The Local Union

The CUPE 15 is the bargaining agent for the support staff at Langara College. In addition, the Union represents employees of 18 other employers in the Lower Mainland.

The members (approximately 6,000) of the CUPE Local15 are represented by an Executive Board which carries on the business of the Union between general meetings.

GENERAL MEMBERSHIP MEETINGS

Meetings are held the fourth Wednesday of every month at 6.00 p.m. The purpose of the Local meeting is to keep Members informed on what is happening in the Union. Policies that affect the Local and you as a member are made at these meetings. Special meetings of your Contract group may be held at your request.

Local 15 By-laws

The Local 15 By-laws outline your duty as a Local 15 Member and details the regulations and bylaws that govern Local activities. Any questions on the By-laws can be answered by your Shop Steward or an Executive Member.

Union Staff

The Union employs Staff Representatives, clerical support staff, Job Evaluation Representatives and Building Maintenance Workers. These employees carry out much of the work of the Union at the direction of the membership and Executive Board. The staff are part of an integrated team, attending to problems involving the Union members, providing research information, and assisting in grievances, negotiations and administration of the Collective Agreement.

CUPE

The Canadian Union of Public Employees is Canada's largest union. CUPE represents more than 460,000 workers in a wide range of occupations from coast to coast.

CUPE is a democratic Union in which the members make the decisions and set the policies. At all levels, it is the rank-and-file members who determine by majority vote what the Union does.

The CUPE Constitution accordingly belongs to the members of CUPE. It determines the Union's objectives and how the Union operates. It forms the basis for the functioning of the more than 2,152 CUPE local unions across Canada.

THIS AGREEMENT, effective the first day of **APRIL, 2001**

BETWEEN:

LANGARA COLLEGE, of the City of Vancouver in the Province of
British Columbia

(hereinafter called "the College")

OF THE FIRST PART

AND:

CUPE Local 15, VANCOUVER MUNICIPAL, EDUCATION and
COMMUNITY WORKERS of the City of Vancouver, in the Province
of British Columbia

(hereinafter called "the Union")

OF THE SECOND PART

WHEREAS the College is an employer within the meaning of the Labour Relations

agree each with the other as follows:

I TERMS OF AGREEMENT

This Agreement shall be for a term of **thirty-six (36) months from April 1, 2001 to March 31, 2004**, both dates inclusive.

If no agreement is reached at the expiration of this agreement, this agreement shall remain in force up to the time a strike or lockout commences, or until a new or renewed agreement is entered into.

II SCHEDULES TO GOVERN

Whenever there is conflict between the schedules to this Agreement and the general terms of the Agreement, the provisions of the schedule shall govern.

This provision will not affect the applicable sections of Article XI H (Promotion and Transfer).

9. The College will consider the amount of overtime work and excess workload concerns when creating new positions. (Reference Article XI.M)
10. A temporary position which is established as permanent may, in accordance with Appendix III to this agreement, be established on a term basis by mutual agreement between the College and the Union and shall be posted as provided in this Article.
11. Should the College decide to eliminate or delay in filling vacant positions under the scope of this collective agreement, the College shall provide written advice to the Union, with a copy to the designated steward, within four (4) weeks of the position becoming vacant.
12. Once a position has been posted, the College shall not cancel that posting unless it can demonstrate that circumstances arose after the posting occurred which necessitated the cancellation. The College shall notify the Union in writing of such circumstances. If the Union does not agree with the College's decision, it may initiate a grievance commencing at Step 3 of the grievance procedure.

V RIGHTS OF MANAGEMENT

Any rights of Management which are not specifically mentioned in this Collective Agreement and are not contrary to its intention shall continue in full force and effect for the duration of this Collective Agreement, always provided that such rights shall be exercised in a fair and equitable and non-discriminatory fashion.

IX GRIEVANCE PROCEDURE

Step 4 Binding Arbitration

Single Arbitrator

Should either party decline to accept the referral to, or recommendations of, the investigator then the matter may be referred to a single arbitrator for final and conclusive determination. The single arbitrator shall be chosen from the following list of arbitrators:

Tony Hickling	Stephen Kelleher	Catherine Bruce	David McPhillips
Don Munroe	Vince Ready	Bob Diebolt	Judi Korbin

Additional names may be added by mutual agreement.

The selection of the single arbitrator must be agreed to within seven (7) working days or either party may apply to the Chair of the Labour Relations Board to make such appointment from the preceding list.

The decision of the single arbitrator shall be final and binding and enforceable on all parties. This decision shall be made and transmitted to both parties within twenty-one (21) days from the conclusion of the arbitration hearing.

All costs and expenses incurred by the arbitrator shall be shared on an equal basis.

Arbitration Board

Notwithstanding the foregoing, either party may require that a dispute be heard by a three person arbitration board.

Such option must be communicated to the other party within seven (7) working days of advancement to arbitration.

One member is to be appointed by each of the parties and the appointees shall then choose the chairperson from the preceding list. Failing agreement within seven (7) working days, either party may apply to the Chair of the Labour Relations Board to make the appointment from the list.

The decision of the arbitration board shall be final and binding upon both parties and will be transmitted to both parties within twenty-one (21) working days after the conclusion of the arbitration hearings. Each party shall pay its own expenses and the remuneration and disbursements of its appointee to the board. The parties will share equally the costs of the chair, including expenses.

IX GRIEVANCE PROCEDURE

- B The grievor(s) or the Union shall be responsible for advancing the grievance to each succeeding Step and shall do so by notifying the College in writing, not later than seven (7) working days from receipt of the written response. Only the Union may advance Union or employee grievances to Step 4. The succeeding stage shall commence the day following receipt of such notice. Where notification is to proceed to the arbitration stage, Step 5, the time limit shall be twenty-five (25) working days from the expiration of the previous stage. If such notice is not given, the grievance shall be deemed to be abandoned and all recourse to the grievance procedure shall be at the end. Time limits are intended to result in the prompt resolution of grievances.
- C In the event that the appropriate college representative is unavailable to meet within the time limits prescribed in this Article, the time limits may be extended or the grievance may be elevated to the next step in the procedure.
- Extensions to the time periods in the procedure shall be made only by agreement of the Union and the College.
- D An employee who is reinstated by an Arbitration Board or a single Arbitrator shall be entitled to reinstatement without loss of seniority.
- E Where either the Union or the College disputes the general application, interpretation or alleged violation of an Article of this Agreement, the dispute shall be discussed initially with the Director, Human Resources or the Union **Staff Representative** as the case may be.
- F The grievor(s) and the Shop Steward and Union **Staff Representative** (when involved) shall be entitled to a reasonable period of time in order to prepare for and attend meetings at any step of the grievance procedure and shall not suffer loss of pay by virtue of such attendance, provided that they are in receipt of pay at the time. Scheduling of such time will be arranged with appropriate supervisor(s), who will take into consideration the needs of the department. The grievor and Shop Steward will normally advise their immediate supervisor prior to leaving their workstation to prepare for and attend grievance meetings.
- G Where an employee grieves failure to be appointed to a posted vacancy, the written reasons for the non-promotion will be provided by the College at Step 2 of the grievance procedure.
- Job selection grievances will be submitted to, and discussed with, the Administrator or delegate responsible for filling the vacancies.
- H Grievances involving dismissal, lengthy suspension, job selection, benefits or payroll related matters may be referred directly to Step 3 of the grievance procedure, within the time limits prescribed in Step 2 of the grievance procedure.
- I In order to facilitate operation of this Article, the Union will provide the College with a list of current Shop Stewards.

