The Parties agree that in certain situations, it may be in the best interest of both Employer and employees that employees be reassigned or removed from all job sites during an investigation of conduct. In cases where an employee cannot be reassigned, the employee shall be considered to be on a leave of absence without loss of pay until the Employer makes a decision relative to imposing discipline.

11.5 Bridging of Service

If a regular employee terminates as a result of a decision to care for a dependent parent, spouse or child and is re-employed, upon application he/she shall be credited with length of service accumulated at time of termination for the purposes of benefits based on service seniority. The following conditions shall apply:

- (a) the employee must have been a regular employee with at least two (2) years of service seniority at time of termination;
- (b) The resignation must indicate the reason for termination.

- (1) the duties of the municipal or school board office other than regular counsel or board meetings do not impinge on normal working hours as an employee covered by this Agreement;
- (2) Where the Municipal Council the School Board or Committees of the Council or Board hold meetings during the employee's normal working hours, the Employer shall grant leave without pay to attend such meetings.
- (3) Where leave without pay is granted to attend Committee meetings, such leave shall be in accordance with Article 20.11, and provided that such leave shall not exceed one-half (½) shift per week.
- (4) The employee shall provide at least one (1) week's written notice to the Employer.

(b) Federal and Provincial Offices

There are no restrictions on employees engaging in political activities on their own time as campaign workers. If an employee is nominated as a candidate for election, the employee shall be granted leave without pay in accordance with Clause 20.5(a) to engage in the election campaign. If elected, the employee shall be granted leave of absence in accordance with Clause 20.5(b). If not elected, the employee shall be allowed to return to his/her former position.

33.7 Copies of Agreement

The Union and the Employer desire every employee to be familiar with the provisions of this Agreement, and his/her rights and obligations under it. For this reason the Employer shall print sufficient copies of the Agreement for distribution to employees.

33.8 Travel Advance

Regular employees not covered by a work Party advance, and who are required to proceed on travel status, shall be provided with an adequate travel advance. The amount of advance will be determined by such factors as time away from headquarters and the frequency of reimbursement.

33.9 Transfer of Employees Out of the Justice Institute Bargaining Unit

When the Parties are made aware that employees will be transferred out of the Justice Institute Bargaining Unit to a corporation, board, agency or commission, a joint Employer/Union committee shall immediately be established. The committee shall be established to facilitate the orderly transfer of employees. This clause does not cover secondment of employees. Where such transfers occur, those transferred employees will be recognized as in-service applicants when applying for regular positions in The Justice Institute Bargaining Unit for a period of one (1) year from the effective date of the transfer. This clause does not cover secondment of employees.

33.10 Personal Duties

- (a) It is understood by both Parties that work not related to the business of the Institute should not be performed on the Employer's time.
- (b) To this end, it is agreed that an employee will not be required to perform duties of a personal nature for supervisory personnel.

- (c) Where an employee directly involved feels a problem exists in this area, the Union or Employer may take the matter to the Labour/Management Committee which will attempt to resolve the dispute.

33.11 Employee Work Load

- (a) The Employer agrees that, except in the case of emergency, an employee's work load will not be increased as a result of positions being temporarily vacant due to illness, vacation, leave of absence, or any other reason.
- (b) In such instances, the Employer shall give regular employees the opportunity to substitute in higher paying positions and arrange for staff replacements at the lowest paying category.
- (c) Disputes arising out of this Article shall first be referred to the employee's supervisor. Failing resolution, the matter shall be referred to the Academy or Division Director.
- (d) Failing resolution within five (5) days by the Academy/Division Director, the matter shall be referred to the Labour/Management Committee, which shall meet to attempt to resolve the matter within five (5) days.
- (e) If the dispute is not resolved by the Labour/Management Committee within five (5) days of the referral, the matter may be submitted to Step 3 of the grievance procedure under Article 8.

33.12 Private Vehicle Damage

Where an employee's vehicle is damaged by a person in the care or custody of the Employer or as a direct result of an accident involving a particular training activity of the Employer, or as a result of an individual venting his/her frustrations at the Employer, the Employer shall reimburse the employee the cost of any deductible portion of insurance coverage on that vehicle up to five hundred dollars (\$500).

33.13 Job Sharing

The Parties agree to the following plan to allow job sharing for the term of this contract.

- (a) Job sharing agreements must be by mutual consent of the Parties.
- (b) Instituting a job sharing unit must be on a voluntary basis by the present incumbent. It is understood that job sharing units will not necessarily be posted and any employee seeking to be involved must make his/her interest known in writing to the Employer.
- (c)
 - (1) The two (2) incumbents of the job sharing unit must share wages, benefits and conditions as provided by the Collective Agreement to a combined maximum as if one (1) employee occupied the position. Where it is impossible to split, one (1) or both of the employees shall be obliged to pay the additional cost to the Employer;
 - (2) Benefits granted job sharing partners shall be in accordance with those in place for part-time employees. Most benefits are prorated based on the number of hours an employee works, except the following benefits which are paid in full to both partners; basic medical insurance (BC Medical Plan), extended health care plan, dental plan and air travel insurance. Each partner is also eligible for the minimum group life insurance.
- (d) There must be no extra cost to the Employer as a result of a job sharing except those costs associated with Clause 33.13(c)(2) above.
- (e) The scheduling for a job sharing unit must be done at the local level and the number of hours must average for the two (2) employees to half-time on a monthly basis.
- (f) Where one incumbent is absent (sick, leave, vacation) the other member of that unit shall make every reasonable effort to cover such absence by working full-time.

- (g) (1) The job sharing unit may be discontinued by the Employer or by mutual agreement of the two (2) incumbents.
(2) Thirty (30) days' notice of discontinuance must be given by the Employer or the two (2) incumbents.
- (h) (1) If the job sharing unit is terminated, the employee with the greater service seniority will be given the opportunity to work full-time. The employee has one (1) week to exercise his/her option under this provision. If the employee accepts, the lesser service incumbent will be immediately subject to the layoff and bumping provisions of this Agreement.
(2) if the incumbent with the greater service seniority refuses to accept the full-time position:
 - (i) he/she shall be laid off, subject to Article 12, as modified by this Article; and
 - (ii) the lesser seniority incumbent shall be offered the position to work full-time in that position. He/she has one (1) week to exercise his/her option under this provision.
- (3) In the event that neither of the incumbents wish the full-time position, the position will be posted, and both incumbents shall be laid off, subject to Article 13, as modified by this Article.
- (4) All employees, regardless of years of service seniority are entitled to thirty (30) days' notice of layoff, if they do not accept the full-time position created as a result of the termination. Notice of layoff shall be deemed to have been given at the expiration of the one-week option period under (h)(1) of this Article.

33.14 Personal Property Damage

- (a) Where an employee's personal possession(s) is/are damaged by a person in the care or custody of the Employer, the Employer shall pay, up to a maximum of one hundred dollars (\$100), the replacement costs or personal deductible insurance, provided such personal possessions are of a type suitable for use while on duty. This provision shall not apply to articles of clothing or eyewear.
- (b) On request, and with reasonable notice, the Employer shall provide a secure space for employees to store such personal possessions, wallets and/or purses when the employees are at their worksite.

33.15 Employment Equity

- (a) The Parties recognize the need to implement an Employment Equity Program at the Justice Institute. Accordingly, the Employer and Union agree to establish a Joint Committee to implement the programme which is established by the Province of British Columbia.
- (b) The Joint Committee will be comprised of two (2) representatives appointed by the Employer and two (2) representatives appointed by the Union.
- (c) Employees representing the Union on this Joint Committee shall be on leave of absence without loss of basic pay for time on this Committee.
- (d) The Joint Committee may establish sub-committees.

