AND THE:

B.C. GOVERNMENT EMPLOYEE'S UNION

part of LOCAL 701, CAMOSUN COLLEGE BARGAINING UNIT

(hereinafter called the "Union")

OF THE SECOND PART

WHEREAS the Board is a College within the meaning of the Labour Code of British Columbia Act:

AND WHEREAS the B.C. Government Employees' Union is the certified bargaining agent for Vocational Instructors under the Act:

AND WHEREAS the parties have carried on collective bargaining under the Act and have reached agreement as herein expressed:

NOW THIS AGREEMENT WITNESSETH that the parties HERETO AGREE EACH WITH THE OTHER AS FOLLOWS:

1. APPOINTMENTS TO FACULTY

1.01 INITIAL APPOINTMENTS

- (a) An offer of appointment has been made to the successful applicant when it is given in writing and signed by the Vice President Education. An employee will normally not commence service at the College until the employee has accepted in writing his/her offer of appointment.
- (b) Initial appointments may be term (full-time or part-time) or probationary (full-time or part-time - over 50%). Probationary appointments will be for the equivalent of two (2) years.
- (c) Whenever possible, the offer of appointment shall be made at least two weeks prior to the date of commencement of appointment. This clause shall not apply to appointment of substitute instructors.
- (d) The College will ensure that the Union is fully aware of the criteria and procedures for salary placement.

1.02 TERM APPOINTMENTS

Specified Term Appointments shall be made:

- (a) to replace faculty on leave; or
- (b) to staff instructional programs or projects which are controlled or funded outside the regular operating budget of the College; or
- (c) for faculty positions providing less than fifty percent (50%) annual workload. This provision shall not apply to continuous contracts which are reduced below fifty percent (50%), by application of Clause 3, reduction of staff.

Subject to Clauses 3.02 and 3.03 service accumulated during term appointments shall be credited toward probationary appointments, seniority, and all other benefits for which the employee is eligible.

Provided the employee has served an equivalent of at least two years in term appointments and has received a positive evaluation according to procedures established by the division, he/she shall be offered a continuing appointment when the position is funded within the College's regular budget.

1. APPOINTMENTS TO FACULTY (Continued)

1.03 CONTINUING APPOINTMENTS

- (a) An employee who has successfully completed a probationary appointment will automatically receive a continuing appointment. Under special circumstances, with the mutual agreement of the employee, Union and College, a probationary period may be extended for a period not exceeding six (6) months.
- (b) A full-time faculty member shall not be converted involuntarily to part-time without mutual agreement among that member, the Union and the College.

A full-time faculty member assigned to a continuing part-time contract will maintain accumulated seniority and shall continue to accrue seniority on a prorated basis.

A full-time continuing faculty member who is offered, and declines a part-time continuing assignment is deemed to have been terminated and Clause 3.05 will then apply. The decision to accept or decline an offer will be made as soon as possible, but shall, in no case, occur later than one (1) month prior to the effective date of the reduction.

- (c) In the event that a full-time faculty member who has voluntarily converted to continuing part-time wishes to revert to a full-time appointment, he/she can only do so if there is a full-time vacancy in the area of his/her expertise or if there was an agreement specifying the years of part-time employment prior to that member becoming part-time.

1.04 CONDITIONAL CONTINUING APPOINTMENT

Under conditions specified below, a faculty member on term appointment may apply for conditional continuing employment status. He/she must have been:

- i. appointed through appropriate divisional selection procedures;
- ii. employed in the same department on term appointments of a minimum of 36 weeks per fiscal year;
- iii. employed for the equivalent of a total of twenty (20) full months of instruction over successive fiscal years (since April 1, 1990); and

1. APPOINTMENTS TO FACULTY (Continued)

1.04 CONDITIONAL CONTINUING APPOINTMENT (Continued)

A conditional continuing appointment will be granted providing there is funding for 50% or greater workload in the next fiscal year within the department for which he/she is fully qualified.

Where more than one (1) candidate is eligible for one (1) available conditional continuing appointment, the appointment shall be offered to the one judged by the normal procedures in the division to be most suitable for the position. Where the selection process determines that two or more candidates are equally suitable, then the appointment shall be offered to the most senior.

