and other supervisory personnel within the Bargaining Unit.

5.2.4.4 Establishing, or altering, or continuance of job descriptions and functions of Chief Instructors, Senior Instructors, or Coordinators shall be subject to mutual agreement.

5.2.5 Part-Time Studies

5.2.5.1 The selection of Employees to instruct in Part-Time Studies shall be subject to the final approval of the Employer.

5.2.5.2 In carrying out this responsibility, the following procedures shall be followed:

5.2.5.2.1 Where the course or courses to be taught fall within the area of expertise of a teaching Department of the Institute, that Department will be expected to select and recommend a candidate or candidates.

5.2.5.2.2 The opportunity to instruct in courses described in Article 5.2.5.2.1 will first be offered to the Employees of that teaching Department for new or replacement positions.

5.2.5.2.3 Where the teaching Department concerned cannot recommend a suitable instructor for the course, the Part-Time Studies Department shall post the position internally, and apply the procedure in Articles 5.2.5.1 and 5.2.5.2.

5.2.5.2.4 Where the courses do not fall within the area of expertise of a teaching Department of the Institute the selection of candidates will be made by the Employer.

5.2.5.2.5 The opportunity to instruct in courses described in Article 5.2.5.2.4 must first be offered to the Regular Employees of the Institute for new or replacement positions.

5.2.5.2.6 In an emergency situation, the Employer may select for duty an

Employee required for instruction or may release from duty an unsuitable Employee. Where the Employer exercises authority under this clause, the Employer shall immediately notify the Union in writing of the name of the Employee, the course concerned, and the circumstances requiring action, and the action shall be grievable.

5.2.5.2.7 Selection and retention of an Employee for instruction in Part-Time Studies shall be based on the candidate's qualifications, experience, and suitability for the specific Part-Time Studies instructional situation. When a person has been properly selected and appointed to instruct in classes in Part-Time Studies, and when that person has satisfactorily met the requirements of a Part-Time Studies performance appraisal under Article 13, then that person shall normally be rehired, except for stated reasons. Where the recommendation of the Department concerned is not approved by the Employer, the reasons shall be conveyed in writing to the Department.

5.2.5.2.8 Articles 5.2.5.1 and 5.2.5.2 shall not be interpreted as preventing a Part-Time Studies Employee from grieving under Article 3. Notwithstanding the foregoing, where a course has been authored by an individual who was not paid by the Employer for the course development work, and that course is being offered through Part-Time Studies, the course author shall be given the right of instructing the first offering. In the event the Employer has an interest in owning the course materials, it shall negotiate a mutually agreeable price with the course author. The hiring of an instructor for a subsequent offering shall be through the normal process.

5.2.5.3 Article 20 notwithstanding, the provisions of Article 5.2.3 shall apply to the Part-Time Studies Departments for selection of Employees for positions other than to instruct.

5.2.6 Departmental Part-Time Studies Staffing Process

Prior to the start of each Part-Time Studies term, the following staffing process will be used:

5.2.6.1 Four months prior to the start of the next Part-Time Studies term the Department's Part-Time Studies Coordinator will prepare the initial staffing roster for the term.

5.2.6.2 In the course of preparing the initial staffing roster, the Department's Part-Time Studies Coordinator will seek input from eligible individuals.

5.2.6.3 The Department's Part-Time Studies Coordinator will distribute the roster to eligible individuals.

5.2.6.4 The recipients of the roster shall, in writing, either confirm the acceptance of their assignment or identify concerns regarding assignments, within 15 working days of the date of issue.

5.2.6.5 In the event a dispute arises, a committee consisting of the Associate Dean, the Department's Part-Time Studies Coordinator and all Part-Time Studies instructors will meet within 10 working days to resolve the dispute.

5.2.6.6 In the event that the committee is unable to resolve the dispute, the departmental appeals process at Article 14.5 will be invoked within 10 working days.

5.2.6.7 Within 10 working days of the conclusion of the appeal process the Department's Part-Time Studies Coordinator will distribute the final roster and letters of appointment, which are subject to satisfactory student enrolment.

5.2.6.8 In the event a Part-Time Studies vacancy arises after the letters of appointment have been issued, the Department's Part-Time Studies Coordinator shall have the discretion to fill the vacancy in accordance with Article 5.2.5.2.

5.3 Re-Employment

5.3.1 A Regular Employee who leaves BCIT employment other than by Layoff (Staff Reduction) and who is re-employed as a Regular Employee within three (3) months shall be classified as continuously employed at that Employee's previous step and shall be granted retroactively a leave of absence without pay covering those days absent and shall regain all previous rights and benefits including superannuation provided the Employee has not withdrawn superannuation contributions and meets the requirements of the superannuation plan.

5.3.2 A former Employee rehired within two (2) years to a similar position in the same Department shall be placed no lower than the step occupied by that Employee at the time of leaving BCIT employment.

5.3.3 Fall/Winter Re-Employment

5.3.3.1 If prior to November 1 the Employer concludes that a temporary vacancy exists in the same Department for the entire Fall and Winter Terms, and if the Selection Committee selects a Fall Term temporary Employee to continue in the Winter Term, then:

5.3.3.1.1 the Employee will be paid as though the employment was continuous, and

5.3.3.1.2 any interruption in health and welfare benefits shall be adjusted so that there is no gap in benefit coverage and no additional waiting periods or expenses are imposed.

5.3.3.2 Where the Employee's Full-Time Equivalency (FTE) status or classification changes in the Winter term, the period between the two terms shall, for all purposes including salary determination, be considered to be the FTE status and classification of the Winter term.

5.4 Return to Bargaining Unit from Management

5.4.1 An Employee in the Bargaining Unit who accepts an excluded Management position on a short-term basis, up to two (2) years, shall be given leave of absence from that Employee's regular position. On termination of the short-term appointment, the Employee shall automatically return to the former position.

5.4.2 A member of the Bargaining Unit who has been, or is, appointed to an excluded Management position and subsequently leaves that post, shall be given special consideration in a competition for a teaching vacancy. This is not to be interpreted as giving absolute priority.

ARTICLE 6 – SELECTION PROCEDURES FOR MANAGERS

6.1 Academic and Non-Academic Managers

The Parties agree that the selection of Academic and Non-Academic Managers shall be governed by Letter of Understanding RE: Selection Committees for Excluded Managers.

6.2 President

The provisions of Article 6.1 do not apply to the position of President of the Institute. The selection of a President shall be carried out by a Search Committee on which the Union representation shall be at least one third ($\frac{1}{3}$) of the total number of the Committee.

ARTICLE 7 – EMPLOYEE RIGHTS

7.1 Academic Freedom

7.1.1 There shall be no infringement or abridgment of the academic freedom of any faculty member. Society benefits from the search for knowledge and its free exposition. Academic freedom is essential to both these purposes in the teaching function of the Institute as well as in scholarship and research.

Academic freedom is the freedom to examine, question, teach, and learn and it involves the right to investigate, speculate, and comment without regard to prescribed doctrine. Academic freedom ensures the following:

- Freedom in the conduct of teaching;
- Freedom in undertaking research and publishing or making public the results thereof, without infringing upon the Institute's copyright privileges;
- Freedom from institutional censorship.

Academic freedom carries with it the duty to use that freedom in a responsible way and in a manner consistent with the scholarly obligation to base teaching and research on an honest search for knowledge and the obligation to follow the curriculum requirements of the instructional assignment.

7.1.2 Subject to Articles 7.1.3 and 7.1.4, members of the Bargaining Unit shall be governed by their own discretion in their presentation of course material within the constraints of professional conduct as Faculty, Assistant Instructors, and Technical Staff.

