OF THE FIRST PART

AND: The Public and Private Workers of Canada, Local 26

(hereinafter called the "Union")

OF THE SECOND PART

WHEREAS it is the desire of the Selkirk College Board and PPWC, Local 26 that efficient operation of Selkirk College be maintained and to effect this, it is important that harmonious relations be continued between the Employer and its Employees: and

WHEREAS the general purpose of this Agreement is to establish and maintain mutually satisfactory working conditions, hours, wages and benefits for the Employees, to maintain collective bargaining relations between the Employer and the Union and to provide machinery for the prompt and equitable disposition of disputes: and

WHEREAS it is the intention of the Employer and the Union to work harmoniously to maintain the physical working areas in a condition which promotes the efficient operation of the College and to promote an industrious atmosphere:

NOW THEREFORE this Agreement presents hereafter the specific articles to which the parties mutually agree to follow.

WITNESSETH THAT:

ARTICLE 1 – UNION RECOGNITION

1.01 The Employer recognizes the Union as the exclusive representative for the purposes of conducting collective bargaining regarding rates of pay, hours of work, and all other working conditions of the employees of the Employer for which they are certified by the Labour Relations Board, as long as the Union retains its right to conduct collective bargaining on behalf of such employees, under provisions of the Labour Relations Code of British Columbia, except those having authority to hire or discharge employees and those employed in a confidential capacity as defined by the Labour Relations Code of British Columbia.

1.02 A regular employee is an employee who has passed the probationary period and is employed on a continuous basis from year to year. Regular employees may be full-time, part-time or sessional.

A full-time employee is an employee who is employed on a full-time basis (37.5 hours or 35 hours respectively), 12 months of the year.

A part-time employee is an employee who is employed for less than 37.5 hours or 35 hours per week, 12 months of the year.

A sessional employee is an employee who may be either full-time or part-time and who is employed on a continuous basis for a specified period of time each year.

A temporary employee is an employee hired on an intermittent basis or for a specified term of not more than six (6) months. This term may be extended by mutual agreement between the Employer and the Union.

An on-call employee is an employee who has applied for, been offered and accepted a position from an on-call posting, and is called in from an on-call list for short term work.

- 1.03 The policies and practices of the Employer and the Union shall be such to prevent any discrimination toward employees in all areas unrelated to job performance. Any consideration of age, race, colour, creed, national origin, citizenship, criminal record, physical disability, political or religious affiliation or non-affiliation, sex or sexual preference, marital status, or membership or non-membership in the Union unrelated to job performance shall not be cause for restriction or coercion of, or interference with, any employee in the matters of wage rates, training, promotion, layoffs, or discipline. The Employer shall not institute rules and regulations for the employees which are unrelated to the employment requirements. The Union shall comply with the Employer directives where these directives do not violate the Human Rights Act or any terms of this Agreement.

The College and the Union acknowledge the right of all employees to work in an environment free from harassment.

Personal harassment shall be defined as repeated, intentional, unwelcome, offensive comments and/or action deliberately designed to demean and belittle the individual and/or to cause personal humiliation.

Sexual harassment shall be defined according to College policy on Sexual Harassment and administered through that policy.

Cases of harassment shall be considered as discrimination and will be eligible to be processed as grievances.

Grievances under this section will be initiated at step 3 of the grievance procedure.

- 1.04 During the term of this Agreement, the Union and its members shall not authorize or participate in a strike; neither shall the Employer declare a lock-out of any employees. It shall not be a violation of the Agreement or cause for discharge of any employee for refusing to cross a legal picket line.
- 1.05 The Employer agrees that the Union shall have the right to maintain a bulletin board in a convenient location in a College building on each major campus, provided that the use of such shall be restricted to the posting of notices regarding the business affairs, meetings, social events and reports of the Union.
- 1.06 The Employer agrees that any recommendation or matters considered by the Employer relating to rates of pay, promotions, hiring or discharge of employees covered by the terms of this Agreement shall be communicated in writing to the Union at the time of their consideration and decision by the Employer.

- 1.07 Should any displacement of staff be indicated as the result of technological change, the Employer and the Union will meet and discuss the possibility of employing displaced employees in some other capacity, thirty (30) days prior to the implementation of such change.

Any employee placed in a lower-rated position as a result of technological change, shall not have his/her wages reduced; but shall continue to receive his/her old rate until such time as the agreement rate for his/her new position is equal to his/her actual rate of pay.