X POSITION EVALUATION

A The Position Evaluation System

Position evaluation shall be governed by the procedures and definitions set out in the Langara College/CUPE Local 15, V.M.E.C.W., Gender Neutral Position Evaluation Plan ("The Plan").

B Position Evaluation Requests

1. A request for position evaluation may originate with the employee, the Union, or the employer. Such requests, detailing the reasons why a change is deemed to be necessary, must be made in writing to the Director, Human Resources on a position description questionnaire provided for the purpose. Copies of all requests for position review submitted by the employee shall be provided to the Union.
2. Except (1) by mutual agreement of the Union and the College, or (2) where a significant change in the position can be demonstrated, a request for position evaluation from any source may be rejected by either the Union or the College if the position has been reviewed and dealt with during the past two (2) year period immediately prior to the date of the request. Should the parties fail to agree on the status of any such request, the matter may be referred for a decision to the arbitrator as provided in point D.3. hereunder.
3. All requests for a position evaluation shall be dealt with and the employee and the Union shall be provided with the review results in writing within two (2) months from the date of application. The notification shall contain all applicable data used in applying the Plan.

C Position Evaluation Terms of Reference

1. Position evaluations will be carried out within the following terms of reference:
 - a. In evaluating a position, comparison is limited to the factors, degrees and definitions contained within the Plan.
 - b. Whether or not the various factors of the position and its accrued points fall substantially within the Category in which it is located.
 - c. Whether or not the duties, responsibilities or other aspects of the position have changed sufficiently to warrant a new or revised Category.

X POSITION EVALUATION

- d. Whether or not the rate of pay recommended for a new or revised Category is proper and bears a realistic and acceptable relationship when compared to other positions of equal value within Langara College.
- e.
 - i) For those positions for which the College and/or the Union find that the factors or factor degrees of the Plan do not recognize or acknowledge the unique characteristics or circumstances of a new position or a significantly changed position having unique characteristics or circumstances, the parties will meet to discuss the creation of an anomaly.
 - ii) In such circumstances an external salary review will be conducted. This extraordinary salary review will be limited to rates of pay currently valid within colleges and institutes in the lower mainland, or where no valid comparisons exist, with rates of pay currently valid within the public sector of British Columbia.
 - iii) Requests for the creation of anomalies and the related external salary review may be initiated by the Union or College and are limited to no more than two percent (2%) of employees or individual positions within the bargaining unit in any calendar year.
 - iv) Should the parties fail to agree on a rate of pay for the anomalous position, the matter shall, within fifteen (15) working days, be discussed informally between the Director , Human Resources and the Union Business Manager, or their respective delegates, and an effort made to resolve the matter. This step shall not exceed fifteen (15) working days.
 - v) If agreement is not achieved, the matter of rates may be referred, within thirty (30) working days to Dalton Larson or a substitute agreed by the parties, for final and binding determination.
 - vi) Such adjustments shall be recognized as special anomalies and would not allow for/become grounds for appeal by either party for other positions or position categories.
- f. If as a result of a position review, any change is to be made, such change shall be effective the first day of the bi-weekly pay period closest to the date of receipt of the **completed PDQ by the employee's Supervisor.**
- g. Upon such a change to a higher Category, the salary of the employee shall be in the same relative position on the new scale as it was on the old one, without change of increment date.
- h. An employee in a position which is downgraded as a result of a position review, shall have their salary protected at the original pay grade and will continue to

X POSITION EVALUATION

receive annual increments (as applicable) and any general wage increase. Anyone subsequently hired into the position will be hired at the new applicable pay grade.

D Re-examination Process

1. Within sixty (60) calendar days of receiving the results of the position review, the Union may request a re-examination of the review by designated Employee Representative(s) with the party who has evaluated the position. Following the re-examination, the College Representative will make recommendation to the Director, Human Resources who will then convey a written decision in the matter to the Union. Such reconsideration, recommendation and decision process shall be completed within fifteen (15) working days.

Normally at least three (3) days prior to the re-examination meeting, the Union will indicate in writing the nature of its disagreement, including rating factors apparently in dispute. This will not limit issues that the Union may subsequently raise.

2. In the event the Union is dissatisfied with the decision rendered in D.1. above, the matter may be referred, within fifteen (15) working days of the receipt of said decision, to the Director, Human Resources and the Business Manager of the Union, or their delegates, who shall endeavour to settle it. This step will not exceed fifteen (15) working days.
3. If agreement is not achieved, the matter may be referred, within thirty (30) working days of the expiration of D.2. above, to Dalton Larson or a substitute agreed by the parties for final and binding determination.
4. The Union shall be responsible for advancing the matter to each succeeding step of the procedure and shall do so by notifying the College in writing within the time limits prescribed. If such notice is not given, the matter shall be deemed to be abandoned and all future recourse under this collective agreement shall be at an end.
The time constraints in this Article may be extended by mutual agreement. Such extensions, however, must be supported by serious argument and either party has the right to refuse an extension of time.

E Joint Job Evaluation Committee

A committee of Union and College representatives will oversee the Position Evaluation System. The committee may recommend changes in procedures or terms of reference and, once ratified by both the College and the Union, such changes will form part of the Collective Agreement.

The committee will establish its own procedures and will be comprised of not more than three Union representatives and three College representatives. At the initiative of either party, others, with expertise or experience in this area, may attend committee meetings as a resource.

The committee may depart from the terms of the Letter of Understanding on Gender Neutral Position Evaluation System by mutual agreement.

B Days of Work

Employees shall work a five-day week, except as otherwise provided in this Agreement. If employees can demonstrate hardship due to long term changes to current days of work, the parties will meet to discuss other options. If all other options are unworkable, the College will attempt to accommodate employees' needs through transfer or other mutually agreeable means which may include layoff.

C Hours of Work

1. The normal hours of work for employees covered by this Agreement shall be seven (7) hours per day. Each employee shall be entitled to a meal period of not less than thirty (30) minutes and not more than one (1) hour; such meal period shall not be included as part of the hours worked. In addition each employee shall be entitled to two fifteen (15) minute rest periods, one during the work period prior to the meal break and one during the work period after the meal break which shall be included as part of the hours worked.

The time when the meal period and rest period are taken shall be approved by the supervisor. The length of time between the starting and quitting times in a normal working day shall not exceed eight (8) hours. Except for an emergency, an employee shall have at least ten (10) clear hours free from work, exclusive of overtime hours, between the end of one shift and the commencement of the next shift. Overtime will apply to any hours worked during the above ten-hour period.

2. Approval of the parties is required for any work week in excess of thirty-five (35) hours per week with the exception of those referenced in Schedule A (Pay Grade). Such approval shall not be unreasonably withheld. In the event that agreement to increase the normal work week cannot be reached, the matter may be referred to the Grievance Procedure commencing at Step 3.
3. If employees can demonstrate hardship due to long term changes to current hours of work and shifts, the parties will meet to discuss other options. If all other options are unworkable, the College will attempt to accommodate employees' needs through transfer or other mutually agreeable means which may include layoff.

