(hereinafter called the "Employer")

OF THE FIRST PART

AND: The Public and Private Workers of Canada, Local 26
(hereinafter called the "Union")

OF THE SECOND PART

WHEREAS it is the desire of the Selkirk College Board and PPWC, Local 26 that efficient operation of Selkirk College be maintained and to effect this, it is important that harmonious relations be continued between the Employer and its Employees: and

WHEREAS the general purpose of this Agreement is to establish and maintain mutually satisfactory working conditions, hours, wages and benefits for the Employees, to maintain collective bargaining relations between the Employer and the Union and to provide machinery for the prompt and equitable disposition of disputes: and

WHEREAS it is the intention of the Employer and the Union to work harmoniously to maintain the physical working areas in a condition which promotes the efficient operation of the College and to promote an industrious atmosphere:

NOW THEREFORE this Agreement presents hereafter the specific articles to which the parties mutually agree to follow.

WITNESSETH THAT:

ARTICLE 1 – UNION RECOGNITION

1.01 The Employer recognizes the Union as the exclusive representative for the purposes of conducting collective bargaining regarding rates of pay, hours of work, and all other working conditions of the employees of the Employer for which they are certified by the Labour Relations Board, as long as the Union retains its right to conduct collective bargaining on behalf of such employees, under provisions of the Labour Relations Code of British Columbia, except those having authority to hire or discharge employees and those employed in a confidential capacity as defined by the Labour Relations Code of British Columbia.

1.02

- a) A regular employee is an employee who has passed the probationary period and is employed on a continuous basis from year to year. Regular employees may be full-time, part-time or sessional.
 - I. A full-time employee is an employee who is employed on a full-time basis (37.5 hours or 35 hours respectively), 12 months of the year.
 - II. A part-time employee is an employee who is employed for less than 37.5 hours or 35 hours per week, 12 months of the year.
 - III. A sessional employee is an employee who may be either full-time or part-time and who is employed on a continuous basis for a specified period of time each year.

- b) A temporary employee is an employee who may be scheduled for either full time or part time, as per Article 5, for a specified term of not more than six (6) months. This term may be extended by mutual agreement between the Employer and the Union. It is understood that temporary employees replacing maternity/parental/adoption leaves may have a specified term appointment that exceeds six (6) months.
 - c) An on-call employee is an employee who has applied for, been offered and accepted a position from an on-call posting, and is called in from an on-call list for short term work. It is understood that on-call is meant to be used as casual coverage.
- 1.03 The policies and practices of the Employer and the Union shall be such to prevent any discrimination toward employees in all areas unrelated to employment. Any consideration of Indigenous identity, age, race, colour, ancestry, place of origin, criminal record, physical or mental disability, political belief, sex, sexual orientation, gender identity or expression, family status, or membership or non-membership in the Union unrelated to employment shall not be cause for restriction or coercion of, or interference with, any employee in the matters of wage rates, training, promotion, layoffs, or discipline. The Employer shall not institute rules and regulations for the employees which are unrelated to the employment requirements. The Union shall comply with the Employer directives where these directives do not violate the BC Human Rights Act or any terms of this Agreement.
- The College and the Union acknowledge the right of all employees to work in an environment free from harassment.
- Personal harassment shall be defined as repeated, intentional, unwelcome, offensive comments and/or action deliberately designed to demean and belittle the individual and/or to cause personal humiliation.
- Sexual harassment shall be defined according to College policy on Sexual Harassment and administered through that policy.
- Cases of harassment shall be considered as discrimination and will be eligible to be processed as grievances.
- Grievances under this section will be initiated at step 3 of the grievance procedure.
- 1.04 During the term of this Agreement, the Union and its members shall not authorize or participate in a strike; neither shall the Employer declare a lock-out of any employees. It shall not be a violation of the Agreement or cause for discharge of any employee for refusing to cross a legal picket line.
- 1.05 The Employer agrees that the Union shall have the right to maintain a bulletin board in a convenient location in a College building on each major campus, provided that the use of such shall be restricted to the posting of notices regarding the business affairs, meetings, social events and reports of the Union.
- 1.06 The Employer agrees that any recommendation or matters considered by the Employer relating to rates of pay, promotions, hiring or discharge of employees covered by the terms of this Agreement shall be communicated in writing to the Union at the time of their consideration and decision by the Employer.
- 1.07 Should any displacement of staff be indicated as the result of technological change, the Employer and the Union will meet and discuss the possibility of employing displaced employees in some other capacity, thirty (30) days prior to the implementation of such change.