The employee on a conditional continuing appointment is expected to assume the full range of responsibilities characteristic of a regular continuing employee, and receives the same benefits and privileges, with the following exceptions:

- i. the provisions of Clause 3.0 for reduction of staff do not apply, but one (1) month notice, or payment in lieu, will be given when the conditional continuing appointment is to be terminated; and
- ii. during periods of lay-off, employees on conditional continuing appointment do not earn credit toward seniority, sick leave or vacation, and College contributions to benefits cease.

When a continuing position within the department becomes available and is not filled by an increased assignment to a continuing part-time employee, the position shall first be offered to the most suitable candidate selected from those employees on conditional continuing appointments, who are fully qualified for the position. Where the selection process determines that two or more candidates are equally suitable, then the appointment shall be offered to the most senior.

1.05 The Union shall receive a copy of each letter of appointment.

1.06 Faculty members of the respective department shall be consulted in the selection of all new faculty. In the event of a creation of a new department, continuing faculty members in a related department, if any exist, shall be consulted in the selection of new faculty.

1. APPOINTMENTS TO FACULTY (Continued)

1.07 THE COLLEGE AND UNION TO ACQUAINT NEW EMPLOYEES

The College and Union agree to acquaint new employees with the fact that a collective agreement is in effect. The College will be responsible for providing an orientation session for new employees and will invite a Union representative to participate. The Union will be responsible for informing the new employee of the name and location of his/her Union representative.

1.08 JOB VACANCIES

The College will continue to operate under the Policy for the Selection of New Faculty which was jointly developed by the College Administration, BCGEU, and CCFA. No changes to this policy will be made without consultation with representatives from the BCGEU.

2. TERMINATION OF APPOINTMENT (Continued)

2.03 PROBATIONARY APPOINTMENTS

An employee, while on a Probationary Appointment, may be terminated for unsatisfactory performance at any time providing he/she has been evaluated in a fair and reasonable manner according to the standards and procedures accepted within the division. The employee shall be informed of these evaluation standards and procedures at the commencement of his/her employment. In lieu of notice, severance pay equivalent to two (2) weeks salary will be provided. Such termination is subject to appeal through the dispute and grievance procedure only if it is alleged that the provisions for evaluation have not been implemented as prescribed in this clause. The College shall specify, in writing, the reasons for the termination.

2. TERMINATION OF APPOINTMENT (Continued)

2.08 RIGHT TO GRIEVE OTHER DISCIPLINARY ACTION

Disciplinary action grievable by the employee shall include letters of reprimand, written adverse reports and performance evaluations. An employee shall be given a copy of any such document placed on the employee's file which might be the basis of disciplinary action. 3.02 ROLE OF SENIORITY

A reduction in force shall be based on seniority within a department, discipline or specialty, provided that the senior staff have appropriate qualifications and are providing satisfactory service.

Whenever possible, an employee shall be given an opportunity to serve the College in some other capacity for which he/she is qualified. This clause applies to all employees, including those on leave at time of reduction of staff.

3. REDUCTION OF STAFF - CONTINUING EMPLOYEES (NOT TO INCLUDE CONDITIONAL CONTINUING EMPLOYEES) (Continued)

- (a) An employee who is terminated for reason of reduction of staff, who is not judged to be qualified to transfer to another position as provided in Clause 3.02, and who has served the College for at least five (5) years shall receive paid leave of up to eight (8) months, in order to qualify for an available position at the College. An available position is one which, at the time the reduction in staff is given, is currently unfilled or has been confirmed to become vacant within the retraining period. - (c) When retraining is not practicable, and to facilitate early retirement of employees between the ages of 55 and 64 years, an employee shall be granted either severance pay in accordance with Clause 3.05(b), in addition to other retirement benefits, or early retirement incentive in accordance with Clause 18.03. In no case will both clauses be applied.

In the event that an employee who has received a notice of reduction of staff, wishes to grieve their selection based on seniority, he/she may do so in accordance with the provisions of Clause 21.

