relating to working conditions specifically covered by this Agreement; any matter involving the interpretation or application of any provision of this Agreement; or any matter involving the alleged violation of any provision of this Agreement.

It is understood and agreed that any grievance arising during the term of this Agreement shall be settled in accordance with this procedure without any stoppage of or interruption of work, either partial or complete.

20.2.2 Employer agrees to provide, to the President of the Union, with a copy to the Chairperson of the Bargaining Committee, a list of designated supervisors and those employees they supervise.

20.3 Step 1 - Verbal Grievances

Any employees who have a grievance shall first go to the supervisor directly in charge of work. The employees may, at their option, be accompanied or represented by their steward or representatives of the Union. The supervisor shall be given an opportunity to answer the complaint verbally. The Parties involved shall be given a maximum of three working days to solve the grievance.

20.5 Time Limits to Present Initial Grievance

Employees who wish to present a grievance at Step 1 of the grievance procedure, in the manner prescribed in Article 10.4, must do so not later than thirty (30) days after the date:

20.6.1 on which they were notified orally or in writing of the action or circumstance giving rise to the grievance; or

20.7 Step 2 - Written Grievance

20.8.1 Subject to the time limits in 10.5, employees may present a grievance at this level by:

20.8.1.1 recording the grievance on the appropriate grievance form, setting out the nature of the grievance and the circumstances from which it arose;

20.8.1.2 stating the Article or Articles of the Agreement infringed upon or alleged to have been violated and the remedy or correction required, and where applicable, the reasons why just cause does not exist; and

20.8.1.3 transmitting this grievance to the designated local supervisor through the Union steward.

20.8.2 The local supervisor shall:

20.8.2.1 forward the grievance to the representative of the Employer authorized to deal with grievances at Step 2; and

20.8.2.2 provide the employee with a receipt stating the date on which the grievance was received.

20.9 Time Limit to Reply at Step 2

20.10.1 Within ten (10) days of receiving the grievances at Step 2, the representative designated by the Employer to handle grievances at Step 2 and the Union Area Staff Representative or designate shall meet to examine the facts, the nature of the grievance and attempt to resolve the dispute. This meeting may be waived by mutual agreement.

20.10.2 The representative designated by the Employer to handle grievances at Step 2 shall reply in writing to an employee's grievance within twenty-one (21) days of receiving the grievance at Step 2.

20.11 Step 3

The President of the Union, or his designate, must present a grievance at Step 3:

20.12.1 within fourteen (14) days after the decision has been conveyed by the representative designated by the Employer to handle grievances at Step 2; or

20.12.2 within fourteen (14) days after the Employer's reply was due.

20.13 Time Limit to Reply at Step 3

20.14.1 Within ten (10) days of a grievance being filed directly at Step 3, the representative designated by the Employer to handle grievances at Step 3 and the Union Staff Representative or designate shall meet. The Parties will meet to examine the facts, the nature of the grievance and attempt to resolve the dispute. The meeting may be waived by mutual agreement.

20.14.2 The representative designated by the Employer to handle grievances at Step 3 shall reply in writing to the grievance within fourteen (14) days of receipt of the grievance at Step 3.

20.15 Failure to Present

If the President of the Union or designate does not present a grievance to the next higher level within the prescribed time limits, the grievance will be deemed to be abandoned. However, the Union shall not be deemed to have prejudiced their position on any future grievance.

20.17 Time Limit to Submit to Arbitration

Failing a satisfactory settlement at Step 3, and pursuant to Article 11, the President of the Union or designate may inform the Employer of the intention to submit the dispute to arbitration within:

20.18.1 thirty (30) days after the Employer's decision has been received; or

20.18.2 thirty (30) days after the Employer's decision was due.

20.19 Amending of Time Limits

The time limits fixed in this grievance procedure may be altered by mutual consent of the Parties, but the same must be in writing. Where a grievance or a reply is presented by mail, it shall be deemed to be presented on the day on which it is post-marked and it shall be deemed to be received on the day it was delivered to the appropriate office of the Employer or the Union.

20.21**10.11 Dismissal or Suspension Grievance**

In the case of a dispute arising from an employee's dismissal or suspension, the grievance may commence at Step 3 of the Grievance Procedure within thirty (30) days of the employee receiving notice of dismissal or notice of suspension. The requirements for stating the particulars of the grievance and reply contained in Article 10.4 will nevertheless apply.