Any employee placed in a lower-rated position as a result of technological change, shall not have their wages reduced; but shall continue to receive their old rate until such time as the agreement rate for their new position is equal to their actual rate of pay.

An employee affected by technological change will be provided with one of the following alternatives:

- 1 Transfer to another existing and vacant position in the College for which the employee is qualified.
 - 2 Seniority rights in accordance with Article 14.07 and 14.08.
 - 3 Retraining for a job mutually agreed upon between the Employer and the employee. Regular salary for the employee will continue during the retraining period for a maximum of three (3) months.
 - 4 A severance allowance of one (1) month's salary for each year of service in accordance with 14.07.
- 1.08 Persons whose jobs are not in the bargaining unit shall not work on any jobs which are included in the bargaining unit except in cases mutually agreed upon by the parties or in emergencies not to exceed seventy-two (72) hours.
- 1.09 The Employer agrees to acquaint new employees with the fact that a Collective Agreement is in effect and with the conditions of employment set out in the Articles dealing with Union Security and Dues Check-off.
- 1.10 Prior to commencing employment, new employees shall be provided by the College with an electronic copy of the Collective Agreement and a listing of the union executive.
- 1.11 This Collective Agreement is intended to be inclusive and gender neutral. Should there be language in the agreement that refers to gendered language, it shall be construed to include all individuals.

ARTICLE 2 – MANAGEMENT RIGHTS

- 2.01 The management of the College and the direction of the working force is vested exclusively in the Employer, except as otherwise specified in this Agreement.
- 2.02 A Labour Management Committee shall be established consisting of representatives of the Union and the Employer. The Committee shall enjoy the full support of both parties in the interests of improved service to the public, and job security for the employees. The structure of the Committee shall be established on a continuing basis by the members of the Committee.
- The Committee's mandate shall be to discuss and recommend settlement of all matters of concern between the Union and the Employer. Substantive results of meetings shall be documented and copies sent to both Union and Employer.
- Time spent attending Labour Management Committee meetings during the regular working day shall be deemed as time worked.
- 2.03 The Employer and/or Employer Representative shall not meet with any one Union Executive/Union member in a discussion, outside of normal departmental business, that will affect any member of the Union or their job, or that may be in conflict with the Collective Agreement. There must be at least two Union Executive members present at all times when discussions take place.

Employment issues that are discussed at these meetings shall be presented for decision at the next Joint Labour Management Committee Meeting and will be signed off by both parties for future reference.

ARTICLE 3 – UNION SECURITY AND CHECK-OFF DEDUCTIONS

- 3.01 The Employer agrees to check-off all Union dues in accordance with the provisions of the Labour Relations Code of British Columbia.

- 3.02 The Employer shall, during the life of this Agreement, deduct as a condition of employment, a sum equivalent to dues as set by the Union from the bi-weekly pay due to each employee, and remit the same to the Financial Officer of the Union in the month following that in which such deductions are made.
- 3.03 The Employer will, at the time of making such remittances, enclose a list of employees from whose pay cheques such deductions are made.
- 3.04 In the case of a new employee, a deduction shall be made proportionate to time worked from their cheque in their first month of employment.
- 3.05 All employees of the Employer shall become and remain members in good standing of the Union according to the Constitution and By-laws of the Union. All new employees shall become and remain members in good standing in the Union within thirty (30) days of employment.
- 3.06 Notwithstanding any provisions contained in this section, there shall be no financial responsibility on the part of the Employer for fees, dues, or assessment of any employee unless there are sufficient unpaid wages of that employee in the Employer's hands. The Union shall give the Employer two (2) weeks notice of any adjustments to the Union's dues schedule.
- 3.07 Contracting Out
- a) The Employer agrees that work or services presently performed or hereafter assigned to the bargaining unit shall not be sub-contracted, transferred, leased, assigned or conveyed, in whole or in part, to any other plant, person, non-unit employee or company, if any employee hereby shall be forced to lose their job, unless such action, following discussion with the Union, will result in a substantial saving or a significant increase in efficiency.
 - b) The parties agree that some projects due to the scope of work or expediency may exceed the capacity of the College employees and could necessitate contracting out.
 - c) When contracting out is forthcoming, where practicable, the College will meet with the Union to have consultative discussions of the work to be performed. Once a year, the Employer and the Union will meet to discuss capital projects.
 - I. At least three representatives of the Employer and at least three representatives of the Union will attend.
 - II. Determination of resourcing and execution of capital projects is at the sole discretion of the College.
 - III. It is agreed that all discussions are consultative in nature.
 - d) Where a dispute under Article 3.07(a) and (b) arises, the Arbitrator, in determining whether the Employer has demonstrated a substantial savings or significant increase in efficiency, will weigh the impact of contracting out on the bargaining unit in making their decision.
- 3.08 No Conflict with Agreement
- No employee shall be required or permitted to make a written or verbal agreement with the Employer or Employer's representatives which conflicts with the terms of this Agreement.
- 3.09 Union Meetings
- The Employer agrees to allow employees an additional hour for lunch, without loss of pay, four (4) times per year for the purpose of conducting Union meetings. The meetings shall be held from 1230 to 1400, and shall not be held more frequently than once per month unless otherwise agreed. The Union agrees to provide the Employer with five (5) working days notice of its desire to hold a meeting and agrees to cooperate with the Employer in making arrangements to staff