An employee affected by technological change will be provided with one of the following alternatives:

- 1 Transfer to another existing and vacant position in the College for which the employee is qualified.
 - 2 Seniority rights in accordance with Article 14.07 and 14.08.
 - 3 Retraining for a job mutually agreed upon between the Employer and the employee. Regular salary for the employee will continue during the retraining period for a maximum of three (3) months.
 - 4 A severance allowance of one (1) month's salary for each year of service in accordance with 14.07.
- 1.08 Persons whose jobs are not in the bargaining unit shall not work on any jobs which are included in the bargaining unit except in cases mutually agreed upon by the parties or in emergencies not to exceed seventy-two (72) hours.
- 1.09 The Employer agrees to acquaint new employees with the fact that a Collective Agreement is in effect and with the conditions of employment set out in the Articles dealing with Union Security and Dues Check-off.
- 1.10 Prior to commencing employment, new employees shall be provided by the College with a copy of the Collective Agreement and a listing of the union executive.
- 1.11 Whenever the singular, masculine, or feminine is used in the Agreement, it shall be interpreted as if the plural, feminine, or masculine had been used, where the context of the party or parties hereto so requires.

ARTICLE 2 – MANAGEMENT RIGHTS

- 2.01 The management of the College and the direction of the working force is vested exclusively in the Employer, except as otherwise specified in this Agreement.
- 2.02 A Labour Management Committee shall be established consisting of representatives of the Union and the Employer. The Committee shall enjoy the full support of both parties in the interests of improved service to the public, and job security for the employees. The structure of the Committee shall be established on a continuing basis by the members of the Committee.
- The Committee's mandate shall be to discuss and recommend settlement of all matters of concern between the Union and the Employer. Substantive results of meetings shall be documented and copies sent to both Union and Employer.
- Time spent attending Labour Management Committee meetings during the regular working day shall be deemed as time worked.
- 2.03 The Employer and/or Employer Representative shall not meet with any one Union Executive/Union member in a discussion, outside of normal departmental business, that will affect any member of the Union or their job, or that may be in conflict with the Collective Agreement. There must be at least two Union Executive members present at all times when discussions take place.

Employment issues that are discussed at these meetings shall be presented for decision at the next Joint Labour Management Committee Meeting and will be signed off by both parties for future reference.

ARTICLE 3 – UNION SECURITY AND CHECK-OFF DEDUCTIONS

- 3.01 The Employer agrees to check-off all Union dues in accordance with the provisions of the Labour Relations Code of British Columbia.
- 3.02 The Employer shall, during the life of this Agreement, deduct as a condition of employment, a sum equivalent to dues as set by the Union from the bi-weekly pay due to each employee, and remit the same to the Financial Officer of the Union in the month following that in which such deductions are made.
- 3.03 The Employer will, at the time of making such remittances, enclose a list of employees from whose pay cheques such deductions are made.
- 3.04 In the case of a new employee, a deduction shall be made proportionate to time worked from his/her cheque in his/her first month of employment.
- 3.05 All employees of the Employer shall become and remain members in good standing of the Union according to the Constitution and By-laws of the Union. All new employees shall become and remain members in good standing in the Union within thirty (30) days of employment.
- 3.06 Notwithstanding any provisions contained in this section, there shall be no financial responsibility on the part of the Employer for fees, dues, or assessment of any employee unless there are sufficient unpaid wages of that employee in the Employer's hands. The Union shall give the Employer two (2) weeks notice of any adjustments to the Union's dues schedule.
- 3.07 Contracting Out
- a) The Employer agrees that work or services presently performed or hereafter assigned to the bargaining unit shall not be sub-contracted, transferred, leased, assigned or conveyed, in whole or in part, to any other plant, person, non-unit employee or company, if any employee hereby shall be forced to lose her/his job, unless such action, following discussion with the Union, will result in a substantial saving or a significant increase in efficiency.
- b) Where a dispute under Article 3.07(a) arises, the Arbitrator, in determining whether the Employer has demonstrated a substantial savings or significant increase in efficiency, will weigh the impact of contracting out on the bargaining unit in making his decision.
- 3.08 No Conflict with Agreement
- No employee shall be required or permitted to make a written or verbal agreement with the Employer or Employer's representatives which conflicts with the terms of this Agreement.
- 3.09 Union Meetings
- The Employer agrees to allow employees an additional hour for lunch, without loss of pay, four (4) times per year for the purpose of conducting Union meetings. The meetings shall be held from 1230 to 1400, and shall not be held more frequently than once per month unless otherwise agreed. The Union agrees to provide the Employer with five (5) working days notice of its desire to hold a meeting and agrees to cooperate with the Employer in making arrangements to staff areas that cannot be unattended during such meetings.
- 3.10 Employees shall have the right to wear Union pins or Steward badges.