XI WORKING CONDITIONS

D Shift Work

1. Except in extraordinary circumstances, the College shall give a minimum of ten (10) working days' notice of a change in shift, unless the change results in the employee working hours that entitle the employee to an overtime wage. All changes of shift shall be discussed with the employee prior to the giving of notice. If the proposed shift change would result in hardship for the employee concerned, the College will endeavour to accommodate the employee's needs through transfer or other mutually agreeable means.
2. Any employee covered by this Agreement who is required to work a shift with a portion of the regular hours outside the normal span shall be paid a pay differential for the total regular hours on such days as follows:
 - a. if the shift commences at 6:00 a.m. or earlier or ends at 7:00 p.m. or later – five percent (5%); or

 - a. An employee shall be paid at one and one-half (1 1/2) times the employee's regular rate of pay for the first four (4) hours worked in excess of their normal hours of work in any normal work week. All overtime worked by an employee in excess of four (4) hours in any normal work week shall be paid at double the employee's regular rate of pay; except that:

XI WORKING CONDITIONS

- b. An employee shall be paid double their regular rate of pay for all time worked on scheduled rest days.
 - c. An employee authorized to work on a general holiday shall be paid at double time in addition to regular pay.
 - d. Regardless of the normal hours of work of an employee, the foregoing overtime provisions shall only be applicable to hours in excess of the full-time equivalent daily and weekly hours of each classification.
- 2. A temporary employee is entitled to the foregoing overtime benefits on the same basis as a full-time permanent employee in the same classification.
 - 3. An employee who elects to receive compensating time off in lieu of being paid for overtime shall be given compensating time off equivalent to the number of hours for which payment would have been made for the overtime so worked as provided in clause 1. Such time off shall be taken at a time mutually agreed upon between the employee and their department head. If an employee does not receive all compensating time off by August 31 of the year next following the year in which they worked the overtime entitling such compensating time off, or prior to leaving the service of the College for any reason (whichever event occurs first), the employee shall be paid in cash for the overtime for which no compensation was received.
 - 4. All overtime worked must be authorized by the President of the College or delegate.
 - 5. Notwithstanding clause 2 above, a temporary employee filling a position normally occupied by a permanent part-time employee shall be entitled to overtime based on the normal hours of work of the employee who regularly occupies the position.

F Overtime - Meal Periods and Allowances

- 1. Where employees work overtime of less than two (2) hours beyond their regular full-time shift, an unpaid meal period of up to one-half (1/2) hour may be taken, at the employee's option.
- 2. An employee will be paid for a one-half (1/2) hour meal period at the prevailing overtime rates, and the College will provide a meal or reimburse the employee for reasonable meal expenses incurred up to a maximum of \$8.00 in the following circumstances:
 - a. when the overtime is worked immediately before or immediately following the employee's shift on a regular day of work and is two hours or longer, exclusive of any meal period;
 - b. where an employee works four (4) hours overtime at any other time, unless the employee has been notified on the previous working day of the need to work overtime.

XI WORKING CONDITIONS

3. Where an employee misses a paid meal period to which the employee is entitled, the employee shall nevertheless be paid at the prevailing rate for such missed meal period in addition to all time worked and shall be entitled to reimbursement for meal expenses in accordance with 2. above.

G Minimum Daily Pay

An employee, reporting for work at the call of the College, shall be entitled to their regular wage for the entire period spent at the place of work, with a minimum of four (4) hours' pay, for each call-out, unless the employee is unfit to perform their duties or has failed to comply with the Occupational Health and Safety Regulations of the Workers' Compensation Board.

In the event work is suspended because of inclement weather or other reason completely beyond the control of the College, the employee shall receive a minimum of two (2) hours' pay at their regular wage. Where the employee is a Student Aide reporting for work at the call of the College on a day when the student has scheduled instructional activity, the minimum pay for each call out shall be two (2) hours' pay.

H Promotion or Transfer

1. On promotion or transfer to another position, a permanent employee shall serve a three (3) month trial period in the new position before the appointment is confirmed. If the appointment is not confirmed the employee, without loss of seniority, shall revert to their former position or in the event such former position no longer exists, may be assigned to a position of equal value for which they are qualified. Employees may opt to go back to their previous position, during the trial period as long as the previous position has not been filled. (see Appendix XV)
2. In filling job vacancies pursuant to Article IV of this agreement, first consideration shall be given to qualified internal applicants. If no qualified internal candidates apply, the College shall then consider qualified outside applicants. (For former temporary employees see Article III 7 g.)
3. An internal applicant who was not deemed qualified has recourse to the grievance procedure and the "onus at arbitration" is on the Union to show that the internal applicant is qualified to perform the job.
4. Unless the ability to perform the job by an employee with less seniority is superior, seniority shall be the determining factor. For the purpose of filling vacancies, length of service for temporary employees will be considered as equivalent to seniority for permanent employees.
5. The "onus at arbitration" is on the College to establish the superiority of a less senior applicant selected.

XI WORKING CONDITIONS

6. No grievance will be pursued or allowed on behalf of an employee junior to the one appointed to a vacancy.
7. Student Aides are not considered to have internal status for the purposes of this Article.
8. An employee who has not been appointed to a posted vacancy, may informally discuss the reason(s) for the non-selection with the Administrator or delegate responsible for filling the vacancy.

Should a grievance be filed, it will commence at Step 2 or 3. (See Articles IX A. and G.)

9. The College will notify, in writing, each internal applicant of the status of their application for transfer or promotion.
10. When an employee who has received layoff notice applies on a posting for a position which they would be entitled to bump into, they may exercise such rights for the vacancy provided they possess the ability to perform the work currently required of the position.
11. When a position requires an employee to have certification in First Aid, Fire Abatement, WHMIS or CPR, the employee will be given ninety (90) days to acquire the certification. This provision will not apply when the College is legally required to comply continuously with a legal requirement.
12. The College is committed to career development of its' employees. In this spirit, the College will provide reasonable training and upgrading to deal with specific technology for College positions.

NOTE: For Acting in Senior Capacity, see Article XIII D.3

I Temporary Positions

1. Where a temporary position becomes permanent and the incumbent is selected for continued appointment thereto, the first three (3) or six (6) months' (as applicable) service in said position shall be considered as the trial or probationary period.
2. Should a permanent employee be appointed to fill a temporary position, they shall, when such temporary work is completed, return to their former position without loss of seniority in such position, and any other employee who may have received promotion as a result of the temporary arrangement of positions in the department shall automatically revert to their former position.
3. Any person appointed to fill a posted temporary vacancy, and who is eligible for permanent appointment, shall be considered in a temporary capacity until the completion of six (6) months' service after which period, if such person continues in the same position on a permanent basis, seniority, holiday benefits, and any other benefits

XI WORKING CONDITIONS

Temporary employees who have been appointed in accordance with Article XI H will have the right of first refusal to all extensions and subsequent temporary vacancies in the posted position, providing their performance has been satisfactory. Re-appointment will also apply to any temporary work which may occur on a day-to-day basis.