33.16 Disclosure of Information

The Employer and the Union recognize that it is in the public interest for employees to be able to disclose information regarding breaches of a statute, danger to public health and safety or a significant danger to the environment.

No employee shall be disciplined for bringing forth in good faith an allegation of wrongdoing in accordance with the following procedure:

- (a) an employee shall direct his/her concern or allegation to the employee's immediate supervisor;
- (b) if the employee feels that their allegation has not been adequately addressed at this level or if the allegation relates directly to the immediate supervisor, the employee may refer the matter in writing to the next level of excluded management not directly involved in the matter;
- (c) the written notice should provide full particulars of the allegation including the name(s) of individual(s) involved, the date(s) the wrongdoing is alleged to have occurred and any supporting documentation in the employee's possession, or of which the employee is aware.
- (d) the excluded manager will acknowledge, in writing, receipt of the employee's notice and will investigate and take such action as may be required respecting the allegation. If the employee feels that their allegation has not been adequately addressed at this level, he/she will so advise the excluded manager prior to proceeding to the next level of this process.
- (e) where the employee is not satisfied that the allegation has been resolved or is not satisfied with the timeliness of the response at any level, the employee may refer the matter in writing to the President of the Justice Institute, including the detailed information outlined above.
- (f) where an allegation involves the President, the employee shall forward his/her allegation to the Chair of the Justice Institute Board.
- (g) these procedures do not relieve an employee from the requirements of his/her Oath of Office, nor do these procedures restrict the employee from exercising his/her rights or obligations under any applicable statute.

ARTICLE 34 - EMPLOYMENT EQUITY

- (a) The Justice Institute is committed to providing a work environment free of any form of adverse discrimination.
- (b) The Parties hereto subscribe to the principles of the *Human Rights Act of British Columbia*.
- (c) The Parties recognize the need to implement an employment equity program at the Justice Institute.
- (d) The goals of employment equity are to create a workforce which, at all levels, is representative of the diverse population it serves; and to ensure that individuals are not denied employment, advancement or training opportunities at the Justice Institute for reasons unrelated to ability to do the job.
- (e) Regulations, policies and procedures with respect to recruitment, selection and promotion shall facilitate:
 - (1) opportunities for external recruitment and internal advancement to develop a work force that is representative of the diversity of the people of British Columbia; and
 - (2) the long term career development and advancement of employees.
- (f) The Labour/Management Committee is authorized to:
 - (1) advise the Employer on employment equity issues and initiatives;
 - (2) review Employer action plans to ensure they comply with the mandatory procedures and are consistent with employment equity goals;
 - (3) monitor progress of action plans; and
 - (4) ensure that an annual progress report is provided the Union.

ARTICLE 35 - COOPERATIVE EDUCATION TRAINING PROGRAM

The purpose is to establish the salary rate and working conditions for students hired under the Cooperative Education Training Program at the Justice Institute.

- (a) Employees hired under the Cooperative Education Training Programs will be considered casual employees and receive the appropriate benefits as per this Agreement.
- (b) The program will be restricted to persons registered in a recognized cooperative education program at a participating post-secondary institution. The length of appointment for students under this Article will correspond to the requirements of their academy program. Notwithstanding the above, appointments will not exceed eight (8) months in any sixteen (16) month period.
- (c) Coop education will be considered supernumerary to the established work force. As such, Article 31.5(d) will apply to these programs.
- (d) No employee hired under this program will be employed where it would result in a layoff or failure to recall a qualified employee.
- (e) Employees hired under this program will be classified and paid in accordance with Appendix 1C, Level 1, 2 or 3 as appropriate.
- (f) The standard hours of work for employees under this program will be seven (7) hours per day and thirty-five (35) hours per week.
- (g) The standard hours of work may be varied by mutual agreement at the local level, consistent with the local hours of work schedule provided that no employee works more than ten (10) hours in one (1) day and seventy (70) hours in a biweekly period.

ARTICLE 36 - HARASSMENT

36.1 Preamble

The Justice Institute of B.C. (JIBC) and the British Columbia Government and Service Employees' Union (BCGEU) are committed to providing a work environment which is free from harassment, discrimination or misuse of authority and where the individual differences of all employees are valued and respected.

The JIBC and the BCGEU do not condone and will not tolerate behaviour which undermines the dignity, self esteem and respect of any employee.

The JIBC and the BCGEU consider harassment, discrimination or misuse of authority by any individual to be a serious breach of human rights, which requires immediate resolution. Such resolution may include disciplinary measures up to and including dismissal or expulsion.

36.2 Definitions

Anyone working at the JIBC, whether directly or indirectly employed by the JIBC, will be collectively known as "*employees*" for the purpose of this Article.

(a) *Discrimination*

Discrimination refers to unfair treatment on the basis of any of the prohibited grounds in the *BC Human Rights Code*: race, colour, ancestry, place of origin, religion, family status, marital status, physical disability, mental disability, sex, age, sexual orientation, political belief, or conviction of criminal or summary offence unrelated to employment, except where there is a bona fide occupational requirement.

(b) *Personal Harassment*

Personal Harassment is defined as unwelcome behaviour which denies an individual her or his dignity or respect by creating an intimidating, humiliating, hostile, or offensive work environment and which may constitute discrimination on the basis of any of the grounds prohibited under the *BC Human Rights Code*.

To constitute personal harassment, behaviour may be repeated or persistent or may be a single serious incident.

(c) *Sexual Harassment*

Sexual harassment is sexually oriented conduct which an individual would reasonably find to be unwanted or unwelcome and may be either verbal, physical, written, or by innuendo, and which may detrimentally affect the work environment.

To constitute sexual harassment behaviour may be repeated or persistent or may be a single serious incident.

Sexual harassment will often, but need not, be accompanied by an expressed or implied threat of reprisal or promise of reward.

Sexual harassment refers to behaviour initiated by both males and females and directed toward members of the same or opposite sex, and is not restricted to interactions between supervisors and subordinates.

(d) *Misuse of Authority*

Misuse of authority takes place when a person who supervises or is in a position of authority exercises that authority in a manner which serves no legitimate work purpose and which ought reasonably to be known as inappropriate.

Misuse of authority does not include action occasioned through the exercise, in good faith, of the Employer's managerial/supervisory rights and responsibilities. Nor does it include a single incident of a minor nature where the harm, by any objective standard is minimal.

36.3 Harassment Advisors

Harassment Advisors are people trained to explain the options available to the Complainant and to recommend a course of action to the Complainant. They have no authority to investigate a complaint or to attempt to mediate a resolution.

The listed Harassment Advisors will reflect the diversity of the workforce. The criteria for and selection of Harassment Advisors will be mutually agreed to between the Parties. A current list of Harassment Advisors will be maintained on the Intranet.

36.4 Respectful Workplace Mediation Procedure

Preamble

The intent of this procedure is to provide an alternative to the formal complaint procedure set out in Article 36, and to promote early intervention and the use of mediation as a means to resolve allegations of harassment, discrimination or misuse of authority as defined above. Where mediation occurs it will be conducted without prejudice to any further action by either Party. Either Party to the mediation may withdraw from the mediation process at any time.

Requesting Mediation

- (a) If an employee believes he/she has been subjected to harassment, discrimination or misuse of authority, he/she may wish to make his/her objection and/or unease known to the person in order to resolve the issue prior to seeking mediation.

If dealing directly with the person is not an option or is unsuccessful, the employee may seek the confidential advice of a Harassment Advisor or the Union.