areas that cannot be unattended during such meetings.

- 3.10 Employees shall have the right to wear Union pins or Steward badges.
- 3.11 The Employer shall provide the Union with a list of all current PPWC employees and their mailing addresses, on October 1 of each year provided a Personal Information Release form has been signed by the employee.

Employees hired after April 1, 2006, will be requested to provide written consent for Union access to their personal information (name, address, phone number).

ARTICLE 4 – UNION TIME OFF

- 4.01
- a) The Employer agrees that time spent in settling disputes by Union Stewards shall be considered as time worked provided that such time shall not exceed a total of two hundred and eighty-eight (288) hours in any one calendar year.
 - b) The Union agrees to forward to the Employer a written list of names of such Stewards, a record of time spent by each Steward in settling disputes and a list of replacements obtained for Stewards who are required to be absent to settle disputes.
 - c) In order that the work of the Employer shall not be unreasonably interrupted, no Steward shall leave their work without obtaining permission from their supervisor.
 - d) When the Employer wishes to discuss unsatisfactory work habits with an employee, the employee may be accompanied by a Steward if the employee so elects.
- 4.02 The Employer agrees to grant time off without pay during any working day to officers of the Union in the employ of the Employer for Union purposes, provided that:

- 4.03 The Employer agrees to grant leaves of absence for a maximum of two (2) employees, without pay, for the business purposes of the Union, provided that at least two (2) weeks notice in writing is given to the College who shall transmit it to the Employer, and providing that a suitable substitute can be obtained. It is agreed that the seniority of such employees shall not be adversely affected, but shall be counted as being service with the Employer.
- 4.04 A Union Bargaining Committee, consisting of not more than five (5) employees, shall be elected or appointed by the Union. The Union will advise the Employer of the membership on the Committee. The Committee and its members shall have the privilege of attending collective bargaining meetings with the Employer without loss of remuneration when such meetings are held during regular working hours.
- 4.05 The Union and the College agree that the operations of an individual department or service area will not be unnecessarily affected by union members being absent from the department on union business. The Union will advise the departmental supervisor in advance if more than two (2) members of any department will be required to be absent on union business so that replacements may be arranged if necessary.

- 4.06 Any time off for Union work will have the member compensated, either by the Union or the College as provided in this article above, including any applicable premiums (eg. shift differential, first aid rates).

ARTICLE 5 – HOURS OF WORK

- 5.01 The regular work week shall be Monday through Saturday between 0700 and 2100, or unless the parties, and employee mutually agree otherwise.

The regular work day for full-time Building Service Workers, Cafeteria staff, Information Technology, Groundskeeper, SEG Equipment and Van Fleet Coordinator, Maintenance and Tool Room Attendants shall be seven and one-half (7.5) hours.

Maintenance workers will normally work the day shift.

The regular work day for all other full-time staff will be seven (7.0) hours per day, as specified by the Employer.

Part-time employees may work a shift which is less than the regular shift for their department. Such shifts will be a minimum of four (4) hours per day. In exceptional circumstances, work shifts may be scheduled for less than four (4) hours per day by mutual agreement between the employee, the Union and the College.

All employees will have two (2) consecutive days off between their regular work weeks.

Employees with a seniority date of January 1, 2015 or earlier, shall not be subject to shift change necessitated by an expansion in services, unless by mutual agreement between the union, employee and the supervisor.

Where a shift change necessitated by an expansion of services is contemplated, the affected department will be canvassed and the shift change offered by seniority. Should no one volunteer to accept the shift change, it will be assigned to the least senior member, upon notice of 20 working days.