The right of first refusal will be in effect for a period of three months from the expiry of their last appointment in the position.

The employee will keep the Human Resources Department advised of their availability on a bi-weekly basis.

Refusal of a re-appointment offer, without reasonable grounds, will result in the loss of this benefit for the position offered.

K Uniforms, Gloves, Aprons and Boots

Uniforms, gloves, aprons and boots shall be provided by the College for all employees authorized by the College to wear such. The College shall supply, launder and repair such items without added cost to the employee. Such items shall be the property of the College and on terminating their services with the College, employees shall return them. If they are not returned by the date of termination of employment, the value of such items shall be deducted from the employee's terminal pay.

L Workload

The employer agrees that except in extraordinary circumstances, an employee's normal work load will not be increased as a result of another position being temporarily vacant due to illness, vacation or leaves of absence.

When an employee is absent from work, another employee may be required to carry out some of the duties of the absent employee. In this event, priorities shall be established to accommodate the work to be performed.

This clause is not intended to supersede Article XIII D. Acting in Senior Capacity.

M Excessive Workload (Reference Article IV.9.)

XI WORKING CONDITIONS

The College is committed to providing employees with a humane and supportive workplace. Issues surrounding workloads will be dealt with by the College in that spirit.

For the purpose of preparing for and attending meetings, and involvement of shop steward(s), the provisions of Article IX E. shall apply.

Any employee or group of employees who have a concern about their workload may consult with their immediate supervisor or Administrator to review priorities and explore other strategies to resolve the workload problem.

If the concern is not resolved, the employee(s) may refer the issue to the Director, Human Resources or delegate who will investigate the matter and recommend solutions.

2. Union Representatives

The College agrees that permission shall be granted to Shop Stewards, members of the Executive Board, the Negotiating Committee of the Union and members of joint College/Union committees to leave their employment temporarily in order to carry on negotiations with the College, attend any joint meeting or with respect to a grievance, and they shall suffer no loss of pay for the time so expended.

Members and meetings of the:	College Board
	Langara Council
	Education Council
	Search Committees

and any other committee for which the Union is entitled or invited to provide member(s) will be covered by this provision.

XV ABSENCE FROM DUTY

3. Elected Office

An employee elected to full-time Union office will be granted leave of absence without pay and will continue to accumulate service for vacation entitlement and seniority and any other benefit referable to length of service.

4. Employee Orientation

Where operational requirements permit, the shop steward will be given reasonable time off with pay for the purpose of acquainting each new employee of the benefits and obligations of Union membership.

5. On-site Union Meetings

The College shall, where possible, accommodate on-site Union meetings at the request of a representative of the Union, it being understood and agreed that the scheduling and duration of such meetings shall not interfere with the necessary operation of the College.

6. Ratification Meetings

The College will ensure that all members of the Union (regardless of shift) are able to attend ratification meetings, without loss of pay, provided a minimum of forty-eight (48) hours' notice is given, in writing, to the Director, Human Resources. (See Letter of Understanding - Appendix XIII)

7. Union Job Evaluation Representatives

Union Job Evaluation Representatives will be granted leave of absence with pay to attend to their responsibilities.

XVI TECHNOLOGICAL CHANGE

"Technological change" means:

- a. the introduction by the employer of a change in the work, undertaking or business, or a change in the equipment or material from the equipment or material previously used by the employer in the work, undertaking or business; or
- b. a change in the manner an employer carries on their work, undertaking or business related to the introduction of that equipment or material.

XVI TECHNOLOGICAL CHANGE

A Where the College during the term of this agreement introduces, or intends to introduce, technological change that significantly affects members of the bargaining unit, including the elimination of bargaining unit positions, the matter will be dealt with in the following manner:

1. Notice

The College shall give to the Union in writing at least ninety (90) days' notice of the intended technological change including a detailed description of the change and its potential effect on members of the bargaining unit. The detailed description shall include the nature of the change; proposed implementation date; approximate number, type and location of affected employees; the effect on working conditions and terms of employment and the impact on health and safety.

2. Discussion

Where the College has notified the Union of the intended technological change, the parties undertake to meet within the next thirty (30) days to discuss potential problems and attempt to reach agreement which will minimize the impact of such technological change on employees affected thereby.

3. Resulting Agreements

Agreements reached during discussions between the parties shall be set out in a memorandum of agreement which shall have the same force and effect as the provisions of this Collective Agreement.

4. Notice to Employees

Members of the bargaining unit potentially affected by the intended technological change shall be notified of the impending change and advised of any agreements reached as heretofore provided.

5. Dispute Resolution

In the event the foregoing procedure does not produce agreement, either party may refer the matter directly to an arbitration board pursuant to Article IX of this Collective Agreement, by-passing all other steps in the grievance procedure.

B The arbitration board shall decide whether or not the College has introduced or intends to introduce a technological change and, upon deciding that the College has or intends to introduce a technological change, the arbitration board:

B 1. shall inform the Director, Collective Agreement Arbitration Bureau of its findings;

XVI TECHNOLOGICAL CHANGE

- and
2. may then or later make any one or more of the following orders:
 - a. that the change be made in accordance with the terms of the Collective Agreement unless the change alters significantly the basis upon which the Collective Agreement was negotiated;
 - b. that the College will not proceed with the technological change for such period, not exceeding ninety (90) days, as the arbitration board considers appropriate;
 - c. that the College reinstate any employee displaced by reason of the technological change;
 - d. that the College pay to the employee such compensation in respect of the employee's displacement as the arbitration board considers reasonable;
 - e. that the matter be referred to the Labour Relations Board (under Section 98 of the *Labour Relations Code* of British Columbia).

C Retraining

Notwithstanding the provisions of Clause A hereof, existing permanent and probationary employees whose positions are affected by technological change shall have immediate access to such training that may be required to carry out the duties of their positions or such new positions created by the technological change to replace their current positions. Where a position has been entirely eliminated by technological change, the permanent and probationary employees affected shall have immediate access to such training as is necessary to provide the skills required to assume the duties of another position.

Retraining shall be at the expense of the College and normally be conducted during an employee's regular shift. Should it become necessary, in order to accommodate such training, to temporarily change an employee's regular shift, the employee shall be given a minimum of ten (10) days' notice.

A permanent employee assuming a position in a lower paygrade shall have their then current salary protected and shall receive increments and general wage increases as they occur. Should a permanent employee assume a less than full-time position, their salary shall be on a pro-rata basis. Employees who decline retraining or cannot successfully complete the retraining necessitated by technological change shall be subject to the provisions of Article XVII.

XVII LAYOFF AND RECALL

(See Appendix VIII)

Should the College decide to reduce staff or to eliminate a position(s) within the jurisdiction of this Collective Agreement, the Union shall be so advised and, prior to any action being taken, consultation with the Union shall promptly take place in an endeavour to minimize the impact of such action on the affected employee(s). The College will bring to the attention of the Union any special considerations which may have an impact on the process.

A Layoff

1. a. Should the employee in the affected position be a permanent employee, they shall have the right to displace another permanent employee in accordance with their seniority in the bargaining group, in a position for which the affected employee possesses the ability to perform the work currently required of the position. Should no such permanent position be available, a permanent employee shall have the right to displace a probationary or temporary employee in that order, provided they possess the ability to perform the work currently required of the position.