Requests for mediation may be initiated through a Harassment Advisor, the Union or the Human Resources Department. Requests will be accompanied by a signed written complaint which should include the following where applicable:

- name(s) of the Complainant(s) and the Respondent(s)
- a description of the action(s), conduct, events, or circumstances
- date, time and place of incident(s)
- name(s) of witnesses
- prior attempts to resolve the situation
- remedy sought

(b) *Mediation Process*

(1) Within five (5) days of receipt of a written request a mediator will be assigned. Mediators will be mutually agreed to by the Union and the Employer. Costs associated with the Mediators will be borne by the Employer.

(2) The mediation will be completed within ten (10) working days from the date of assignment or as soon thereafter as practicable.

(3) Union members may be accompanied by a Union Representative to provide support.

(4) The Mediator will, in situations, where the mediation results in a resolution, generate a Settlement Agreement within five (5) working days of the conclusion of the mediation. Settlement Agreements will not alter, modify or amend any part of the Collective Agreement and will be administered in accordance with the terms of the Collective Agreement. The Settlement Agreement will be signed by and exchanged by both Parties with copies going to the Area Office of the Union and the Director, Human Resources.

(5) Should either Party to the Settlement Agreement within the first six (6) months of the agreement be of the opinion that the agreement has been breached, she/he will make his/her views known to the Union Representative and the Director, Human Resources who will work with the Parties in an effort to restore the agreement. This may involve referring the Parties back to the original mediator.

(6) Any initial issue arising between the Parties to the Settlement Agreement beyond the first six (6) months of the agreement will be deemed to be a new issue and will be dealt with through the appropriate mechanism.

(7) In situations where, in the opinion of the Mediator, a resolution is not to be found, the Mediator will conclude the mediation. This will be done in consultation with the Union Representative and the Director, Human Resources. The Mediator will, within ten (10) working days of the conclusion of mediation, issue a report to the Union Representative and Director, Human Resources outlining the reasons for concluding the mediation.

In the event that this process does not resolve the complaint, the employee may pursue it through the Complaint Procedure.

COMPLAINT PROCEDURE

36.5 Natural Justice & Fairness

The following procedures will comply with the principles of natural justice and fairness. This means that all Parties to the harassment, discrimination or misuse of authority complaint, including the Complainant, Respondent and witnesses, will be given the opportunity to fully explain what happened from their perspective, to have their explanations and concerns fully considered, and to challenge any evidence that is being or has been considered.

Where an employee chooses not to pursue a complaint through the Respectful Workplace Mediation Procedure, the following shall apply:

- (a) An employee (Complainant) who wishes to pursue a concern arising from an alleged harassment, discrimination or misuse of authority may submit a complaint in writing within six (6) months of the latest alleged occurrence directly to the Director, Human Resources. Where the complaint is against the Director, Human Resources, it shall be submitted to the President. Upon receipt of the written complaint, the Employer shall notify in writing the designated Union Staff Representative. Complaints of this nature shall be treated in strict confidence by both the Union and the Employer.
- (b) The Director, Human Resources has the discretion to waive the six (6) month time restriction where there are extenuating circumstances.
- (c) An alleged harasser (Respondent) shall be given notice of the substance of such a complaint under this Clause and shall be entitled to attend, participate in, and be represented at any hearing pursuant to (h) below.
- (d) The Director, Human Resources will designate an Employer representative to investigate the complaint and submit his/her report to the Director, Human Resources in writing within fifteen (15) days of receipt of the complaint. The Director, Human Resources shall within ten (10) days of receipt of the report shall take the appropriate action to resolve the issue as contained in the report. The Union Staff Representative, the Complainant and the Respondent shall be apprised of the resolution.
- (e) Both the Complainant and Respondent shall be given the option of having a Union Steward present at any meeting held pursuant to the above investigation.
- (f) Pending determination of the complaint, the Director, Human Resources may take interim measures to separate the employees concerned if deemed necessary. Such action will not be deemed disciplinary in nature, or seen as presumption of guilt or innocence.
- (g) The Parties agree that in certain situations, it may be in the best interest of all concerned that employees be reassigned or removed from all job sites pending the determination of the complaint. Every effort will be made to reassign the Respondent, except that the Complainant may be transferred upon request or with his/her written consent. In cases where an employee cannot be reassigned, the employee shall be considered to be on a leave of absence without loss of pay until the matter is finally resolved.
- (h) Where either the Complainant or the Respondent, in conjunction with the Union, is not satisfied with the Employer's response, the Union will put the complaint, within thirty (30) days, before a mutually agreed upon, independent adjudicator who specializes in this field. The adjudicator shall work with the Parties to achieve a mutually acceptable resolution and if this is not achieved, the adjudicator shall have the right to:
 - dismiss the complaint; or
 - determine the appropriate level of discipline to be applied to the harasser;

- make further recommendations as are necessary to provide a final and conclusive settlement of the complaint.

The adjudicator's decision may be appealed in conjunction with the Union only where it can be demonstrated that there has been an error in fact or process.

The Union and the Employer will each pay half the cost of the adjudicator.

- (i) Disciplinary action taken against a harasser pursuant to this Clause shall not form the basis of a grievance.
- (j) Where the complaint is determined to be of a frivolous, vindictive or vexatious nature, the Employer will take appropriate action, which may include discipline.
- (k) This Clause does not preclude an employee from filing a complaint under the *B.C. Human Rights Code*. A complaint of personal harassment or sexual harassment shall not form the basis of a grievance.
- (l) Complaints under this Article, including related documentation, shall be treated in strict confidence by all Parties involved.
- (m) The Complainant may withdraw the complaint at anytime during this process by notifying the Director, Human Resources in writing.

36.6 List of Mediators and Independent Adjudicators

A list of mutually agreed to mediators and independent adjudicators will be maintained and posted on the JIBC Intranet. The Parties may agree to use mediators or independent adjudicators not on this list in the interest of proceeding with the investigation in a timely manner.

36.7 Confidentiality

No documentation of the harassment, discrimination or misuse of authority, including any materials resulting from mediation or independent adjudication, such as reports from the mediator or independent adjudicator, will be placed on an employee's personnel file.

Where a formal complaint has been filed, the names of the Complainant(s) and Respondent(s) and the circumstances of the complaint will not be disclosed to any person except where disclosure is necessary for the purpose of investigating and resolving the complaint, or where disclosure is required by law.

In the event that an investigation concludes that harassment, discrimination, or misuse of authority did occur and where disciplinary action was taken, a letter indicating the level of discipline will be the only documentation to appear on an employee's personnel. All other documentation related to the investigation shall be maintained in a confidential manner by the Employer and the Union.

All Parties who are privy to information or in possession of documentation pertaining to matters/incidents in the course of dealing with a complaint of harassment, discrimination or misuse of authority shall be held in strict confidence. This shall include refraining from discussion or releasing information in any form, beyond that contained in the Article or as required by law.

36.8 Retaliation

Retaliation against any individual who has filed a complaint, or who has been named as a Respondent or witness in the complaint or who investigates the complaint according to the procedures outlined, may be considered harassment, discrimination or misuse of authority and may result in a complaint under this Article.

ARTICLE 37 - TERM OF AGREEMENT

The continuation language of each Agreement's Term of Agreement provision shall remain as it is in the Agreement currently in force.

37.2 Notice to Bargain

- (b) Regular employees with less than six (6) months of service who are unable to work because of illness or injury are entitled to six (6) days' coverage at seventy-five percent (75%) pay in any one (1) calendar year.
- (c) Regular employees with three (3) months but less than six (6) months of service will be entitled to fifteen (15) weeks (75 workdays) of coverage, consisting of the above six (6) days, or what remains of the six (6) days' entitlement, at seventy-five percent (75%) pay, and the remainder of the fifteen (15) weeks at two-thirds ($\frac{2}{3}$) of pay, not to exceed a maximum weekly benefit of two hundred and ten dollars (\$210) or the Employment Insurance ("EI") maximum weekly sickness benefit, whichever is higher.
- (d) Notwithstanding (a), (b) and (c) above, where a regular employee is on a claim recognized by the Workers' Compensation Board while the employee was on the Employer's business, he/she shall be entitled to leave at his/her regular rate of pay up to a maximum of one hundred fifty-two (152) days for any one claim in lieu of benefits as outlined in Section 1.2. In such cases the compensation payable by the Workers' Compensation Board shall be remitted to the Employer.
- (e) Pay for a regular part-time employee under this plan shall be based on his/her part-time percentage of full-time employment at date of present appointment.