7.1.3 The provisions of this Article shall be subject to such modification as a legal accrediting body requires, provided that:

7.1.3.1 the accrediting body legally governs the right of a graduate to practice; and

7.1.3.2 the particular requirement as to teaching method is specified precisely by the accrediting body; and,

7.1.3.3 the specific provision is stated by the accrediting body as being essential to continued accreditation of the course or program, or licensing of BCIT graduates.

7.1.4 In Industry Services when course materials include specific lesson plans and/or presentation guidelines, the instructor will be expected to follow the plans and guidelines; otherwise the method of presentation will be left to the instructor's discretion.

7.2 Personnel Files

7.2.1 During normal working hours and in the presence of a Human Resources Office staff member, all Employees have the right of access to their personnel records. Every Employee is also entitled to copies of all material in their personnel file at the time it is inserted into the personnel file.

7.2.2 There shall be space for the Employee to initial each document included in the Employee's personnel file, to indicate that the Employee has seen the document. The Employee's initial or signature shall in no way be taken to indicate concurrence with the content of the document.

7.2.3 Employees are entitled to add comments to documents in their personnel files, or to add material to the file.

- 7.2.4 Subject to Article 13 (Performance Appraisal) and as may be specifically provided in Article 19 (Discipline, Suspension, Discharge), the Employer shall take no action against an Employee except on the basis of material in the personnel file, unless the Employee specifically waives this provision.
- 7.2.5 A Dean, Director, or Manager may keep a file of personal notes, aides-memoir, and similar informal material concerning an Employee. Before material is transferred to the personnel files, a full review shall be held with the Employee. No material shall be transferred from such files into the personnel file if the Employee has not been informed through such a review and in any case no material shall be transferred which is more than one (1) year old.
- 7.2.6 An Employee may request, in writing, that material be removed from the Employee's personnel file under any or all of the following circumstances:
- 7.2.6.1 the material is more than two (2) years old;
 - 7.2.6.2 the material is no longer specifically relevant to that Employee's current situations;
 - 7.2.6.3 The material is invalid;
- and such material shall be removed subject to Article 7.2.7 but material shall not be removed from an Employee's personnel file except at that Employee's request.
- 7.2.7 If the Manager of Labour Relations considers the material referred to in Article 7.2.6 to be of continuing relevance in spite of being more than two (2) years old, or considers that it is valid, then the Employee shall have the right to appeal to the Labour/Management Committee for decision.
- 7.2.7.1 The Labour/Management Committee shall render a decision within five (5) working days. In the event that no decision is made by this time and the Union wishes to pursue the matter, it shall be automatically referred to arbitration as set out in Article 3 of this Agreement.
 - 7.2.7.2 Pending the decision of the arbitrator or the Labour/Management Committee, the material in dispute shall not be used or referred to in any disciplinary action.
 - 7.2.7.3 The time limits set out in Article 19 shall apply from the date the arbitrator or the Labour/Management Committee makes a decision.
- 7.2.8 All material relating to an Employee and held under authority of the Human Resources Department Office, must be placed in the Employee's personnel file and treated as set out in Article 7.2.
- 7.3 Seniority
- 7.3.1 Seniority means the service time with the Employer from date of hire or appointment for all Regular Employees subject to the following provisions:
 - 7.3.1.1 Regular Employees will accrue seniority based on service time and will continue to accrue seniority while on release time for Union activity or while absent on an approved leave of absence except for general purpose leave without pay as per Article 9.7.

7.3.1.2 All service as a Temporary Employee will accrue to the Employee on becoming a Regular Employee provided there are no gaps in the employment service of more than five (5) months.

7.3.1.3 A member of the Bargaining Unit who takes an excluded Management position and then re-enters the Bargaining Unit,

7.3.1.3.1 shall have previous Bargaining Unit service recognized, and

7.3.1.3.2 shall have Management service recognized to a maximum of four (4) years.

7.3.1.3.3 in either Articles 7.3.1.3.1 or 7.3.1.3.2 only service subsequent to any break in BCIT employment shall count.

7.3.1.3.4 If the Employee's Management service exceeds four (4) years, then previous Bargaining Unit work shall count but Management service time past four (4) years shall not.

7.3.1.3.5 All Management personnel on staff before 1985 April 12 who re-enter the Bargaining Unit shall, for seniority purposes, have all BCIT service time counted subsequent to any break in BCIT employment.

7.3.1.4 Continuous part-time employment shall be prorated to the equivalent of full-time employment to calculate the relevant length of time for application of this provision. For the purpose of calculating continuous full-time employment by the Institute, two (2) periods of employment by the Institute which are separated by a period of five (5) months or less shall be considered one (1) continuous period of employment with the interruption in employment included in the calculated time of continuous full-time employment by the Institute.

7.3.2 The Employer will maintain seniority lists, which will be updated periodically. Copies of the seniority lists will be forwarded to the Union. The list will show the date of hire and the service seniority established for each Regular Employee.

7.3.3 BCIT personnel transferring voluntarily from a position within the Union Bargaining Unit to a position within a BCGEU Bargaining Unit, or vice versa, are also covered by the Memorandum of Agreement in Appendix 4.

7.4 Course Materials

7.4.1 An Employee's lecture materials, demonstrations, written or graphic materials, audio-visual materials and any other teaching aids which the Employee creates, develops, acquires or introduces into the Institute in support of that Employee's teaching or teaching-related functions shall be the Employee's sole property and shall not be used by others without the Employee's permission.

7.4.2 Article 7.4.1 notwithstanding,

7.4.2.1 course-outlines shall be made available to the Manager.

7.4.2.2 copies of formal scheduled examinations may be maintained in a file in the Institute, provided that, where the instructor concerned considers it educationally undesirable to have wide student access to the examination, the Institute shall, upon the instructor's request, keep the examination copy in a restricted file with

release subject to approval by the instructor and the appropriate Dean, subject to the specific requirements of accrediting or licensing bodies.

7.5 Patents and Copyright

- 7.5.1.1 When one or more Employees have been hired (full or part-time) in an appointment solely to create and produce a specific, tangible product for the Institute, or
 - 7.5.1.2 When one or more Employees are given specifically defined Release Time (full or part-time) from usual duties, including voluntary release from activities which would otherwise be done during an Employee's month free of teaching, solely to create and produce a specific tangible product for the Institute, or
 - 7.5.1.3 When one or more Employees are paid in addition to their regular rate of pay for their time (or a flat rate), in an appointment solely to produce a specific tangible product for the Institute (such payment to be subject to negotiation between the Parties), the product shall be the property of the Institute. The provisions of Articles 7.5.2, 7.5.3, 7.5.4, & 7.5.5 shall apply.
- 7.5.2 If the use of the product produces any income, other than direct BCIT student fees when the product is used by BCIT Employees through BCIT for BCIT courses, then the income shall be shared 63/37 respectively between the Institute and the Employee(s) significantly involved in the creative aspects of the production after the following costs have been met:
- 7.5.2.1 direct salary costs of the Employee(s) with significant creative roles in the production, excluding clerical, technician, and management functions;
 - 7.5.2.2 cost of benefits directly related to the salary amounts in Article 7.5.2.1
 - 7.5.2.3 other direct compensation costs such as overtime;
 - 7.5.2.4 pro-rata share of major production costs such as any special equipment leased or purchased, and major materials costs;
 - 7.5.2.5 specific marketing costs.
- 7.5.3 In the event that more than one (1) person is significantly involved in creating the product, as described in Articles 7.5.1 and 7.5.2 above, then the proportion of the production attributable to each Employee shall be determined by those Employees. If agreement among them is not reached by the time the finished product is created, then the Institute shall determine the proportionate sharing of authorship and production among the Employees. The proportionate sharing of the Employees' share of net proceeds shall be in accord with Article 7.5.2 above.
- 7.5.4 The income and costs described in Article 7.5.2 above shall be calculated in accordance with accepted accounting principles; and further those calculations shall, upon request, be available to the Employee(s) concerned. The calculation of income and costs, if unsatisfactory to any Employee involved, is subject to the grievance procedure as to the mathematics and the appropriateness and the amounts of the factors involved.
- 7.5.5 The Institute shall, upon request, grant licence to the producer(s) to market the product, but subject to the Institute's approval regarding the marketing plan, advertising and promotional materials, price and market.
- 7.5.6 Other than as provided in Article 7.5.1 above, when an Employee creates and produces manuals, texts, workbooks, film slides, video-tape or other audiovisual material, or

computer programs, etc., with Institute resources, and does so under an agreed grant, subsidy or compensation from the Institute, all of which are subject to negotiation between the Parties, ownership of any material produced shall remain with the Employee. If there is income from sale, rent or lease of the product, then the proceeds shall be shared equally between the producer and the Institute until the Institute's accumulated share of the proceeds equals any originally agreed grant, subsidy, or compensation from the Institute.