Where a permanent employee elects to displace another employee with less service seniority, they shall endeavour to notify the employer as soon as possible but, in any event, not later than five (5) working days prior to the expiration of their notice period.

- b. During their notice period, an employee subject to layoff may retroactively apply for a posted vacancy which had closed prior to the date they received notice of lay off, provided the position had not been filled. If the employee is appointed, their salary will be protected in accordance with Article XVII A.1.c.
- c. A permanent employee, assuming a position in a lower paygrade, shall have their then current salary protected and shall receive increments and general wage increases as they occur. Should a permanent employee assume a less than full-time position, their salary shall be on a pro-rata basis.

Salary protection will continue to apply to an employee who has bumped and who is subsequently appointed via posting to another position at a pay grade that is equal to or higher than the position bumped into.

- d. Should a permanent employee displace a probationary or temporary employee, the employee will, in all respects, continue to be a permanent employee.

XVII LAYOFF AND RECALL

- e. The College shall make available to the permanent employee, compensation on termination in addition to required notice or pay in lieu thereof and inform the employee of the right to consult with the union prior to accepting compensation on termination. Employees, upon accepting such compensation shall forego all rights to displace and all recall rights under this Clause. Should such compensation not be accepted, recall rights shall be preserved.

Entitlement to compensation on termination shall be on the following basis:

- | | | |
|------|--|-----------------------------|
| i) | Less than two (2) years continuous service as a permanent employee | one (1) month's pay |
| ii) | Two (2) years or more but less than four (4) years continuous service as a permanent employee | two (2) months' pay |
| iii) | Four (4) years or more but less than six (6) years continuous service as a permanent employee | three (3) months' pay |
| iv) | Six (6) years or more but less than eight (8) years continuous service as a permanent employee | four (4) months' pay |
| v) | Eight (8) years or more but less than ten (10) years continuous service as a permanent employee | five (5) months' pay |
| vi) | Ten (10) years or more, but less than sixteen (16) years continuous service as a permanent employee | six (6) months' pay |
| vii) | Sixteen (16) or more years continuous service as a permanent employee | seven (7) months pay |
2. a. Should the employee in the affected position be a probationary employee, they shall have the right to displace another probationary employee with less full-time equivalent service with the College, in a position for which the affected employee possesses the ability to perform the work currently required of the position. Should no such position be available, a probationary employee shall have the right to displace a temporary employee, provided they possess the ability to perform the work currently required of the position.
- b. If a probationary employee, who has completed less than three months of his/her probationary period, displaces another probationary or temporary employee he/she shall be required to complete a full probationary period in the new position.

XVII LAYOFF AND RECALL

If a probationary employee, who has received a less than satisfactory interim probationary review, displaces another probationary or temporary employee, he/she shall be required to complete a full probationary period in the new position.

If a probationary employee, who has completed three months, or more, of his/her probationary period and has received a satisfactory interim probationary review, displaces another probationary or temporary employee, he/she shall continue to be a probationary employee until the satisfactory completion of the probationary period calculated from his/her original start date.

3. Should the employee in the affected position be a temporary employee, they shall have the right to displace another temporary employee with less full-time equivalent service with the College, in a position for which the affected employee possesses the ability to perform the work currently required of the position.
4. Employees displaced in accordance with the foregoing shall be subject to the same conditions as set out above.
5. An employee not appointed to another position in accordance with the foregoing shall be laid off and shall be entitled to notice or pay in lieu thereof on the following basis:
 - a. Temporary employee - two (2) weeks notice upon the completion of at least six (6) consecutive months of employment and after the completion of three (3) consecutive years of employment, one (1) additional week's notice and for each subsequent completed year of employment, an additional one (1) week's notice up to a maximum of eight (8) weeks notice.
 - b. Probationary employee - two (2) weeks notice upon the completion of at least six (6) consecutive months of employment.
 - c. Permanent employee - a minimum of one (1) month's notice and, after the completion of five (5) consecutive years of employment, two (2) months notice.

B Trial/Familiarization Period

An employee assuming another position in accordance with the provisions of this Article shall do so initially for a trial period of three (3) months.

The three-month duration may be varied in specific instances by mutual agreement of the Union and the College. During the trial period, the employee's performance will be appraised and, if the trial period is not satisfactorily completed, or if the employee so requests, the foregoing Section A. of this Article shall once again apply, provided however, if the College can demonstrate that the employee has not diligently applied themselves to the best of their ability in the performance of their duties, then the re-application of Section A. shall not apply.

XVII LAYOFF AND RECALL

C Re-created Positions

1. Where an abolished position is re-created or should a position become available as a result of B. above, it shall be posted and permanent employees who have been laid off or otherwise displaced from the same classification and who make application therefore, shall be entitled to assume the vacant position on the basis of seniority and provided they possess the ability to perform the work currently required of the position. Should the vacant position not be filled in this manner, the normal selection appointment process will be followed.
2. Where a position from which an employee has been bumped becomes available within three (3) years of the employee being displaced, it shall be posted and permanent employees who have been laid off or otherwise displaced from the same classification and who make application shall be entitled to assume the position as outlined in (1) above.
3. When a temporary position/vacancy becomes available, employee rights for consideration under this clause shall be limited to the duration of the temporary position/vacancy or three (3) years, whichever is less.

D Recall

1. Except as provided in C. above, should work or a vacancy become available, permanent employees who have been laid off for a period of twelve (12) consecutive months or less are subject to recall and shall be recalled in the order of their seniority, provided they have the ability to perform the work made available to them. Where all permanent employees have had the opportunity of recall, probationary employees who have been laid off for a period of twelve (12) consecutive months or less shall be recalled in the order of their length of service, provided they have the ability to perform the work made available to them.
2. The College shall give notice of recall by registered mail to the employee, who must report to work within seven (7) working days of receipt thereof or forfeit any future rights to recall, unless, on reasonable grounds, they are unable to report for work at that time or the position available is at a lower paygrade than that occupied at the time of layoff.

XVIII GENERAL PROVISIONS

A Seniority

1. For the purposes of this Collective Agreement, there shall be no seniority acquired by an employee until appointment to the permanent staff. Upon such appointment, the seniority of the employee shall be based upon length of service within the bargaining unit.
2. Seniority for part-time permanent employees shall be based on total accumulated hours.
3. Having acquired seniority in accordance with the provisions of Clause 1 hereof, the employee's seniority shall not cease because of:
 - i) sickness;
 - ii) accident;
 - iii) vacation;
 - iv) approved leave of absence;
 - v) layoff of less than twelve (12) months.
4. The employee's seniority shall cease, however, if the employee:
 - a. voluntarily leaves the service of the College;
 - b. is discharged for cause;
 - c. after layoff, fails to report for work within seven (7) working days after notification to the address on record with the College unless on reasonable grounds they are unable to report for work at the time or the position available is at a lower paygrade than that occupied at the time of layoff.
5. Seniority shall be applied in determining preference for vacations, acting in senior capacity, right of first refusal for available overtime and access to preferred shifts (except as otherwise provided in this Agreement), taking into consideration the commitment of the College, the needs of the department and the desires of the individual.