- 3.11 The Employer shall provide the Union with a list of all current PPWC employees and their mailing addresses, on October 1 of each year provided a Personal Information Release form has been signed by the employee.

ARTICLE 4 – UNION TIME OFF

It is agreed that the seniority of such employees shall not be adversely affected, but shall be counted as being service with the Employer.

- 4.04 A Union Bargaining Committee, consisting of not more than five (5) employees, shall be elected or appointed by the Union. The Union will advise the Employer of the membership on the Committee. The Committee and its members shall have the privilege of attending collective bargaining meetings with the Employer without loss of remuneration when such meetings are held during regular working hours.

- 4.05 The Union and the College agree that the operations of an individual department or service area will not be unnecessarily affected by union members being absent from the department on union business. The Union will advise the departmental supervisor in advance if more than two (2) members of any department will be required to be absent on union business so that replacements may be arranged if necessary.

ARTICLE 5 – HOURS OF WORK

5.01 The regular work day for full-time Aviation support, Building Service Workers, Cafeteria staff, Information Technology, Forestry Lab Assistant, Maintenance and Tool Room Attendants shall be seven and one-half (7.5) hours, Monday through Friday. Part-time employees may work a shift which is less than the regular shift for their department. Such shifts will be a minimum of four (4) hours per day. In exceptional circumstances, work shifts may be scheduled for less than four (4) hours per day by mutual agreement between the employee, the Union and the College.

Positions in existence as of December 31, 1989 shall not be subject to shift change unless by mutual agreement between the employee and their supervisor. Building Service Workers who normally work the afternoon shift may be required to work the day shift during the summer months (May through August).

This clause may be amended from time to time by mutual agreement between the Union and the Employer.

5.04 Lunch periods without pay shall be one-half (1/2) hour or one (1) hour as determined by the employee and the supervisor.

ARTICLE 6 – WAGES AND MATTERS INCIDENTAL THERETO

6.01 The Employer shall pay wages bi-weekly to its employees in accordance with Schedule "A."

All wages for new employees hired after December 31, 1992 shall be paid through automatic bank deposit. Employees who worked prior to December 31, 1992 will have the option of payment by cheque.

6.02 **Employees required to work afternoon shift shall be paid an hourly shift differential based on the lowest pay grade multiplied by 4%. Employees required to work night shift shall be paid an hourly shift differential based on the lowest pay grade multiplied by 5%. Employees required to work on Saturday or Sunday shall receive a weekend bonus paid as an hourly shift differential, based on the lowest pay grade multiplied by 6%. - 6.04 When an employee is temporarily required to perform substantially the duties of another position for more than one (1) day he/she shall receive the rate for the position, or his/her regular rate, whichever is greater. If the employee continues in the position for more than one (1) day the employee shall receive the applicable rate from the first day.

- 7.05 Overtime shall be computed by multiplying the hourly rate by one and one-half (x 1.5) or two (x 2) as appropriate. Subject to approval by the Employer an employee may be granted leave with pay in lieu of overtime pay, to be taken at a time mutually agreed between the employee and the Employer. Such leave shall be equivalent to the cash entitlement.
- 7.06 All overtime must be authorized by the appropriate supervisor.
- 7.07 Overtime occurring on a weekend or Statutory Holiday shall be granted on the basis of seniority and qualifications within the Department where it occurs.

Should the College be required to be in session on any Statutory Holiday, employees required to work on such a holiday will be granted an alternate day off with pay in lieu of the Statutory Holiday worked. The alternate day off will be taken at a mutually acceptable time, but not later than the conclusion of the employee's next annual vacation.

- 8.02 In the event of a Statutory Holiday falling on an employee's regular day off, he/she shall be entitled to a day off with pay at his/her regular rate, on a date determined by the Employer and the Union. An employee required to work on such Statutory Holiday or day mutually agreed upon in lieu thereof, as aforesaid, shall receive in addition to his/her regular pay for that holiday double his/her regular rate of pay for the time worked.
- 8.03 On-call and temporary employees will be paid six percent (6%) allowance in lieu of Statutory Holidays not worked.
- 8.04 Statutory Holidays for continuous shift employees will be the actual day specified as the holiday.
- 8.05 If December 24 (Christmas Eve) occurs on a Saturday or Sunday, the Statutory Holiday will be observed between Christmas and New Year's Day.