Building Service Workers who normally work the afternoon shift may be required to work the day shift during the summer months (May through August).

- 5.02 Shifts, as specified by the Employer, are defined as follows:

- Day Shift – where the majority of shift hours fall between 0700 and 1700.
- Afternoon Shift – where the majority of shift hours fall between 1500 and 0100.
- Night Shift – where the majority of shift hours fall between 2100 and 0700.
- Where the majority of the shift hours fall into two of the above categories, the employee shall receive the higher differential rate for the entire shift.

- 5.03 Rest Periods

- a) Employees are entitled to take two (2) rest periods of fifteen (15) minutes during each full day of work; one during the first half of the working day and the other during the second half.
- b) As a general rule, for every 4 hours of work, at least a 15 min rest period will be afforded as per 5.03 (a) and scheduled in keeping with operational requirements.

- 5.04 Where an employee is scheduled for a shift of greater than five (5) hours, a lunch period without pay shall be one-half (1/2) hour or one (1) hour as determined by the employee and the supervisor.

- 5.05 On-call employees shall be called for work on the basis of their qualifications and abilities and

demonstrated ongoing availability. Where two or more employees with equal qualifications and abilities are available, and where such employees have demonstrated ongoing availability, those employees will be called for work on the basis of seniority. It is understood that where possible, senior on-call employees will normally be offered the largest blocks of work first.

Except for employees who have been appointed to regular or temporary positions, those employees who have been placed on the on-call lists and who have not worked within a six month period, may have their name removed from the on-call lists by the Human Resources Department and will be considered to have resigned their employment.

5.06 Campus Closure

- a) In the event of an unanticipated campus closure, all employees who were scheduled to work at a designated campus on that day of the closure will be paid for their regularly scheduled hours. Employees who had scheduled a vacation day on the day of the unanticipated closure will continue to treat this day as vacation.
- b) Where an employee is required to report to or stay at work for operational reasons during the campus closure, they will receive compensation as per Article 7.02 for hours worked.
- c) This language will not apply to employees who were scheduled to work remotely that day.

ARTICLE 6 – WAGES AND MATTERS INCIDENTAL THERETO

6.01 The Employer shall pay wages bi-weekly to its employees in accordance with Schedule "A."

All wages shall be paid through automatic bank deposit.

6.02 Employees required to work afternoon shift shall be paid an hourly shift differential based on the lowest pay grade multiplied by 4%. Employees required to work night shift shall be paid an hourly shift differential based on the lowest pay grade multiplied by 5%. Employees required to work on Saturday or Sunday shall receive a weekend bonus paid as an hourly shift differential, based on the lowest pay grade multiplied by 6%. The payment of the weekend bonus shall not preclude payment of the afternoon or night shift differential.

6.03 When an employee is temporarily assigned to a position paying a lower rate, their rate shall not be reduced.

6.04 When an employee is temporarily required to perform substantially the duties of another position for more than one (1) day they shall receive the rate for the position, or their regular rate, whichever is greater. If the employee continues in the position for more than one (1) day the employee shall receive the applicable rate from the first day.

6.05 Custodial Staff shall receive an allowance of \$125.00 per year to be used for the purchase of work clothing.

6.06 Lead Hand Stipend

An employee may receive a Lead Hand Stipend when the Employer assigns them to oversee other PPWC employees or they hold a required specialization/certification as determined by the Employer in order to ensure operations are completed in a safe and timely manner.

Determinations as to who would be in receipt, will include, but are not limited to, qualifications, certifications, experience, and seniority. The receipt of the stipend does not imply that the employee in receipt has the right to hire, fire, suspend, or discipline. Generally the Lead Hand Stipend will be for a limited term. The Employer may at any time in its discretion, discontinue the Lead Hand Stipend with at least thirty (30) calendar days notice.

Where requested by the union, the employer will provide a list of employees that have been in receipt of the Lead Hand Stipend over the last twelve months. This report will not be requested more than twice a year.

The Lead Hand rate will be a stipend based on 10% of the highest rated classification under their supervision.

ARTICLE 7 – OVERTIME

- 7.01 Overtime shall be defined as work performed before or after a normal working day, as defined in Article 5.01, or work performed on a day of rest.
- 7.02 Employees shall be paid at the rate of time and one-half (x 1.5) for the first two (2) hours of overtime on a normal working day, and double time (x 2) thereafter. Hours of overtime on consecutive days of rest shall be paid at the rate of time and one-half (x 1.5) for the first four (4) hours and double (x 2) time thereafter.
- 7.03 When an employee is called out to work beyond the normal work day they shall be paid a minimum of four (4) hours at the base rate or for the number of hours actually worked, at the appropriate overtime rate, whichever is greater.
- 7.04 Employees required to work more than one and one-half (1.5) consecutive hours beyond regular shift hours in any day shall be provided with a meal allowance of \$14.57.