3. REDUCTION OF STAFF - CONTINUING EMPLOYEES (NOT TO INCLUDE CONDITIONAL CONTINUING EMPLOYEES) (Continued)

3.05 SEVERANCE PAY AND REAPPOINTMENT

Any continuing employee, laid off for reasons of reductions in staff, who has not received alternate placement under Clauses 3.02 or 3.03, may select either alternative (a) or (b) below:

(a) Reappointment:

An employee with five (5) years of service or less shall be placed on a reappointment list for one (1) year. An employee with more than five (5) years of service shall be placed on a reappointment list for two (2) years. Reappointment shall be based on seniority within the department, discipline or specialty. An employee may, at any time while on the list or at the expiry of being on the list other than for reasons of re-employment into a continuing or probationary position, apply to the College to receive a severance payment in accordance with 3.05 (b). An employee who elects the severance pay is deemed to have resigned and forfeits any further entitlement to reappointment under this clause.

(b) Severance Pay:

An employee shall receive pay calculated as one-half (1/2) of one (1) month's salary, based on the full monthly salary for the employee's step placement established by the Salary Scale currently in effect, for each full-time equivalent year of service to the College, to a maximum of six (6) months of salary. Severance pay will be paid on the employee's final day of work and will not be considered employment for either College or statutory benefits. An employee who elects the severance pay alternative is no longer eligible for the conditions provided in Clause 3.05(a).

Where this clause is applied, Clause 3.03(c) may not also be applied.

Should an employee be re-employed on a probationary or continuing contract before the expiration date of the period of time from the layoff date equivalent to that paid as severance pay, the employee shall reimburse the College for the remaining balance of the severance pay within a mutually agreed period of time after the commencement of the new appointment. The amount to be repaid shall be based on the net amount received by the individual, or the gross amount less any taxes required to be paid by the employee as a result of removal of the funds from a registered savings plan where the funds were paid directly to a plan.

3. REDUCTION OF STAFF - CONTINUING EMPLOYEES (NOT TO INCLUDE CONDITIONAL CONTINUING EMPLOYEES) (Continued)

3.05 SEVERANCE PAY AND REAPPOINTMENT (Continued)

If an employee is rehired on a continuing or probationary contract and subsequently is laid off again, he/she will only be eligible to receive the portion of the original severance pay that was repaid to the College plus any additional severance pay earned through the current appointment.

- (c) A faculty member who declines a reduction in assignment from full-time to part-time will be covered by this Clause and will have the same options as a faculty member whose employment in his/her assigned position is to be terminated due to a reduction in staff.
- (d) This acceptance of severance pay by an employee shall not prejudice the employee's opportunity of future employment at the College.

The increment date shall be as specified in individual letters of appointment and for those hired on or after August 1, 1973 the increment date shall be the first day of the first full month of service.

5.03 CHANGE OF QUALIFICATIONS

An employee who becomes entitled to an increase in salary by reason of a change in qualifications which changes his/her salary category must forthwith submit to the Vice President, Education, documentation satisfactory to the Board in support of his/her claim. The increase shall be retroactive to the date of successful completion upon receipt of a letter from the appropriate institution, providing it does not exceed three (3) months and is within the same fiscal year. 6. COORDINATOR/PROGRAM LEADER

6.01 STIPEND

Coordinators/Program Leaders shall be entitled to an administrative stipend. When it is deemed necessary to appoint an acting coordinator/program leader, the acting coordinator/program leader will also receive an amount equal to amount of stipend that the coordinator/program leader receives.

6.02 CHANGE OF STIPEND

The amount of the stipend shall be subject to the same percent change as is the basic salary scale on April 1st of each year.

6.03 DUTIES OF COORDINATORS AND PROGRAM LEADERS

The duties and responsibilities of the position shall be established by the Vice President, Education on the recommendation of the respective Dean(s) following consultation with faculty members of the respective department(s) and such information shall be made available to all prospective applicants.