ARTICLE 9 – VACATION ENTITLEMENT

- 9.01 VACATION YEAR – For the purpose of this Agreement, the Vacation Year shall mean the 12-month period from July 1st to June 30th, inclusive.

9.02 Vacation Entitlement

An employee who has been in the service of the Employer for less than one year prior to June 30 of any year shall be entitled to a vacation in the succeeding year.

Vacation entitlement will be calculated at six point four percent (6.4%) of the number of days worked during the partial year. In computing the number of days, fractions will be taken to the nearest half-day.

An employee with less than a full year of employment can only schedule paid vacation time after he/she has worked up to and including June 30, which is the end date of the College's vacation accrual year.

Pay for such vacations shall be six point four percent (6.4%) of the total remuneration earned by him/her in the period terminated with June 30 in the year that he/she was first employed.

Employees, other than On-call or temporary, with more than one years continuous service shall receive vacation with pay on the following basis:

<u>Years Employed at June 30</u>	<u>Vacation Entitlement (Pay)</u>
after one (1) year of continuous service	16 days (6.4%)*
after four (4) years of continuous service	21 days (8.4%)*
after nine (9) years of continuous service	26 days (10.4%)*
after fourteen (14) years of continuous service	31 days (12.4%)*

*Percentage of gross earnings during current entitlement period.

- b) Where the employee does not work for more than twenty-one (21) working days in the vacation year (except on sick leave), the vacation entitlement shall be prorated accordingly (the basis to be appropriate percentage of earnings in the entitlement period).
- c) After completing five (5) years of vacation entitlement in accordance with (a) above an employee shall be entitled to a supplementary vacation of one (1) week to be taken once in the following five (5) years. After completing each successive five (5) year period on the same basis an employee shall be entitled to a further one (1) week of supplementary vacation to be taken once during each following five (5) year period.
- e.g., An employee who completes five (5) years as defined by 1980 would be entitled to take one (1) additional week once only in the five (5) year period 1980 to 1985.
- If he/she completed a second five (5) year period in 1985 he/she would again be entitled to take one (1) additional week only in the period 1985 to 1990, etc.
- d) For computation of vacation entitlement employees shall be deemed to be in their second vacation year on July 1, if they have been employed on a full-time basis for six (6) months or more prior to that date.
- e) Vacation benefits shall be accrued during a lay-off period equal to an employee's unused vacation entitlement at the time of the lay-off for that vacation year.

- 9.03 Employees shall be entitled to bank up to a maximum of two (2) weeks of their vacation but must take the banked vacation in the following year. Such banked vacation will receive pay at the rates the employee would normally have received had he/she worked that period in the year in which the banked vacation is taken.
- 9.04 When a statutory holiday falls on or is observed during an employee's annual vacation, he/she shall be granted an additional day's vacation with full pay for any such holiday so occurring, in addition to his/her regular vacation.
- 9.05 Where any employee becomes eligible for sick leave while on vacation, sick leave may be substituted for vacation time without loss of vacation entitlement, providing documentation is obtained from a suitable Medical Practitioner, and submitted to the Director of Human Resources.
- 9.06 Vacation entitlement may be taken up to seven (7) months prior to the June 30 cut-off date, provided that the scheduling meets with the approval of the Employer.

In the event that a vacation payment is made to an employee who quits or for any other reason fails to work through his/her entitlement period the employee shall reimburse the Employer any such monies received. In the event of default by an employee in this regard, the Union shall reimburse said monies to the Employer.

- 9.07 On-call and temporary employees shall be paid a vacation allowance of the appropriate percentage (clause 9.02), according to seniority date, on each and every pay cheque.

Employees who work less than 50% per year shall be paid a vacation allowance of the appropriate percentage (clause 9.02), according to seniority date, on each and every pay cheque.

- 9.08 Employees who are normally scheduled to work from December 27 through December 31 of each year shall be granted these days off with pay if said days fall on normal working days. Any employee required to work on the above days shall be granted a day(s) off in lieu of the days worked at a time mutually agreed upon by the employee and the supervisor.

- 9.09 a) Providing the work schedule permits all employees shall be granted their vacation at the time preferred by the employee. Preference over vacation dates shall be determined by seniority.
- b) The Employer shall post a vacation schedule on all department bulletin boards no later than April 1 of each year.