Effective the date of Ratification: the meal allowance will be increased to \$15.11

Effective January 1, 2024: the meal allowance will be increased to \$16.14

Effective January 1, 2025: the meal allowance will be increased to \$16.46*

*May be adjusted subject to the COLA LOU.

- 7.05 Overtime shall be computed by multiplying the hourly rate by one and one-half (x 1.5) or two (x 2) as appropriate. Subject to approval by the Employer an employee may be granted leave with pay in lieu of overtime pay, to be taken at a time mutually agreed between the employee and the Employer. Such leave shall be equivalent to the cash entitlement.
- 7.06 All overtime must be authorized by the appropriate supervisor.
- 7.07 Overtime occurring on a weekend or Statutory Holiday shall be granted on the basis of seniority and qualifications within the Department where it occurs.

Should overtime be necessary due to the required completion of a daily work assignment, employees working at that time will be offered overtime to complete the work assignment.

When scheduling future overtime work assignments, overtime will be offered on the basis of qualifications, seniority and departmental eligibility and in accordance with other Article 7 provisions.

ARTICLE 8 – STATUTORY HOLIDAYS

- 8.01 A day off with pay will be granted employees on the following days, in accordance with the regulations of the Employment Standards Act:

New Year's Day
Family Day
Good Friday
Easter Monday
Victoria Day (May)

Canada Day (July 1)
British Columbia Day (August)
Labour Day
National Day for Truth and Reconciliation

Thanksgiving Day
Remembrance Day
December 24

Christmas Day
Boxing Day

Employees will receive any additional Statutory Holiday which may be proclaimed by Government during the life of this Agreement.

Whenever a Statutory Holiday occurs on a Saturday or Sunday the holiday will be observed on the same day as observed by the Provincial Government Offices.

Should the College be required to be in session on any Statutory Holiday, employees required to work on such a holiday will be granted an alternate day off with pay in lieu of the Statutory Holiday worked. The alternate day off will be taken at a mutually acceptable time, but not later than the conclusion of the employee's next annual vacation.

- 8.02 In the event of a Statutory Holiday falling on an employee's regular day off, they shall be entitled to a day off with pay at their regular rate, on a date determined by the Employer and the Union. An employee required to work on such Statutory Holiday or day mutually agreed upon in lieu thereof, as aforesaid, shall receive in addition to their regular pay for that holiday double their regular rate of pay for the time worked.
- 8.03 On-call and temporary employees will be paid six point four percent (6.4%) allowance in lieu of Statutory Holidays not worked.
- 8.04 Statutory Holidays for continuous shift employees will be the actual day specified as the holiday.
- 8.05 If December 24 (Christmas Eve) occurs on a Saturday or Sunday, the Statutory Holiday will be observed between Christmas and New Year's Day.

ARTICLE 9 – VACATION ENTITLEMENT

9.01 VACATION YEAR – For the purpose of this Agreement, the Vacation Year shall mean the 12-month period from July 1st to June 30th, inclusive. Vacation entitlement shall be accrued on a bi-weekly basis as per Article 9.02(a).

9.02 Vacation Entitlement

- a) Regular full time, regular part time, sessional employees shall accrue vacation hours with pay. Temporary employees with contracts of greater than six (6) months in duration, shall be given the option to accrue vacation or be paid vacation in lieu as per Article 9.06.

Vacation will be accrued on the following basis:

		Total Vacation Accrued in 1 Year		
Continuous Service for the Employer	System Accrual Rate	Vacation Entitlement in Hours 7 hour day*	Vacation Entitlement in Hours 7.5 hour day*	Equivalent Time in Days
0-3 years	6.15%	112 hours	120 hours	16 days
After 3 years	8.077%	147 hours	157.5 hours	21 days
After 8 years	10%	182 hours	195 hours	26 days
After 13 years	11.92%	217 hours	232.50 hours	31 days

*Based on 100% FTE

- b) Vacation entitlement will be calculated based on the total of the following:
 - i. all paid hours (not including overtime), and

- ii. voluntary leave without pay, up to 21 days per year, and
 - iii. leave without pay for all protected leaves.
- c) After completing five (5) years of vacation entitlement in accordance with (a) above an employee shall be entitled to a supplementary vacation of one (1) week (five days) to be taken once in the following five (5) years. After completing each successive five (5) year period on the same basis an employee shall be entitled to a further one (1) week of supplementary vacation to be taken once during each following five (5) year period.

e.g., An employee who completes five (5) years as defined by 2019 would be entitled to take one (1) additional week once only in the five (5) year period 2019 to 2024.