6. COORDINATOR/PROGRAM LEADER (Continued)

6.04 COMPLEMENT OF COORDINATORS AND PROGRAM LEADERS

A Coordinator may be appointed for each department as defined by the College. Each Coordinator shall have a reduced teaching load established from time to time by the Dean and Vice President in consultation with the Coordinator. Where a program specialty, other than that represented by the Coordinator, is identified by the College within a department, a program leader may be appointed to assist in such administrative duties as scheduling, purchasing, advisory committees, etc.

In a program specialty where only one (1) instructor is employed, that program leader shall receive one-third (1/3) of the Coordinator's stipend as compensation for the additional administrative workload. In program areas where two (2) or more full-time equivalent instructors are employed on a continuous basis, the program leader shall receive two-thirds (2/3) of a Coordinator's stipend as compensation for the additional administrative workload.

In program areas employing three (3) or more FTE instructors, the program leader may be given some release time for administrative duties at the discretion of the Dean.

In no instance may a Coordinator receive both a Coordinator's stipend and a program leader's stipend simultaneously.

The program leader will normally be the program member having the greatest seniority, but the College may appoint another member if special expertise or other situations indicate.

6.05 APPOINTMENT OF COORDINATORS

Each position shall be advertised internally and filled without external advertising if a suitable candidate is found. Selection procedures shall provide for adequate consultation with faculty from the department(s).

6.06 TERM OF OFFICE OF COORDINATORS

The term of office shall be three (3) years, subject to successful evaluation, with the position being declared vacant and posted for two (2) months prior to the end of the three (3) year term. Mid-term evaluation of the Coordinator will occur and supplementary evaluations will also be conducted upon a request of the majority of employees within the department.

6.07 QUALIFICATIONS OF COORDINATORS

Instructors in the department(s) shall be given first preference for this position, and in any event, wherever possible, the candidate will be a qualified instructor in at least one (1) discipline in that department's area(s) of expertise.

7. WORKING CONDITIONS

7.01 WORKLOAD

An employee's assignment shall be outlined in writing at the beginning of an appropriate time block and shall be determined by the employee, his/her Coordinator and his/her Dean, working together to consider each of the following factors:

- (a) class size;
- (b) nature of course;
- (c) number of different courses;
- (d) support staff;
- (e) marking;
- (f) office hours;
- (g) committee involvement;
- (h) non-teaching duty days;
- (i) variation in class size during a term;
- (j) administrative responsibilities and/or other non-instructional professional duties;
- (k) spread of daily teaching hours beyond eight (8) hours;
- (l) variation or changes in curriculum;
- (m) nature of student intake;
- (n) number of campuses or other work sites on which the employee is required to teach.

When the employee, Coordinator and Dean determine that agreement cannot be reached on workload, the matter will first be discussed with the Vice President, Education and, if not resolved, will be referred to a Workload Review Committee, comprising three (3) faculty appointed annually by the Union, and three (3) administrators appointed by the Vice President, Education. (Should one of the committee members be involved in the issue, an alternate will be appointed.) A majority decision of the Committee shall constitute the resolution of the matter.

7.02 ANNUAL CONTACT HOURS

Effective April 1, 1990 the allocation of instructional faculty to a discipline or department shall be determined by dividing the number of planned and funded class training days by 182. The Dean and faculty, working together, shall determine the number of hours per week of instruction for each instructor, and the method of delivery and scheduling which provides effectively for student learning within available resources. Personnel required for coordination, new program development and special projects will be provided in addition to those required for instruction, as resources permit.

7. WORKING CONDITIONS (Continued)

7.03 NON-CONTACT DAYS

Continuing and probationary employees and term employees with appointments of one (1) continuous year or longer shall be eligible for non-contact days. An instructional year consists of two hundred and five (205) working days (261 days less 11 statutory holidays, less 45 days of vacation). The standard for calculating non-contact days is based on the number of instructional (contact) days in a fiscal year. An employee who instructs one hundred and eighty-two (182) days at thirty (30) contact hours per week will be entitled to twenty-three (23) six (6) hour days of non-contact.

For those employees instructing less than one hundred and eighty-two (182) six (6) hour days or less than thirty (30) hours per week, non-contact time will be equal to the number of contact hours worked beyond twenty-six and one-half (26.5) in a week. If a teaching schedule fluctuates above and below twenty-six and one-half (26.5) contact hours in a week, the accumulation of non-contact time will also fluctuate accordingly.