7.5.7 Where Employees use production facilities outside the control of the Institute, non-Institute supplies, and work outside their usual duties, the Institute shall have no right, title, or interest in any product, copyright, patent, or invention.

7.6 Indemnity

7.6.1 Except when the Labour/Management Committee finds that there has been flagrant negligence on the part of an Employee, the Employer agrees not to seek indemnity against an Employee whose actions result in a judgement against the Employer. The Employer agrees to pay any judgement against an Employee arising out of the performance of that Employee's duties and pay the legal costs therein of that Employee, provided the Employer approves counsel, or to pay the Employee's share of any out of court settlement arising from the case if the settlement is approved by the Institute. Approval of legal counsel or out of court settlement shall only be withheld for significant stated cause. Approval of legal counsel shall not be withheld on the basis of cost.

7.6.2 In order that the above provisions shall be binding upon the Employer, as noted in Article 7.6.1 above, the Employee shall notify the Employer, in writing, within 90 days of any incident or course of events which may lead to legal action against that Employee, and the intention or knowledge of such possible legal action is evidenced by any of the following circumstances:

7.6.2.1 When the Employee is first approached by any person or organization notifying the Employee of intended legal action against the Employee; or

7.6.2.2 When the Employee decides to retain counsel in regard to the incident or course of events; or

7.6.2.3 When any investigative body or authority first notifies the Employee of an investigation or other proceeding which might lead to legal action against the Employee; or

7.6.2.4 When information first becomes known to the Employee in the light of which the Employee might reasonably consider that the Employee might be the object of legal action.

7.6.3 In the event that an Employee wishes to retain counsel as in Articles 7.6.1 and 7.6.2, then the Employee shall so advise the Employer in writing. Within 10 working days of receipt of this information the Employer shall advise the Employee, in writing, of the Employer's intention either to:

7.6.3.1 provide and pay for legal services; or

7.6.3.2 pay for legal services from counsel whose selection the Employer approves; or

7.6.3.3 withhold provision of or payment for legal services for significant stated cause as in Article 7.6.1. This shall not prejudice the Employee's nor the Union's right to grieve the matter.

7.7 Office Space

- 7.7.1 The desirable office space per Faculty Employee shall be recognized to be at least 80 square feet in an individual office. This provision may be varied by mutual agreement.
- 7.7.2 The Labour/Management Committee shall establish a representative committee to study and make recommendations to the Parties regarding office space.

7.8 Parking

- 7.8.1 There shall be no change in parking regulations and policies except by mutual agreement of the Parties.
- 7.8.2 There shall be no change in parking fees except by mutual agreement of the Parties.
- 7.8.3 Specific parking lots agreeable to the Union shall be designated for use by Part-Time Studies Employees on weekdays after 4:30 p.m.

7.9 Picket Lines

- 7.9.1 All Employees have the right to refuse to cross a legally established trade union picket line, or a trade union picket line which has been officially recognized by the Union in advance of its erection, and such refusal to work shall not be considered a violation of this Agreement or grounds for disciplinary action or any other penalty.
- 7.9.2 The Employer has the right to declare any Employee who chooses not to cross the picket line as being absent without pay, until the Employee returns to work at the Institute. Subject to the relevant pension regulations, and subject to the Employee paying both the Employer and Employee contributions, the Employer will record such absence as leave without pay so that the Employee can accrue pensionable service. Employees who are absent without pay will not receive pay, nor continuation of benefits for which premiums have not yet been paid, under any provisions of the Collective Agreement, except as set out in Article 7.9.
- 7.9.3 Employees who report for previously assigned work off campus, or other off campus work that the Employer, in its discretion agrees to recognize, shall be paid for such work.
- 7.9.4 Employees who have leaves properly scheduled prior to the commencement of the picketing, where such leave will continue or commence during the strike period, shall be paid during such leaves.
- 7.9.5 Where an Employee has commenced sick leave prior to the commencement of the picket line, paid sick leave shall continue until recovery is effected. To be entitled to sick leave under this clause an Employee must have been on paid sick leave on the Employee's last scheduled work day prior to the commencement of picketing.

18.1.1.4 When responsibility for a course or courses, or equivalent course material, taught by a Regular Employee is transferred from one Department or Division of the Institute to another Department or Division, such transfer shall not be reason for a Regular Employee to become subject to Article 18 (Staff Reduction).

18.1.2 Issuing Notices of Staff Reduction

18.1.2.1 Prior to issuing a notice to the Department concerned at a Department meeting, a copy of the notice, which will include a copy of the form in the format agreed to between the Parties, shall be forwarded to the Union, and may be done so by electronic mail.

18.1.2.2 Within two working days of the delivery of the notice to the Union, the Parties shall meet as the Labour Management Committee. The Institute shall ensure that the Manager of the Department affected by the proposed notice is in attendance to answer questions and discuss the information contained in the notice.

18.1.2.3 Subsequent to the meeting set out in Article 18.1.2.2, the Institute may issue, amend or rescind the notice. If the Union does not agree to the notice it retains the right to grieve the matter.

18.2 Layoff Avoidance Strategy Review

18.2.1 When layoff notice is delivered, the Department, in conjunction with the appropriate Manager, and assisted as appropriate by Human Resources and/or Labour Relations, shall take immediate action and within 10 working days shall undertake a review to determine whether a strategy to avoid the need for layoff within the Department can be devised. The review will address the following possibilities:

18.2.1.1 Counterbalancing Part-Time Studies/Industry Services Workload

The need for layoff may be alleviated in a Department where layoff notice has been served if the Department takes on a counter-balancing workload in Part-Time Studies or Industry Services. The Department would make assignments of Departmental staff for this work on a reasonable and equitable basis. The Union waives the premium workload calculation for work outside of normal hours, per Article 8.1.4, where an otherwise necessary layoff is being avoided by resort to this procedure. Staff would remain on regular salary.

18.2.1.2 Voluntary Layoff

A Regular Employee in a Department which has received layoff notice may apply to the Employer to volunteer for full or partial layoff as of the effective layoff date. An Employee who opts for such layoff shall not, however, be covered by the provisions for bumping and recall.

18.2.1.3 Early Retirement

A Regular Employee in a Department which has received layoff notice may apply to the Employer for early retirement if eligible under the terms of Article 17.4, with this benefit commencing as of the effective layoff date.

18.2.1.4 Job Sharing

Two or more Regular Employees in a Department which has received layoff notice may reduce their respective workloads and salaries to the extent necessary to remove the need for layoff in a Department. The Employer agrees to maintain all benefits for Employees in such a case - including pensions - at a level consistent with their respective 100% salary levels, provided that affected Employees elect to make their required level of pension and Long Term Disability contributions to accomplish this.