B Re-appointment

An employee who is re-appointed on a permanent (including probationary) basis within fifteen (15) months of their departure from a position within the scope of this Agreement will be credited with:

- a. length of service for benefit, increment and vacation entitlement;
- b. sick and gratuity leave credits; and
- c. seniority

that they had accumulated prior to termination.

XVIII GENERAL PROVISIONS

Employees re-appointed on a temporary basis within fifteen (15) months will be credited with accumulated length of service as applicable under their current status, including increments.

C Occupational Health and Safety

1. The Union and the College agree that regulations made pursuant to the *Workers' Compensation Act*, or any other statute of the Province of British Columbia or the Government of Canada pertaining to the working environment, shall be fully complied with. First Aid kits shall be supplied in accordance with this section.
2. The College shall maintain an Occupational Health & Safety Committee at the College in keeping with the Occupational Industrial Health & Safety Regulations of the Workers' Compensation Board and ensure such Committee carries out all duties and responsibilities in accordance with this section.
3. There shall be no less than two employees of the College appointed by the Union on said Committee.
4. All Union-appointed Representatives engaged in health and safety responsibilities shall be compensated at their regular rates of pay while involved in safety and health inspections, analysis, meetings or related activities.
5. The Committee shall have the right to inspect health and safety conditions without restraints and to consult as may be necessary with persons who are professionally or technically qualified to advise the Committee on such matters within the rules and regulations governing the College as a Public Sector employer.
6. The Committee has the right to review employer records considered relevant to health and safety concerns exclusive of medical files.
7. The College undertakes to correct any working conditions and environments that are not safe and healthful in the view of the Workers' Compensation Board Inspector, or the Health & Safety Committee.
8. The Occupational Health & Safety Committee shall be notified of each accident and injury and shall investigate and report in writing on the nature and cause of the accident involving employees.
9. Both the Union and the College shall receive copies of any minutes, reports or correspondence pertaining to the Health and Safety Committee or its operation.
10. Wherever possible, the College will provide advance notice to employees of construction, renovation or maintenance that may affect their immediate work area. Employees who have any concerns regarding such activity should contact the Coordinator of Health and Safety and/or a member of the Health and Safety Committee.

XVIII GENERAL PROVISIONS

11. An employee shall not be disciplined for refusing to perform assigned work when that employee has reasonable cause to believe that to do the assigned work may be a danger to the health or safety of the employee or anyone at or near the workplace. In this event, the employee shall report the situation to their immediate supervisor or employer. The situation shall then be investigated and, if possible, resolved by:
 - a. the supervisor and the employee concerned;
 - b. if not resolved, by the Health and Safety Committee;
 - c. if still not resolved, by a relevant inspector.

D First Aid Education

Where an employee is required by the College to possess a First Aid Certificate, the College shall provide the time and pay the expenses involved in upgrading or maintaining the required Certificate.

E College Course Registration

1. By application to the appropriate Administrator, employees may register in courses offered by Langara College provided that their attendance will not displace a fee-paying student or result in additional costs. Tuition fees related to such registration will be waived with the concurrence of the appropriate Administrator or the Dean of Continuing Studies. Where an employee is denied access to a career related course under this Article, they shall be assured admission under F below upon application to the President, or delegate.
2. Should re-scheduling of duty to accommodate attendance at such courses be required, prior approval of the appropriate Administrator is required. Should absence from duty to accommodate attendance at such courses be necessary, approval is required in accordance with Article XV F, "Leave for Personal Reasons." (Also see Educational Leave.)

This clause shall not be applied to those employees whose association with the College is for the purpose of education.

F Career Development

The College supports the development of employees in their careers.

XVIII GENERAL PROVISIONS

F Career Development (cont/-)

With the prior approval of the President of the College or delegate, employees may attend courses, seminars or workshops related to their particular duties and responsibilities and career aspirations within the College. The College shall pay one-half (1/2) of the fees at the time of registration and the employee shall pay the other half. Upon submission of fee receipts and proof of satisfactory completion, the employee shall be reimbursed for the fees they have paid.

In the case of permanent regular employees, the employees will be provided with, or the College may assign up to five (5) days per year of courses, workshops or seminars related to the employee's particular duties and responsibilities. The College may provide time in excess of five (5) days per year for such activity. The relationship of the course, seminar or workshop to particular duties and responsibilities shall be approved by the President or delegate. Scheduling of such time for course, workshop or seminar attendance shall take into consideration the commitment of the College, the needs of the department and the desires of the individual.

This clause shall not be applied to those employees whose association with the College is for the purpose of education.

G Contracting Out (Also see Letter of Understanding - Contracting Out - Appendix XIX)

It is not the intention of the College to make a practice of contracting out work that would result in the layoff of permanent employees.

Should such a layoff due to contracting out be contemplated by the College in the future, the College undertakes to:

- fully inform the Union of the circumstances;
- consult with the Union with the goal of identifying ways in which such layoffs may be avoided.

Where a position has been entirely eliminated because the College has decided to proceed with the contemplated contracting out, the permanent employees affected shall have immediate access to such retraining as is necessary to provide the skills required to assume the duties of another position.

A permanent employee assuming a position in a lower paygrade shall have their then current salary protected and shall receive increments and general wage increases as they occur. Should a permanent employee assume a less than full-time position, their salary shall be on a pro-rata basis.

Employees who decline retraining or cannot successfully complete the retraining necessitated by contracting out shall be subject to the provisions of Article XVII.

XVIII GENERAL PROVISIONS

H Policies

In the event that there is a conflict between the contents of this Agreement and any regulation made by the College, this Agreement shall take precedence over the said regulations.

I General Changes

The College agrees that any reports or recommendations about to be made to the College dealing with matters covered by this Agreement, including recommendations for changes in method of operation that may affect wage rates, work loads or reduction of employment, will be made known to the Union at such intervals before they are dealt with by the College as to afford the Union reasonable opportunity to consider them and to make representations to the College concerning them and further, that if employees are deprived of employment by any implementation of such change, they shall receive priority consideration for other employment with the College provided they have the required qualifications.

J Present Conditions and Benefits

Any working conditions and welfare benefits, or other conditions of employment at present in force which are not specifically mentioned in this Agreement and are not contrary to its intention, shall continue in full force and effect for the duration of this Agreement.

K Information

The College will continue to make every reasonable effort to provide the Union with information on request.

L Copy of Agreement

A copy of this agreement shall be provided to every current and new employee.

M Consultations

Where consultation is not otherwise covered in this agreement, the College and the Union agree to engage in meaningful consultation, in advance where possible, on other significant work place changes affecting the parties or any employee(s) bound by this agreement.

The parties encourage consultation on appropriate issues at the Administrator/ Supervisor and Steward/employee level.

The parties agree to exchange relevant information regarding such changes.

Understandings

A Appointments, Terminations and Changes

The College agrees to provide the Union with lists of appointments, terminations and changes to employee status upon approval.

B Damaged Clothing

Requests for replacement of damaged clothing due to exposure to corrosive materials or other like substances, will be dealt with by the appropriate Administrator on an individual basis.

C Safety/Parking

When necessary, employees who work late shifts will be allowed sufficient time to move their vehicle closer to their work area.