The schedule shall show each employee's name, along with his/her vacation entitlement for the forthcoming year and space for the employee to indicate on or before April 15, the vacation dates preferred by the employee. The Employer shall, between April 15 and April 30, either confirm the dates suggested by each employee or discuss alternate dates with him/her. Should the Employer fail to confirm the dates preferred by the employee or fail to discuss alternate dates, the suggested dates shall be deemed to be confirmed. All vacation arrangements shall be finalized by May 15, unless otherwise mutually agreed.

- 9.10 Employees who have had their vacation entitlement paid out as a result of a lay-off may apply for vacation without pay, but with benefits as per Article 11, at a later date provided the work schedule permits. The amount of time off shall not exceed the amount of vacation entitlement paid out at the time of the lay-off.

- 9.11 Employees shall have the opportunity to enhance their vacation entitlement through a voluntary reduction of wages. Employees who so wish, may apply to have their gross wage reduced by 2% in order to elect an additional week of vacation entitlement. Requests for this additional week of entitlement must be made one year in advance of vacation entitlement in accordance with Article 9.09. Approval of these requests shall also be in accordance with Article 9.09 and no approval will be granted for additional purchased vacation for employees who have more than one week of unused purchased vacation. It is understood by the parties that purchased vacation will be paid out at the rate at which it was purchased.

ARTICLE 10 – SICK LEAVE

- 10.01 "Sick Leave" means the period of time an employee is absent from work with or without pay, by virtue of sickness, quarantine, or accident, or out-of-town medical/dental referrals for which compensation is not payable under the Worker's Compensation Act.
- 10.02 a) All employees shall accumulate sick leave credits in the amount of one and one-half (1.5) working days for each month worked from commencement of employment. An employee shall accrue all unused credits to a maximum of one hundred and eighty (180) working days.

- b) When an employee is required to claim sick leave, the Employer shall make a deduction from the employee's sick leave credits.

10.03 Sick leave with pay shall be granted.

Medical documentation may be requested by the supervisor if the illness goes beyond two (2) working days. Medical documentation may be requested for on-call employees for one (1) day of illness. If proof of illness is not provided, pay may be withheld until the requested documents have been provided.

The employer may require additional medical certification to confirm an employee is unfit for work or fit to return to work. In such circumstances, the Parties will agree to a suitable Medical Practitioner and any costs incurred by an employee in this regard will be borne by the College.

10.04 Sick leave without pay shall be granted to an employee who does not qualify for sick leave with pay or who is unable to return to work at the termination of the period for which sick leave with pay would be granted under these regulations. The sick leave period shall be granted for one year and subject to review if leave exceeds one year.

10.05 An employee entitled to sick leave under this Article, shall receive forty percent (40%) of his/her unused accumulated sick leave upon:

- a) Retirement on or after the attainment of the minimum retirement age, whichever shall last occur, or
- b) Retirement with a permanent disability entitling the employee to BC Municipal Pension Plan, or
- c) Death of an employee while in the service of the Employer.
- d) For the purpose of this section, the retirement age for all employees shall be in conformity with the BC Municipal Pension Plan.
- e) Employees with five (5) years seniority or more, on severance, shall receive forty percent (40%) pay out of their accumulated sick leave. This clause does not include employees who are dismissed for just cause.

10.06 A record of all accumulated sick leave credits shall be maintained by the Employer and communicated to each employee.

10.07 An employee prevented from performing his/her regular work with the Employer on account of an occupational accident that is recognized by the Worker's Compensation Board as compensable within the meaning of the Act, shall receive from the Employer the difference between the amount payable by the Worker's Compensation Board and his/her regular salary.

10.08 On-call and temporary employees will earn sick leave credits on a pro-rata basis and will be paid sick leave in accordance with Clause 10.02 and in accordance with their scheduled hours of work.

10.09 An employee who becomes ill while at work and who cannot perform his/her duties shall report to the appropriate supervisor before taking leave.

10.10 Family illness: In the case of illness in the immediate family of an employee as defined in Article 20.01, when no one at home other than the employee can provide for the needs of the ill person, the employee shall be entitled to use annual sick leave credits for this purpose. Provisions of Article 10.03 shall apply.

- 10.11 When it is not possible to arrange medical or dental appointments outside of normal working hours, time off on an infrequent basis, without loss of pay, may be granted at the discretion of the employee's Department Supervisor. If such time is required, appointments should be arranged such that not more than one hour of work time is used, preferably at the end of the working day.