18.2.1.5 Voluntary Transfer

A Regular Employee in a Department which has received layoff notice may apply to transfer voluntarily to a vacancy in another Department at BCIT which has need of additional staff. The receiving Department will review the volunteer's qualifications to determine whether the volunteer is suitably qualified to enter the Department.

18.2.1.6 Retraining or Special Employment

The Employer may elect to provide the opportunity of retraining or return to industry or institutional exchange for a Regular Employee in a Department which has received layoff notice at the Employee's regular rate of pay in a program mutually agreed upon by the Employer and the

Employee provided that the amount of any remuneration received for the work experience in this program shall be deducted from the Employee's remuneration from the Institute. The Employer guarantees to reinstate the Employee at the end of the program in a position equivalent to the one previously held.

18.2.1.7 Other Strategies

The Parties agree to pursue and encourage other strategies which may be available from time to time in a cooperative endeavour to avoid the need for layoff in a Department.

18.2.2 Should layoff avoidance strategies be successful, the original layoff notice to the Department will be rescinded or reduced as appropriate.

18.3 Layoff Procedures

18.3.1 Where there is still a need for layoff in a Department, layoff will occur in reverse order of seniority in a Department, starting with the Regular Employee with the least amount of seniority except in cases where essential skills or expertise must be retained, and this matter shall be dealt with as follows:

18.3.1.1 An individual Department member, or the Manager, or the whole Department may raise the question of essential skills or expertise within 10 working days of layoff notice being received by the Department.

18.3.1.2 Management, in consultation with the Department, and after taking into account Departmental objectives, projected Departmental activities for the coming year, and, where applicable, recent job descriptions, recent job postings and selection criteria, will determine criteria for use in making recommendations with respect to essential skills or expertise.

18.3.1.3 Questions involving the determination of essential skills or expertise are handled by the Departmental Selection Committee within one (1) month of layoff notice being received by the Department.

18.3.1.4 The Manager convenes the Selection Committee to review the essential skills or expertise of Department members within one (1) month of layoff notice being received by the Department. The review proceeds in order of seniority beginning with the least senior Employee in the Department by posing the following question: If this person were laid off, would the Department have within the Employees remaining the essential skills or expertise needed to meet Departmental objectives and activities?

18.3.1.5 If the answer is YES, then layoff would be recommended for the Employee; if the answer is NO, then the question would be posed for the next least senior Employee in the Department. This procedure would continue until the required number of Employees to be laid off have been identified.

18.3.1.6 Where the Selection Committee is deadlocked, the question involved shall be resolved in favour of the Employee with more seniority. This is a conclusive determination, with the outcome forwarded to the Dean for appropriate handling.

18.3.1.7 In all cases except deadlock, the Selection Committee's decision on its

recommendations is forwarded to the Dean.

18.3.1.8 The Dean reviews the Selection Committee recommendations.

18.3.1.9 The Dean accepts or rejects the Selection Committee recommendations and informs the Manager.

18.3.2 Where a layoff decision must be made between Employees with identical seniority, the following steps shall be followed in order:

Step 1 The application of essential skills or expertise procedures under this Article if these procedures have not already been applied.

Step 2 If not resolved at Step 1, the Employees with identical seniority shall attempt to resolve the issue in private discussion.

Step 3 If not resolved at Step 2, the decision shall be made by a coin toss, conducted by the Parties, in the presence of the Employees directly affected.

18.3.3 Layoff notice shall be served to the Employee appropriately identified as above giving a minimum of two (2) months' notice before the layoff date becomes effective.

18.3.3.1 The Employer may give layoff notice to Employee(s) to the extent of a partial workload, Articles 8.2.4, 8.3.1 and 8.4.1 notwithstanding.

18.3.3.2 When an Employee on professional development leave is working or studying outside the Greater Vancouver Regional District, and the Employee on leave becomes subject to layoff provisions, the two (2) month notice required in this Article shall be calculated as not less than two (2) months from the expiry of the leave.

18.4 Rights of Employees With Layoff Notice

18.4.1 An Employee has the right to avoid layoff by opting for a full or partial workload available in Part-Time Studies and Industry Services or another Department, if the Employee is suitably qualified to do the job and the receiving Department's Selection Committee so recommends with subsequent approval.

18.4.2 An Employee affected by layoff provisions has a right to displace Auxiliary Employees, subject to the Selection Committee recommendation, with subsequent approval, that the Employee can do the job.

18.4.3 An Employee must be given the option of transferring at no loss of pay or benefits into another Department if the Employee is recommended as being qualified for a vacancy there, by the receiving Department's Selection Committee, with subsequent approval, and the Employee shall have the right of first refusal over any outside candidate, or any inside candidate with less seniority, for such a position. If the transfer involves relocation to another part of the Province, the Employer shall pay necessary relocation expenses.

18.4.4 An Employee affected by partial layoff may opt for:

18.4.4.1 pro rata severance pay, combined with continuing part-time Regular employment; or

18.4.4.2 full layoff with full severance pay.

- 18.4.5 An Employee may opt for a special period of leave without pay for up to a year. This will enable the Employee to remain employed by the Institute - and eligible to continue on the Institute benefit program at the Employee's own expense if so desired - in the hope that conditions will change and that layoff will not be necessary in the future. However, layoff is merely deferred in these cases to the end of the leave period. In the event the layoff notice is cancelled and the Employee resumes employment, the Employee may establish the leave period as pensionable service by electing to make pension contributions for the period.
- 18.4.6 An Employee who has received formal notice of layoff has the right to displace (bump) any Regular Employee in the Institute who has less service seniority calculated as specified in Article 7.3, subject to three conditions:
- 18.4.6.1 The Employee must be senior to one or more of the Employees in the receiving Department;
 - 18.4.6.2 The incoming Employee must have at least the minimum qualifications to carry out the duties involved; and
 - 18.4.6.3 The skills or expertise of the displaced Employee are not essential to the receiving Department.
- 18.4.7 The bumping process shall proceed as follows, and shall be concluded within one (1) month of the individual indicating a wish to bump into a Department:
- 18.4.7.1 The Employee with layoff notice must identify, within one (1) month of receiving individual notice of layoff, the Department(s) into which the Employee wishes to bump and whether the Employee seeks to carry out Faculty, Assistant Instructor or Technical Staff functions or is willing to carry out any of these functions.
 - 18.4.7.2 The qualifications of the incoming Employee shall be assessed by the Departmental Selection Committee using the criteria determined according to Article 18.3.1.2 as a guide. If the receiving Department's Selection Committee recommends, with subsequent approval, that the applicant has the minimum qualifications as determined by the Department (that is, the Employee can assume tasks within the Department) then the applicant provisionally enters the Department. In the event that the application is denied because the Employee lacks "minimum qualifications", evidence relied on to reach this decision must be presented in writing to the Employee and the Union.
 - 18.4.7.3 If the Employee is provisionally placed in the Department, then the Parties conduct a strategy review to determine whether the bumping Employee can be accommodated in the Department without resort to layoff. If a full or partial layoff is still necessary, then the Department conducts essential skills and expertise deliberations as per Article 18.3, assuming the presence of the bumping Employee in the Department.
 - 18.4.7.4 The appointment of an incoming Employee may be full or partial, as necessary.
 - 18.4.7.5 An Employee who successfully bumps into a position with a lower maximum salary will be placed as follows:
 - 18.4.7.5.1 If the Employee's previous salary rate is above the new salary

range, the Employee shall be placed at the top rate of that range.

18.4.7.5.2 If the Employee's previous salary rate is within the new salary range, the Employee shall be placed at the step above that previous salary.

18.4.7.6 An Employee who successfully bumps into a position with a higher maximum salary shall not suffer a reduction in salary and shall be placed as per the principle outlined in Articles 11.7.12.3 and 11.5.6.3.

18.4.7.7 A displaced Employee shall be given two (2) months individual notice of layoff, either full or partial, as necessary.