1.2 Short Term Plan Benefit

- (a) In the event an employee is unable to work because of illness or injury he/she will be entitled to a benefit of seventy-five percent (75%) of pay for a period not to exceed seven (7) months from date of absence, (Short Term Plan Period).
- (b) The seventy-five percent (75%) benefit may be supplemented in quarter day increments by the use of the following in descending order:
 - (1) Compensatory time off (CTO);
 - (2) Banked Earned time off (ETO), excepting where scheduled in a shift schedule;
 - (3) Vacation entitlement.

1.3 Recurring Disabilities

- (a) Employees who return to work after being absent because of illness or injury, and within fifteen (15) consecutive scheduled days of work again become unable to work because of the same illness or injury are considered to still be within the original Short Term Plan period as defined in Section 1.2(a).
- (b) Employees who return to work after being absent because of illness or injury and within fifteen (15) consecutive scheduled workdays again become unable to work because of a new illness or injury unrelated to the illness or injury that caused the previous absence shall be entitled to a further seven (7) months of benefits under this Plan.

(c) Employees who return to work after being absent because of illness or injury, and after working fifteen (15) or more consecutive scheduled days of work, again become unable to work because of the same illness or injury will be entitled to a further seven (7) month period of benefits under this plan except as provided in (d) below, where the Short Term Plan period shall continue to be as defined in Section 1.2(a).

(d) Where an employee is returning to work after a period of illness or injury and where the Screening Committee approved such return on a trial basis for assessment and/or rehabilitation purposes, the Short Term Plan period shall continue to be as defined in Section 1.2(a). Such trial period must be approved during the period the employee is receiving short term benefits, however, the end of the trial period can go beyond the Short Term Plan benefit period.

(e) Employees who return to work after a period of illness or injury and who do not work the same number of hours that were scheduled prior to the illness or injury shall receive prorated benefits under this plan, however, not beyond seven (7) calendar months from the initial date of absence as defined in Section 1.2(a), if absence is due to the same illness or injury.

1.4 Written Statement of Inability to Work

The Employer may require an employee who is unable to work because of illness or injury to provide a written statement from:

- (a) a medical practitioner licensed to practise in the province of B.C.; or
- (b) where necessary, from a medical practitioner licensed to practise in the province of Alberta or the Yukon; or
- (c) the employee's physician may be required to provide medical evidence of the employee's inability to work in any of the following circumstances:
 - (1) where it appears that a pattern of consistent or frequent absence from work is developing;
 - (2) where the employee has been absent for six (6) consecutive scheduled days of work;
 - (3) where at least thirty (30) days have elapsed since the last statement was obtained and the employee has been in receipt of plan benefits throughout that period.

With the exception of the Illness/Injury Report Form and written statements referenced above, where the Employer requires a medical assessment from the employee's physician specifying the employee's employment limitations and/or capabilities, the employee will be reimbursed, upon production of receipt

Benefits will cease to be paid when an employee fails to provide satisfactory evidence of medical disability during the benefit period.

1.5 Integration with other Disability Income

Short term benefits will be reduced by all other disability income benefits to which the absent employee is entitled except disability income which was being received prior to the illness or injury resulting in the employee being absent from work and which is unrelated to the illness or injury causing the current absence and the one-quarter ($\frac{1}{4}$) day accumulation that is being used to supplement the new plan, pursuant to Section 1.2(b). Other disability income benefits will include:

- (a) any amount the absent employee receives from any group insurance, wage continuation or pension plan of the Employer;
- (b) any amount of disability income provided by any compulsory act or law, except Unemployment Insurance sickness benefits and WCB benefits payable in accordance with Section 1.1(d);
- (c) any periodic benefit payment from the Canada or Quebec Pension Plan or other social security plan of any country.

Notwithstanding the above, in the case of ICBC Weekly Indemnity payments or, in the case of personal insurance coverage integration will apply to the extent that the combination of Plan benefits and ICBC Weekly Indemnity payments, or personal insurance disability income benefits exceed either:

- (1) one hundred percent (100%) of pay; or
- (2) the applicable benefit percentage of the individual's average total monthly income in the twelve (12) month period immediately preceding commencement of the disability, whichever is the greater. Where provision is to apply, the employee will be required to provide satisfactory evidence of his/her total monthly income.

Notwithstanding the above, where an employee makes a successful wage loss claim against a third Party for an injury for which the employee received or would receive STIIP benefits, the Employer will be entitled to recover or decrease Plan benefits by an amount equal to the amount that Plan benefits in combination with the wage loss claim paid exceed one hundred percent (100%) of pay.

This section does not apply to a war disability pension paid under an *Act* of the Governments of Canada or other Commonwealth countries.

1.6 Benefits Not Paid During Certain Periods

Benefits will not be paid when an employee is:

- (a) receiving designated paid holiday pay;
- (b) engaged in an occupation for wage or profit;
- (c) on strike or is locked out unless the strike or lockout occurred after the illness or injury resulting in the employee being absent from work;
- (d) serving a prison sentence;
- (e) on suspension without pay;
- (f) on paid absence in the period immediately preceding retirement;
- (g) on any leave of absence without pay.

Notwithstanding (g) above, where an illness or injury occurs during a period of approved:

- (1) educational leave;
- (2) general leave of absence not exceeding thirty (30) days;
- (3) pregnancy leave, parental leave or adoption leave,

which prevents the employee from returning to work on the scheduled date of return, the Short Term Plan will be effective from the date of disability due to illness or injury and benefits will be paid for the balance of the seven (7) month period remaining from the scheduled date of return to work. For pregnancy leave, the intention is no coverage for normal pregnancy.

(h) not actively engaged in a treatment program where the employee's physician determines it to be appropriate to be involved in such a program. An employee shall be afforded the opportunity to demonstrate there were reasonable grounds for not being engaged in a treatment program.

1.7 Employee to Inform Employer

The employee shall inform the Employer as soon as possible of his/her inability to report to work because of illness or injury. The employee shall inform the Employer of the date of return to duty, in advance of that date, in order that relief scheduled for that employee can be notified.

1.8 Entitlement

For the purpose of calculating six (6) days per calendar year, one (1) day shall be considered to be one (1) day regardless of the regularly scheduled workday. Calculation for part-time employees and partial days will be on a prorated basis.

1.9 Employment Insurance Premium

The Parties agree that the complete premium reduction from the EI accruing through the improved illness and injury plan will be returned to the Employer.

1.10 Benefits Upon Layoff or Separation

(a) Subject to (b) and (c) below, regular employees who have completed three (3) months of service and who are receiving benefits, pursuant to 1.1(c), 1.1(d), or 1.2 shall continue to receive such benefits upon layoff or separation until the termination of the illness or until the maximum benefit entitlement has been granted, whichever comes first, if the notice of layoff or separation is given after the commencement of the illness for which benefits are being paid.

(b) In the event that layoff or separation notice was given prior to the commencement of the illness, benefits will cease on the effective date of the layoff or separation only if the illness commenced within two (2) months of the effective date of the layoff or separation.

(c) Benefits will continue to be paid in accordance with (a) above for which notice of layoff or separation was given prior to the commencement of the illness and if the illness commenced more than two (2) months before the effective date of the layoff or separation.