An instructor is expected to be engaged in College work, including departmental meetings, or on tasks clearly in support of his/her program on non-contact days.

7.04 CLASS SIZE

Class size for vocational instructors in shops will not normally exceed sixteen (16). In specified programs, related to entry level and pre-employment programs, class sizes of eighteen (18) may be scheduled. In continuous entry programs, where low enrolments have been recorded, class sizes of twenty (20) may be scheduled. Where an instructor's class size is to be increased, the maximum class size will be determined through consultation between the instructor and the Dean and will be subject to review as outlined in Clause 7.01.

To facilitate the implementation of reduced student contact hours for vocational instructors, an instructor may be required to provide classroom instruction to large groups of students, all of whom are at the same level of training, to a maximum of twice the instructor's normal class size. The increased class size and lecture situation will be reflected in the instructor's own workload.

7.05 WORK SCHEDULE

The hours of work for instructors will be scheduled sequentially and may only be changed by mutual consent.

7. WORKING CONDITIONS (Continued)

7.06 SCHEDULE

- (a) An employee initially hired to work first shift only shall not be assigned second and third shift except by mutual agreement.
- (b) The scheduling of instructor on shift shall be arranged by the Coordinator with consideration being given to the senior instructor for the first shift.

7.07 NON-TEACHING EMPLOYEES AND NON-TEACHING DUTIES

Non-teaching employees shall establish a workload in the same manner as instructors.

Qualified employees may be assigned teaching and/or non-teaching duties to meet the varying needs of the College.

7.08 COMMUNITY EDUCATION SERVICES (CES)

When the CES Division offers a course in a discipline or specialty area in which qualified employees covered by this agreement are instructing in the credit/funded programs, such employees shall be given the first opportunity to teach the course. If the opportunity is not accepted, the offer need not be repeated until the instructor hired in the first instance is to be replaced, or additional sections added unless special provision has been made at the time of first refusal.

When an employee has a shortfall in workload, CES courses/contracts may be offered to bring an employee's annual workload to one hundred percent (100%). The appropriate Instructional Dean and the Dean of CES shall jointly determine the employee's qualifications and the appropriateness of the available CES courses and contracts. Such instruction in the CES Division will be considered part of the instructor's annual workload and no additional salary will be paid.

When an employee is carrying a full instructional load, instruction for CES courses in his related discipline shall be reimbursed at a salary equivalent to his salary on the current BCGEU Local 701 (Camosun College Instructors) salary scale. Where programming constraints exist this salary rate may be adjusted by negotiations between CES and the instructor.

7. WORKING CONDITIONS (Continued)

7.09 PREPARATION TIME

Whenever possible the College shall provide for new employees at least two (2) weeks in advance of assuming a full teaching load. This includes probationary or term appointments of four (4) months duration or longer. A new employee is defined as one having no previous teaching experience.

Whenever possible the College shall provide one (1) day of advance preparation time for each instruction week of a course, up to a maximum of fifteen (15) days, for the development of a new course for which no course material is available.

8. ANNUAL VACATION

8.01 ENTITLEMENT - CONTINUING AND PROBATIONARY EMPLOYEES

- (a) An employee shall have an annual vacation entitlement of forty-five (45) working days. The three (3) non-teaching days between Christmas and New Year's shall be part of the annual vacation entitlement. Upon approval of an employee's application, the days between Christmas and New Year's may be scheduled as working days and the three (3) days of vacation rescheduled to an alternate convenient time.

An employee will be able to carry over ten (10) days in any given year. Under special circumstances an employee may carry over additional days upon written approval of the Dean. For the purposes of calculation, it will be assumed that vacation adjustment occur on September 1st of each year. The scheduling of annual vacations shall be carried out by a group of employees, their Coordinator and their Dean, working together to consider the instructional needs of the College and the interests of the employees.

Decisions shall be subject to appeal to the Standards and Ethics Committee. Vacation credit will be based on the anniversary of employment.