18.4.7.8 Once the displacement process is completed, the Department proceeds to allocate duties as per Article 14.2.

18.4.7.9 A person who successfully bumps into a Department shall, for two years, have the right of return to the original Department when there is a vacancy for which that person is qualified, if no qualified person who has been laid off and is on recall wishes to fill such a vacancy.

18.4.8 An Employee may opt for severance pay at a rate equal to one (1) month's salary for every year of service up to a maximum of seven (7) months' salary, plus long service award as follows:

1 year	=	1 month pro-rata
2 years	=	2 months pro-rata
3 years	=	3 months pro-rata
4 years	=	4 months pro-rata
5 years	=	5 months pro-rata
6 years	=	6 months pro-rata
7 years	=	7 months pro-rata
10 years	=	*1 additional month
15 years	=	1 additional month
20 years	=	1 additional month

*effective 1990 January 1

The maximum allowable service for this calculation may be altered by mutual agreement of the Parties.

18.5 Employer Options re Employees With Layoff Notice

18.5.1 The Employer may agree to provide leave with pay to Employees with layoff notice for up to one (1) year for retraining work experience or some other purpose, provided any remuneration received by the Employee as a result of the leave activity shall proportionately reduce the Employer's salary obligation to the Employee. Where the Employer grants this leave with pay, layoff notice is merely deferred and will take effect at the conclusion of the leave period unless the layoff notice is cancelled.

18.5.2 Where layoff avoidance strategies are being pursued on behalf of the Employee which need time to be arranged, or in any other circumstance where there may be favourable developments arising which may lead to layoff notice cancellation or reduction, the Employer may defer serving layoff notice to an individual Employee.

18.6 Recall Rights for Employees Laid Off

18.6.1 When a vacancy to be filled by a Regular or Temporary Employee occurs in the Institute, Employees who have left employment at the Institute as a result of the application of layoff or who are currently on leave shall be notified by mail of the vacancy subject to the following conditions:

18.6.1.1 The vacancy occurs within two (2) years of the date the Employee left employment at the Institute or went on leave.

18.6.1.2 The Employee has on file in the Institute Human Resources Office, an application for such information which includes a current electronic mailing address.

18.6.2 If any such Employees apply, then within the relevant Department the most senior Employee applying shall be rehired subject to the applicant having the necessary qualifications to do the job, as recommended by the Departmental Selection Committee, with subsequent approval.

18.6.3 In the event that a laid off Employee is reemployed by the Institute, the Employee shall reimburse the Employer any portion of vacation pay plus severance pay in excess of what would have been required to keep the Employee on full pay (plus allowances if applicable) from the Employee's layoff date to reemployment date. If the Employee is reemployed at a lower rate of pay, the Employee shall reimburse the Employer based on that lower rate.

ARTICLE 19 – DISCIPLINE, SUSPENSION, DISCHARGE

19.1 General

- 19.1.1 While any disciplinary process may lead to disciplinary action, the intent of the Parties is that the Employer is to work with the Employee to ensure that there is an acceptable level of improvement in conduct/performance.
- 19.1.2 In all cases of discipline, suspension, and dismissal, the burden of proof shall be on the Employer.
- 19.1.3 All aspects of the disciplinary process shall be conducted in a fair, reasonable, timely and objective manner.
- 19.1.4 An Employee shall have a representative of the Union present at any meeting called by the Employer under the provisions of Article 19.

Employees responding to such requests for information shall be indemnified pursuant to Article 7.6.

19.2 Correspondence

- 19.2.1 All correspondence arising under Article 19 shall be copied to the Union and the Labour Relations Department.

19.3 Procedures

- 19.3.1 Except when invoking the provisions of Article 19.4, disciplinary matters shall be conducted according to the procedure below.
- 19.3.2 Where the appropriate Manager believes there is sufficient evidence to warrant a disciplinary meeting, the Employee and the Union shall receive written notice of the time, date and location of the meeting as well as a statement as to the reasons for the meeting. A copy of this letter shall be delivered to the Employee and the Union at least one (1) working day in advance of the meeting.
- 19.3.3 At the meeting, the Manager shall allow the Employee to present any mitigating circumstances the Employee cares to advance.
- 19.3.4 If the Employer requires the attendance of the Employee at any further meetings, the Employer and the Union shall receive reasonable advance written notice of this. Where there exists reasons beyond the Employee's control which prevent the Employee from responding to questions raised by the Employer, the Employer will reschedule the meeting.
- 19.3.5 The Employer shall make every reasonable effort to conclude its investigation and render a decision in a timely manner.
- 19.3.6 Where in the opinion of the Employer discipline is warranted, the Employee and Union shall be informed of this in writing. This written notice shall specify the type of discipline to be imposed and, where appropriate, will set out the expected standards of performance and the time period, if any, the Employee will be allowed to meet those standards.

19.4 Emergency Procedures

19.4.1 Where the matter giving rise to the concern involves immediate danger to life and safety that the Employer decides the Employee must be removed from the workplace, the Employer may suspend the Employee from active duty immediately, pending the outcome of the disciplinary procedure. While under suspension, the Employee shall continue to receive their normal pay, benefits and seniority.

19.4.2 Where the Employer suspends an Employee pursuant to Article 19.4.1, it shall provide the Employee and the Union with written notice of this together with the reasons for suspending the Employee.

19.4.3 Upon suspending an Employee pursuant to Article 19.4.1, the Employer shall immediately proceed to the process set out in Article 19.3.

19.5 Right to Grieve

19.5.1 The Employee, or the Union on the Employee's behalf, shall have the right to grieve any discipline imposed, or a breach of the procedures. Such grievances shall be filed at the level of the Vice-President, within 20 days of the written notice of discipline provided under Article 19.3.6.

19.6 Conclusion

19.6.1 When an allegation has been made against an Employee, or when an Employee has been disciplined, suspended or dismissed, and as a result of a subsequent investigation, hearing, or grievance procedure the suspension or termination is found to be unjustified, the Employee shall be reinstated immediately and no record of the matter shall remain in the personnel file unless requested by the Employee, nor shall any record of the matter be relied upon as proof of discipline by the Employer.

19.6.2 In any reinstatement arising from this Article there shall be full reinstatement of all back pay, benefits, and seniority unless otherwise decided by the Employer and Employee, or by a mutually-agreed arbitrator who shall provide a decision with reasons in writing.

APPENDIX 6 – LONG TERM DISABILITY PLAN

AP6.1 General

AP6.1.1 Effective November 1, 1997, the Long Term Disability Plan described in this Appendix, attached to and forming a part of the Collective Agreement, shall be implemented for all eligible Employees in the Bargaining Unit. The previous plan shall be discontinued. No individual Employee participating in the previous LTD plan shall be disqualified from participation in the new plan by virtue of the change in plan, and any waiting period partially completed at the time of the implementation of the new plan shall not be extended by virtue of the implementation of the new plan.

AP6.2 Eligibility

AP6.2.1 Regular Employees shall be covered by the Long Term Disability Plan upon completion of six (6) months active employment with the Employer.

AP6.2.2 An Employee who is not actively at work because of illness or injury on the work day coincident with, or immediately proceeding, the date they would otherwise have become eligible for coverage under the Plan will not be eligible for coverage until the date the Employee returns to active employment.

AP6.2.3 Coverage in the plan is a condition of employment.

AP6.3 Long Term Disability Benefit

AP6.3.1 In the event of an Employee, while covered under this Plan, becomes totally disabled as a result of an accident or a sickness, then, after the Employee has been totally disabled for six (6) months, they shall be eligible to receive a monthly benefit as follows:

AP6.3.1.1 While the Employee has a sick bank balance to be used on a day-for-day basis, full monthly earnings will continue until the sick bank is exhausted, and AP6.7 will not apply.