PART II - LONG TERM DISABILITY PLAN

2.1 Eligibility

(a) (1) Regular full-time employees shall be covered by the Long Term Disability Plan upon completion of six (6) months' active employment with the Employer. To be covered by the Plan, a

regular part-time employee must be working in a position that requires at least half-time work on a regularly scheduled basis, and must have completed six (6) months' active service in such a position.

(2) Where an employee is converted from casual to regular status, Plan coverage shall commence the earlier of (a)(1) above, or upon the completion of six (6) months of full-time, unbroken employment from the date the employee qualified for Short Term Illness and Injury Plan benefits under Article 31.13.

(b) An employee who is not actively at work because of illness or injury on the workday coincident with, or immediately preceding, the date he/she would otherwise have become eligible for coverage under the Plan will not be eligible for coverage until the date the employee returns to active employment.

(c) Coverage in the Plan is a condition of employment.

2.2 Long Term Disability Benefit

In the event an employee, while covered under this Plan, becomes totally disabled as a result of an accident or a sickness, then, after the employee has been totally disabled for seven (7) months, including periods approved in Section 1.3(a) and (c), he/she shall be eligible to receive a monthly benefit as follows:

(a) (1) effective upon ratification, sixty-eight and three-tenths percent (68.3%) of the first twenty two hundred dollars (\$2200) of monthly earnings; and

(2) fifty percent (50%) of the monthly earnings above twenty-two hundred dollars (\$2200).

For the purposes of the above, earnings shall mean basic monthly earnings as at the date of disability as determined by the Employer.

The basic monthly earnings as at the date of disability shall be the salary in effect for the last month of the Short Term Plan period, or equivalent seven (7) month period, taking into consideration any retroactive adjustments. The date of disability for determining the commencement of the first two (2) years of disability shall be the day following the last month of the Short Term Plan period, or an equivalent seven (7) month period.

(b) The Long Term Disability benefit payment will be made so long as an employee remains totally disabled in accordance with Section 2.3, and will cease on the date the employee recovers, or at the end of the month in which the employee recovers, or at the end of the month in which the employee reaches age sixty-five (65), resigns or dies, whichever occurs first.

(c) An employee in receipt of long term disability benefits will be considered an employee for purposes of superannuation and will continue to be covered by group life, extended health, dental and medical plans. Employees will not be covered by any other portion of the Collective Agreement but will retain the right of access to a Screening Committee established there under and will retain seniority rights should they return to employment within six (6) months following cessation of benefits.

(d) When an employee is in receipt of the benefit described in (a) above, contributions required for benefit plans in (c) above and contributions for Superannuation will be waived by the Employer.

(e) An employee engaged in rehabilitative employment with the Employer and who is receiving partial Long Term Disability benefit payments will have contributions required for benefit plans in (d) above and contributions for Superannuation waived by the Employer, except that Superannuation contributions shall be deducted from any salary received from the Employer to cover the period of rehabilitative employment.

2.3 Total Disability

(a) Total disability, as used in this Plan, means the complete inability because of an accident or illness of a covered employee to perform all the duties of his/her own occupation for the first two (2) years of disability, except where accommodation has been made which enables an employee to work:

- (1) in his/her own occupation; or
- (2) in a job other than his/her own occupation.

Where accommodation has been made that enables an employee to return to a job other than his/her own occupation, the employee will not be considered totally disabled and the basic rate shall be the rate for the job.

If the rate of pay for this job is less than the rate of pay of the employee at the date of the disability, the employee's salary will be protected in accordance with Article 27.7(a) at the employee's basic rate at the date of disability.

After the first two (2) years of total disability, where accommodation has been made that enables an employee to return to a job rather than his/her own occupation, the employee will not be considered totally disabled and their basic rate for the job or seventy-five percent (75%) of the basic rate of his/her own occupation, whichever is greater.

After the first two (2) years of total disability, employees able by reason of education, training or experience to perform the duties of a gainful occupation for which the rate of pay is not less than seventy-five percent (75%) of the current rate of pay of their regular occupation at the date of disability will not be considered totally disabled and will therefore not be eligible for benefits under this Long Term Disability Plan.

(b) Total disabilities resulting from mental or nervous disorders are covered by the Plan in the same manner as total disabilities resulting from accidents or other sicknesses, except that an employee who is totally disabled as a result of a mental or nervous disorder and who has received twenty-four (24) months of Long Term Disability Plan benefit payments must be confined to a hospital or mental institution or where they are at home, under the direct care and supervision of a medical doctor, in order to continue to be eligible for benefit payments.

During a period of total disability an employee must be under the regular and personal care of a legally qualified doctor of medicine.

(c) (1) If an employee becomes totally disabled and during this period of total disability engages in rehabilitative employment, the employee may earn in combination with benefits from this Plan up to eighty-five percent (85%) of his/her earnings at the date of disability. In the event that income from rehabilitative employment and the benefit paid under this Plan exceed eighty-five percent (85%) of the employee's earnings at date of disability, the benefit from this Plan will be further reduced by the excess amount.

"Rehabilitative employment" shall mean any occupation or employment for wage or profit or any course or training that entitles the disabled employee to an allowance, provided such rehabilitative employment has the approval of the employee's doctor and the Employer.

The rehabilitative employment of a disabled employee will continue until such time as the employee's earnings from rehabilitative employment exceed eighty-five percent (85%) of the employee's earnings at the date of disability but in no event for more than twenty-four (24) months from the date benefit payments commence.

If earnings are received by an employee during a period of total disability and if such earnings are derived from employment which has not been approved of as rehabilitative employment by his/her doctor and the Employer, then the regular monthly benefit from the Plan will be reduced by one hundred percent (100%) of such earnings.

(2) In the event that an employee has been classified as totally disabled for all occupations and engages in approved rehabilitative employment, the provisions of (1) above apply except that the rehabilitative employment may continue for twenty-four (24) months from the date rehabilitative employment commenced.

(3) In the case where rehabilitative employment has been approved while an employee is receiving a benefit under the provisions of Section 2.2(a), the provisions of Section 2.3(c)(1) shall not apply until the employee is receiving a benefit under Section 2.2(b).

2.4 Exclusions from Coverage

The Long Term Disability Plan does not cover total disabilities resulting from:

- (a) War, insurrection, rebellion, or service in the armed forces of any country after the commencement of this Plan;
- (b) Voluntary participation in a riot or civil commotion except while an employee is in the course of performing the duties of his/her regular occupation;
- (c) Intentionally self-inflicted injuries or illness;
- (d) A disability known to the Employer and which was specifically taken into account by the Employer at time of hiring.

2.5 Pre-Existing Conditions

An employee shall not be entitled to Long Term Disability benefits from this Plan if his/her total disability resulted from an accident, sickness or mental or nervous disorder with respect to which medical treatment, services or supplies were received in the ninety (90) day period prior to the date of hire unless he/she has completed twelve (12) consecutive months of service after the date of hire during which time he/she has not been absent from work due to the aforementioned accident, sickness or mental or nervous disorder with respect to which medical treatment, services or supplies were received. This clause does not apply to present employees who have been continuously employed since April 1, 1977.

2.6 Integration With Other Disability Income

In the event a totally disabled employee is entitled to any other income as a result of the same accident, sickness, mental or nervous disorder that caused him/her to be eligible to receive benefits from this Plan, the benefits from this Plan will be reduced by one hundred percent (100%) of such other disability income.