If they completed a second five (5) year period in 2024 they would again be entitled to take one (1) additional week only in the period 2024 to 2029, etc.

- d) Where a sessional employee is paid out their vacation balance as per Article 9.03, additional vacation hours shall be added to the accrued vacation balance upon return from layoff as follows:

$$[\text{Total vacation hours upon layoff – Carry Forward}] \times \text{Accrual Rate}$$

e.g., A 7 hour a day full time employee who has 4 years seniority, has 100 vacation hours upon layoff, and retains the maximum 2 week carry forward (70 hours). They must have 30 hours paid out upon layoff. The calculation would be 30 X Accrual Rate as per Article 9.02(a). Therefore they would receive an adjustment to be added to their vacation balance upon return from layoff.

9.03 Employees shall be entitled to bank up to a maximum of ten (10) days of their vacation but must take the banked vacation in the following year.

9.04 Where any employee becomes eligible for sick leave while on vacation, sick leave may be substituted for vacation time without loss of vacation entitlement, providing notification and reasonable documentation is submitted to the appropriate supervisor within five (5) days of return to work, or as soon as it is reasonably practicable. Final approval of the adjustment will be made by the Executive Director of Human Resources.

9.05 An employee may utilize their accrued vacation balance as it becomes available in accordance with Article 9.08.

In the event that an employee's vacation taken exceeds the accrued vacation balance, the employee shall reimburse the Employer the difference between the vacation taken and vacation accrued. In the event of default by an employee in this regard, the Union shall reimburse said monies to the Employer.

9.06 Vacation In Lieu

On-call and temporary employees shall be paid a vacation allowance of the appropriate percentage as per the table below, according to seniority date, on each and every pay cheque.

Employees who work less than 50% per year shall be paid a vacation allowance of the appropriate percentage as per the table below, according to seniority date, on each and every pay cheque.

Years Employed According to the Seniority Date	Percentage Rate**
Zero to three years	6.4%
Four to eight years	8.4%
Nine to thirteen years	10.4%
Fourteen years and on	12.4%

*** On gross earning during the entitlement period*

9.07 Winter Closure

Employees shall be granted time with pay from December 27 through December 31 of each year if said days fall on the normal working schedule. Any employee required to work on the above days shall be granted a day(s) off in lieu of the days worked at a time mutually agreed upon by the employee and the supervisor.

9.08 Vacation Scheduling

- a) Providing the work schedule permits all employees shall be granted their vacation at the time preferred by the employee. Preference over vacation dates shall be determined by seniority.
- b) All vacation requests will be submitted to the supervisor for approval as follows:
 - i) On or before April 15, the employee must request and indicate the vacation dates preferred by the employee at least 50% of the vacation entitlement for the forthcoming vacation year. The Supervisor shall, between April 15 and April 30, either approve any requested vacation or due to seniority conflict or operational demands, discuss alternate dates with them. Should the Employer fail to confirm the dates preferred by the employee or fail to discuss alternate dates, the suggested dates shall be deemed to be approved. All vacation arrangements shall be finalized by May 15, unless otherwise mutually agreed.
 - ii) The remaining 50% of the vacation entitlement may be requested throughout the vacation years with reasonable notice and in keeping with operational demands in relation to the time requested.

9.09 Employees who have had their vacation entitlement paid out as a result of a lay-off may apply for vacation without pay, but with benefits as per Article 11, at a later date provided the work schedule permits. The amount of time off shall not exceed the amount of vacation entitlement paid out at the time of the lay-off.

9.10 Supplemental Vacation Purchase

- a) Employees shall have the opportunity to enhance their vacation entitlement through a voluntary reduction of wages. Employees who so wish, may have their gross wage reduced by 2% in order to elect an additional week of vacation entitlement. Notification of this additional week of entitlement must be made to their supervisor when the election is made. Use of the supplemental vacation shall be in accordance with Article 9.08. No additional purchase shall be made by employees who have more than one week of unused purchased vacation.
- b) Where the employee utilizes their two percent (2%) vacation entitlement, it shall be treated as a regular vacation for the purposes of sick leave accrual, vacation accrual, and pension contribution.