D Insurance Contracts

The College will ensure that a copy of all benefit insurance contracts applicable to the employees are available for their review. Upon request, a copy of any such contract will be supplied to the employee requesting same.

E Transportation

The College shall provide transportation, in the form of taxi vouchers, to employees who must work authorized overtime after 10:00 p.m., when the employee so requests.

F Notices of Acting in Senior Capacity

Individual departments of the College shall post, for the information of employees, notices of acting in senior capacity in the department concerned.

G Original Letters of Permanent Appointment

All original letters of permanent appointment to permanent positions shall contain advice that upon appointment to the permanent staff, when certain employee benefits are applicable, a reduction in take home pay of approximately 9% will be apparent.

H Car Insurance

Employees may recover all expenses incurred by the use of private vehicles for required College business through a mileage rate of **forty cents (\$0.40)** per kilometre (**effective April 1, 2001**) subject to review **and/or adjustment at least April 1st each year.**

SCHEDULE "C"

Further, employees may recover expenses for parking incurred while on College business at a location away from their regular place of business.

In accordance with College policy, employees who are required by the College to use their personal automobiles in the regular performance of their duties shall be reimbursed by the College for the differential in the cost of insurance between "business" and "to and from work" categories as defined by I.C.B.C.

I First Aid Attendants

Where an employee is required by the College to assume responsibility as a first aid attendant and in so doing requires a current appropriate level Industrial First Aid Certificate, the College shall grant leave of absence with pay for the purpose of attending the necessary courses, both initial training and required upgrading.

Where the first aid training in question is given on a compressed basis essentially requiring full-time attendance, the attendee shall, in addition to receiving full salary for the days of attendance, receive credit for each full day of attendance of an additional amount of three hours straight time "lieu credit" to be taken or paid for as provided in Article XI E of the Collective Agreement.

Every effort will be made to enable employees to take the regular rather than the compressed course.

First Aid Attendants required to provide first aid coverage during their scheduled meal period will have their meal period rescheduled, in consultation with their supervisor, to within one (1) hour of their meal period. If the meal period cannot be rescheduled, the employee may elect to take the equivalent of their meal period in time off at the end of their shift with no loss of pay, provided this time off can be accommodated, or they will be entitled to overtime in accordance with Article XI E 1.a).

J Training Committee

The parties will establish a Training Committee composed of three Union and three College representatives.

The Committee's central purpose is to investigate and report on:

1. training connected with technological change,
2. professional and career development needs of employees.

There shall be regular meetings, as determined by the committee. Copies of all minutes will be circulated to the College and the Union.

SCHEDULE “C”

K Preference for Hours - Permanent Part-time Employees

Permanent part-time employees will have preference, (right of first refusal) over temporary employees for additional work in their area provided they possess the ability to perform the work available.

Such additional hours, beyond their normal schedule, will not be considered as overtime provided that the employee's total daily and weekly hours are within the full-time maximums for their classification.

L Job Sharing

Any employee who wishes to participate in a job sharing arrangement should make application to the Human Resources Department and the Union. The College will endeavour to accommodate such requests on a time-limited basis.

Job sharing arrangements will only be implemented where there is mutual agreement of the College and the Union.

M Work From Home

The College will notify the Union of any work at home arrangements that it enters into with employees.

APPENDIX I

LETTER OF UNDERSTANDING COMPRESSED WORK WEEK SCHEDULE (NINE-DAY FORTNIGHT SYSTEM)

1. Basic Conditions

- a. Application of the compressed work week nine-day fortnight system must not produce any additional cost, (i.e. overtime, additional staffing requirements or fringe benefit costs) or noticeable reduction in service from the level of service rendered at the effective date of this Letter of Understanding **April 1, 2001**.

- b. Access

Employees not on Compressed Work Week who wish access to such work schedule should make application to their Department Head or Senior Supervisor. That individual will make the necessary analysis to ascertain whether the proposed change in schedule meets the conditions in 1 a) above and pass the request and analysis to the appropriate administrator in the Centre responsible for personnel matters for approval.

Should a request be denied the employee may ask that access be reviewed by the committee as follows:

A committee for each of the jurisdictions shall be responsible for resolving difficulties which may arise including matters of access to or exclusion from the compressed work week schedule.

Each committee shall consist of one Administrator from the jurisdiction concerned, who shall act as chair, along with one member representing:

- participating support staff
- CUPE Local 15, V.M.E.C.W.
- Human Resources Department

In the event that problems of a serious nature cannot be resolved by the committee, the matter(s) will be referred to the Director, Human Resources and the **Staff Representative**, CUPE Local 15, V.M.E.C.W. for discussion.

In the event that those parties cannot resolve the problem(s) within a reasonable period, either the Union or the College may refer the matter to grievance procedure commencing at Step 4.

No employee or position (e.g. vacant position) will be removed from the compressed work week schedule except through the committee and grievance process outlined above.

APPENDIX I

c. Suspension of the Compressed Work Week

The compressed work-week schedule may be temporarily suspended by joint and mutual agreement of the Union and the College Administration from the jurisdiction concerned. Except in extraordinary circumstances, the College shall give a minimum of ten (10) working days notice of suspension of the Compressed Work Week schedule.

In order to accommodate situations, such as emergencies, vacation, illness and peak periods, scheduled fortnight days may be deferred at the request and with the approval of the administration and must be rescheduled and utilized at the earliest opportunity. Where such situations are known in advance, fortnight scheduling shall be arranged to accommodate them.

Staffing needs within a department or area may necessitate suspension of the compressed work week schedule for an employee required to provide back-up service in the absence of another staff member if it cannot be accommodated via the provisions contained within the Flextime Letter of Understanding.

During periods of suspension of the Compressed Work Week, the College shall require employees to continue working a seven and three-quarter ($7\frac{3}{4}$) hour day for the period of suspension.

However, in order to meet the College's commitments, departmental staffing needs and/or to meet individual needs, an employee and a department may mutually agree that the employee shall revert to a seven (7) hour day during the period of suspension.

In areas that request suspension for two or more bi-weekly periods, two of those periods should be considered the periods in which no days off will be scheduled as provided for in item 2c. of this Letter of Understanding.

If there is a suspension period greater than one month, the affected employees will revert to a seven-hour day.

During a period of suspension where an employee reverts to a seven-hour day, absence for vacation or sickness will be utilized at the rate of seven (7) hours per day. No credit towards compressed work week will be earned in this instance.

APPENDIX I

d. Deferral of Compressed Work Week Days Off

Days deferred must be scheduled by mutual agreement within two (2) months of the conclusion of the deferral period taking into consideration the commitment of the College, the needs of the department and the desires of the individual. Such agreement will not be unreasonably withheld by either party.

Deferred days may be carried forward beyond the two (2) month period by mutual agreement provided the commitment to the College and the needs of the department can be adequately met.

- e. Individual employees may apply, for special reasons, to remain on the established five-day work schedule, such request to be made to the Senior Administrator of the jurisdiction concerned and reviewed by the joint Union/Management Committee.

2. Working Conditions

- a. Employees shall work a seven and three-quarter ($7\frac{3}{4}$) hours each regularly scheduled work day in every two-week period.