20.23 Deviation from Grievance Procedure

The Employer agrees that after a grievance procedure initiated by the Union, the representative of the Employer will not enter into discussion or negotiation with respect to the grievance, either directly or indirectly with the aggrieved employee without the consent of the Union. In the event that after having initiated a grievance through the Grievance Procedure, an employee endeavors to pursue the same grievance through any other channels than this Grievance Procedure, then the Union agrees that pursuant to this Article, the grievance shall be considered to have been abandoned.

20.25**10.13 Policy Grievance**

Where either Party disputes the general application, interpretation or alleged violation of an article of this Agreement, the dispute shall be discussed initially with the Employer or the Union as the case may be. Where no satisfactory agreement is reached, either Party may submit the dispute to arbitration, as set out in Article 11 of this Agreement.

20.27 Technical Objections to Grievance

It is the intent of both Parties to this Agreement that no grievance shall be defeated merely because of a technical error in processing a grievance through the grievance procedure. To this end an arbitration board shall have the power to allow all necessary amendments to the grievance and the power to waive formal procedural irregularities in processing of the grievance, in order to determine the real matter in dispute and to render a decision according to equitable principles and the justice of the case. Time limits specified in this Article 10 shall not be construed to be nor construed as matters of technicality but as matters of substance.

ARTICLE 21 - ARBITRATION**22.1 Notification**

Where a difference arises between the Parties relating to the interpretation, application or administration of this Agreement, including any questions as to whether a matter is arbitrable or where an allegation is made that a term or condition of this Agreement has been violated, either of the Parties may, after exhausting the grievance procedure in Article 10, notify the other Party within thirty (30) days of the receipt of the reply at the 3rd Step, of its desire to submit the difference or allegations to Arbitration.

22.3 Appointment of the Arbitrator/Board of Arbitration

When a Party has requested that a grievance be submitted to arbitration, it shall indicate to the other Party of the Agreement within seven (7) days:

22.4.1 its intention to submit the matter in dispute to a single arbitrator to be agreed upon by both Parties; should either Party not agree to submit the dispute to a single arbitrator, both Parties shall then have seven (7) days to name their appointee pursuant to (b) of this Article;

22.4.2 the name of its appointee to a Board of Arbitration. Within seven (7) days thereafter the other Party shall indicate the name of its appointee to the Board of Arbitration. The two appointees shall then meet to select an impartial chairman.

22.5 Failure to Appoint

If the recipient of the notice fails to appoint an arbitrator or the two appointees fail to agree upon a chairman within seven (7) days of their appointment, an appointment shall be made pursuant to Section 86 of the Labour Code.

22.7 Procedure

The Arbitrator shall give full opportunity to all Parties to present evidence and make representations; shall hear and determine the difference or allegation and shall make every effort to render a decision within fifteen (15) days of the first hearing.

22.9 Decision of Arbitration

The decision of the Arbitrator shall be final and enforceable on the Parties. However, the Arbitrator shall not have the power to change this Agreement or to alter, modify or amend any of its provisions.

22.11 Expenses of Arbitrator

Each Party shall pay one-half (1/2) of the fees and expenses of the Arbitrator.

22.13 Amending Time Limits

The time limits set in the arbitration procedure may be altered by mutual consent of the Parties but the same must be in writing.

22.15 Investigator

If a difference arises between the parties relating to the dismissal or suspension of an employee, or to the interpretation, application, operation or the alleged violation of this Agreement, including any question as to whether a matter is arbitrable, during the term of the Collective Agreement, Joan McEwan and Barbara Bluman shall, with mutual agreement of the parties:

ARTICLE 23 - DISCHARGE, SUSPENSION AND DISCIPLINE

24.1 Discipline Procedure

24.2.1 Where a supervisor intends to interview an employee for disciplinary purposes, the supervisor shall notify the employee in advance of the meeting and shall advise the employee that a steward's presence is recommended. The employee shall be given sufficient time to arrange for a steward to attend the meeting, providing that this does not result in an undue delay of the appropriate action being taken. This clause shall not apply to those discussions that are of an operational nature and do not involve disciplinary action.

24.2.2 No employee shall be disciplined, suspended or discharged except for just cause, and an employee shall be discharged only upon the written authority of the Employer.