- b) The administrator will have seven (7) days to investigate the matter and respond.

21.04 STEP 2

An employee who wishes to pursue a grievance at Step 2 must do so within fourteen (14) days of having received the response from Step 1. The grievance will be submitted on the appropriate form setting out the nature of the grievance and the circumstances from which it arose, and the remedy sought.

The grievance will then be reviewed by a committee of two representatives of the Union, one of whom will be the staff representative or designate and the other designated by the staff representative, and two representatives of the College, one of whom shall be the President or designate. The Committee must meet to review the grievance within fourteen (14) days of its receipt. The College will respond in writing following the committee's review. If there is no resolution within thirty (30) days from the date of the first committee review meeting, the matter may be referred to arbitration.

21.05 TIME LIMIT TO FILE TO ARBITRATION

Failing satisfactory settlement at Step 2, the Union President or designate may inform the College of intent to submit the dispute to arbitration within:

- a) Fourteen (14) days after the College decision has been received; or
- b) Fourteen (14) days after the College decision was due.

21.06 ADMINISTRATIVE PROVISIONS

- a) Grievances and replies at Step 2 of the grievance procedure and notification to arbitrate shall be by registered mail or facsimile (original to follow in regular mail).
- b) Grievances, replies, and notification shall be deemed to be presented on the day on which they are registered or sent by facsimile, and received on the day they were delivered to the appropriate office of the College or the Union.

21. RESOLUTION OF DISPUTES (Continued)

21.06 ADMINISTRATIVE PROVISIONS (Continued)

- c) In the event of a dispute, strike, lock-out, or other work stoppage in the Canada Post Office within British Columbia, this section shall not apply.

21.07 SINGLE ARBITRATOR

When a party has requested that a grievance be submitted to Arbitration, the grievance shall be submitted to a mutually agreed upon Arbitrator.

21.08 SINGLE ARBITRATOR PROCEDURE

The Arbitrator may determine his own procedure in accordance with due process and shall give full opportunity to all Parties to present evidence and make representations. He shall hear and determine the difference or allegation and shall render a decision within thirty (30) days of the conclusion of the Hearing.

21.09 DECISION OF ARBITRATOR

The Decision of the Arbitrator shall be final, binding, and enforceable on the Parties. The Arbitrator shall have the power to dispose of a discharge or discipline grievance by any arrangement which he/she deems just and equitable. However, the Arbitrator shall not have the power to change this Agreement or to alter, modify, or amend any of its provisions.

21.10 DISAGREEMENT ON DECISION

Should the parties disagree as to the meaning of the Arbitrator's decision, either party may apply to the Arbitrator to clarify the decision, which he/she shall make every effort to do within seven (7) days of receipt of such application.

21.11 EXPENSES OF ARBITRATOR

Each party shall pay one half (1/2) of the fees and expenses of the Arbitrator.

21.12 DEVIATION FROM GRIEVANCE PROCEDURE

The College agrees that after a grievance has been initiated by the Union, the College's representatives will not enter into discussion or negotiation with respect to the grievance either directly or indirectly with the aggrieved employee without the consent of the Union.

21. RESOLUTION OF DISPUTES (Continued)

21.12 DEVIATION FROM GRIEVANCE PROCEDURE (Continued)

In the event that after having initiated a grievance through the grievance procedure, an employee endeavours to pursue the same grievance through any other channel, then the Union agrees that pursuant to this clause the grievance shall be considered to have been abandoned.

21.13 POLICY GRIEVANCE

Where either party to this Agreement disputes the general application, interpretation, or alleged violation of a clause of this Agreement, the dispute shall be discussed initially with the College or the Union, as the case may be, within thirty (30) days of the occurrence. Where no satisfactory agreement is reached within a further thirty (30) days, either party may submit the dispute to arbitration as identified in Clause 21.07.

21.14 TECHNICAL OBJECTIONS TO GRIEVANCES

It is the intent of both parties to this Agreement that no grievance shall be defeated merely because of a technical error other than time limitation in processing the grievance through the grievance procedure. To this end an Arbitrator shall have the power to allow all necessary amendments to the grievance and the power to waive formal procedural irregularities in the processing of a grievance in order to determine the real matter in dispute and to render a decision according to equitable principles and the justice of the case.