AP6.3.1.2 When an Employee has no sick bank, or after it is exhausted, the Employee shall receive a monthly benefit equal to the sum of 66% of monthly earnings.

AP6.3.1.2.1 For the purposes of the above, earnings shall mean basic monthly earnings as at the date of disability as determined by the Employer.

AP6.3.1.2.2 The basic monthly earnings as at the date of disability shall be the salary in effect for the last month of the six-month waiting period, or the last full month of pay prior to exhausting any banked sick leave, taking into consideration any retroactive adjustments. The date of disability for determining the commencement of the first two (2) years of disability shall be the day following the last month of the six-month waiting period.

- AP6.3.1.3 The Long Term Disability benefit payment will be made so long as an Employee remains totally disabled in accordance with AP6.4, and will cease on the date the Employee recovers, or at the end of the month in which the Employee reaches age 65, or resigns, or dies, whichever occurs first.
- AP6.3.1.4 An Employee in receipt of long-term disability benefits will be considered an Employee for the purposes of superannuation and will continue to be covered by group life, extended health, dental and medical plans. Employees will not be covered by any other portion of the Collective Agreement but will retain seniority rights should they return to employment within six (6) months following the cessation of benefits.
- AP6.3.1.5 When an Employee is in receipt of the benefit described in AP6.3.1.2 above, contributions required for benefit plans in AP6.3.1.4 above and contributions for Superannuation will be waived by the Employer.
- AP6.3.1.6 An Employee engaged in rehabilitative employment with the Employer and who is receiving partial Long Term Disability benefit payments will have contributions required for benefit plans in AP6.3.1.4 above and contributions for Superannuation waived by the Employer, except that Superannuation contributions shall be deducted from any salary received from the Employer to cover the period of rehabilitative employment.

AP6.4 Total Disability

- AP6.4.1 Total disability, as used in the Plan, means the complete inability because of an accident or sickness of a covered Employee to perform all the duties of their own occupation for the first two (2) years of disability. Thereafter, Employees able by reason of education, training or experience to perform the duties of a gainful occupation for which the rate of pay is not less than 75% of the current rate of pay of their regular occupation at date of disability will not be considered totally disabled and will therefore not be eligible for benefits under this Long Term Disability Plan.
- AP6.4.2 Total disabilities resulting from mental or nervous disorders are covered by the plan in the same manner as total disabilities resulting from accidents or other sicknesses, except that an Employee who is totally disabled as a result of a mental or nervous disorder and who has received 24 months of Long Term Disability Plan benefit payments must be confined to a hospital or mental institution or where they are at home, under the direct care and supervision of a medical doctor, in order to continue to be eligible for benefit payments.
- AP6.4.2.1 During a period of total disability an Employee must be under the regular and personal care of a legally qualified doctor of medicine.
- AP6.4.3 Rehabilitative Employment
- AP6.4.3.1 If an Employee becomes totally disabled and during this period of total disability engages in rehabilitative employment, the regular monthly benefit from this plan will be reduced by 25% of the Employee's earnings from such rehabilitative employment. In the event that income from rehabilitative employment and the benefit

paid under this plan exceed 85% of the Employee's earnings at date of disability, the benefit from this plan will be further reduced by the excess amount. "Rehabilitative employment" shall mean any occupation or employment for wage or profit or any course or training that entitles the disabled Employee to an allowance, provided such rehabilitative employment has the approval of the Employee's doctor and the Employer.

AP6.4.3.1.1 The rehabilitative employment of a disabled Employee will continue until such time as the Employee's earnings from rehabilitative employment exceed 85% of the Employee's earnings at the date of disability but in no event for more than 24 months from the date benefit payments commence.

AP6.4.3.1.2 If earnings are received by an Employee during a period of total disability and if such earnings are derived from employment which has not been approved as rehabilitative employment by their doctor and the Employer, then the regular monthly benefit from the Plan will be reduced by 100% of such earnings.

AP6.4.3.2 In the event that an Employee has been classified as totally disabled for all occupations and engages in approved rehabilitative employment, the provisions of 6.4.3.1 above apply except that the rehabilitative employment may continue for 24 months from the date rehabilitative employment commenced.

AP6.4.3.3 In the case where rehabilitative employment has been approved while an Employee is receiving a benefit under the provisions of AP6.3.1.1 the provision of AP6.4.3.1 shall not apply until the Employee is receiving a benefit under AP6.3.1.2.

AP6.5 Exclusions from Coverage

AP6.5.1 The Long Term Disability Plan does not cover total disabilities resulting from:

AP6.5.1.1 War, insurrection, rebellion, or service in the armed forces of any country after the commencement of this plan;

AP6.5.1.2 Voluntary participation in a riot or civil commotion except while an Employee is in the course of performing the duties of their regular occupation;

AP6.5.1.3 Intentionally self-inflicted injuries or illness;

AP6.5.1.4 Pregnancy, childbirth, miscarriage or abortion, except severe complications following termination of pregnancy; (Intention is no coverage for normal pregnancy);

AP6.5.1.5 A disability known to the Employer which was specifically taken into account by the Employer at the time of hiring.

AP6.6 Pre-existing Conditions

AP6.6.1 An Employee shall not be entitled to Long Term Disability benefits from this Plan

if their total disability resulted from an accident, sickness or mental or nervous disorder with respect to which medical treatment, services or supplies were received in the 90 day period prior to the date of hire unless the Employee has completed 12 consecutive months of service after the date of hire during which time the Employee has not been absent from work due to the aforementioned accident, sickness or mental or nervous disorder with respect to which medical treatment, services or supplies were received. This clause does not apply to present Employees who have been continuously employed since November 1, 1997.

AP6.7 Integration with other Disability Income

AP6.7.1 In the event a totally disabled Employee is entitled to any other income as a result of the same accident, sickness, mental or nervous disorder that caused them to be eligible to receive benefits from this Plan, the benefits from this plan will be reduced by 100% of such other disability income. Other disability income shall include, but not necessarily be limited to:

AP6.7.1.1 Any amount payable under the Workers' Compensation Act or Law or an other legislation of similar purpose, and

AP6.7.1.2 Any amount the disabled Employee receives from any group insurance, wage continuation or pension plan of the Employer that provides disability or retirement income, and

AP6.7.1.3 Any amount of disability income provided by any compulsory act or law, and

AP6.7.1.4 Any periodic primary benefit payment from the Canada or Quebec Pension Plans or other similar social security plan of any country to which the disabled Employee is entitled or which they would be entitled if their application for such a benefit were approved, and

AP6.7.1.5 Any amount of disability income provided by any group or Union disability plan to which the disabled Employee might belong or subscribe.

AP6.7.2 The amount by which the disability benefit from this Plan is reduced by other disability income will normally be the amount to which the disabled Employee is entitled upon becoming first eligible for such other disability income. Future increases in such other disability income resulting from increases in the Canadian Consumer Price Index or similar indexing arrangements will not further reduce the benefit from this Plan.

AP6.7.3 Notwithstanding the above, in the case of ICBC Weekly Indemnity payments or, in the case of personal insurance coverage, integration will apply to the extent that the combination of Plan benefits and ICBC Weekly Indemnity payments, or personal insurance disability income benefits exceed either:

AP6.7.3.1 100% of basic pay, or

AP6.7.3.2 the applicable benefit percentage of the individual average total monthly income in the 12 month period immediately preceding commencement of the disability, whichever is the greater. Where this provision is to apply the Employee will be required to provide satisfactory evidence of their total monthly income.

AP6.7.4 This section does not apply to a war disability pension paid under an Act of the Governments of Canada or other Commonwealth countries.