ARTICLE 11 – EMPLOYEE BENEFITS

- 11.01 All eligible employees shall participate in the BC Municipal Pension Plan.
- 11.02 a) Employees who have completed three months service within the previous twelve months shall participate in the mutually approved Medical Plan and in the Extended Health Benefit Plan offered by the said Plan whereby the Employer shall pay one hundred percent (100%).
- b) All employees shall be entitled to the Medical Travel Referral Benefit of \$125.00 per day, for up to fifty (50) days annually for services and supplies not covered by the Medical Services Plan of BC in accordance with regulations as presently known.

11.10 Early Retirement Incentive

For the purposes of this article early retirement is defined as retirement after age 55 and before age 65.

During any fiscal year starting April 1, the Employer will offer or accept at least one, or the equivalent of at least one, five year early retirement incentive, provided that there are any such requests.

The Employer may offer to an employee or an employee may request an early retirement incentive provided the employee meets the following qualifications:

1. is age 55 or over;
2. has a minimum of ten years employment with the College;
3. is a regular employee on continuing appointment at the time of early retirement;
and
4. resigns for purposes of retirement as a regular employee.

Where the number of qualified employees is greater than the number of retirement incentives available in a given fiscal year, the allocation of retirement incentives will be decided based on the following priorities:

1. employees within an affected department where downsizing is planned;
2. employees with the greatest years of seniority.

An employee who wishes to be considered for an early retirement incentive must make the necessary application by November 1. The Employer will consider all applications and responses will be made to employees no later than the following March 1.

An employee has the right to accept or decline an early retirement incentive offer made by the employer within thirty (30) days of the offer being made.

In the event that an employee applies for and declines to accept an early retirement incentive offer in one year, he/she shall only be given 10 calendar days to respond to a subsequent early retirement incentive offer in the following year.

When an offer of an early retirement incentive is accepted, an employee’s early retirement will be effective on a date mutually agreed upon between the employee and the Employer. All earned vacation entitlements shall be utilized prior to the date of retirement.

The individual employee’s early retirement incentive agreement will be in writing and will specify the early retirement date, the payment date or dates, and the specific dollar amount of the incentive.

The Employer will provide the Union with copies of all early retirement incentive agreements.

The early retirement incentive will be based on the number of full years to retirement and will be paid in the following amounts:

<u>Full Years to Retirement</u>	<u>Pay out as of Jan 1, 1998</u>
1	20% of salary
2	40% of salary
3	60% of salary
4	80% of salary
5	100% of salary

The early retirement incentive payment will be based on the employee’s salary at the date of retirement.

The early retirement incentive will be paid in equal yearly payments upon retirement and on each anniversary date thereafter based on full years to retirement, until the employee’s normal retirement date has been reached or five (5) yearly payments have been made.

The early retirement incentive may be paid using any other mutually agreed upon payment plan which takes into account the individual employee’s personal circumstances.

- 11.11 Employees who are planning to retire will have the option of converting the Employer’s portion of medical, dental and extended health benefits into their gross salary, for a period of five (5) years preceding retirement. Such employees will then pay 100% of the benefit costs for the above.

ARTICLE 12 – SENIORITY

- 12.01 The Employer agrees that seniority shall govern in all cases of promotions and demotions but that seniority shall govern only when the employee or employees are qualified and have the ability to perform the job. The Employer shall determine qualifications in a fair and equitable manner.
- 12.02 The Employer shall maintain a seniority list showing the date upon which each employee's service commenced. An up-to-date seniority list shall be sent to the Union and posted on all bulletin boards in January of each year.
- 12.03 The seniority date for all employees shall be from the original date of employment.

Probationary Period

- .1 A new employee who is hired to a regular full-time or part-time position shall be on probation for a period of sixty (60) days of work or six (6) months whichever is less.

On-call and temporary employees shall be on probation for a period of sixty (60) days of

work of broken or continuous employment during a twelve (12) month period.

- .2 A regular employee shall be entitled to all rights and benefits of this agreement after sixty (60) days of work or successful completion of the probationary period, whichever is less.
 - .3 On-call and temporary employees shall be entitled to seniority and other benefits as specified when they have completed sixty (60) days of work of broken or continuous employment during a twelve (12) month period.
- 12.04 An employee shall not lose seniority rights if he/she is absent from work because of sickness, accident, lay-off, or leave of absence approved by the Employer.

An employee shall only lose his/her seniority in the event:

- .1 he/she is discharged for just cause and is not reinstated.
 - .2 he/she resigns in writing.
 - .3 he/she is absent from work in excess of two (2) working days without sufficient cause or without notifying the Employer, unless such notice was not reasonably possible.
 - .4 he/she fails to return to work within seven (7) calendar days following a lay-off and after being notified by registered mail to do so, unless through sickness or other just cause. It shall be the responsibility of the employee to keep the Employer informed of his/her current address. An employee recalled for On-call work or employment of short duration at a time when he/she is employed elsewhere shall not lose his/her recall rights for refusal to return to work if the Employer can find a suitable replacement.