24.2.3 The Employer shall inform the Union steward verbally prior to imposing a suspension of more than five (5) days.

24.2.4 Where this Agreement requires writing for disciplinary action, it is understood and agreed that compliance with that requirement shall be sufficient if verbal reasons are given immediately in the presence of the employee steward, and are confirmed in writing within two (2) working days.

24.2.5 When an employee is discharged or suspended, the employee shall be given the reason in writing in the presence of the steward. The President of the Union shall be advised, within five (5) working days, in writing by the Employer of the reason for such discharge or suspension.

24.2.6 It is understood that where the employee being disciplined, suspended or discharged is a steward or Union Officer, the employee shall have the right to have a Staff Representative or Union Officer present.

24.3 Right to Grieve

An employee considered by the Union to be wrongfully or unjustly disciplined, suspended or discharged shall be entitled to recourse under the grievance procedure, in accordance with Article 10 of this Agreement.

24.5 Justice and Equity

The parties agree that in certain situations, it may be in the best interest of both Employer and employees that employees be reassigned or removed from all job sites during an investigation of conduct. In cases where an employee cannot be reassigned, the employee shall be considered to be on a leave of absence without loss of pay until the Employer makes a decision relative to imposing discipline.

24.7 Burden of Proof

In cases of discipline, suspension and discharge the burden of proof of just cause shall rest with the Employer.

Evidence called in support of disciplinary action taken by the Employer and evidence called in support of any grievance or response to disciplinary action shall be limited to evidence in support of the reasons raised in Article 12.1 or 10.4.

24.9 Right to Grieve Other Disciplinary Action

Disciplinary action grievable by employees shall include written censures, letters of reprimand and adverse reports or performance evaluation. Employees shall be given a copy of any such document placed on their file which might be the basis of disciplinary action. Should employees dispute any such entry in their file, they shall be entitled to recourse through the grievance procedure and the eventual resolution thereof shall become part of their personnel record. Any such document, other than official evaluation reports, shall be removed from the employee's file after the expiration of twelve (12) months from the date it was issued, provided there has not been a similar further infraction. The Employer agrees not to introduce as evidence in any hearing any document from the file of an employee, the existence of which the employee was not aware at the time of filing.

24.11 Sexual Harassment

24.12.1 The Union and the Employer recognize the right of employees to work in an environment free from sexual harassment, and the Employer undertakes to discipline an employee engaging in sexual harassment.

24.12.2 Sexual harassment is prohibited verbal or physical behaviour which one would reasonably find to be unwelcome or uncomfortable by any individual or persons in general, to whom such behaviour is presented, giving consideration to all surrounding circumstances. 24.12.3 To constitute harassment behaviour may be repeated or persistent or may be a single serious incident.

24.12.4 Sexual harassment will often, but need not, be accompanied by an expressed or implied threat of reprisal or reverse of award.

24.12.5 Both males and females can be sexually harassed by members of either sex.

24.12.6 The legitimate study of topics of a sexual nature within the College's curriculum is not considered sexual harassment.

24.13 Personal Harassment

24.14.1 The Employer and Union recognize the right of employees to work in an environment free from personal harassment, and agree that employees who engage in personal harassment will be disciplined.

24.14.2 Personal harassment means verbal or physical behaviour that is discriminatory in nature, based upon another person's race, colour, ancestry, place of origin, political beliefs, religion, marital status, physical or mental disability, sex, age or sexual orientation. It is discriminatory behaviour, directed at an individual, which causes substantial distress in that person and serves no legitimate work-related purpose.

Such behaviour could include, but is not limited to:

- physical threats or intimidation;
- words, gestures, actions or practical jokes, the natural consequence of which is to humiliate, alarm or abuse another person;
- distribution or display of offensive pictures or materials.

24.15 Complaint Procedure for Personal Harassment

Initial Consultation

An employee who believes that she/he has been harassed and who is considering the initiation of a complaint may begin by discussing the matter with a Harassment Advisor. There will be a list of mutually agreed upon Advisors who will advise and assist employees of the College in connection with harassment complaints. The Advisor will review the situation on a confidential basis and provide the Complainant with information and advice.

The list of mutually agreed upon advisors are Al Atkinson, Beverley Miller, Jean Easton and Jan Smith.

Following consultation with the Advisor the Complainant may choose any of the following options:

- to resolve the matter her/himself with the Respondent;
- to request the Harassment Advisor to speak informally with the alleged Respondent;
- to take no further action;
- to proceed with a formal investigation.