Other disability income shall include, but not necessarily be limited to:

- (a) any amount payable under the *Workers' Compensation Act* or Law or any other legislation of similar purpose; and
- (b) any amount the disabled employee receives from any group insurance, wage continuation or pension plan of the Employer that provides disability or retirement income; and
- (c) any amount of disability income provided by any compulsory act or law; and

(d) any periodic primary benefit payment from the Canada or Quebec Pension Plans or other similar social security plan of any country to which the disabled employee is entitled or to which he would be entitled if his/her application for such a benefit were approved; and

(e) any amount of disability income provided by any group or association disability plan to which the disabled employee might belong or subscribe.

The amount by which the disability benefit from this Plan is reduced by other disability income will normally be the amount to which the disabled employee is entitled upon becoming first eligible for such other disability income. Future increases in such other disability income resulting from increases in the Canadian Consumer Price Index or similar indexing arrangements will not further reduce the benefit from this Plan.

Notwithstanding the above, in the case of ICBC Weekly Indemnity payments or, in the case of personal insurance coverage, integration will apply to the extent that the combination of Plan benefits and ICBC Weekly Indemnity payments or, personal insurance disability income benefits exceed either:

- (1) one hundred percent (100%) of basic pay; or
- (2) the applicable benefit percentage of the individual average total monthly income in the twelve (12) month period immediately preceding commencement of the disability, whichever is the greater. Where this provision is to apply the employee will be required to provide satisfactory evidence of his/her total monthly income.

Notwithstanding the above, where an employee makes a successful wage loss claim against a third Party for an injury for which the employee received or would receive LTD benefits, the Employer will be entitled to recover or decrease Plan benefits by an amount equal to the amount that Plan benefits in combination with the wage loss claim paid exceed one hundred percent (100%) of pay, subject to the following:

- (1) The amount of plan benefit recovered or decreased will be reduced limited to the legal fees attributed to the Employer's share based on the same ratio as the Employer's interest in the amount recovered to the total recovery.
- (2) The existence of an action commenced by or on behalf of an employee does not preclude the Employer from joining the employee's action or commencing an action on its own behalf respecting the benefits paid.
- (3) Where the Employer or the employee intends to commence or join such action, they shall advise the other in writing of that intention.

This Section does not apply to a war disability pension paid under an *Act* of the Governments of Canada or other Commonwealth countries.

2.7 Successive Disabilities

If, following a period of total disability with respect to which benefits are paid from this Plan, an employee returns to work on a full-time basis for a continuous period of six (6) months or more, any subsequent total disability suffered by that employee, whether related to the preceding disability or not, shall be considered a new disability and the disabled employee shall be entitled to benefit payments in accordance with the provisions of this Plan.

In the event the period during which such an employee has returned to work is less than six (6) months and the employee again suffers a total disability and that is related to the preceding disability, the

subsequent disability shall be deemed a continuation of the preceding disability, and the disabled employee shall be entitled to benefit payments in accordance with the provisions of this Plan as though he/she had not returned to work.

Should such an employee suffer a subsequent disability that is unrelated to the previous disability and, provided the period during which the employee returned to work is longer than one (1) month, the subsequent disability shall be considered a new disability and the employee shall be entitled to benefit payments in accordance with the provisions of this Plan. If the period during which the employee returned to work is one (1) month or less, the subsequent disability shall be deemed a continuation of the preceding disability and the disabled employee shall be entitled to benefit payments in accordance with the provisions of this Plan.

2.8 Cessation of Plan Coverage

An employee shall cease to be eligible for benefits of this Plan at the earliest of the following dates:

- (a) at the end of the month in which the employee reaches his/her 65th birthday (60th birthday for firefighters and correctional centre employees);
- (b) on the date of commencement of paid absence prior to retirement;
- (c) on the date of termination of employment with the Employer.

Benefits will not be paid when an employee is serving a prison sentence.

Cessation of active employment as a regular employee shall be considered termination of employment except when an employee is on authorized leave of absence with or without pay.

2.9 Leave of Absence

Employees on leave of absence without pay may opt to retain coverage under the Plan and shall pay the full premium, except when on approved Pregnancy Leave. Coverage will be permitted for a period of eighteen (18) months of absence without pay except if the leave is for educational purposes when the maximum period will be extended to two (2) years. If an employee on leave of absence without pay or with partial pay, who has elected coverage under this Plan, becomes disabled, benefits under this Plan will be based upon monthly earnings immediately prior to the current leave of absence.

2.10 Benefits Upon Plan Termination

In the event this Long Term Disability Plan is terminated, the benefit payments shall continue to be paid in accordance with the provisions of this Plan to disabled employees who become disabled while covered by this Plan prior to its termination.

2.11 Contributions

The cost of this Plan will be borne by the Employer.

2.12 Waiver of Contributions

Employee contributions to this Plan shall be waived with respect to disabled employees during the time such an employee is in receipt of disability benefit payments from this Plan.

2.13 Claims

(a) Long Term Disability claims will be adjudicated and paid by a claims-paying agent to be appointed by the Employer. In the event a covered employee disputes the decision of the claims-paying agent regarding a claim for benefits under this Plan, the employee may arrange to have his/her claim reviewed by a Claims Review Committee composed of three (3) medical doctors; one (1) designated by the claimant, one (1) by the Employer, and a third agreed to by the first two. Written notice of a disputed claim or an appeal under this Plan shall be sent to the Plan Administrator.

(b) (i) Written notice of an appeal must be submitted to the Plan Administrator within sixty (60) days from the date the claims-paying agent rejected the claim. Due to extenuating circumstances, the time frame may be extended by the Plan Administrator.

(ii) Where the claims-paying agent denies benefits due to insufficient medical evidence being provided, an employee will have sixty (60) days in which to provide satisfactory medical evidence to support his/her claim.

In such circumstances the sixty (60) day appeal period in (i) above will not commence until the claims paying agent renders its decision based on the medical evidence provided.

Where the employee fails to provide further satisfactory medical evidence within the sixty (60) day period, the claim will be deemed to have been denied and the appeal period in (i) above shall commence.

(c) Written notice of an appeal must be submitted within six (6) months from the date the claims-paying agent rejected the claim. The expenses incurred by a Claims Review Committee will be paid by the Plan.

(d) Where an employee has disputed the decision of the claims-paying agent and is awaiting the outcome of a review or an appeal, the employee will be considered to be on leave of absence without pay during the portion of the waiting period when he/she is not receiving pay or benefit allowance. During the waiting period an employee will continue to be covered by group life, extended health, dental and medical plans.

(e) LTD benefits received will be reduced by the same amount of Guaranteed Available Income for Need (GAIN) benefits received for the same period, except where the GAIN benefits received for that period are repaid to GAIN. Where the employee has been deemed eligible for GAIN benefits which exceed the LTD benefits level, LTD benefits will not be subject to reduction for that additional amount.

2.14 Physical Examination

The Employer, at its own expense, shall have the right and be given the opportunity to have a medical doctor appointed by the Employer examine, as often as it may reasonably require, any employee whose injury, sickness, mental or nervous disorder is the basis of claim upon this Plan.

2.15 Canadian Currency

All monies payable to or from this Plan shall be payable in Canada in Canadian currency.

2.16 Administration

The Employer will be the administrator of the Plan. All questions arising as to the interpretation of this Plan shall be subject to the grievance and arbitration procedures in Articles 8 and 9 of the Collective Agreement.

2.17 Implementation by Regulation

The provisions of this Plan shall become part of a Memorandum of Agreement between the Parties and will be implemented by regulation.

2.18 Benefit Level

Persons receiving benefits shall receive the same increases to their benefit level as do the employees covered by the terms and conditions of this Collective Agreement receive in wage increases.

PART III - REHABILITATION COMMITTEE

In the event that a regular employee becomes incapacitated through accident or sickness and he/she is unable to perform all the duties of his/her own occupation, the following shall apply:

(a) For the purpose of this section, "*incapacity*" shall mean where the employee is unable to perform all the duties of his/her own occupation, as defined under the Long Term Disability Plan outlined in Appendix 2 Part II of this Collective Agreement.