ARTICLE 10 – SICK LEAVE

10.01 "Sick Leave" means the period of time an employee is absent from work with or without pay, by virtue of sickness, quarantine, or accident, or out-of-town medical/dental referrals for which compensation is not payable under the Worker's Compensation Act.

10.02 a) All employees shall accumulate sick leave credits in the amount of one and one-half (1.5) working days for each month worked from commencement of employment. An employee shall accrue all unused credits to a maximum of one hundred and eighty (180) working

10.03 Sick leave with pay shall be granted.

If proof of illness is not provided, pay may be withheld until the requested documents have been provided.

The employer may require additional medical certification to confirm an employee is unfit for work or fit to return to work. In such circumstances, the Parties will agree to a suitable Medical Practitioner and any costs incurred by an employee in this regard will be borne by the College.

10.04 Sick leave without pay shall be granted to an employee who does not qualify for sick leave with pay or who is unable to return to work at the termination of the period for which sick leave with pay would be granted under these regulations. The sick leave period shall be granted for one year and subject to review if leave exceeds one year.

10.05 An employee with five (5) years seniority or more entitled to sick leave under this Article, shall receive forty percent (40%) of their unused accumulated sick leave upon:

10.06 A record of all accumulated sick leave credits shall be maintained by the Employer and communicated to each employee.

10.07 An employee prevented from performing their regular work with the Employer on account of an occupational accident that is recognized by the Worker's Compensation Board as compensable within the meaning of the Act, shall receive from the Employer the difference between the amount payable by the Worker's Compensation Board and their regular salary.

10.08 On-call and temporary employees will earn sick leave credits on a pro-rata basis and will be paid sick leave in accordance with Clause 10.02 and in accordance with their scheduled hours of work.

Provisions of Article 10.03 shall apply.

- 10.11 When it is not possible to arrange medical or dental appointments outside of normal working hours, time off on an infrequent basis, without loss of pay, may be granted at the discretion of the employee's Department Supervisor. If such time is required, appointments should be arranged such that not more than one hour of work time is used, preferably at the end of the working day.

Once a decision has been made, an employee must abide by this decision until they obtain full-time employment.

11.10 Early Retirement Incentive

For the purposes of this article early retirement is defined as retirement after age 55 and before age 65.

During any fiscal year starting April 1, the Employer will offer or accept at least one, or the equivalent of at least one, five year early retirement incentive, provided that there are any such requests.

The Employer may offer to an employee or an employee may request an early retirement incentive provided the employee meets the following qualifications:

1. is age 55 or over;
2. has a minimum of ten years employment with the College;
3. is a regular employee on continuing appointment at the time of early retirement;
and
4. resigns for purposes of retirement as a regular employee.

Where the number of qualified employees is greater than the number of retirement incentives available in a given fiscal year, the allocation of retirement incentives will be decided based on the following priorities:

1. employees within an affected department where downsizing is planned;
2. employees with the greatest years of seniority.

An employee who wishes to be considered for an early retirement incentive must make the necessary application by November 1. The Employer will consider all applications and responses will be made to employees no later than the following March 1.

An employee has the right to accept or decline an early retirement incentive offer made by the employer within thirty (30) days of the offer being made.

In the event that an employee applies for and declines to accept an early retirement incentive offer in one year, they shall only be given 10 calendar days to respond to a subsequent early

retirement incentive offer in the following year.

When an offer of an early retirement incentive is accepted, an employee’s early retirement will be effective on a date mutually agreed upon between the employee and the Employer. All earned vacation entitlements shall be utilized prior to the date of retirement.

The individual employee’s early retirement incentive agreement will be in writing and will specify the early retirement date, the payment date or dates, and the specific dollar amount of the incentive.

The Employer will provide the Union with copies of all early retirement incentive agreements.

The early retirement incentive will be based on the number of full years to retirement and will be paid in the following amounts:

<u>Full Years to Retirement</u>	<u>Pay out as of Jan 1, 1998</u>
1	20% of salary
2	40% of salary
3	60% of salary
4	80% of salary
5	100% of salary

The early retirement incentive payment will be based on the employee’s salary at the date of retirement.

The early retirement incentive will be paid in equal yearly payments upon retirement and on each anniversary date thereafter based on full years to retirement, until the employee’s normal retirement date has been reached or five (5) yearly payments have been made.