If the Complainant elects to proceed with a formal investigation, she/he should proceed as follows:

24.16.2 Upon receipt of the written complaint, the Dean or designate shall notify the Staff Representative in writing.

24.16.3 The Dean will investigate the complaint. The investigation must be concluded within seven (7) days of the Dean receiving the written complaint.

24.16.4 The Dean may request an extension for the investigation period from the Staff Representative or designate. The extension if granted shall not, in any event, be longer than fourteen (14) days from the date of the written complaint.

24.16.5 The complainant will be given the option of having a Steward present as an observer at the meeting(s) at which the complainant is present.

24.16.6 The respondent shall be given the option of having a different steward present as an observer at the meeting(s) at which the respondent is present.

24.16.7 Pending determination of the complaint, the Dean who is investigating may take interim measures to separate the employees concerned if deemed necessary.

24.16.8 In cases where a finding of harassment may result in the transfer of an employee, normally, it shall be the respondent who is transferred, except where the complainant requests to be transferred.

24.16.9 The Dean or designate, who has investigated the incident, shall complete a written report within three (3) working days of completion of the investigation.

24.16.10 The Staff Representative, the complainant and the respondent shall be apprised of the recommendation(s) and/or action(s) to be taken.

24.16.11 Where the complainant is not satisfied with the final disposition, the complainant may grieve at any step of the grievance procedure up to and including Arbitration. The time limits and procedures as specified under Article 10 will apply.

24.16.12 Where the complaint is determined to be frivolous or vindictive in nature, the College will take appropriate action which may include discipline.

28.4.4.3 the right to bump, subject to (ii) above, shall be exercised in the following order:

28.4.4.3.1 the employee with the least seniority at the same pay level for whose position he/she has the qualifications, ability and experience to do the job shall be bumped.

28.4.4.3.2 if (1) above does not result in a bump, the same procedure will be applied at each subsequent lower pay level.

28.4.4.4 regular employees who are bumped as a result of (ii) and (iii) above, shall have the same right to bump employees with less seniority.

- 28.4.4.5 it is agreed that the trial period specified in Article 28.5(a) will apply to employees moving into a new job as a result of bumping.
- 28.4.4.6 In the event the employee does not have the necessary seniority or qualifications, ability and experience to bump a second time, or he/she has proven to be unsatisfactory in the second job, he/she will be laid off.

However, repeating fixed term employees may bump auxiliary employees whose duration of employment expires before the recall notice specified in the preceding sentence.

28.12.2 This does not preclude the Employer from giving notice of layoff to a repeating fixed term employee during a fixed term or to a fixed term employee who has received a recall notice to begin a fixed term.

28.12.3 In the event layoff notice is given under (b) above, (a) does not apply.

The Union and Employer agree that the Joint Job Evaluation Committee shall:

- 58.4.1 determine appropriate procedures for the ongoing operation of the Committee;
- 58.4.2 determine the form of job descriptions/job specifications to be used within the job evaluation plan;
- 58.4.3 ensure the ongoing maintenance of the plan.

58.5

The parties agree that classifications in the Bargaining Unit shall not be rated below the 1993 base rate for Pay Level 3.

58.7 Documents for Committee

The Committee is responsible for the maintenance of all documentation including evaluation results, job specifications, and annual ratings for all jobs, and shall be supplied with all relevant documentation for making position ratings.

58.9 Changes in Classification May Occur as a Result of:

58.11 Retroactivity

Subsequent changes of an employee's classification will not in any case go back retroactively into or beyond the period of time when the Job Evaluation Committee was operative. The only exception would be that those requests that had been lodged prior to the introduction of the Gender Neutral Job Evaluation Plan developed by the Joint Pay Equity Committee, but not adjudicated by the time the Joint Pay Equity Committee concluded the Pay Equity Program, would be retroactive to the date of lodging such a request. New requests for reclassification will not be retroactive beyond the date of the lodging of such requests.

58.14.1 With regards to any dispute from the Employer's evaluation of a position, the Parties agree that a College Representative and a B.C.G.E.U. Representative will be allowed thirty (30) calendar days to try and resolve the dispute by the third (3rd) step of the grievance and arbitration procedure of the Collective Agreement.