(b) Where the employee meets the definition in (a) above, the Employer shall provide the employee with an application to the Rehabilitation Committee.

(c) The application once completed, shall be returned to the Employer's representative on the Rehabilitation Committee who will provide copies to the Committee members.

(d) The Rehabilitation Committee will, based on the information, coordinate the necessary medical an/or vocational assessments and determine the following:

(1) if the application is properly before the Committee;

(2) based on the assessment, determine whether the employee is immediately capable of performing modified, alternative or rehabilitative employment;

(3) if no to (2) above the Committee may, based on the assessments, implement the necessary training to place the employee in alternative or rehabilitative employment;

(4) In considering modified, alternative or rehabilitative employment, the Committee may provide advice and make recommendations to the Employer to return the incapacitated employee to work considering the following accommodations:

(i) modification of the duties of the employee's job;

(ii) flexibility in scheduling hours of work within existing hours of operation;

(iii) provision of technical and medical aids.

(5) where the employee is considered capable of performing alternative employment or once rehabilitative employment is considered to be successful, and the employee is therefore able to perform the duties of a gainful occupation outside of the Institute, he/she shall be subject to Article 13 - *Layoffs and Recall*, excluding displacement options.

(e) In those cases where a return to their own occupation is unlikely, employees may be referred, by either Party to the Rehabilitation Committee while on STIP. In such cases, Part III (c) and (d) above will apply.

(f) Where an employee has a physical occupational illness or injury, the Employer will, where feasible, accommodate the employee's incapacity so as to avoid a time loss illness or injury. Where a time

loss illness or injury occurs, the compensation payable shall be in accordance with the applicable terms of the Collective Agreement.

(g) Where the Employer has concerns with a recommendation made in accordance with (d)(4) above, the concern will be reviewed with the Rehabilitation Committee.

The following class of employees, under the stated conditions, shall be entitled to the current meal allowance and accommodation reimbursement, or the current private accommodation allowance in lieu of accommodation reimbursement:

- (1) *"stationary"* employees who are required to travel away from their permanent headquarters up to a maximum of sixty (60) days at one (1) location on a continuous basis;
- (2) *"mobile"* employees who are required to travel away from their temporary headquarters, or, who are moving from one assigned temporary headquarters to another, and for a period up to thirty (30) days at the beginning of each assignment to enable them to arrange suitable longer term accommodation;

(4) Notwithstanding any provisions contained in Subsection (c)(1), (2), or (3), travel status will not apply where the Employer decides to provide for or supplies free board and lodging.

(d) *Board and Lodging*

- (2) "mobile" employees assigned to a temporary headquarters;
- (3) "seasonal field" employees assigned to a temporary headquarters.

(e) *Per Diem Living Allowance*

The per diem living allowance is intended to cover only those living costs which are considered over and above normal for those employees whose positions require mobility or require that the employee live in the field thereby making it impractical to establish a relatively permanent residence or reside at their permanent residence.

(1) Where employees would otherwise be entitled to travel status under Subsection (c) or board and lodging supplied under Subsection (d), employees may elect a per diem living allowance in lieu of travel status or board and lodging supplied, in which case employees shall be responsible to find and pay for their own accommodation and make and pay for their own board arrangements; however, where the Employer establishes a camp, employees will be obligated to receive board and lodging using camp facilities at the Employer's option.

(2) The election of the per diem allowance by employees shall not result in greater transportation costs to the Employer than would have resulted if board and lodging was supplied by the Employer.

(3) Where employees are entitled, the per diem living allowance will be effective April 1, 1997: Thirty dollars and fifty cents (\$30.50); effective April 1, 1998: thirty-one dollars and fifty cents (\$31.50) per day for each calendar day in the month. This will be paid via the payroll (subject to income tax) one month in arrears to enable the pay offices to calculate the correct entitlement. This allowance will be paid for the periods employed on the job and will include days of rest, statutory and declared holidays, short term illness and injury absence, approved WCB leave with pay, other approved leave of absence with or without pay for periods up to five (5) days. Without limiting or extending the provisions of this section, the per diem allowances will not be payable during the following periods:

- (i) non-approved unpaid absences from the job including abutting weekends;
- (ii) unpaid WCB leave and unpaid absence due to illness or injury in excess of five (5) days, except that where such conditions occur and the employee remains at the job area, then board and lodgings will be supplied by the Employer, but not beyond the period of hire or twenty (20) days, whichever is the lesser;
- (iii) while on educational leave with or without pay;
- (iv) termination pay for vacation and pre-retirement leave upon retirement;

(v) while employees are away from the job under Clause 13.03 of the Engineering, Technical & Inspectional Component Agreement, Clause 11.03 of the Operational Services Component Agreement, Clause 15.01 of the Administrative Services Component Agreement, and any similar clause under any of the other Component Agreements;

(vi) while employees are moving from one job site to another or from one headquarters to another and on travel status.

(4) Where employees have elected free board and lodging it is understood and agreed that fifty percent (50%) of the per diem living allowance will be payable where the Employer is unable to supply board but lodging is supplied.

(5) Where employees have elected the per diem allowance, it is understood and agreed that, in the following situations, fifty percent (50%) of the per diem allowance will be payable where the employee and the Employer mutually agree that it is necessary to retain employees' accommodation at designated headquarters, and in such cases the Employer's agreement shall not be unreasonably withheld;

(i) where employees are temporarily assigned away from designated headquarters and are on travel status or supplied with free board and lodging;

(ii) where employees are on annual holidays, banked holidays, or compensatory time off with pay; for the purposes of calculating the allowance, holiday, or compensatory time off will be considered to commence on the first working day off the job, and will end the day before the employee's return to work;

(iii) where employees are on leave with pay for Union business.

(iv) where employees are in receipt of STIIP in excess of five (5) consecutive days, on approved WCB leave with pay in excess of five (5) consecutive days or on other approved leaves of absence with or without pay for periods in excess of five (5) consecutive days.

Where the employee and Employer do not find it necessary to retain accommodation at the employee's headquarters under the circumstances outlined in this section, then no per diem allowance is payable.

(6) It is understood that the Employer will advise employees in advance as to what type of board and lodging facilities are or will be made available, and employees will advise in writing if requested, prior to final arrangements being made, whether or not they wish to accept board and lodging supplied or elect the per diem living allowance. The decision reached will remain in effect for the duration of the project, except that changes may be made by mutual agreement.

(7) Where employees have elected the per diem living allowance, it is understood and agreed that the Employer will be required to provide sufficient notice in writing of the termination date of the project to enable employees to avoid possible duplication of accommodation payments. In the event the project terminates earlier than the notice date given, employees shall be entitled, upon production of receipts, to any duplication accommodation costs incurred directly resulting from the insufficient notice. Where the project terminates later than the notice date given, employees shall be entitled, upon production of receipt, to any abnormal increase of costs in accommodation, or any duplication of accommodation costs, directly resulting from extending the termination date of the project. This would not include normal increases in rent that may be experienced during the extended period.

1.02 Moving of Trailers and Household Effects

It is understood and agreed that it is necessary for some *"mobile"*, *"seasonal field"*, and *"stationary"* employees to move from one assignment to another to carry out their normal duties. In these cases, the regular relocation expenses will not apply, instead, the Employer shall be responsible for arranging and paying for the moving of an employee's single wide mobile trailer or home up to the maximum width allowed on the highway with a permit, and one (1) vehicle, and/or household effects.