AP6.8 Successive Disabilities

AP6.8.1 If, following a period of total disability with respect to which benefits are paid from this Plan, an Employee returns to work on a full-time basis for a continuous period of six (6) months or more, any subsequent total disability suffered by that Employee, whether related to the preceding disability or not, shall be considered a new disability and the disabled Employee shall be entitled to benefit payments in accordance with the provisions of this Plan.

AP6.8.2 In the event the period during which such an Employee has returned to work is less than six (6) months and the Employee again suffers a total disability and that is related to the preceding disability, the subsequent disability shall be deemed a continuation of the preceding disability, and the disabled Employee shall be entitled to benefit payments in accordance with the provisions of this Plan as though they had not returned to work. Should such an employee suffer a subsequent disability that is unrelated to the previous disability and, provided the period during which the Employee returned to work is longer than one (1) month, the subsequent disability shall be considered a new disability and the Employee shall be entitled to benefit payments in accordance with the provisions of the Plan. If the period during which the Employee returned to work is one (1) month or less, the subsequent disability shall be deemed a continuation of the preceding disability and the disabled Employee shall be entitled to benefit payments in accordance with the provisions of this Plan.

AP6.9 Cessation of Plan Coverage

AP6.9.1 An Employee shall cease to be covered by this Plan at the earliest of the following dates:

AP6.9.1.1 on the date of six (6) months prior to their 65th birthday;

AP6.9.1.2 on the date of commencement of paid absence prior to retirement;

AP6.9.1.3 on the date of termination of employment with the Employer;

AP6.9.2 Cessation of active employment as a regular Employee shall be considered termination of employment except when an Employee is on authorized leave of absence with or without pay.

AP6.10 Leave of Absence

AP6.10.1 Employees on leave of absence without pay may opt to retain coverage under the Plan and shall pay the full premium, except when on approved Maternity/Parental Leave, when the Employer shall pay the premium to a maximum period of 12 weeks for parental leave, 18 weeks for maternity leave and to a maximum period of 30 weeks for maternity/parental leave combination. Coverage will be permitted for a period of 18 months of absence without pay except that if the leave is for educational purposes, the maximum period will be extended to two (2) years. If an Employee on leave of absence without pay or with partial pay, who has elected coverage under this plan becomes disabled, benefits under this plan will be based upon monthly earnings immediately prior to the current leave of absence.

AP6.11 Benefits Upon Plan Termination

- AP6.11.1 In the event this Long Term Disability Plan is terminated, the benefit payments shall continue to be paid in accordance with the provisions of this Plan to disabled Employees who become disabled while covered by this Plan prior to its termination.

AP6.12 Contributions

- AP6.12.1 The cost of this Plan will be borne 80% by the Employer and 20% by the Employee.

AP6.13 Waiver of Contributions

- AP6.13.1 Employee contributions to this Plan shall be waived with respect to disabled Employees during the time such an Employee is in receipt of disability benefit payments from this Plan.

AP6.14 Claims

- AP6.14.1 Long Term Disability claims will be adjudicated and paid by the claims-paying agent to be appointed by the Employer. In the event a covered Employee disputes the decision of the claims-paying agent regarding a claim for benefits under this plan, the Employee may arrange to have their claim reviewed by a Claims Review Committee composed of three (3) medical doctors; one (1) designated by the claimant, one (1) by the Employer, and a third agreed to by the first two. Written notice of a disputed claim or an appeal under this Plan shall be sent to the Plan Administrator.
- AP6.14.2 Written notice of an appeal must be submitted within six (6) months from the date the claims-paying agent rejected the claim. The expenses incurred by a Claims Review Committee will be paid by the Plan.
- AP6.14.3 Where an Employee has disputed the decision of the claims-paying agent and is awaiting the outcome of a review or an appeal, the Employee will be considered to be on a leave of absence without pay during the portion of the waiting period when the Employee is not receiving pay or benefit allowance. During the waiting period, an Employee will continue to be covered by group life, extended health, dental and medical plans.

AP6.15 Physical Examination

- AP6.15.1 The Employer, at its own expense, shall have the right and be given the opportunity to have a medical doctor appointed by the Employer examine, as often as it may reasonably require any Employee whose injury, sickness, mental or nervous disorder is the basis of claim upon this Plan.

AP6.16 Canadian Currency

- AP6.16.1 All monies payable to or from this Plan shall be payable in Canada in Canadian currency.

AP6.17 Administration

- AP6.17.1 The Employer will be the administrator of the Plan. All questions arising as to the interpretation of this Plan shall be subject to the grievance and arbitration procedures in Article 3 of this Agreement.

AP6.18 Implementation by Regulation

AP6.18.1 The provisions of this Plan shall become part of a memorandum of agreement between the Parties and will be implemented by regulation.

AP6.19 Benefit Level

RE: ARTICLE 10.5 APPLICATION CRITERIA
OTHER STAFF SUPER COMMITTEE

The Parties agree to the following application of Article 10.5 as it relates to the "Other Staff Super Committee" (the PD Committee responsible for funds accessed by Individuals under Article 10.5.2.2.)

The Super Committee ("Committee") may set out requirements regarding the completeness of an application, however, a Manager's endorsement will not be a criteria for a complete application. Department approval will be as determined through the application of Departmental process and the definition of Department under Article 1.8.

The Committee will adjudicate applications that meet its criteria for completeness even if there is no Managerial endorsement of the application.

The applicant must seek the Manager's endorsement as part of the department application approval process. The applicant must provide the Manager with 10 active working days to provide their endorsement or a letter indicating why such support was not granted.

The applicant must provide the Manager's endorsement or letter as part of their application, and if there is no endorsement or letter, must provide the Committee with evidence of his/her timely request.

A complete application must include the Manager's endorsement, letter or evidence of the applicant's timely request. The applicant shall be given an opportunity to respond to the reasons provided by the Manager.

Should a Manager fail to provide their endorsement or a letter outlining the reasons for not supporting an applicant's request for leave and/or funding within 10 days of the applicant's request, the Super Committee will consider the Manager's failure to endorse the application as a neutral factor in their consideration.

Once a complete application is received by the Committee, it will adjudicate the application through its normal process and will consider the Manager's comments as part of that process. The Manager's endorsement or support of the application, whether for leave or funding, is not limited to the ability or inability to find a suitable replacement.

This agreement does not limit the Super Committee's ability to establish criteria consistent with the remainder of Article 10.5 to be used during their adjudication process.

MEMORANDUM OF AGREEMENT

BRITISH COLUMBIA INSTITUTE OF TECHNOLOGY

BCIT FACULTY AND STAFF ASSOCIATION

**RE: Reclassification Committee
Information Technology Services (ITS)**

The parties agree that the following provisions replace Memag #08FSA26 the Information Technology Services (ITS) Reclassification Committee and #15FSA22 Extension of Memag #08FSA28.

Purpose:

The ITS Reclassification Committee Process renders decisions on applications for reclassification made by FSA ITS employees.

Composition of the Committee:

The Committee is comprised of eight Members and one Chair. The structure is as follows:

- Four (4) voting FSA members
- Four (4) voting management members
- A management Chair

The Chair is a non-voting member of the committee but will cast the deciding vote in the event of a tie.

Committee members are expected to serve for a term of one year or longer. At minimum, three (3) of the four (4) FSA vacancies will be filled by FSA members from the Information Technology Services department appointed by the FSA President through consultation with the Department. Management vacancies will be filled by appointment of the Chief Information Officer (CIO).

Role of the Committee:

The Committee's role is to review FSA ITS applications for reclassification, apply consistent criteria for assessment, make decisions on behalf of the department, and maintain records of applications, recommendations, and decisions. The Committee ensures consistency in the application and evaluation in terms of fairness and equity for all FSA positions in ITS. The Committee does not have the ability to alter the submissions or the job descriptions, or recommend placement on a salary scale.