58.19 Substitution Pay in Lieu of Formal Reclassification

If the Employer does not wish certain duties to be continued to be performed by the employee, the Employer has the authority to pay substitution pay for the period for which the duties were performed.

The Union may then refer this dispute to the third (3rd) step of the grievance and arbitration procedure of the Collective Agreement. In the event the dispute is arbitrated the Parties agree that it is preferable that the arbitrator has a knowledge of job evaluation.

58.25

29.13 No Delay

The procedure set out above is not intended to interfere with or delay the posting or filling of new positions, as the new rate ultimately settled on will be retroactive to the date the position was first filled by the employee.

LETTER OF UNDERSTANDING #7

Employment Equity

The Parties recognize there is a need to review Employment Equity with respect to the following four (4) categories of people:

- 1) Women; 2) Aboriginal people; 3) Persons with disabilities; 4) Visible minorities.

The Parties therefore agree to:

- (a) establish a College-wide committee consisting of equal representation of Staff (BCGEU), Faculty, and Administration; and
- (b) an ex-officio administrator will be designated as a staff officer to the Committee.

The mandate of the Committee will be to:

- (i) develop a database of employment equity issues at the College;
- (ii) examine recruiting, hiring, and promotion policies; and
- (iii) make recommendations as necessary to the Principles for the implementation of an Employment Equity Program.

It is agreed that any recommendations made by the Committee are not binding and are subject to Agreement by the College and the respective union.

LETTER OF UNDERSTANDING #8

Pay Equity

The Parties agree that the purpose of Pay Equity is to eliminate the bias against work traditionally done by women in the workplace.

The issue of Pay Equity will be referred to a Joint Union and Employer committee. The Committee will consist of equal representation from the Employer and Union to a maximum of two (2) voting representatives from each Party. Either or both Parties may expand the committee to include resource person(s) as ex-officio. Ideally, at least fifty percent (50%) of the representation of each group (Employer and Union) will be female. The primary objective of the committee will be to adjust or replace the current job evaluation plan with a gender-neutral plan; the committee will not be restricted to this as its sole option.

The Parties further agree the cost of Pay Equity adjustments will not be costed or integrated into Collective Agreement bargaining.

No employee shall have his/her salary reduced or red-circled as a result of the implementation of the new Job Evaluation Plan.

The parties agree it may be necessary to extend the pay grid beyond the current level 15.

LETTER OF UNDERSTANDING #9**JOB SHARING**

(Note: This provision becomes effective January 1, 1995)

The following outlines the circumstances under which job sharing may occur, and the terms and conditions of job sharing.

Definitions:

Job Sharing A voluntary work arrangement in which two (2) regular employees adjust the number of hours they work by written agreement to share the responsibility for one (1) full-time regular position.

Job Sharing Proposal A document initiated by two (2) regular employees, which outlines their request to become part-time regular employees and recommends how the duties of a position previously performed by one (1) full-time regular employee, can be divided to accommodate their request.

Job Sharing Arrangement Where two (2) part-time employees perform the duties of a position previously performed by one (1) full-time regular employee.

Partners Regular employees participating in a job sharing arrangement.

Hours of Work No more than, nor less than eighteen (18) hours per five (5) day period per partner.

Criteria:

Job sharing proposals may be considered where:

70.14.2 one of the partners proposing the job sharing arrangement already occupies the regular full-time position under consideration and has completed the trial period. The second partner must have completed the trial period, must be at the same classification level or higher than the proposed job share position, and must be qualified to perform the duties of the position without additional training. Both partners must be performing their current positions satisfactorily;

or

70.14.3 two partners with the necessary education, skills, knowledge and experience, apply for one (1) full-time regular vacancy, as one (1) application, and both are selected as a single application as the successful candidates for the position. Applications of this nature will be subject to the provisions of Article 28 of the Collective Agreement. Disputes regarding selection decisions made with respect to applications submitted in accordance with this clause will be referred to the grievance and arbitration procedure of the Collective Agreement.