21.15 EFFECTIVE DATE OF SETTLEMENTS

Settlements reached at any step of the grievance procedure in this clause, other than Clause 21.13, shall be applied retroactively to the date of the occurrence of the action or situation which gave rise to the grievance, but not prior to the effective date of the Agreement in effect at the time of the occurrence or the date set by an Arbitrator, unless another date is agreed upon by both parties.

21.16 AMENDING TIME LIMITS

The time limits fixed in the grievance and arbitration procedure may be altered by mutual consent of the parties, but the same must be in writing.

22. UNION MEMBERSHIP AND DUES

22.01 BARGAINING UNIT DEFINITION

The bargaining unit shall include full-time and part-time instructors (as described in the certification statement of BCGEU Local 701 Camosun College) employed by the College to teach vocational, technical and trades training programs or courses.

22.02 MEMBERSHIP

All employees covered by this Agreement shall as a condition of employment, hold and maintain membership in the Union except where exempted and as outlined under the Industrial Relations Act.

22.03 UNION RECOGNITION AND RIGHTS

The Union agrees that any activities relevant to the administration of the Collective Agreement or other Union activities, which must be conducted during working hours, will be carried out in a professional manner with primary consideration to instructional duties. Where the College feels that such activities are interfering inappropriately with instructional duties, the parties agree to meet and resolve the matter.

22.04 DUES

The College agrees to deduct each month from the monthly salary of each employee, one-twelfth (1/12) of the total annual Union dues as determined by the Union, and any special levies which the Union may determine as authorized by its Constitution. This sum will be transmitted to the Union without delay, and this sum will be shown on the T4 slip, after the Union has confirmed receipt of these dues.

All deductions shall be remitted to the President of the Union not later than twenty-eight (28) days after the date of deduction and the College shall also provide a list of names of those employees from whose salaries such deductions have been made together with the amounts deducted from each employee.

23. UNION RIGHTS

23.01 INDIVIDUAL AGREEMENTS

No employee, covered by this Agreement shall be required, or permitted, to make a written or oral agreement with the College, or its representatives, which may conflict with this Agreement.

23.02 FAIR TREATMENT

The College and the Union agree that there shall be no discrimination, restriction, or coercion exercised or practised with respect to any employee for reason of membership or activity in the Union.

23.03 LEAVE FOR UNION BUSINESS

Leave for Union business will not affect employee's "non-contact time". To facilitate the administration of this section when leave is granted, the employee will continue to be paid at the normal rate and the Union shall reimburse the College for salary and benefit costs. Leave of absence granted under this clause shall include sufficient travel time. The Union shall provide the College with reasonable notice prior to the commencement of leave under this clause. The College agrees that any of the leaves of absence identified below shall not be unreasonably withheld.

Approved leave of absence will be granted:

- (a) to an elected or appointed representative of the Union to attend conventions of the Union and bodies to which the Union is affiliated;
- (b) for elected or appointed representatives of the Union to attend to Union business which requires them to leave their general work area;
- (c) for employees who are representatives of the Union on a bargaining committee to attend meetings of the bargaining committee;
- (d) to employees called by the Union to appear as witnesses before an arbitration board;
- (e) for up to three employees on the bargaining committee of the Union to carry on negotiations with the College. In this case, the Union shall only be required to reimburse the College for salary and benefit costs if substitute instructors are required.

23. UNION RIGHTS (Continued)

23.04 PICKET LINES

All employees covered by the Agreement shall have the right to refuse to cross a picket line arising out of a dispute as defined in the Industrial Relations Act. Any employee failing to report for duty shall be considered to be absent without pay.

24. SAFEGUARD AGAINST SALARY REDUCTIONS

- (a) No person covered by this Agreement shall have his/her current rate of salary or allowance reduced by the application of this Agreement.
- (b) Notwithstanding Section 2 of the Employment Standards Act where this Agreement is silent the College agrees to apply the provisions of the Employment Standards Act.