The Committee may agree that the duties and the scope of the duties assigned to an employee match the job description of the requested reclassification, and therefore, decide to reclassify the employee to the requested job classification. If the committee rejects the application the employee may appeal to the Institute Placement Committee.

Process:

1. When an FSA employee believes that a significant portion of their assigned or assumed duties correspond to the characteristic duties of a higher range on the Technical Staff Salary Scale than

the range in which they are currently placed, the employee may forward a request for reclassification to the Chair of the ITS Reclassification Committee.

Where duties have been assumed by the employee, but not formally assigned by the manager, the manager will meet with the employee and direct whether the assumed duties are required of the position. If such duties were of a temporary nature, any retroactive adjustments will be governed by the provisions of the collective agreement under Article 11.7.9.

2. All applications forwarded to the Chair by a deadline established by the Committee will be dealt with at the next scheduled Committee meeting. Committee meetings are normally scheduled quarterly, but may also be scheduled on an exceptional basis.

A quorum of three (3) members from the FSA and three (3) members from Management must be in attendance. 50% voting weight is given to each representative group when a full committee is not in attendance.

3. All Committee members will receive and review a copy of all reclassification application packages submitted to the Chair (see Reclassification Application section below).
4. The employee and/or their manager will be notified of the date of the meeting as soon as it is scheduled and may attend the committee meeting in person.
5. The employee may elect to make a short presentation supporting the reclassification request, and to answer questions of the Committee members.
6. The Committee will discuss the merits of the application based on the employee's submission, the alignment of their current duties and responsibilities to the requested job description, the manager's and colleagues' supporting documentation, and the optional employee's presentation.

The scope of the individual's duties and responsibilities in relation to the scope of the job description and its required competencies will be considered to ensure long term success in the reclassified position.

The employee will not be present during the Committee's deliberations and voting.

7. Committee members will vote to recommend approval or denial of the application, or may ask for additional information. The final decision will be based on a majority vote. In the event of a tie, the Chair will have the deciding vote.
8. The Chair will provide the **Chief Information Officer ("CIO")** with the Committee's decision in writing, including reasons for the decision, within five (5) business days of the meeting. The **CIO** may either accept the decision of the Committee, or refer the matter back to the Committee for reconsideration. A referral for reconsideration may only be done once for a given application.
9. If accepted, the decision and the Committee's reasons will be forwarded to the employee within five (5) business days' receipt by the **CIO**.
10. If the reclassification request is approved, the employee's manager will be responsible for submitting all supporting documentation to Human Resources for processing.
11. The decision of the Committee is the decision of the Department. In the event that the Committee denies the application and the employee chooses to appeal the decision, the procedure as set out in Article 11.1 will be followed and the reclassification request will be forwarded to the Institute Placement Committee along with the reasons of the Committee.

12. The Chair, on behalf of the Committee, will maintain records of all applications, recommendations and decisions and make these records available to the Placement Committee and the Parties upon request.

Reclassification Application:

The Committee will decide what constitutes a bona fide application and what supporting documentation will or should accompany the application. In making this decision the Committee will the basis for the reclassification recommendation is the job description.

An employee does not require the support of their manager to submit an application to the ITS Reclassification Committee, although the Committee may consider the lack of support during deliberations.

The Committee will provide its processes and application requirements to the Department.

Temporary Assignments

Article 11.7.9 of the collective agreement outlines the situations in which a temporary assignment will attract a temporary advancement in salary. This language should be considered and implemented whenever appropriate. It is understood that the practice within the department will continue and that short term relief for vacation, sick leave, or PD are not captured by this language.

RE: Cost of Living Adjustment

Definitions

“General Wage Increase” or “GWI” means the overall general wage increase expressed as a percentage.

“Cost of Living Adjustment” or “COLA” means a percentage-based general wage increase adjustment provided in accordance with this Memorandum of Agreement. COLA is an upward adjustment applied to and folded into all wage rates.

The “annualized average of BC CPI over twelve months” (AABC CPI) means the *Latest 12-month Average Index % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March in the preceding year and concluding at the end of the following February.

The “Latest 12-month Average Index”, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average Index % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

COLA

The COLA will be applied as applicable to the GWI effective on the first pay period after July 1, 2023 and July 1, 2024. The COLA will be calculated by determining the difference between the AABC CPI and the annual general wage increase to the maximum COLA prescribed that year in Wage Schedule – Grids.

July 2023

If the 2023 AABC CPI exceeds the April 2023 GWI of 5.5%, then, on the first pay period after July 1, 2023 the July 2023 GWI will be adjusted upwards to reflect a COLA equal to the difference between the July 2023 GWI and the 2023 AABC CPI up to a maximum of 1.25%.

July 2024

If the 2024 AABC CPI exceeds the July 2024 GWI of 2.0%, then, on the first pay period after July 1, 2024 the July 2024 GWI will be adjusted upwards to reflect a COLA equal to the difference between the July 2024 GWI and the 2024 AABC CPI up to a maximum of 1.00%.

RE: Winter Break Period for Non-Instructional Employees

I – Introduction

This Letter of Understanding summarizes an arbitration decision dated June 15, 2001 from Arbitrator Hope and subsequent modifications agreed on November 7, 2001, which related to the arbitration of a grievance filed by the Union challenging the Employer's application of Article 8.7 of the collective agreement to non-instructional employees who were not recognized by the Employer as having access to Article 8.7.

II – Winter Break Period for Non-Instructional Employees

- (1) The parties will enter into a process for the application of the provision.
- (2) The process will involve the development of a plan with respect to whether and to what extent Regular and Temporary Non-Instructional Employees will be entitled to be On Duty Off campus under Article 8.7 during the period after marks review before Christmas and before the resumption of classes in the New Year. The Plan will be developed using the collegial process.
- (3) Any such entitlement will not exceed five consecutive work days during that period. That period must include work days available between Christmas Day and New Years Day.
- (4) In those years where there are fewer than five consecutive work days during the period after marks review before Christmas and before the resumption of classes in the New Year, then the work days immediately preceding that period shall be added to that period to make up a total of five (5) consecutive work days.
- (5) The development of this plan must be concluded on or before November 1 in each year.
- (6) Access to On Duty Off Campus under Article 8.7 should reflect the need to allocate the professional duties required to meet Department objectives and coverage of necessary services and operations.
- (7) If a Department cannot achieve consensus with respect to the application of Article 8.7 by the due date of November 1, the issues raised will be referred to the Labour Management Committee who will have the jurisdiction to impose a plan for its application.

III – General Guidelines for Department Consideration

- (1) "On Duty Off Campus" shall mean the employee, off campus, is available to perform duties at home, or by telephone/computer where necessary, or be available to be called in to the campus

where necessary. Employees who wish to be unavailable, or are not able to be called in to the campus, must take vacation.

- (2) The objective is to provide services to the Institute and all of its customers, including the considerations under Article 14.2.1 and 14.2.2, and to acknowledge that the concept is that it is to apply to Non-Instructional Employees whose attendance at work can be seen as related directly or indirectly to the absence of students and teaching staff on Winter Break.
- (3) Employees must address how the absence will impact the Department, e.g. how the Department will address a balancing of the overall workload requirements with an Article 8.7 absence.
- (4) The Department vacation schedule must be established prior to this process.
- (5) This process is not intended to generate extra costs.

IV – Full and Final Settlement

- (1) The Union acknowledges that it is the Institute's position that the provision regarding Term and Spring break periods as outlined in Article 8.7 is currently applied correctly.
- (2) The parties agree that if the Union files any grievance regarding Spring and Term breaks periods:
 - (a) the Institute has the right to withdraw from this Letter of Understanding and any subsequent modifications; and
 - (b) the Union waives any claim to damages or remedies flowing from any breach of Article 8.7 prior to 10 days before the date the grievance is filed.