The early retirement incentive may be paid using any other mutually agreed upon payment plan which takes into account the individual employee’s personal circumstances.

- 11.11 Employees who are planning to retire will have the option of converting the Employer’s portion of medical, dental and extended health benefits into their gross salary, for a period of five (5) years preceding retirement. Such employees will then pay 100% of the benefit costs for the above.

ARTICLE 12 – SENIORITY

Such return shall not result in the lay-off or bumping of an employee holding greater seniority.
 - b) For clarification purposes only, an employee who temporarily leaves the bargaining unit to work in another employee group at the College for one (1) year and who have ten years seniority with an original seniority date of June 12, 2013, will maintain their ten years and their seniority date will be adjusted to June 12, 2014 upon return to the bargaining unit.

Where practicable, job postings may also be posted on bulletin boards. For the purpose of this section employees on the recall list will be advised of the vacancy or a new position.
- I. When a vacancy occurs resulting from an extended sick leave, the provisions of Article 12.07 will prevail. Should the vacancy exceed sixty (60) days, the position will be posted and filled within an additional thirty (30) days. The sixty (60) day time limitation may be extended by mutual agreement of the parties.
- II. If qualified candidates within the unit apply for any vacancy, the Employer shall give them first consideration in filling the vacancy.
- b) An increase of more than 20% of the hours of work identified in the original posting would constitute substantial change in the position and would require reposting of the position. In addition, all part-time jobs which become full-time must be reposted with the exception of part-time jobs which have been occupied by the same employee for more than 3 years.
- c) The Employer may create and maintain an on-call list by hiring on-call employees. The successful applicant(s) will be included on the on-call list. Any employee going on an on-call list in a different department is below these posted positions as defined in Article 1.02 and cannot bump a posted position except as defined under Article 14.08.

Conditional on satisfactory service, the employee shall be declared permanent after the period of three (3) months. In the event the successful applicant proves unsatisfactory in the position during the probationary period, or if the employee is unable to perform the duties of the new job classification, they shall be returned to their former position, wage or salary rate and without loss of seniority.

Any other employee promoted or transferred because of the rearrangement of positions shall also be returned to their former position, wage or salary rate, without loss of seniority.

This clause shall not apply when certificates are mandatory for placement in the vacant position.

Such an employee will be given a probationary period of four (4) months in the new job, unless otherwise mutually agreed, and the employee will be returned to their former position by the College if the required qualifications or certifications are not achieved within the time limits.

Said employee shall not displace an employee with more seniority.

Should the employee fail to return to work for a period of the duration of the leaves taken or six (6) months, whichever is less, the employee shall reimburse the Employer for the SEB on a pro rata basis. 4. Where a conflict arises under Article 3.07 that results in a loss of employment the Union may, within the time period set out in (3.) above refer the dispute to an arbitrator as per Article 17.04. An Arbitrator will determine whether the Employer has demonstrated a substantial savings or significant increase in efficiency, and will weigh the impact of contracting out on the bargaining unit in making their decision.

A referral to Arbitration will not restrict the Employer from implementing their plans to contract out.

5. If an employee is displaced to a lower job as a result of contracting out, their rate of pay will be maintained as set out in Article 1.07.
6. If an employee is laid off as a result of contracting out the employee will have the option of either going on the recall list as set out in Article 14 or waiving recall rights and accepting severance pay as set out in Article 1.07(4).

APPENDIX “M”

Letter of Understanding re: Cost of Living Adjustment

Definitions

“General Wage Increase” or “GWI” means the overall general wage increase expressed as a percentage.

“Cost of Living Adjustment” or “COLA” means a percentage-based general wage increase adjustment provided in accordance with this Memorandum of Agreement. COLA is an upward adjustment applied to and folded into all wage rates.

The “annualized average of BC CPI over twelve months” (AABC CPI) means the *Latest 12-month Average Index % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March in the preceding year and concluding at the end of the following February.

The “Latest 12-month Average Index”, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average Index % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

COLA

The COLA will be applied as applicable to the GWI effective on January 1, 2024 and January 1, 2025.

The COLA will be calculated by determining the difference between the AABC CPI and the annual general wage increase to the maximum COLA prescribed that year in Wage Schedule – Grids.

January 2024

If the 2023 AABC CPI exceeds the January 2024 GWI of 5.5%, then, on January 1, 2024 the January 2024 GWI will be adjusted upwards to reflect a COLA equal to the difference between the January 2024 GWI and the 2023 AABC CPI up to a maximum of 1.25%.

January 2025