Procedures for Job Sharing Proposals:

Proposals for job sharing arrangements will be forwarded to the appropriate excluded supervisor with copies to Personnel and Labour Relations, the BCGEU Staff Representative, and the BCGEU Chairperson. Job sharing proposals shall include the following information:

- A written statement signed by both partners requesting part-time employment in order to job share as outlined in the proposal;
- Information on the qualifications and experience of the proposed partner who is not currently performing the position in question, or, if the proposal is being made pursuant to criteria (b) above, information on the qualifications and experience of both partners must be submitted;
- A copy of the partner's most recent performance evaluation or, if the proposal is being made pursuant to criteria (b) above, copies of both partners' most recent performance evaluation must be submitted;
- A description of how the job duties and responsibilities may be shared;
- A description of the arrangements the partners will make to share necessary information with each other, with students, with colleagues, and with the supervisor;
- A proposal of how workload priorities will be determined by the partners on an on-going basis;
- The proposed start date for the job sharing arrangement;
- The proposed work schedule for the job sharing arrangement.

Procedures for Approval of Job Sharing Proposals

Approval of the job sharing arrangement is at the discretion of the excluded supervisor. The job sharing proposal will be reviewed by the appropriate excluded supervisor and a copy of the supervisor's decision will be sent to Personnel and Labour Relations and to the Union. Any objections to the supervisor's decision must be referred to the Labour Management Relations Committee within fifteen (15) days for discussion and attempted resolution. The parties agree that Labour Management Relations Committee is the final avenue for appeal of a denied job sharing proposal. If approved, the job sharing arrangement will be confirmed in writing by appointing the job sharing partners as regular part-time employees. Appointments are subject to the applicable collective agreement provisions. Acceptance of the appointment by the partners must be in writing to the appropriate excluded supervisor. The appointment letter shall indicate that the employee's hours may temporarily be increased up to full-time, if required and with as much notice as possible, to cover the other partner's absence of one week or greater.

Terms and Conditions

The total number of job sharing arrangements shall not exceed five (5) at any one time. Job sharing arrangements will not result in increased cost to the College beyond that incurred by the overlap in hours of work resulting from the two eighteen (18) hour work weeks. The total hours per week to be shared between the partners will be thirty-six (36). Benefits, wage increments, seniority, vacations and statutory holidays for job sharing partners will be paid on a pro-rata basis, based on an eighteen (18) hour per week schedule per job sharing partner.

Procedures for Termination of Job Sharing Arrangements

- (a) The College may, due to bona fide operational reasons, upon thirty (30) days notice, terminate a job sharing arrangement. Notification of the termination will be given to the job sharing partners, Personnel and Labour Relations, the BCGEU Staff Representative and the BCGEU Chairperson. Subject to satisfactory performance, the most senior employee will be offered the full-time position. The onus will be on the junior employee to find alternate employment. In the event the most senior employee declines the offer of the full-time position, the onus is on that employee to find alternate employment, and the most junior employee, subject to satisfactory performance, will be offered the full-time position. Should the junior employee decline the offer of the full-time position, the onus is on that employee to seek alternate employment. The position will then revert to full-time regular status and be posted in accordance with Article 28 of the Collective Agreement.
- (b) Either job sharing partner may, upon thirty (30) days notice, terminate the job sharing arrangement. Notification of the termination will be given to the appropriate excluded supervisor, Personnel and Labour Relations, the BCGEU Staff Representative and the BCGEU Chairperson. Subject to satisfactory performance, the most senior employee will be offered the full-time position. The onus will be on the junior employee to find alternate employment. In the event the most senior employee declines the offer of the full-time position, the onus is on that employee to find alternate employment, and the most junior employee, subject to satisfactory performance, will be offered the full-time position. Should the junior employee decline the offer of the full-time position, the onus is on that employee to seek alternate employment. The position will then revert to full-time regular status and be posted in accordance with Article 28 of the Collective Agreement.
- (c) In the event that one of the job sharing partners resigns, the other job sharing partner, subject to satisfactory performance, will be offered the position on a full-time basis. Job sharing partners must provide the College four (4) weeks written notice of resignation. If the remaining job sharing partner declines the full-time position, the position will revert to full-time and be provided sixty (60) days to propose and finalize another job share arrangement. The onus is on the employee to seek alternate employment if she/he declines the offer of the full-time position or if she/he is unable to obtain an approved job sharing arrangement. In that case, the position will revert to full-time status and be posted in accordance with Article 28 of the Collective Agreement.
- (d) The parties agree that decisions to terminate a job sharing arrangement are not grievable.

The Employer shall provide five thousand three hundred sixty-six dollars (\$5,366.00) per year for this purpose. Funds allocated for the purposes of this Article that are unused at the end of any given fiscal year shall be re-allocated to the Education and Training Fund provided for in Article 21.