If an employee is transferred to a position outside of the bargaining unit, for a period less than one (1) year, he/she shall retain his/her seniority accumulated up to the date of leaving the unit, but will not accumulate any further seniority. An employee shall have the right to return to a position in the bargaining unit. If an employee returns to the bargaining unit, he/she shall be placed in a job consistent with his/her seniority. Such return shall not result in the lay-off or bumping of an employee holding greater seniority.
- 12.06 In the event that the Employer shall merge, amalgamate, or combine any of its operations or functions with another institution, the Employer agrees to the retention of seniority rights for all employees with the Employer following consultations between the Union and the Employer.
- 12.07 Employees may be transferred from one position to another in the College if such a transfer is considered expedient by the Employer in order to expedite the work in the College, for a period not in excess of sixty (60) days.
- 12.08 In the event of this country being at war, the seniority of employees enlisting in the armed forces shall continue, provided for this purpose an employee returns to his/her employment with the Employer within a six (6) month period of his/her discharge from the armed forces.

ARTICLE 13 – GENERAL PROVISIONS

13.01 Position Posting

- .1 When a vacancy occurs or a new position is created, the Employer shall within sixty (60) days notify the Union in writing and post notice of the position on all bulletin boards for a minimum of seven (7) days so that all members will know about the vacancy or new position. For the purpose of this section employees on the recall list will be advised of the vacancy or a new position.

When a vacancy occurs resulting from an extended sick leave, the provisions of Article 12.07 will prevail. Should the vacancy exceed sixty (60) days, the position will be posted and filled within an additional thirty (30) days. The sixty (60) day time limitation may be extended by mutual agreement of the parties.

If qualified candidates within the unit apply for any vacancy, the Employer shall give them first consideration in filling the vacancy.

- .2 An increase of more than 20% of the hours of work identified in the original posting would constitute substantial change in the position and would require reposting of the position. In addition, all part-time jobs which become full-time must be reposted with the exception of part-time jobs which have been occupied by the same employee for more than 3 years.
- .3 The Employer may create and maintain an on-call list by hiring on-call employees. The successful applicant(s) will be included on the on-call list. Any employee going on an on-call list in a different department is below these posted positions as defined in Article 1.02 and cannot bump a posted position except as defined under Article 14.08.
- .4 In the event that the PPWC IT positions that are currently occupied by SCFA members become vacant, these vacancies will be posted for 7 days internally. The College will ensure there are no qualified internal applicants before these positions are advertised outside of the College.

13.02 Posting Notices

Such notice of postings shall contain the following information:

Nature of position, qualifications, required knowledge and education, skills, shift, wage or salary rate or range.

Such qualifications may not be established in an arbitrary or discriminatory manner.

- 13.03 All vacant positions will be advertised internally. If the Employer believes that there are no qualified internal candidates available, the Employer will advise the Union that the position will be simultaneously advertised externally.

13.04 Role of Seniority in Promotions and Transfers:

Both parties recognize:

- .1 the principle of promotion within the service of the Employer;
- .2 that job opportunity should increase in proportion to length of service.

Therefore, in making staff changes, transfers, or promotions appointments shall be made based on an employee's qualifications and experience as identified for the position. In the event that there is more than one qualified employee, the appointment shall be made to the employee with the greatest seniority.

- 13.05 The successful applicant shall be placed on probation for a period of three (3) months. If an employee has served a probationary period as an on-call or temporary employee for a particular classification, he/she will not have to serve a second probation for the same classification.

Conditional on satisfactory service, the employee shall be declared permanent after the period of three (3) months. In the event the successful applicant proves unsatisfactory in the position during the probationary period, or if the employee is unable to perform the duties of the new job classification, he/she shall be returned to his/her former position, wage or salary rate and without loss of seniority.

Any other employee promoted or transferred because of the rearrangement of positions shall also be returned to his/her former position, wage or salary rate, without loss of seniority.

13.06 Recruitment of Positions

The senior applicant for a vacant position, who does not possess the required qualifications for the position, will be considered for the position if they possess the majority of the qualifications (academic and/or experience) which are required and if he/she is currently enrolled in a course of studies which will qualify them for the position. This clause shall not apply when certificates are mandatory for placement in the vacant position.