25. USE OF TERMS

Whenever the singular or masculine is used in the Agreement, it shall be considered as if the plural or feminine has been used where the context requires.

26. TERM OF AGREEMENT

- 26.01 This agreement shall be binding and remain in full force and effect from the first day of February, 1996 to the 31st day of March 1998 and shall continue from year to year thereafter, unless either party exercises its rights to commence collective bargaining as provided for in the Statutes of the Province of British Columbia.
- 26.02 If negotiations extend beyond the anniversary date of the Agreement, both parties shall adhere fully to the provisions of this Agreement during the period of bona fide collective bargaining.
- 26.03 All revisions to the Agreement mutually agreed upon shall, unless otherwise specified, apply retroactively to the expiry date.

27. EMPLOYEE APPRAISAL

27.01 EVALUATION REPORTS

- (a) Where a formal appraisal of an employee's performance is carried out, the employee shall be given sufficient opportunity after the interview to read and review the appraisal.
- (b) Provision shall be made on the evaluation form for an employee to sign it. The form shall provide for the employee's signature in two places, one indicating that the employee has read and accepts the appraisal, and the other indicating that the employee disagrees with the appraisal. The employee shall sign in one of the places provided. No employee may initiate a grievance regarding the contents of an evaluation report unless the signature indicates disagreement with the appraisal.
- (c) An employee shall, upon request, receive a copy of this evaluation report at the time of signing. An evaluation report shall not be changed after an employee has signed it, without the knowledge of the employee, and any such changes shall be subject to the grievance procedures of this Agreement.
- (d) An employee shall have the right to request a formal appraisal, providing that at least six (6) months have elapsed since the last appraisal and that the Dean has agreed to the timing of the appraisal.

27.02 The completed appraisal shall be available only to the employee, his/her Coordinator, his/her Dean, the Vice President, Education, the President and the Board Chairman. In the event of a dispute or legal action, the appraisal shall be available to a joint Union-Board committee, an arbitrator board and the Board's legal counsel.

- (b) With reasonable notice given the College, an employee shall be permitted to review their personnel file(s).
- (c) The College will not disclose or use for other than authorized purposes personnel file information without the employee's written consent, unless required by law.

27. EMPLOYEE APPRAISAL (Continued)

27.03 PERSONNEL FILES (Continued)

- (e) Personnel files shall include all files pertaining to the employee maintained by the Employee Support and Development Services Office.

27.04 RIGHT TO HAVE A UNION REPRESENTATIVE PRESENT

An employee shall have the right to have a Union representative present at any discussion with administration which the employee believes might be the basis of disciplinary action. Where administration intends to interview an employee for disciplinary purposes, the administration shall make every effort to notify the employee in advance of the purpose of the interview in order that the employee may contact a Union representative, providing that this does not result in an undue delay of the appropriate action being taken.

28. TECHNOLOGICAL CHANGE

- (a) An employee shall be considered displaced by technological change when his/her services are no longer required in the same capacity as a result of change in the method of operation or equipment.
- (b) The College agrees to take all reasonable steps so that an employee shall not lose employment because of technological change. Every reasonable effort will be made by the College to utilize normal turn-over of employees, to the extent that it arises during the period in which changes occur, to absorb employees displaced because of such change or changes. However, when necessary to reduce staff, it will be done as outlined in Clause 3 of the Agreement.
- (c) Where the introduction of a technological change substantially alters the method of presentation or the content of an existing course, faculty members who may have responsibility for the course shall be consulted before the intended change is implemented.

29. SENIORITY

29.01 ACCUMULATION OF SENIORITY

- (a) Service seniority shall be defined as the length of continuous service with the College since the last date of hiring plus the aggregate length of all periods of employment with the College after April 1, 1980, where no break in service exceeds two (2) years. Such service seniority shall include all continuous service with the Public Service of British Columbia prior to the Meld which took place October 1, 1975.
- (b) Seniority shall continue to accumulate when an employee is on training leave, in accordance with Clause 3.03(a) or where the employee has been approved for accrual of seniority under Clause 10.06.
- (c) Employees on maternity, adoption, or parental leave shall continue to accumulate seniority.