1.03 Type of Accommodation

It is agreed and understood that where the Employer supplies lodging using community services whenever possible, the employee will be entitled to single accommodation, and the sharing of a room with other employees will not be required except under unusual circumstances, such as where sufficient accommodation is not available. Where employees are sharing accommodation with persons other than employees entitled to lodging, or where an employee chooses to use accommodation in excess of single accommodation, the employee will be responsible for all lodging costs in excess of the single accommodation rate.

1.04 Permanent Camp

Where a *"stationary"* employee's permanent headquarters is at a permanent camp, the employee will be required to pay for board and lodging supplied. The rate will be two hundred and thirty dollars (\$230) per month or proportion thereof for a partial month. Where lodging only is supplied, the rate will be seventy dollars (\$70) per month or two dollars and thirty-five cents (\$2.35) per day. Where board only is supplied, the rate will be one hundred fifty-six dollars (\$156) per month, or five dollars and twenty cents (\$5.20) per day, or one dollar and seventy-five cents (\$1.75) per meal. This regulation, however, will not alter any existing arrangements whereby the employee bids on a posted competition with the proviso that free board and lodging would be supplied at the permanent headquarters.

LETTER OF UNDERSTANDING #8**FISCAL DIVIDEND****THE PARTIES AGREE AS FOLLOWS:**

Having agreed the term of the Collective Agreement to be from July 1, 2006 to June 30, 2010, a Fiscal Dividend Bonus may be paid from a one-time fund (the "*Fund*") generated out of monies, in excess of one hundred and fifty million dollars (\$150,000,000), surplus to the BC government, as defined in the Province's audited financial statements, for the fiscal year 2009-10.

(1) If fiscal dividend funds are determined to be available, a Fiscal Dividend will be paid as soon as is reasonably practicable.

(2) The quantum of the Fund accessible for the parties to this agreement will be based on the Province's audited financial statements as at March 31, 2010. The Fund will be determined as follows:

(i) The calculations will be based on the surplus, as calculated before deduction of any expense associated with the Fiscal Dividend Bonus, achieved in fiscal 2009-10, as published in the audited financial statements for that fiscal year, provided that the surplus is in excess of one hundred and fifty million dollars (\$150,000,000).

(ii) Only final surplus monies in excess of one hundred and fifty million dollars (\$150,000,000) will be part of the Fund, and the total quantum of the Fund for the entire public sector (including all categories of employees) will not exceed three hundred million dollars (\$300,000,000).

(iii) The quantum of the Fund will be constrained by the proportion of the public sector that is eligible to participate in the Fiscal Dividend Bonus i.e., one hundred percent (100%) of the Fund will be available if one hundred percent (100%) of all categories of employees in the public sector under the purview of the Public Sector Employers' Council participate, but if a lesser number participate, a proportionately lesser amount of the Fund will be available.

(iv) Additionally, the Fund will be proportioned among all groups of public sector employees by ratio of group population to total population participating.

1.3 The Fiscal Dividend Bonus will be paid to each member of the bargaining unit who is employed by the institution on March 31, 2010.

1.4 The Fiscal Dividend Bonus shall be a one-time payment paid to each full-time equivalent employee and paid to each part-time employee on a prorated basis. For the purpose of the determination of the amount of the Fiscal Dividend Bonus, a full-time equivalent employee is a regular or non-regular employee who worked on a full-time basis for the period of April 1, 2009 to March 31, 2010. The Fiscal Dividend Bonus for an employee who worked less than full-time over this period shall be prorated for the fraction of full-time work over this period that the employee worked. Time spent by employees on the following leaves shall be considered as time worked for the purpose of calculating the amount of an employee's Fiscal Dividend Bonus:

- maternity or parental
- short-term disability
- long-term disability that commenced between April 1, 2009 to March 31, 2010

1.5 The Fiscal Dividend Bonus shall be paid to employees as soon after March 31, 2010 as is practicable for the institution to determine and pay the Bonus amount to employees.

LETTER OF UNDERSTANDING #9
JOINT EARLY INTERVENTION SYSTEM FOR EMPLOYEES
ON SICK LEAVE OR DISABILITY

The eleven BC Government and Service Employees' Union (BCGEU) and Canadian Union of Public Employees (CUPE) bargaining units and the Post-Secondary Employers' Association (PSEA) Employers participating in the 2006 Support Staff Template Table will establish a Joint Committee to develop and make recommendations on a joint early intervention system for employees who are on sick leave or short-term or long-term disability leave.

The Joint Committee shall consist of four members appointed by the eleven BCGEU and CUPE Template Table bargaining units and four members appointed by PSEA on behalf of the eleven Template Table Employers. The Joint Committee, as required, will seek advice from persons with the appropriate expertise and will consider other Union/Employer joint early intervention systems.

By no later than February 15, 2007, the Joint Committee will issue a final report, including recommendations, to the local parties that participated in the Template Table.

By no later than May 31, 2007, each local party will make its decision on whether it will adopt the Joint Committee's recommendations and will advise the other local party accordingly. For any particular local Employer and Union, the recommendations shall be implemented only if they are adopted by both the local Employer and Union.

Employer savings resulting from the parties' implementation of the joint early intervention system will be used to fund goalsharing compensation payments to employees as recommended by the Joint Committee. The goalsharing plan and payments to employees under the plan are subject to the PSEC criteria and approval process.

LETTER OF UNDERSTANDING #10
INCENTIVE PAYMENT

Each member of the bargaining unit employed by the institution on the eligibility date as specified below shall receive an incentive one-time payment if the unit's Memorandum of Agreement is signed by the Union and the Employer by June 30, 2006.

The eligibility date for the incentive payment is either:

- May 31, 2006 if the parties have ratified their 2006-2010 Collective Agreement by that date, or

For the purpose of the determination of the amount of the incentive payment, a full-time equivalent employee is a regular or non-regular employee who worked on a full-time basis for the twelve (12) month period ending on the incentive eligibility date. The incentive payment for an employee who worked less than full-time over this period shall be prorated for the fraction of full-time work over this period that the employee worked. - maternity or parental
- short-term disability
- long-term disability that commenced within the twelve (12) month period ending on the incentive eligibility date.

The incentive payment shall be paid to employees as soon after the date of ratification as is practicable for the institution to determine and pay the payment amounts to employees. The Employer shall make every reasonable effort to make the incentive payment to employees no later than June 30, 2006.

MEMORANDUM OF AGREEMENT #1**BETWEEN
JUSTICE INSTITUTE OF B.C.
AND
B.C. GOVERNMENT AND SERVICE EMPLOYEES' UNION**

The Parties agree that six (6) Program Planner positions will be transferred to the BCGEU bargaining unit on July 1, 2005 and that the transfer of Lori Bodin, Sue Crosato, Marc Guay, Barbara Hunter, Celia Quigley and Evelyn Wong as incumbents, will be in accordance with the following:

1. The incumbents will have their wages maintained and will receive all future negotiated wage increases provided that they do not voluntarily leave their current positions. A change in the number of hours worked does not constitute a change in position and will not be used to alter the protected wage rate. Current salaries will be converted to an hourly wage.
2. Seniority will be established based on the length of time worked in a bargaining unit position, time worked as a Program Planner will be credited toward bargaining unit seniority.
3. Incumbents will have the option to remain on or enrol in the Fair Comparison benefits plan or transfer to benefits plan provided under the collective agreement.
4. Vacation entitlement will be based on date of hire with the Justice Institute of B.C. Incumbents will maintain their current vacation entitlement until the vacation entitlement provided in the collective agreement exceeds the current entitlement.
5. The salary protection provisions contained in the collective agreement will apply to the wage provision in 1 above.
6. Effective July 1, 2005 the incumbents will be covered by all terms and conditions of collective agreement unless otherwise specified.
7. This agreement will remain in full force and effect provided that the incumbents do not voluntarily leave their positions or terminate employment.