Such an employee will be given a probationary period of four (4) months in the new job, unless otherwise mutually agreed, and the employee will be returned to his/her former position by the College if the required qualifications or certifications are not achieved within the time limits.

13.07 Within seven (7) calendar days of the date of appointment to a vacant position, the name of the successful applicant shall be posted on all bulletin boards. The Union shall be notified of all appointments, hirings, layoffs, transfers, recalls and terminations of employment.

13.08 In the event of any employee taking a course of instruction, as approved by the Employer, in order that the employee will better qualify to perform his/her job, the Employer will, on the employee's successful completion of the course, reimburse the employee in the full amount of the tuition fee(s).

13.09 An employee unable through injury or illness to perform his/her normal duties will be provided with alternate suitable employment where it is reasonably possible. If no alternate employment can be found the employee shall be given the right to bump into a job for which the employee is qualified. If there is no such job presently available within the workplace, the employee shall be given preference for new jobs for which the employee is qualified. Said employee shall not displace an employee with more seniority.

13.10 First Aid Certification

- .1 When the Employer requires an employee to perform first aid duties as part of his/her job requirements, reasonable costs of obtaining or receiving First Aid certification shall be paid by the Employer. Any employees so required shall be given reasonable opportunity to obtain said certification and upon receiving certification shall be paid in addition to his/her classification rate of pay as follows:

Occupational First Aid, Level 3*	\$140.00 per month

ARTICLE 14 – ROLE OF SENIORITY IN LAYOFFS

- 14.01 Both parties recognize that job security shall increase in proportion to length of service. Therefore, in the event of a lay-off, employees shall be laid off in the reverse order to the bargaining-unit-wide seniority subject to job requirement.
- 14.02 Employees shall be recalled in the order of their seniority subject to job requirement.
- 14.03 No new employees shall be hired until those laid off have been given an opportunity of recall subject to job requirement.
- 14.04 a) Employees who are to be laid off for periods of less than thirteen (13) weeks shall be given notice ten (10) working days prior to the effective date of lay-off.
- b) Employees who are to be laid off for periods of thirteen (13) weeks or more, will be provided with the following notice:

<u>Years of Service</u>	<u>Notice</u>
0 to 2 Years	10 Working Days
2 to 4 Years	20 Working Days
4 to 6 Years	30 Working Days
6 to 7 Years	35 Working Days
8 Years and over	40 Working Days

Where possible, the Employer shall notify employees in writing of the anticipated date of recall.

In the event the employee's job is eliminated while the employee is laid off, the employee shall be notified ten (10) working days prior to the original anticipated date of recall and he/she shall have the right to exercise his/her rights in accordance with Article 14.

- 14.05 The Employer agrees to pay the Employer's portion of premiums for all employee benefit plans for employees laid off for periods of less than four (4) months. In the event of a longer lay-off, employees so affected shall have the right to continue this coverage through direct payments where allowable.
- 14.06 Grievances concerning lay-offs, recalls and job placement shall be initiated at Stage 3 of the Grievance Procedure.

- 14.08 Seniority Rights
- 1) Regular employees in receipt of a lay-off notice will be required to choose one of the following options in accordance with Article 14:
 - a) lay-off with recall rights for one (1) year. A regular full-time employee or regular part-time employee who is laid off and chooses to place his/her name on the recall list rather than exercise his/her seniority rights shall be automatically recalled when a similar position in that particular classification becomes available. During the recall period, employees would be able to access work, for which they hold the required qualifications, from the on-call list.
 - b) exercise bumping rights. It is understood that an employee who exercises his/her bumping rights is relinquishing any claim to his/her previous position and further recall.
 - c) accept a severance payment according to clause 14.07.
 - 2) The administration of bumping rights shall be as follows:
 - a) a regular full-time employee in receipt of a lay-off notice will be entitled to bump the least senior full-time employee for whose job he/she possesses the minimum qualifications.
 - b) if a full-time position is not available, the employee will be entitled to bump the least senior part-time employee for whose job he/she possesses the minimum qualifications.

The employee will be accompanied by a Union Steward.

.2 Stages of Progressive Discipline: Progressive discipline is broken down into stages, with each successive stage calling for more serious disciplinary measures. The process is typically segmented into the following pattern:

Stage One:	Verbal Warning
Stage Two:	Written Warning and Action Plan
Stage Three:	Final Written Warning with Action Plan and Discipline
Stage Four:	Termination

At all times the Employer and Union agree to abide by the Principles of Natural Justice.