- b. For the purposes of the Compressed Work Week Letter of Understanding, a year shall be defined as a calendar year and will be divided into twenty-six (26) fortnight periods. The maximum entitlement of Compressed Work Week days off during the period shall be twenty-four (24).

- c. For those individuals on Compressed Work Week for twenty-six (26) bi-weekly periods, there will be two (2) bi-weekly periods each year in which no Compressed Work Week days off will be scheduled.
Those individuals on Compressed Work Week for fewer than twenty-six (26) bi-weekly periods will have the Compressed Work Week days off pro-rated for the number of bi-weekly periods worked. For example, an individual on Compressed Work Week for 22 bi-weekly periods will receive 20.3 Compressed Work Week days off.

These bi-weekly periods may normally be scheduled at a time that takes into consideration the needs of the department and the desires of the individual. The preferred periods, if another period has not been agreed to, are in the bi-weekly periods overlapping Christmas and Easter.

- d. Additional scheduled days off, one every two weeks, will preferably be Monday or Friday or any other day taking into consideration the commitment of the College, the needs of the department and the desires of the individual.

APPENDIX I

- e. Overtime rates will be paid as per Clause XI E for authorized work performed in excess of seven and three-quarter ($7\frac{3}{4}$) hours per day, excluding the time worked when making up time owed by the employees.
- f. Supervisors will post work schedules for employees.
- g. Supervisors are responsible for keeping accurate records of employee overtime and time owed to and by employees.
- h. Neither acting capacity nor shift differentials shall be paid if the higher level of work performed or hours of work are directly due to the modified work week.

3. Employee Benefits

- a. Present sick leave credits will be converted from days to hours. Employees on the compressed work week schedule will be deducted seven and three-quarter ($7\frac{3}{4}$) hours sick leave for a day of absence owing to non-occupational sickness and injury.
- b. Vacation entitlement will be converted to hours for each employee. Employees on the compressed work week schedule will be deducted seven and three-quarter ($7\frac{3}{4}$) hours vacation leave for a day of absence. Compressed work week days off will be earned during vacation periods. For example, an employee taking "two weeks" vacation would, in fact, be taking nine days of vacation (69.75 hours) and one Compressed Work Week day off.
- c. Gratuity days are earned as seven (7) hour days. If payment of gratuity is made to an employee it shall be made on the basis of a seven (7) hour day.

If gratuity days are taken as leave, the earned days may be converted to hours and the employee may remain on the Compressed Work Week during the period when the gratuity day(s) is/are taken. This may necessitate the employee working for a partial day or making time up.

If the employee wishes to revert to a seven (7) hour day for the period in which gratuity days are taken then the reversion period shall be for the full bi-weekly period.

- d. Where an employee is in receipt of Workers' Compensation Board benefits under this clause, they shall have no entitlement to compressed work week days off during the period of absence owing to occupational sickness or injury.

APPENDIX I

4. Illness

Illness on a fortnight day off shall not entitle the employee to claim a replacement day off unless a doctor's certificate is provided to the employer.

5. Agreement to Conditions Not Mentioned

It is agreed that any general conditions presently in force which are not specifically mentioned in this Letter of Understanding, and are not contrary to its intention, shall continue in full force and effect for the duration of this Agreement.

6. Term of Letter of Understanding

This Letter of Understanding shall be binding upon the "College" and the "Union" for a term coincident with this Collective Agreement.

APPENDIX II

LETTER OF UNDERSTANDING EXPERIMENTAL WORK SCHEDULES

This will confirm our mutual understanding that Article XI A. can be used to accommodate a range of innovative hours of work arrangements, on an individual or group basis and is not limited to the compressed work week schedule in Appendix I.

Any such arrangement would normally have to satisfy the same general conditions as the nine-day fortnight - i.e. no additional cost, loss in service, etc.

Any such innovative schedule should be developed within the division prior to seeking mutual agreement of the College and the Union, and should be administratively simple.

"Term Position Employees" are permanent employees employed over a specified term.

The employment of employees in term positions will be on the basis of the following formula and conditions:

** 2% for each 5 day vacation increment as per Article XIV A of the current collective agreement.

The Term Salary shall be paid in equal installments over the duty months.

APPENDIX IV

LETTER OF UNDERSTANDING FLEXTIME

The College agrees with the principle of flextime for Union members under the following definition:

Flextime is a work schedule which permits adjustment of the schedule of daily or weekly hours worked which takes into consideration the commitment of the College, the needs of the department and the desires of the individual.

Criteria for access to a flextime schedule:

1. Flextime shall be scheduled in advance and approved by the appropriate Administrator or College President or delegate.
2. Flextime schedules shall not produce any additional cost for the College (e.g. overtime, additional staffing requirements, fringe benefit increases or non-scheduled shift differential).
3. Flextime schedules shall not result in any noticeable reductions in service from the effective date of this Letter of Understanding.
4. Flextime schedules shall be within the established hours of operation for the work performed.

A committee shall be responsible for resolving difficulties which may arise including matters of access to or exclusion from a flextime schedule.

The committee shall consist of one administrator from the jurisdiction concerned, who shall act as chair, along with one member representing: participating support staff; CUPE Local 15, V.M.E.C.W.; Human Resources Department.

In the event that problems of a serious nature cannot be resolved by the committee, the matter(s) will be referred to the Director, Human Resources and the Business Manager of the CUPE Local 15, V.M.E.C.W. for resolution.

In the event that those parties cannot resolve the problem(s) within thirty (30) working days, either the Union or the College may refer the matter to the grievance procedure commencing at Step 4. The time limit may be extended by mutual consent.

Flextime schedules may be temporarily suspended by joint and mutual agreement of the Union and College Administration from the jurisdiction concerned.

Mr. Steve Baker

545 West 10th Avenue
VANCOUVER, B.C.

Dear Mr. Baker,

RE: POSTING OF A PERMANENT VACANCY UPON CONFIRMATION OF LONG TERM DISABILITY

This is to confirm as per our discussions during mediation, that Langara College concurs with the approach outlined by Ron Riching's in his May 25, 1995 letter concerning the posting of a position as a permanent vacancy when an incumbent is accepted by the insuring agency for LTD coverage.

The disabled employee will retain the right to return to their former position, or an equivalent one, and any "accommodation" rights they may be entitled to, notwithstanding the posting.

Should the person appointed to fill the posting subsequently be displaced by the returning employee, they will be entitled to exercise all rights under Article XVII, Layoff and Recall.

Yours truly,

Grievance Procedure

Problems regarding the application, enforcement, or interpretation of this contract should be dealt with through the procedure outlined in Article IX. If you have a problem, discuss it with your immediate supervisor within 15 working days with your Shop Steward present.

Shop Steward

Your Shop Steward is a liaison between you and your supervisor when dealing with problems that arise on the job. Your Shop Steward should also be aware of what is happening within the Union and the labour movement. If you are aware of a problem or have a question regarding your work or the Union, please contact your Steward.

Negotiations

Contract improvements are negotiated between the Union and the College. Negotiations generally start about 3 months prior to the expiry of the Contract. It is the practice of your Union to have the Bargaining Unit elect a negotiating committee from within the membership of the Bargaining Unit.
